TYPE OF REPORT: FINAL
DATE OF REPORT: July 21, 2021

Office of Inspector General
School District of Palm Beach County

THIS REPORT MAY CONTAIN INFORMATION THAT IS CONFIDENTIAL OR EXEMPT FROM DISCLOSURE UNDER APPLICABLE LAW. DO NOT RELEASE WITHOUT PRIOR COORDINATION WITH THE OFFICE OF INSPECTOR GENERAL.
EXECUTIVE SUMMARY

From January 27, 2021, to April 2, 2021, the Office of Inspector General (OIG) conducted interviews and reviewed pertinent documentation and records related to the allegation that Instructional Specialist Bonnie Fox knowingly violated School Board Policies 1.013 and 3.02 and Florida Administrative Codes 6A-5.080 and 6A-10.081 by not reporting to her assigned Department or producing work for that Department. It was also alleged that Fox committed fraud in that she willfully received a paycheck for time not worked. District records indicate that Fox retired effective May 5, 2021.

As a result of the investigation, the OIG identified the following additional allegations:

Fox knowingly violated School Board Policies 1.013, 2.501, 2.61, 3.02, and 3.10 Florida Administrative Codes 6A-5.080 and 6A-10.081, and the District’s Information Technology User Standards and Guidelines Manual in the following manners:

- Failed to report to the department to which she was transferred.
- From July 1, 2020, through January 19, 2021, she collected her salary from her assigned department but did not appear to contribute or complete any work.
- Asked a District employee to use her credentials to complete her timesheets.
- Provided her confidential District password to two District employees and asked them to change her password.
- Falsified training records by asking a District employee to complete her District required training while using her credentials.

With the exception of the fraud allegation, the allegations against Fox, were Substantiated. The fraud allegation based on deliberate and willful collection of a paycheck for time not worked was Unsubstantiated (Inconclusive).

Deputy Superintendent/Chief of Schools Keith Oswald violated School Board Policy 3.02 by not Making Ethical Decisions/Failure to Use Good Judgement regarding Fox’s transfer/reassignments to School Transformation in November 2019, and Charter Schools in July 2020. The allegation against Oswald was Substantiated.

Assistant Principal Shaun Schwartztrauber knowingly violated School Board Policies 1.013, 2.501, 2.61, and 3.02, Florida Administrative Code 6A-10.081, and the District's Information Technology User Standards and Guidelines Manual by the following:

1 Definition of “knowing” from Black’s Law Dictionary: Having or showing awareness or understanding.
• At a District employee’s request, changed the employee’s District password.
• At a District employee’s request, used the employee’s credentials to complete timesheets and falsely complete and certify District required training.

With the exception of the fraud allegation, the allegations against Schwartztrauber were Substantiated. The fraud allegation related to Schwartztrauber’s willful and deliberate completion and false certification of Fox’s training with the intent to unlawfully deprive the District was Unsubstantiated (Inconclusive).

Single School Culture Coordinator Jordan Peterson knowingly violated School Board Policy 1.013, 2.501, and 3.02, and the District’s Information Technology User Standards and Guidelines Manual. Peterson changed an employee’s District password, at the employee’s request. The allegation against Peterson was Substantiated.

Charter Schools Director Joe DePasquale knowingly violated School Board Policies 1.013, 2.501, 3.02, and 3.10, the District’s Information Technology User Standards and Guidelines Manual, and the District’s Payroll and Time & Labor Training Manual by the following:

• Provided his District password to his administrative assistants.
• Failed to approve Charter School payroll per District procedures.

The allegations against DePasquale were Substantiated.

On June 10, 2021, the OIG forwarded a copy of the draft report to Bonnie Fox, Shaun Schwartztrauber, Jordan Peterson, Joe DePasquale, and Keith Oswald for a response by July 15, 2021. Oswald submitted a response on June 18, 2021, the response has been attached in its entirety. (Exhibit 29) In the response, Oswald refers to when Fox was transferred in June 2018. The June 2018, transfer is not in question. Allegation 2 of the report references two transfers/reassigments that took place in November 2019, and July 2020, the dates were added to the verbiage of Allegation 2. PeopleSoft records reflect that in July 2018, Fox reported to Oswald. The records reflect that Fox started reporting to Terembes in November 2019. (Exhibit 30)

The OIG reviewed Oswald’s audio sworn statements to ensure accuracy. In addition to Oswald’s summary statements included in the report, below are quotes from Oswald’s April 1, 2021, statement, with regard to Fox’s reassignment to School Transformation that took place in November 2019:

OIG: You placed Bonnie under Terembes?
Oswald: “In - - as far as the budget? Yeah.”
OIG: There was a vacancy in Terembes’ Department, so you placed Bonnie there?
Oswald: “So I put her under Terembes, yeah.”
OIG: Was Terembes fully in charge of Bonnie?
Oswald: “No, but she and I worked together, right, because she was a principal on assignment. So I’m a principal, so Bonnie took directive from me. I mean, sometimes
Barbara and I worked very closely together.” “But as far as directing her what to do - as far as workflow, no. Barb wouldn’t really do that.”

OIG: Would Bonnie still have been coming to you around that time?

Oswald: “Assignment and work.”

OIG: Do you typically deal with transfers or did you deal with Bonnie because she basically reported to you?

Oswald: “Well, basically, she was kind of under me”

Schwartztrauber submitted a response on June 29, 2021, the response has been attached in its entirety. (Exhibit 31) Peterson submitted a response on July 21, 2021, the response has been attached in its entirety. (Exhibit 32) The OIG did not receive a response from Fox or DePasquale.

RECOMMENDATIONS

During the course of the investigation there were management issues that were discovered and are referred to Assistant Superintendent of Choice and Innovation Jay Boggess, Chief Financial Officer Michael Burke, Superintendent Donald Fennoy, Chief of Human Resources Gonzalo LaCava, and Director of Employee and Labor Relations Vicki Evans-Pare for review and consideration.

- The OIG recommends Mr. Burke review the current internal controls in place regarding the approval of payroll by departments/schools. It appears there may be a deficiency in ensuring Department Directors and Principals complete the proper approvals in a timely manner.

- The OIG recommends Mr. Burke require that the Budget and Payroll Department ensure that all Directors and Principals are completing payroll as required to avoid schools/departments from having unapproved payroll records.

- The OIG recommends Dr. LaCava review the current procedures in place for employee transfers to ensure there are detailed written procedures and or policies in place including, but not limited to:
  
  o Employee Transfer/Reassignment forms that require the appropriate approvals,

  o Written justification that includes a valid explanation for salary overrides, on an annual basis if applicable,

  o Written communication to all applicable parties regarding employee transfers/reassignments.

- The OIG recommends Dr. LaCava ensure there is a process in place to ensure accurate information is placed on board agenda’s in order to avoid what took place
with Fox’s employment which was on two separate agendas with conflicting information.

- The OIG recommends Dr. Fennoy require all employees to follow “chain of command” in order to prevent administration from being excluded from employment decisions, such as transfers/reassignments.

- The OIG recommends the findings of this report be referred to Ms. Evans-Pare for review and action deemed appropriate.

BACKGROUND

Palm Beach County School District, Odyssey Middle School (Odyssey), closed at the end of the 2018 school year. Bonnie Fox was the Principal at Odyssey until it closed. District records indicate that effective July 1, 2018, Fox was reassigned from Principal to Principal on Assignment, in which she supported various District schools. Subsequently, Deputy Superintendent Keith Oswald, transferred Fox to the Charter Schools Department as an Instructional Specialist working with Title I Charter Schools effective July 1, 2020. District records reflect that Fox’s transfer to Charter Schools received School Board approval on July 22, 2020. Fox has been a District employee since 1997. Effective May 5, 2021, Fox retired.

Since Fox’s position in the Charter Schools Department dealt with Title I Charter Schools, her position was fully funded with Federal Grant Funds. For audit purposes, the District collects supporting documentation (proof that work was completed in relation to the specific applicable grant that funds the position) from respective departments and employees. Additionally, when approving payroll, Department Directors/Principals must certify that any federally funded grant position worked on grant activities (full or partial). Title I, part of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the “Every Student Act”, provides financial assistance to local education agencies and schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging state academic standards.

Assistant Superintendent of Choice and Innovation John Anthony “Jay” Boggess has been in his position since November 2019. Director of Charter Schools Joe DePasquale has been in his position since June 2018. Administrative Assistant Yaritza Dominguez has been in Charter Schools since October 2019. Deputy Superintendent/Chief of

Schools Keith Oswald has been in his position since March 2018. Single School Culture Coordinator Jordan Peterson has been a District employee since 2004. Peterson worked at Odyssey from 2004 until the school closed. Presently she is assigned to Lantana Middle School. Assistant Principal Shaun Schwartztrauber has been a District employee since 2006. Schwartztrauber previously worked at Odyssey as an Assistant Principal, and presently Schwartztrauber serves as an Assistant Principal at Lake Shore Middle School. Chief Academic Officer Glenda Sheffield has been in her position since May 2019. Director of Federal and State Programs Nicole Smith has been in her position since November 2018. Barbara Terembes retired from the District effective July 1, 2020. Prior to Terembes’ retirement, she was the Assistant Superintendent of School Transformation. Executive Administrative Assistant Wendy Walker has been in School Transformation since October 2018.

COMPLAINT INFORMATION

On January 6, 2021, the School District of Palm Beach County, Office of Inspector General (OIG), received a referral from Superintendent Donald Fennoy regarding alleged misconduct on the part of Instructional Specialist Bonnie Fox.

WITNESS INTERVIEWS

On January 27, 2021, a sworn recorded interview of Deputy Superintendent/Chief of Schools Keith Oswald was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Oswald” as it relates to Allegation 1 and 1a:

Oswald said that in mid-January 2021, an issue was brought to his attention by Chief Academic Officer Glenda Sheffield wherein Assistant Superintendent of Choice and Innovation Jay Boggess and Charter Schools Director Joe DePasquale questioned why Instructional Specialist Bonnie Fox was on the Charter Schools budget.

Oswald explained that during the summer of 2020, the District was asked to make department cuts. Oswald noted that at the direction of the School Board, the District wanted to ensure the preservation of employees’ jobs. As a result, Oswald worked with the Director of Federal and State Programs Nicole Smith to assign Fox to a position where the job responsibilities would be to support Title I charter schools. Upon her reassignment,
Fox’s job title and responsibilities were changed from Principal on Assignment to Instructional Specialist.

Oswald said that sometime in May/June 2020, he met with Fox regarding the change in position. Oswald stated that Fox agreed to step down from a Principal on Assignment to a specialist working in Charter Schools. Oswald reported that in June 2020, he notified Director of Charter Schools Joe DePasquale of Fox’s transfer via telephone. Oswald said he gave DePasquale a directive to reach out to Fox and work on a plan to support Title I Charter Schools. Oswald stated he did not provide DePasquale a written directive to reach out to Fox. Oswald added that he notified Fox that DePasquale would be reaching out to her.  

Oswald said that on January 13, 2021, he met with DePasquale, Boggess, and Sheffield regarding Fox. According to Oswald, De Pasquale said he had not worked on a plan for Fox because he was waiting for additional directives and information from Oswald. Oswald noted that he asked DePasquale why he did not call, email, or text him (Oswald) if he had questions regarding Fox. Oswald said that DePasquale was waiting for additional information. During a meeting on January 20, 2021, with DePasquale, Boggess, and Fox, Oswald questioned Fox as to why she had not reached out to him (Oswald). According to Oswald, Fox said that she did not know what she was supposed to do and was worried about her safety in relation to COVID-19. Oswald added that Fox said she reached out to individual Charter Schools, but no one responded. Oswald stated Fox said she provided support to Lake Shore Middle in the meantime.

On February 1, 2021, a sworn recorded interview of Director of Charter Schools Joe DePasquale was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “DePasquale” as it relates to Allegation 1 and 1a:

DePasquale said that Deputy Superintendent Keith Oswald contacted him via telephone sometime in May/June 2020. Oswald explained to DePasquale that he needed to find a position for Bonnie Fox. Oswald asked DePasquale if he would be willing to add Fox to the Charter Schools Department. DePasquale responded that he was a “team player” and would do what was being asked of him. As a result, Oswald said Fox would be assigned to assist Title I charter schools. DePasquale noted that Oswald told him that he (Oswald) would contact Fox to let her know of the change. DePasquale further added that Oswald told him that Fox would get in touch with him. DePasquale stated Oswald did not direct him to contact Fox.

DePasquale said that he did not hear from Fox or Oswald after his initial conversation with Oswald in May/June 2020. DePasquale stated that he thought the next steps after speaking with Oswald would have been a School Board action reflecting the change, a reclassification of job titles, and some form of notification. DePasquale noted that he

4 Fox confirmed Oswald told her DePasquale would reach out to her.
reviewed School Board agendas for any changes, but did not see anything regarding Fox.  

DePasquale reported that sometime in October/November 2020, Charter Schools Department Administrative Assistant Yaritza Dominguez informed him Fox was on the Charter Schools payroll. DePasquale said prior to Dominguez bringing the issue to his attention, he was not aware Fox was on the department’s payroll. DePasquale stated he reported the issue to his supervisor, Choice and Innovation Assistant Superintendent Jay Boggess. Boggess told DePasquale that he would report the issue to Chief Academic Officer Glenda Sheffield.

DePasquale explained that after he reported the issue to Boggess, Oswald scheduled a Google Meet on January 13, 2021, with Oswald, Sheffield, DePasquale, and Boggess. DePasquale said that during the meeting, there were questions about where Fox was working and what she had been doing. DePasquale noted that he did not have any answers for them because he had not seen Fox. As a result of the Google Meet, a follow-up meeting with Fox was scheduled.

DePasquale added that employees working remotely required his approval and were required to submit a weekly timesheet. DePasquale said he did not receive a remote work request or timesheets from Fox.

DePasquale said there was a meeting with Oswald, Boggess, DePasquale, and Fox on January 20, 2021. During the meeting, Oswald asked Fox about her whereabouts, who she was reporting to, and what she had been doing. DePasquale said that Fox told Oswald that she called DePasquale over the summer. Investigator’s note: DePasquale’s statement contradicts Fox’s statement wherein she said she did not attempt to contact DePasquale. DePasquale said he did not receive a call from Fox over the summer. DePasquale said he checked with Charter Schools Administrative Assistant Yaritza Dominguez, who told him she had not received a call from Fox either. DePasquale asked Fox why she did not email him; Fox did not provide an answer. DePasquale said Fox reported that she called some charter schools, but she did not hear back from any schools. DePasquale further stated that during the meeting, Oswald asked Fox why she did not reach out to him (Oswald) when she did not receive an assignment or have knowledge of whom she was reporting to. Fox responded by saying, “when I got this position you told me to stay under the radar.” DePasquale noted that Oswald did not address Fox’s comment.

DePasquale stated that he approves all TDE’s and Dominguez is responsible for processing and approving payroll for Charter Schools in PeopleSoft. DePasquale noted that it is a standard practice to have “secretaries” approve payroll. Investigator’s note:

---

5 Fox’s transfer/reassignment to Charter Schools was on the July 22, 2020, School Board agenda. It should be noted the agenda did not include names.
6 “TDE” is used as a reference for District form PBSD 0032 Leave of Absence or Temporary Duty Elsewhere (TDE) Application. This form is used to request either a leave of absence or temporary duty elsewhere.
7 DePasquale’s reference to “approving payroll” is also known as the approval of time.
Section G of the District’s Payroll and Time & Labor Training Manual states, the District requires all time to be approved. Time is approved by Principals and/or Directors.

After the meeting with Fox on January 20, 2021, DePasquale said that on January 22, 2021, he met with Fox to develop an action plan and discuss what her responsibilities would be. DePasquale provided Boggess, Fox, and Oswald with a written document of what Fox’s responsibilities were. DePasquale added that Fox has complied with her responsibilities since their meeting.

DePasquale noted that he contacted Human Resources Executive Administrative Assistant Nickla Greenway to obtain copies of Fox’s transfer paperwork. Greenway reported that she did not think any transfer documentation\(^8\) was completed for Fox.

DePasquale said that since he has been with the Charter Schools Department, Fox was the first transfer he experienced.

On February 18, 2021, a sworn recorded interview of Charter Schools Administrative Assistant Yaritza Dominguez was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Dominguez” as it relates to Allegation 1 and 1a:

Dominguez stated her responsibilities include processing payroll, budget, and fielding communication for Charter Schools.

Regarding her payroll responsibilities, Dominguez stated she processes payroll in PeopleSoft by inputting any TDE’s she received once DePasquale has approved them. Dominguez said as part of processing payroll, she only inputs TDE’s. If an employee did not submit a TDE, there is no action on her part. Dominguez said she is not aware if DePasquale performed any action once she had processed payroll.

Dominguez stated DePasquale has not asked her to approve payroll.

Dominguez said DePasquale has not instructed her to review the salary or employee portion of the budget. Dominguez stated the only budget matters she dealt with were travel, supplies, and fund related transfers.

Dominguez said sometime in October/November 2020, she noticed Fox’s name, while processing payroll. Dominguez said she contacted DePasquale via telephone and asked who Fox was and why she (Fox) was on the Charter School Department’s payroll. Dominguez said that DePasquale told her, “Okay, I will take care of it. Don’t worry about it.” Dominguez said she did not contact the Payroll Department to inquire about Fox.

\(^8\) If created, the transfer information would have been entered into PeopleSoft via a job action. The District does not have a dedicated form in place for transfers. The OIG did not find record of a job action for Fox’s transfer.
Dominguez said Fox began submitting timesheets to her (Dominguez) in February 2021. Dominguez stated once she receives timesheets from employees, she files them. Dominguez noted she does not review the timesheets.

On February 4, 2021, a sworn recorded interview of Assistant Superintendent of Choice and Innovation Jay Boggess was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Boggess” as it relates to Allegation 1 and 1a:

Boggess reported he is responsible for the following District Departments: Choice and Career Options, Charter Schools, Adult Education, Virtual and Home Education Services, and Athletics.

Boggess stated he was made aware that Bonnie Fox was part of Charter Schools on or about December 17, 2020, via an email from Federal and State Programs Director Nicole Smith. Boggess noted that based on Smith's email, it appeared that Fox’s position was funded through Title I funds.

Boggess said he immediately contacted DePasquale to obtain further information. Boggess stated DePasquale told him that Oswald contacted him (DePasquale) sometime in July 2020, while working remotely, regarding Fox. DePasquale reported to Boggess that Oswald told him (DePasquale) he would get back to him. DePasquale advised Boggess he did not receive a callback or any other information from Oswald confirming the transfer was completed. Boggess said DePasquale indicated he was under the impression that Fox may have ended up in another department. Further, DePasquale told Boggess that in October/November 2020, DePasquale noticed that Fox was on the Charter Schools’ budget.

Following Boggess’ conversation with DePasquale, Boggess said he immediately contacted his direct supervisor, Chief Academic Officer Glenda Sheffield. Boggess said Sheffield advised she was not aware of the situation.

Boggess added that prior to the email from Smith and his call to DePasquale, DePasquale had not mentioned that Oswald called him about Fox or that Fox was part of Charter Schools.

Boggess indicated he asked DePasquale why he did not say anything to him (Boggess) regarding Fox when he noticed that she was on the Department’s budget. DePasquale told him he did not think much of it and thought that possibly Fox was on special assignment. Boggess said he did not discipline DePasquale for not reporting the Fox matter to him immediately. Boggess said he had a conversation with DePasquale and made it very clear that they need to stay on the same page and have strong communication.

On or about January 13, 2021, a meeting took place with DePasquale, Oswald, Sheffield, and Boggess to discuss Fox. Boggess said that there was a little bit of “he said/she said”
between Oswald and DePasquale. Boggess stated that Oswald said he directed DePasquale to call Fox. Oswald asked DePasquale “What do you mean you never touched based with Fox?”. DePasquale told Oswald he was waiting for Oswald to get back to him. Boggess noted that DePasquale said he did not receive a directive from Oswald to call Fox.

Subsequently, Oswald requested an in-person meeting with Fox, DePasquale, Sheffield, and Boggess. Boggess noted that Sheffield did not attend the second meeting. Boggess recalled that during said meeting, Oswald asked Fox what she had been doing. Fox responded, “Keith, I thought I was doing what you wanted me to, flying under the radar.” Oswald replied, “That is not what I intended by any stretch.”

Oswald gave DePasquale a directive to meet with Fox and create an action plan. Fox noted that she did not have the “technical knowledge” to access charter school documentation and seemed apprehensive to go to schools because of COVID-19. Boggess said he followed up with DePasquale to ensure that Oswald’s directive had been completed. Boggess said he received a copy of the action plan that was agreed to by DePasquale and Fox. (Exhibit 1)

Boggess stated that to his knowledge, in situations where an employee is transferred to another department, there is School Board action and email communication from Human Resources. Boggess noted if the communication is not directly sent to him, he is copied when it is related to any of the departments he oversees. Boggess said that, to the best of his knowledge, Oswald had not placed anyone in any of the departments that he (Boggess) was responsible for without receiving some form of written or verbal notification.

On February 18, 2021, a sworn recorded interview of Chief Academic Officer Glenda Sheffield was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Sheffield” as it relates to Allegation 1 and 1a:

Sheffield explained that right before 2020 winter break, Boggess notified her of the issue with Bonnie Fox. Sheffield explained Boggess added Fox as a topic for discussion to their dashboard. Sheffield stated that during a one-on-one meeting with Boggess sometime in January (Sheffield later verified the meeting took place on January 12, 2021), they discussed the concern regarding Fox. Sheffield said Boggess told her the concern was that Fox was assigned to Charter Schools starting on July 1, 2020, but no one had heard from her or seen her. Sheffield said she asked Boggess who had assigned Fox to Charter Schools. Boggess responded that Oswald assigned Fox to Charter Schools after a conversation with DePasquale.

Sheffield asked Boggess who was approving Fox’s payroll. Boggess did not have an answer, but said he would reach out to DePasquale to obtain further information. Boggess

told Sheffield that he received an email from Federal & State Programs Director Nicole Smith regarding Fox. *(Exhibit 2)*

Sheffield said she spoke to Oswald the same day she met with Boggess. Sheffield stated she expressed her concern to Oswald regarding Fox and added that Fox’s position was funded with Title I funds. Sheffield informed Oswald that she would schedule a meeting with Oswald, DePasquale, and Boggess to discuss the issue.

Sheffield noted the following about the meeting on January 13, 2021: Oswald asked DePasquale why he did not reach out to Fox. DePasquale told Oswald that he did not reach out to her because he thought Oswald would get back in touch with him. DePasquale further explained his secretary approved the Charter School’s Department payroll.

Sheffield said there was a subsequent meeting with Fox (Sheffield later verified the meeting took place on January 20, 2021). Sheffield had a scheduling conflict and did not attend the January 20, 2021, meeting.

Sheffield explained she was not part of Oswald and DePasquale’s discussion about assigning Fox to Charter Schools. Sheffield said she had no knowledge of the matter until before winter break when Boggess first notified her and when she met with Boggess on January 12, 2021. Sheffield said that to her knowledge, Boggess was not aware of the conversation between Oswald and DePasquale regarding Fox’s placement in the Charter Schools Department.

Sheffield said Oswald did not reach out to her about assigning Fox to Charter Schools. Sheffield noted Oswald could make such decisions as the Deputy Superintendent and does not need her approval. Sheffield added that Oswald had not assigned/transferred someone in a department that she oversees without her knowledge.

Sheffield stated that as of July 1, 2020, she began reporting to Superintendent Donald Fennoy. Before July 1, 2020, she reported to Oswald.

**On February 8, 2021, a sworn recorded interview of Director of Federal and State Programs Nicole Smith was conducted at the Federal and State Programs Department in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Smith” as it relates to Allegation 1 and 1a:**

Smith explained that when a Title I funded position is needed, leadership will first request the position. The position is created and assigned accordingly. In general, the process, once a request is received by her department, is: ensuring the request is allowable by a grant, verification of vacancies, and then information is provided to the Budget.

---

11 On December 17, 2020, Smith emailed DePasquale and copied Oswald, Boggess, and Michael Burke. The email discussed a shift in Title I initiatives, and Fox’s position was included as part of the initiative. The email stated, “Ms. Fox’s work should be concentrated in supporting Glades Academy as they work to exit School Improvement Status.”
Department. The Budget Department then creates the position and provides confirmation once completed. Smith’s department then provides confirmation to the requestor. Smith said her department does not play a role in notifying the Compensation Department or obtaining School Board approvals for positions.

Smith stated she received a request from Barbara Terembes for a Title I funded position in relation to Fox in May/June 2020. Smith said she received the request in person, possibly during a meeting with Terembes. Smith said the request was not in writing. Smith noted that Fox’s position was part of a grant, fully funded with Title I funds, effective July 1, 2020. Smith said that Grant Programs and Administration Manager Amy Barningham processed the request. Smith said she may have provided Terembes with verbal confirmation once the request was completed.

On February 9, 2021, Smith emailed the OIG to note that on June 17, 2020, she received an email from Terembes notifying her that Oswald had informed Fox of the change in position to Charter Schools. Smith said that Terembes asked her to complete a “job action” on PeopleSoft regarding Fox’s transfer. Smith stated she could not perform the job action because she was not responsible for Charter Schools.

On February 9, 2021, Smith emailed the OIG and clarified that after reviewing her notes and records that on November 11, 2020, she spoke to DePasquale to discuss Glades Academy Charter School with relation to Fox. Smith said during the conversation, DePasquale was unsure which schools Fox worked with and what exactly her (Fox’s) responsibilities in the department were. Smith told DePasquale Fox should be focused on providing support to Title I charter schools.

In relation to grant compliance, Smith explained that the District does not send compliance related documentation to the State for grants. Instead, the State will randomly select grants to monitor and then request necessary documentation. The Federal and State Programs Department, therefore, collects information from each respective department that has a federally funded position by instructing each department to upload evidentiary examples. Once the information is received, it is reviewed to ensure sufficiency. Smith said specifically for Fox’s position, sufficient evidence would include email communications to the schools, phone logs, calendar reflecting meetings, notes, and Google Meet records reflecting attendance. Smith advised she had not received any supporting documentation regarding Fox.

The OIG asked Smith if anyone had made her aware of any concerns or issues regarding Fox lacking sufficient documentation related to the grant funding Fox’s position. Smith said she had not been made aware of any concerns or issues. Smith noted she received an email from Fox on January 30, 2021, in which Fox inquired about the archival process of documentation for grant compliance.

12 Job code, funding source/strip, effective date, hours, and duty days.
13 On February 9, 2021, Smith emailed the OIG and clarified that after reviewing her notes she was asked to create the position in early May 2020.
14 PeopleSoft does not reflect a record of a “job action” for Fox’s transfer. However, Fox’s job profile in PeopleSoft reflects that effective July 1, 2020, her position was Instructional Specialist in Charter Schools.
The OIG asked Smith if there would be any consequences associated with Fox not having sufficient documentation to support her activities in support of the grant. Smith stated it would be a concern that could be rectified by “self-correcting” the issue. Smith explained that the District’s recourse would be to cover Fox’s salary with operating funds. Smith noted she would speak with Chief Financial Officer Michael Burke regarding the matter to ensure proper actions are taken. Smith said Fox’s salary expenses could be moved to another funding source. *Investigator’s note: On April 20, 2021, Deputy Chief Financial Officer Heather Knust notified the OIG that Fox’s salary and benefits for the period of July 1, 2020, through January 19, 2021, were deemed unallowable and were moved to “Disallowed Grant costs”.*

Smith said in late January 2021, DePasquale called with concerns regarding Fox’s productivity in Charter Schools. Smith said she told DePasquale Fox was permitted to serve any Title I charter school, but should prioritize her efforts to Glades Academy, a charter school with a low status.

Smith noted that when a Director approves payroll, the Director certifies federally funded grant positions worked on grant related activities.

*On March 4, 2021, a sworn recorded interview of retired employee Barbara Terembes was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Terembes” as it relates to Allegation 1 and 1a:*

Terembes confirmed she retired from the School Transformation Department in June 2020.

Terembes reported that in late 2019, Oswald’s then secretary Wendy Inman, complained to her that she was having difficulty determining Fox’s absences and obtaining pertinent TDE’s to complete Fox’s payroll. Inman told Terembes there were times where Fox would say she was at Lake Shore Middle, but Inman would call the school and they would tell her Fox was not there.

Terembes said that as a result, sometime in late 2019, Oswald placed Fox in Terembes’ budget (School Transformation) in order for Terembes to be able to monitor Fox’s whereabouts. Terembes stated that although Fox was in School Transformation’s budget, she did not evaluate Fox or manage her responsibilities. Terembes only managed the payroll aspect for Fox.

To Terembes’ knowledge, Fox should have provided support to Title I middle schools, but she never observed her doing so during the months she was part of School Transformation.

---

15 PeopleSoft records indicate that on November 11, 2019, Fox was assigned to the School Transformation Budget. Fox’s title remained as Principal on Assignment.
Terembes explained there was not an actual need for Fox or her position in School Transformation. Terembes said Fox did not do any work that was related to the responsibilities of the department. Terembes said Fox’s transfer to School Transformation was strictly for budgetary purposes.

The OIG asked Terembes if Oswald made any comments to her about Fox staying under the radar or laying low. Terembes stated that she did not hear anything like that, but her perception was that Fox was “lying low.” Terembes noted that she (Terembes) “never knew what she (Fox) was doing.”

Terembes said she emailed Fox the rules regarding absences or requesting vacation. Terembes explained that in February/March 2020, because of COVID-19, her employees were required to sign-in/out by reporting their time on a Google sheet. Terembes noted that because Fox was “in her budget”, she required Fox to do the same. Terembes said there were times where Fox had not completed the timesheet. Terembes added when she reached out to Fox about the incomplete timesheet, Fox told her she had someone else completing the time reporting sheet. Terembes noted that Fox was not “computer savvy.”

Terembes said that while everyone was working remotely, she held virtual staff meetings. Terembes noted there were a few times that Fox missed the meetings because she was unable to figure out how to connect to the virtual meetings using a computer. Fox mainly called in to the virtual meetings.

Terembes stated that the intention in the budget process for FY 2020/21 was for Fox to be transferred from School Transformation to another department. Terembes said she thought Fox was expected to move to a school. Terembes does not know the reason why the move did not take place.

Terembes said Oswald asked her to place Fox in a Title I position. Terembes worked with Smith to place Fox. Terembes said that Oswald told her he notified Fox of the transfer and Fox was not okay with the new title because she felt it was a demotion. Terembes noted that Title I does not allow for the funding of administrative positions. Fox’s position, Principal on Assignment, was considered an administrative position. Terembes added that Fox would be “enormously overpaid” for her new position, but further advised Oswald could make the decision to freeze a salary instead of adjusting the salary in accordance with the salary range of the position.

---

16 The District’s website indicates School Transformation provides oversight and coordination for educational functions and program management for the Academic Division and coordinates and carries out the monitoring and review of school data to achieve assurance of the Differentiated Accountability requirements.

17 This document was created by Terembes where employees would enter information including daily time in/out and tasks. The document did not require a signature or certification the information entered was accurate and valid.

18 Fox’s annual salary was $134,408.24. The new position’s (Instructional Specialist) minimum salary was $66,579 and the maximum was $116,552. Additional information regarding the salary difference is included in the Records Analysis section of Allegation 1.
Terembe said that she retired and did not know what else transpired with Fox and was not aware of the result.

On March 22, 2021, a sworn recorded interview of School Transformation Executive Administrative Assistant Wendy Walker was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Walker” as it relates to Allegation 1 and 1a:

Walker explained that in March 2020, her previous supervisor, Barbara Terembe, asked the School Transformation employees to log their time and tasks in a timesheet document located in the School Transformation shared Google drive. School Transformation employees were required to complete the timesheet by entering dates, times, and a description of what daily tasks were completed. Walker said she was not responsible for reviewing the timesheets.

Walker stated she found out Fox was no longer part of School Transformation when the OIG contacted her on March 11, 2021. Walker noted she did not receive any communication regarding Fox’s transfer to Charter Schools.

Walker said the only communication she had with Fox was on July 9, 2020, regarding payroll. Walker stated that Fox emailed her because she (Fox) had not received her direct payroll deposit. Walker said Fox later confirmed she received the deposit. Walker said she did not think anything of the email because she did not know that Fox was no longer part of School Transformation at the time of the email.

Walker was not aware that Fox continued to complete the School Transformation timesheet. 19

SUBJECT INTERVIEW

On March 10, 2021, a sworn recorded interview of Instructional Specialist Bonnie Fox was conducted at a District training room in West Palm Beach, FL. 20 The following represents actual and paraphrased statements made by “Fox” as it relates to Allegation 1 and 1a:

Fox stated, “I signed a transfer assignment to the Charter Schools” on June 9, 2020. Fox said she signed the transfer letter with the understanding that it was either that position (Instructional Specialist) or no other position. Fox stated that although it was not in writing, Oswald said after a year in Charter Schools, she would return to a Principal position. Fox stated that she does not recall the exact date of the phone conversation with Oswald regarding the transfer to Charter Schools. Fox explained that during the conversation with Oswald, he told her there were no Principal positions available. Fox stated Oswald told

19 The timesheet reflects information was entered from March 23, 2020, through January 22, 2021, via a self-managed process.
20 At Fox’s request Staff Association representative, Dr. Arthur Johnson, was present during the interview and Attorney Thomas Elfers attended the interview virtually.
her she would be “reporting to the Charter School and work with a Federal grant for Title I schools”. Fox stated that during the conversation, Oswald said she (Fox) was to “stay under the radar.” The OIG asked Fox if she asked Oswald for clarification regarding the “stay under the radar” comment. Fox said she did not ask for clarification regarding the comment. The OIG asked Fox what the comment “stay under the radar” meant to her. Fox stated that to her, it meant to “wait to hear from anyone, stay low.” Fox said that Oswald did not give her a written or verbal directive not to work.

Fox said Oswald told her DePasquale would reach out to her. Fox denies that Oswald asked her to contact DePasquale. Fox stated that she did not hear from DePasquale, and she did not attempt to contact DePasquale or Oswald after not hearing from anyone. Fox added that Human Resources or the Compensation Department did not contact her.

The OIG asked Fox why she did not contact DePasquale if she did not hear anything from him after July 2020. Fox stated that she felt she was supposed to “stay under the radar”, not make waves, or get involved. Fox said she did not know if Charter Schools was operating. Fox noted that she thought someone would contact her when she was needed. When the OIG noted approximately six months passed, Fox responded that the District knew where she was. Fox stated that for many months she felt like no one cared if she existed and it was “diminishing and demeaning.” Fox said that she was being patient and trying to “respect everyone.”

Fox reported that after July 1, 2020, she “busied” herself by working with former mentees, reviewed and sent emails, and attended Google meetings. Fox provided the following examples: worked with Lake Shore Middle School, specifically with Assistant Principal Shaun Schwartztrauber on a school reopening plan, and texted/emailed the Principal at Bear Lakes Middle School. Additionally, Fox said she obtained a list of charter schools. Fox explained she emailed 10-15 charter schools in September and December. Fox noted she was unable to locate a record of those emails.21

Fox said she continued to email her timesheets to School Transformation Administrative Assistant Wendy Walker on a weekly basis. Fox noted the timesheets were sent to Walker through “Google drive”. Fox explained that the reason she continued to send her timesheets to School Transformation was because on or about July 9, 2020, she inquired, via email, with Walker about continuing to send Walker her timesheets.22 (Exhibit 3)

Fox stated she continued to receive a paycheck from the District after her transfer to Charter Schools. Fox said that she felt there was a pattern starting on February 25, 2020, when she met with Oswald. During the meeting Fox said that Oswald asked her to be acting Principal at Congress Middle School starting February 27, 2020, because the current Principal was going on leave. Fox explained that on that same day Oswald called her and told her not to report to Congress Middle, but to go home and he would get back to her. Subsequently, Fox was asked to report to School Transformation (Barbara

21 The OIG reviewed Fox’s District email records and did not find any record of the emails.
22 District email records indicate Fox emailed Walker on July 9, 2020. The email exchange between Fox and Walker pertained to Fox’s pay and not timesheets. Further information regarding timesheets will be discussed in Allegation 3.
Terembes Department). Fox explained that for about four months while at School Transformation, “the subtle message was very clear… don’t call us, we'll call you.” Fox noted that she has always tried to find ways to help the District and feel useful.

Fox said on January 13, 2021, she received a text from Oswald regarding a meeting on January 20, 2021, to discuss what Fox had been doing. Fox noted she replied to the text that there was not a whole lot for her to say because she had stayed under radar. Fox said Oswald did not reply.

Fox said on January 20, 2021, an in-person meeting took place at the District with DePasquale, Oswald, and Boggess. Fox said Oswald asked her what she had been doing since she was transferred to Charter Schools. Fox said she told them she was waiting for someone to contact her since she was told to stay under the radar. Fox said that Oswald told her he did not mean the comment that way. Fox noted that she apologized to Oswald. Fox said that she asked DePasquale if he knew that she existed. DePasquale said “no”. Fox stated for the remainder of the meeting they discussed the uniqueness of charter schools and what she (Fox) would be doing.

The OIG confirmed with Fox that from July 1, through January 13, 2021, she collected a paycheck and waited to hear from someone. Fox admitted that she did not do any work for Charter Schools because she did not receive an assignment and no one contacted her. Fox reiterated that she assisted Lake Shore Middle Assistant Principal Schwartztrauber by providing moral support and advice.

The OIG asked Fox if she had concerns with the fact that her position with Charter Schools was funded with federal grant funds. Fox said that it did not enter her mind.

Fox explained that in February 2021, Dr. Art Johnson located documentation reflecting Fox was appointed as Principal on Assignment as part of the School Transformation Department. Dr. Johnson advised the appointment was approved by the School Board on June 24, 2020. Fox added it is unclear and confusing as to why Oswald told her she could not be a Principal when they spoke in June 2020. Investigator’s note: Director of Compensation and Employee Information Services Mark Mitchell provided the OIG with documentation showing the June 24, 2020, School Board agenda - Personnel item included Fox’s reappointment as Principal on Assignment for 2020/21. Records indicate the final resolution for this item was “Motion Passes.” Fox’s subsequent transfer from Principal on Assignment to Instructional Specialist was on the July 22, 2020, School Board agenda as a consent item. The July 22, 2020, agenda supersedes the June 24, 2020, agenda.

Fox noted that January 23, 2021, was the first time she was introduced and welcomed to Charter Schools.
The OIG conducted follow up interviews with DePasquale and Oswald:

On March 12 and 25, 2021, a sworn recorded interview of Director of Charter Schools Joe DePasquale was conducted at a District training room in West Palm Beach, FL. The following represents actual and paraphrased statements made by “DePasquale” as it relates to Allegation 1 and 1a:

The OIG explained to DePasquale that Boggess, during his February 4, 2021, interview, stated he initially learned about Fox’s assignment to Charter Schools based on an email dated December 17, 2020, from Director of Federal and State Programs Nicole Smith to DePasquale. DePasquale said Boggess was mistaken because “he (DePasquale) absolutely notified him.” DePasquale maintained that he notified Boggess about Fox verbally via a phone call or during their weekly meetings after he was notified by Dominguez. DePasquale said he does not have the exact date of when Dominguez called to notify him about Fox or when he verbally notified Boggess.

The OIG asked DePasquale if he spoke to Smith regarding Fox on November 11, 2020. DePasquale said that he does not recall speaking with Smith on that specific date. DePasquale noted that he has spoken to Smith about Fox several times, as recent as March 11, 2021.

Regarding DePasquale’s conversation with Oswald in June 2020, about Fox, DePasquale reiterated that Oswald said that he would like to place Fox in Charter Schools. DePasquale said that he asked Oswald what Fox would be doing. Oswald said that Fox would be working with Title I Charter Schools. Oswald told DePasquale that Fox would be in touch with him. DePasquale denied receiving a directive from Oswald to contact Fox.

The OIG asked DePasquale why he did not notify Boggess about his conversation with Oswald in June 2020 regarding Fox. DePasquale said he did not notify Boggess because he felt the Fox matter “was not solidified.”

The OIG asked DePasquale if Oswald gave him a directive to not notify his supervisor about Fox’s transfer to Charter Schools or to ensure that Fox stayed under the radar. DePasquale stated that he did not receive such directive from Oswald.

DePasquale noted he has never had a person placed in his budget without notification from the Budget Department.

---

23 At DePasquale’s request Staff Association representative, Pat Kaupe, was present during the March 25, 2021 interview.
On April 1, 2021, a sworn recorded interview of Deputy Superintendent/Chief of Schools Keith Oswald was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Oswald” as it relates to Allegation 1 and 1a:

Oswald said that after Odyssey Middle School closed, the previous Deputy Superintendent David Christiansen promised Fox a Regional Instructional Superintendent position. Oswald said that placing Fox in a Regional Instructional Superintendent position was not realistic.

Oswald explained that around the same period of time, grades for all the schools in the District were released. Lake Shore Middle School received a “D” grade, making it a double “D” school. Subsequently, the District worked with the Department of Education to determine an action plan for Lake Shore Middle. As a result, Fox was assigned to Lake Shore Middle to assist with the school’s improvement. Oswald added that Fox is “very talented” at student achievement improvements and has a successful history with “turn around work” with schools.

As a result, Fox’s title was changed to Principal on Assignment and she was assigned to Lake Shore Middle School. Oswald added that Fox’s salary remained the same with the new job title and responsibilities. Oswald noted he told Fox the change in job titles would be on the School Board agenda.

Oswald said that Fox’s assignment was completed successfully at Lake Shore Middle School. Subsequently, Oswald assigned Fox to Bear Lakes Middle School as a Principal on Assignment. Oswald noted that since Fox’s assignment, Bear Lakes Middle is doing very well at building capacity.

Oswald noted Lake Shore Middle School Assistant Principal Shaun Schwartztrauber mentioned to him (Oswald) that Fox helped and supported him (Schwartztrauber) while the Lake Shore Middle principal was on leave.25

The OIG asked Oswald if he assigned Fox to Congress Middle School (Congress Middle). Oswald stated that during 2019/20, he explored the idea of assigning Fox to Congress Middle when the Congress Middle Principal was on leave and considering retirement. However, the Principal did not retire and ultimately returned to work. Oswald said that he had a conversation with Fox regarding the “potential” of her going to Congress Middle.

The OIG explained to Oswald Fox’s understating of the Congress Middle matter, as indicated in her March 10, 2021, interview. Oswald denied that he gave Fox a directive to go to Congress Middle. Oswald said he clarified to Fox that their discussion regarding Congress Middle was a possibility, but nothing was finalized. Oswald opined that Fox must have taken their initial conversation about Congress Middle “literally.”

---

24 School grades are provided by the Florida Department of Education. The grades are a metric measuring the performance of a school.
25 Lake Shore Middle School Principal was on leave from October 2020 through March 2021.
Oswald said Fox should have continued to work at Bear Lakes Middle School. Oswald denied giving Fox a directive to go home and not work after the Congress Middle confusion. Oswald added that he would never say anything like that to anyone.

Oswald explained School Transformation had a vacancy, so he assigned Fox to that department’s budget since Fox’s responsibilities as Principal on Assignment were related to school transformation work and building capacity of schools.\textsuperscript{26} Investigator’s note: Oswald’s statement contradicts Terembes’ statement wherein she said Fox did not do any work that was related to the responsibilities of the School Transformation department. Although Fox was in the School Transformation Department, she still reported and took directives from Oswald. Terembes only tracked Fox’s pay and timesheets. Oswald noted Terembes and Oswald sometimes worked closely.

Oswald said during the time that Fox was assigned to School Transformation’s budget, she should have been working and supporting Bear Lakes Middle School remotely. The OIG asked Oswald if Fox submitted timesheets to him since Fox was still reporting to Oswald. Oswald said he did not know and would have to check with Terembes about the timesheets.

OIG: You placed Bonnie under Terembes?
Oswald: “In - - as far as the budget? Yeah.”
OIG: There was a vacancy in Terembes’ Department, so you placed Bonnie there?
Oswald: “So I put her under Terembes, yeah.”
OIG: Was Terembes fully in charge of Bonnie?
Oswald: “No, but she and I worked together, right, because she was a principal on assignment. So I’m a principal, so Bonnie took directive from me. I mean, sometimes Barbara and I worked very closely together.” “But as far as directing her what to - - as far as workflow, no. Barb wouldn’t really do that.”
OIG: Would Bonnie still have been coming to you around that time?
Oswald: “Assignment and work.”
OIG: Do you typically deal with transfers or did you deal with Bonnie because she basically reported to you?
Oswald: “Well, basically, she was kind of under me”

The OIG asked Oswald if he oversaw Fox’s work or contacted her to determine what work she performed or followed up with Terembes as to what Fox did. Oswald responded that he did not check in with Fox during the early stages of the pandemic, March through June, because his primary focus was setting up remote learning and ensuring students had electronics and Wi-Fi. Oswald stated “micro managing that piece was not at the top of the priority at that time.” Oswald noted that Principals were given directives via emails and Fox had the responsibility to follow those directives.

The OIG asked Oswald if he had any issues with Fox’s attendance or not being able to get in touch with her. Oswald said that Terembes advised him that Fox was not submitting

\textsuperscript{26} PeopleSoft records indicate Fox was assigned to School Transformation in November 2019.
TDE’s when taking time off. Oswald said he let Fox know that she needed to submit TDE’s when taking time off.\(^{27}\)

Regarding Fox’s transfer to Charter Schools, Oswald explained that during the summer of 2020, budget cuts were required. At the time, there were no vacancies for Fox that would be a good match. Oswald added that the District’s culture is to not get rid of employees, especially a Principal whose school closed down. Oswald noted Fox was nervous about COVID-19. Since there were Title I funds available, he thought it would be a good idea for Fox to work with Title I charter schools to help improve their performance.

Oswald spoke to Director of Compensation and Employee Information Services Mark Mitchell regarding the impact on Fox’s salary with the change from Principal on Assignment to Specialist. Oswald stated that Mitchell told him the change would have a 5% salary cut. Oswald worked with Mitchell to process Fox’s transfer. Oswald said he does not typically deal with employee transfers, but he was more hands on with Fox’s transfer because she was a Principal on Assignment and “well, basically, she was kind of under me… that definitely is why I was more hands on than usual.” Oswald said he does not have a full understanding of the employee reassignment/transfer process.

Oswald stated he did not know Fox was on the June 24, 2020, Board Agenda for reappointment as Principal on Special Assignment.

Regarding whether Oswald gave DePasquale a directive to reach out to Fox, Oswald maintained he gave DePasquale a verbal directive to contact Fox to discuss the scope of her job responsibilities. Oswald noted that during a meeting on January 13, 2021, with DePasquale, Boggess, and Sheffield, it was discussed that he (Oswald) did give DePasquale the directive to reach out to Fox. Oswald said that DePasquale said he was waiting for more information.

Regarding the comment that Oswald allegedly made to Fox to “stay under the radar”, Oswald denied he made that comment to Fox. Oswald said he would never say anything like that to any employee. The OIG asked Oswald if he recalled a text message he sent to Fox around January 13, 2021. During the interview, Oswald found the text message and confirmed that Fox replied to his text about meeting on January 13, 2021. Oswald said that in her text message response, she mentioned she was staying under the radar, as Oswald suggested. Oswald said he did not know what she was talking about with reference to the stay under the radar comment. Oswald added, “those are her words, not mine”. Oswald said he did not respond to her text message because he was so “pissed”. Oswald added that he felt like Fox was trying to set him up.

Oswald said he did not have any underlying plan for Fox to be paid and not produce work. Oswald asked, “what motivation would I have to tell her not to do anything?” Oswald added that Fox is not his friend and he does not owe her anything. Oswald stated that he is “ethical and I’ll stand by that until the day I die”. Oswald said he would not be able to “sleep at night” knowing that Fox was sitting home just collecting a paycheck. Oswald

\(^{27}\) District email records indicate that on December 16, 2020, Oswald sent Fox an email regarding her TDE’s.
stated he was in disbelief that Fox did not reach out to anyone, especially because she was a Principal and she should know better. Oswald added he met with Director of Employee and Labor Relations Vicki Evans-Pare for an investigation into Fox and DePasquale’s actions.28

Oswald mentioned DePasquale was exhibiting a concerning “weird pattern” of being hands-off. Oswald discussed a specific incident, where he (Oswald) gave DePasquale a written directive to provide pertinent documents to Inspector General Teresa Michael. Oswald said that Michael did not receive the documents. When questioned as to why he had not provided the documents to Michael, DePasquale said he was waiting for more information. Additionally, Oswald said DePasquale took a hands-off approach, by only emailing charter school Principals, regarding what Fox’s responsibilities were and how she could be of use and the benefits.29 (Exhibit 4) Oswald noted DePasquale’s approach was not very effective.

Oswald said he recently met with Nicole Smith regarding Fox’s workload. Since Smith is short staffed, Fox will assist Smith when she is not working with Charter Schools.

The OIG reviewed District email records that determined that on June 8, 2020, Director of Compensation and Employee Information Services Mark Mitchell emailed Oswald an “Assignment Transfer Letter Template” for Fox. (Exhibit 5) The email stated “Based on our conversation, please see attached draft letter to be placed on your letterhead. Please note the holding places for the title of the job and department name to which she is being transferred.” (Exhibit 6)

29 District email records reflect that on February 23, 2021, Dominguez, on behalf of DePasquale, emailed Charter School Principals with subject “Principal updates” that included a section welcoming Fox to the team. (Exhibit 4)
history also reflects Oswald electronically signed the letter on June 9, 2020, and Fox acknowledged receipt of the letter with an electronic signature on June 10, 2020. (Exhibit 7) Investigator’s note: The OIG did not find any indication this letter was emailed to any other parties, such as Boggess, DePasquale, or Sheffield.

PeopleSoft records indicate that Fox’s current job as Instructional Specialist was entered into the system on June 15, 2020, by the Budget Department effective July 1, 2020. Details of the job position description entered reflect the request originated with Grant Programs and Administration Manager Amy Barningham. (Exhibit 8)

The OIG verified the information with Budget Manager Samarys Melecio. Fox’s position as Instructional Specialist was funded with Title I funds. Melecio explained that Title I funded positions are handled slightly differently. Federal and State Programs Department emails the Budget Department directly vs. non-Title I positions are requested via a PeopleSoft job action.

School Board Policy 3.35.2 Transfers - Policy - states, “A request for transfer of an employee from one school or department to another shall be approved by both Principals and supervisors concerned and recommended by the Superintendent for School Board approval.”

b. “When the authorized units in a school or department are decreased, the Superintendent may transfer an employee to another duty assignment considering such factors as length of service, job competency and geographic location. Such transfer shall be subject to approval by the School Board.”

The School Board agenda dated July 22, 2020, includes “P1 Personnel Agenda” that reflects 545 transfers, among other personnel related transactions. (Exhibit 9) The agenda item does not include the names of everyone included in the personnel transactions. The consent agenda item states “Detailed information is on file in the Department of Compensation and Employee Information Services.” (Exhibit 10) The OIG confirmed with the Department of Compensation and Employee Information Services that Fox’s transfer was included on the July 22, 2020, agenda reflecting the transfer from Principal on Assignment in School Transformation to Instructional Specialist in Charter Schools.

The OIG obtained Non-Bargaining Unit (NBU) Employee Compensation Guidelines from the Department of Compensation and Employee Information Services webpage. (Exhibit 11) The NBU Guidelines included a section labeled “Reassignment for Current District Employees.” This section detailed compensation information for involuntary or voluntarily reassigned/transferred employees. Investigator’s note: Mitchell told the OIG that Fox’s transfer was considered “involuntary” because she did not apply for the Instructional Specialist position.
The District’s “HUB” contains an “HR JOB AIDS” section that includes various technical manuals. The manuals contain information on how to enter data in PeopleSoft regarding the hiring process, job process, and processing and reviewing job actions. While these manuals provide explanations and step processes on how to complete the actions in the database, the OIG did not find any information regarding administrative transfers/reassignments.

Aside from the NBU guidelines (effective date of December 13, 2012) and the job aids, the OIG did not find any other written procedures, guidelines, or forms regarding administrative transfers or reassignments.

The job description for job code 73245, Instructional Specialist – Capacity Development, indicates the essential functions of the position are to: provide technical assistance, review District, state, and federal requirements and program components, support school through data coaching, and assist in effective professional development delivery. (Exhibit 12)

The job description lists the salary level for this position as S2. The District’s “Staff Salary Schedule” effective July 1, 2020, specifies the minimum salary for an S2 position is $66,579 and the maximum salary is $116,552. (Exhibit 13) PeopleSoft records reflect Fox’s annual salary during her time assigned to Charter Schools was $134,408.24. This figure was $17,856.24 over the maximum of the salary range for her position as an Instructional Specialist.

PeopleSoft records indicate there was a salary override for Fox, which coincided with the transfer letter signed by Oswald stating Fox’s base salary remained the same. Investigator’s note: Job Processing Supervisor Rebecca Robinson-Doby told the OIG she completed Fox’s transfer based on the transfer letter dated June 9, 2020. Additionally, Mark Mitchell told the OIG that the Deputy Superintendent has the authority to maintain a salary even though it may be out of the salary range for the specific job.

According to the June 9, 2020, transfer letter from Oswald to Fox, Fox’s base salary was not affected by the change in title. It specifically stated, “your current base salary will remain in effect.” It should be noted that Fox did not receive the $10,560 complexity supplement, with the transfer.

The OIG reviewed Fox’s District email for activity from July 1, 2020, through January 19, 2021, to determine whether Fox worked on Charter School related activities or that she had any communication with any charter schools or charter schools’ employees. The OIG located a District email dated July 13, 2020, where Fox requested “a list of District monitored charter schools” from Lake Shore Middle Assistant Principal Shaun Schwartztrauber. On the same day, Schwartztrauber sent Fox a link to the Charter Schools District webpage that contains a “Charter Schools List” (Exhibit 14). Fox’s emails records do not contain any emails to individual charter schools as she claimed in her sworn statement.

30 An annual supplement for Principals and Assistant Principals
PeopleSoft records reflect that Fox’s gross pay\(^{31}\) during July 1, 2020, through January 19, 2021, totaled $74,700.

Fox’s interview revealed that on February 25, 2020, Oswald gave her a directive to go home after the confusion with her role at Congress Middle. Oswald maintained he did not give Fox such a directive. Fox said she followed the directive she allegedly received. PeopleSoft records reflect that Fox’s gross pay during February 26, 2020, through June 30, 2020, totaled $57,790.92.\(^{32}\) As stated in Terembes and Oswald’s statements, during the timeframe between November 11, 2019, and June 30, 2020, Terembes only managed Fox’s payroll and Oswald did not provide Fox with work because he was overseeing remote learning and assumed Fox was at Bear Lakes Middle School.

The OIG obtained the School Transformation timesheet document for Fox. The document contained information entered from March 23, 2020 through January 22, 2021. The “Time In” and “Time Out” varied each day. The document included a section titled “Weekly Tasks for Providing Educational Services.” For the 42 weeks reflected on the document, the same task was entered repeatedly, “Checking/Responding to emails, texts, phone correspondence.” (Exhibit 15) Investigator’s note: Schwartztrauber admitted to entering the information on behalf of Fox. See Allegations 3 and 6 for further information.

District training records reflect that someone utilizing Fox’s credentials completed the “Annual HR Policies (FY21)” training on October 19, 2020. Included in this training is a presentation on School District Policy 3.02 – Code of Ethics. As part of the training employees must complete an acknowledgement of the Code of Ethics.

**CONCLUSION**

It is alleged that Instructional Specialist Bonnie Fox knowingly violated School Board Policies 1.013, 3.02, and 3.10, and Florida Administrative Codes 6A-5.080 and 6A-10.081 by not reporting to her assigned Department and performing duties as detailed in job description (Job Code #73245). Allegation 1a, alleges that Fox knowingly violated School Board Policy 2.61 in that she willfully or deliberately received a paycheck for time not worked.

School Board Policy 1.013.1. Responsibilities of School District Personnel and Staff states “It shall be the responsibility of the personnel employed by the district school board to carry out their assigned duties in accordance with federal laws, rules, state statutes, state board of education rules, school board policy, superintendent’s administrative directives and local school and area rules.”

School Board Policy 2.61.3. defines “Fraud” as a willful or deliberate act or omission by which an individual intends to unlawfully deprive the District through an unauthorized

benefit, service, property or something of value by deception, misrepresentation or other unethical or unlawful means. Fraudulent acts include, but are not limited to:

d. “Authorizing or receiving compensation for time not worked”

School Board Policy 3.02 Code of Ethics – Purpose and Authority states, in relevant part,

1. “The School Board of Palm Beach County (Board) believes it is imperative that public officials and public employees act in the highest ethical manner and preserve the public trust.”

4. Accountability and Compliance

Each employee agrees and pledges to:

a. “To provide the best example possible; striving to demonstrate excellence, integrity and responsibility in the workplace…”

f. “To take responsibility and be accountable for his or her acts or omissions.”

g. “To avoid conflicts of interest or any appearance of impropriety.”

h. “To cooperate with others to protect and advance the District and its students.”

5. Ethical Standards

c. Misrepresentation or Falsification - “Employees should exemplify honesty and integrity in the performance of their official duties for the School District.”

School Board Policy 3.10.6 Conditions of Employment with the District states, “The District requires its employees to carry out their responsibilities in accordance to School Board Policy 1.013 (as may be amended), their job descriptions and reasonable directives from their supervisors that do not pose an immediate serious hazard to health and safety or clearly violate established law or policy.”

Florida Administrative Code 6A-5.080(d)1 states, “Effective school leaders demonstrate personal and professional behaviors consistent with quality practices in education and as a community leader. (a) Adheres to the Code of Ethics and the Principles of Professional Conduct for the Education Profession in Florida…”

Florida Administrative Code 6A-10.081(2)(c) Principles of Professional Conduct for the Education Profession in Florida states that Florida Educators have an Obligation to the profession of education that requires the individual maintain honesty in all professional dealings.
The OIG determined there was insufficient communication and cooperation between all parties regarding Fox’s transfer to Charter Schools. Palm Beach County School District, the largest employer in Palm Beach County, has 22,600 employees. An employer of such a large size should have established written guidelines and procedures for administrative transfers. The absence of guidelines caused a breakdown in communication and allowed a highly paid employee to collect her salary for six months despite minimal output which she justified by saying she was told to “stay under the radar”.

Fox, a long-standing District employee, in a leadership position, did not contact neither Oswald nor DePasquale. Of the possible people Fox could have contacted regarding her transfer and new assignment, she chose to contact Wendy Walker in School Transformation about her paycheck. On July 9, 2020, eight (8) days after she should have been working at Charter Schools, Fox emailed Wendy Walker to ask if she (Walker) was still doing her (Fox) payroll because Fox’s paycheck had not “appeared” in her bank account. Fox stated, “I am making sure I did not get lost”.

Fox knowingly collected a paycheck without evidence of any work performed for Charter Schools. For approximately 11 months (February 25, 2020 - January 19, 2021), for a total of 20132 business days, it appears Fox did minimal, if any, work. During those 11 months, Fox’s total gross pay totaled $132,490.92. Had Oswald, in fact, given Fox a directive to collect her pay and not work, she still had a responsibility to report it and not engage in dishonest and unethical behavior.

Fox stated she had Schwartztrauber complete her timesheet. This timesheet resided in School Transformation, not Charter Schools. Fox knew since June 2020, that effective July 1, 2020, she would be reporting to DePasquale, yet Fox continued to “complete” timesheets for a department she no longer reported to or worked for. Although Fox alleged that she “busied” herself by working with former mentees, reviewed and sent emails, and attended Google meetings, there is little evidence to support this.

DePasquale’s testimony revealed he does not deny that Oswald informed him that Fox would be joining Charter Schools, but he does deny receiving a directive from Oswald to contact Fox. Oswald stated DePasquale exhibited concerning “weird patterns” such as justifying incomplete directives by stating that he was waiting for more information. This pattern aligned with DePasquale stating that he did not notify Boggess about his conversation with Oswald in June 2020, regarding Fox because he felt the Fox matter “was not solidified” and when Boggess advised that when he asked DePasquale why he did not say anything to him (Boggess) that Fox was on the Charter Schools budget and DePasquale responded that he did not think much of it and thought that possibly Fox was on special assignment.

DePasquale said that during October/November 2020, Administrative Assistant Yaritza Dominguez notified him that Fox was part of the Charter Schools Department. According to DePasquale’s supervisor Jay Boggess, DePasquale did not notify him of the Fox matter during that October/November timeframe. Boggess stated that he contacted DePasquale

as a result of an email regarding Fox from Director of Federal and State Programs Nicole Smith. However, action did not commence until January 13, 2021, with a meeting initiated by Chief Academic Officer Glenda Sheffield. Had Smith not sent DePasquale the email, it is possible more time would have passed and Fox would have continued to receive compensation from Charter Schools.  

It is imperative that the District have clear guidelines and procedures that allow for a more streamlined process for administrative transfers in order to avoid what took place with Fox. Many of the actions taken by all parties involved, did not take place in writing, leaving the instructions undocumented. However, had DePasquale approved the Department’s payroll, as required, the issue would have been identified in July 2020.

Based on the testimony obtained and the records reviewed, the OIG determined that the allegation that Bonnie Fox knowingly violated School Board Policies 1.013, 3.02, 3.10 and Florida Administrative Codes 6A-5.080 and 6A-10.081 by not reporting to her assigned Department and performing duties as detailed in job description (Job Code #73245) was Substantiated.

Based on the testimony obtained and the records reviewed, the OIG determined that the allegation that Bonnie Fox violated School Board Policy 2.61 in that she willfully or deliberately (emphasis added) received a paycheck for time not worked was Unsubstantiated (Inconclusive).

ALLEGATION 2

It is alleged that Deputy Superintendent/Chief of Schools Keith Oswald violated School Board Policy 3.02 by not Making Ethical Decisions/Failure To Use Good Judgement regarding Fox’s transfer/reassignment to School Transformation in November 2019, and Charter Schools in July 2020.

School Board Policy 3.02 Code of Ethics states,

3. Making Ethical Decisions

While this Code of Ethics provides general guidance, it does not provide a complete listing or a definitive answer to every possible ethical situation. It is the intention of the Board in enacting this policy that the use of good judgment, based on high ethical principles and following such precedent as may be established by the Florida Commission on Ethics and Florida Education Practices Commission, will serve as a guide in determining appropriate conduct in any circumstance. When making decisions, the Superintendent and District

employees should use good judgment to fulfill the spirit as well as the letter of this Code of Ethics, and should: (Emphasis added)

a. Evaluate the situation and identify ethical issues.

b. Consult this Code of Ethics, state laws and regulations, and the School Board’s Policies and apply them to the situation.

c. Ask for guidance. In the event an individual is unsure of the proper course of action to be taken in a particular circumstance, guidance may be requested from the Chief Counsel, Chief Academic Officer or Chief of Schools, as appropriate.

WITNESS INTERVIEWS

On March 4, 2021, a sworn recorded interview of retired employee Barbara Terembes was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Terembes” as it relates to Allegation 2:

Terembes reported that in late 2019, Oswald’s then secretary Wendy Inman, complained to her that she was having difficulty determining Fox’s absences and obtaining pertinent TDE’s to complete Fox’s payroll. Inman told Terembes there were times where Fox would say she was at Lake Shore Middle, but Inman would call the school and they would tell her Fox was not there.

Terembes said that as a result, sometime in late 2019, Oswald placed Fox in Terembes’ budget (School Transformation) in order for Terembes to be able to monitor Fox’s whereabouts. Terembes stated that although Fox was in School Transformation’s budget, she did not evaluate Fox or manage her responsibilities. Terembes only managed the payroll aspect for Fox.

To Terembes’ knowledge, Fox should have provided support to Title I middle schools, but she never observed her doing so during the months she was part of School Transformation.

Terembes explained there was not an actual need for Fox or her position in School Transformation. Terembes said that Fox did not do any work that was related to the responsibilities of the department. Terembes said Fox’s transfer to School Transformation was strictly for budgetary purposes.

The OIG asked Terembes if Oswald made any comments to her about Fox staying under the radar or laying low. Terembes stated she did not hear anything like that, but her perception was that Fox was “lying low”. Terembes noted that she (Terembes) “never knew what she (Fox) was doing.”
Terembes said she emailed Fox the rules regarding absences or requesting vacation. Terembes explained that in February/March 2020, because of COVID-19, her employees were required to sign-in/out by reporting their time on a Google sheet. Terembes noted that because Fox was “in her budget”, she required Fox to do the same. Terembes said that there were times where Fox had not completed the timesheet. Terembes added she reached out to Fox to inquire about the completion of the timesheet, Fox told her that she had someone else completing the time reporting sheet. Terembes noted that Fox was not “computer savvy.”

Terembes said that while everyone was working remotely, she held virtual staff meetings. Terembes noted that there were a few times that Fox missed the meetings because she was unable to figure out how to connect to the virtual meetings using a computer. Fox mainly called in to the virtual meetings.

Terembes stated the intention in the budget process for FY 2020/21 was for Fox to be transferred from School Transformation to another department. Terembes said she thought Fox was expected to move to a school. Terembes does not know the reason why the move did not take place.

Terembes said Oswald asked her to place Fox in a Title I position. Terembes worked with Smith to place Fox. Terembes said Oswald told her that he notified Fox of the transfer and Fox was not okay with the new title because she felt it was a demotion. Terembes noted that Title I does not allow for the funding of administrative positions. Fox’s position, Principal on Assignment, was considered an administrative position. Terembes added Fox would be “enormously overpaid” for her new position, but further advised Oswald could make the decision to freeze a salary instead of adjusting the salary in accordance with the salary range of the position.

Terembes said that she retired and did not know what else transpired with Fox and was not aware of the result.

On February 1, 2021, a sworn recorded interview of Director of Charter Schools Joe DePasquale was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “DePasquale” as it relates to Allegation 2:

DePasquale said that Deputy Superintendent Keith Oswald contacted him via telephone sometime in May/June 2020. Oswald explained to DePasquale that he needed to find a position for Bonnie Fox. Oswald asked DePasquale if he would be willing to add Fox to the Charter Schools Department. DePasquale responded that he was a “team player” and would do what was being asked of him. As a result, Oswald said Fox would be assigned to assist Title I charter schools. DePasquale noted that Oswald told him that he (Oswald) would contact Fox to let her know of the change. DePasquale further added that Oswald told him that Fox would get in touch with him. DePasquale stated Oswald did not direct him to contact Fox.
DePasquale said he did not hear from Fox or Oswald after his initial conversation with Oswald in May/June 2020. DePasquale stated that he thought the next steps after speaking with Oswald would have been a School Board action reflecting the change, a reclassification of job titles, and some form of notification. DePasquale noted that he reviewed School Board agendas for any changes but did not see anything regarding Fox.\footnote{Fox’s transfer/reassignment to Charter Schools was on the July 22, 2020, School Board agenda. It should be noted the Board agenda did not include names.}

DePasquale reported that sometime in October/November 2020, Charter Schools Department Administrative Assistant Yaritza Dominguez informed him Fox was on the Charter Schools payroll. DePasquale said prior to Dominguez bringing the issue to his attention, he was not aware Fox was on the department’s payroll. DePasquale stated that he reported the issue to his supervisor, Choice and Innovation Assistant Superintendent Jay Boggess. Boggess told DePasquale that he would report the issue to Chief Academic Officer Glenda Sheffield.

DePasquale explained that after he reported the issue to Boggess, Oswald scheduled a Google Meet on January 13, 2021, with Oswald, Sheffield, DePasquale, and Boggess. DePasquale said that during the meeting, there were questions about where Fox was working and what she had been doing. DePasquale noted that he did not have any answers for them because he had not seen Fox. As a result of the Google Meet, a follow-up meeting with Fox was scheduled.

DePasquale said there was a meeting with Oswald, Boggess, DePasquale, and Fox on January 20, 2021. During the meeting, Oswald asked Fox about her whereabouts, who she was reporting to, and what she had been doing. DePasquale said Fox told Oswald that she called DePasquale over the summer. Investigator’s note: DePasquale’s statement contradicts Fox’s statement wherein she said she did not attempt to contact DePasquale. DePasquale said he did not receive a call from Fox over the summer. DePasquale said he checked with Charter Schools Administrative Assistant Yaritza Dominguez, who told him she had not received a call from Fox either. DePasquale asked Fox why she did not email him; Fox did not provide an answer. DePasquale said Fox reported that she called some charter schools, but she did not hear back from any schools. DePasquale further stated that during the meeting, Oswald asked Fox why she did not reach out to him (Oswald) when she did not receive an assignment or have knowledge of whom she was reporting to. Fox responded by saying, “when I got this position you told me to stay under the radar.” DePasquale noted that Oswald did not address Fox’s comment.

After the meeting with Fox on January 20, 2021, DePasquale said that on January 22, 2021, he met with Fox individually to determine an action plan and what her responsibilities would be. DePasquale provided Boggess, Fox, and Oswald with a written document of what Fox’s responsibilities are. DePasquale added that Fox has complied with her responsibilities since their meeting.
DePasquale said that since he has been with the Charter Schools Department, Fox was the first transfer he experienced.

**On March 12 and 25, 2021, a sworn recorded interview of Director of Charter Schools Joe DePasquale was conducted at a District training room in West Palm Beach, FL.**

The following represents actual and paraphrased statements made by “DePasquale” as it relates to Allegation 2:

The OIG asked DePasquale if Oswald gave him a directive to not notify his supervisor about Fox’s transfer to Charter Schools or to ensure that Fox stayed under the radar. DePasquale stated that he did not receive such directive from Oswald.

DePasquale noted he never had a person placed in his budget without notification from the Budget Department.

**On February 4, 2021, a sworn recorded interview of Assistant Superintendent of Choice and Innovation Jay Boggess was conducted at the Office of Inspector General in West Palm Beach, FL.**

The following represents actual and paraphrased statements made by “Boggess” as it relates to Allegation 2:

Boggess stated he was made aware that Bonnie Fox was part of Charter Schools on or about December 17, 2020, via an email from Federal and State Programs Director Nicole Smith. Boggess noted that based on Smith's email, it appeared Fox's position was funded through Title I funds.

Boggess said he immediately contacted DePasquale to obtain further information. Boggess stated DePasquale told him that Oswald contacted him (DePasquale) sometime in July 2020, while working remotely, regarding Fox. DePasquale reported to Boggess that Oswald told him (DePasquale) he would get back to him. DePasquale advised Boggess he did not receive a callback or any other information from Oswald confirming the transfer was completed. Boggess said DePasquale indicated he was under the impression that Fox may have ended up in another department. Further, DePasquale told Boggess that in October/November 2020, DePasquale noticed that Fox was on the Charter Schools’ budget.

Following Boggess’ conversation with DePasquale, Boggess said he immediately contacted his direct supervisor, Chief Academic Officer Glenda Sheffield. Boggess said Sheffield advised she was not aware of the situation.

Boggess added that prior to the email from Smith and his call to DePasquale, DePasquale had not mentioned that Oswald called him about Fox or that Fox was part of Charter Schools.

On or about January 13, 2021, a meeting took place with DePasquale, Oswald, Sheffield, and Boggess to discuss Fox. Boggess said there was a little bit of “he said/she said”

---

36 At DePasquale’s request Staff Association representative, Pat Kaupe, was present during the March 25 interview.
between Oswald and DePasquale. Boggess stated Oswald said he directed DePasquale to call Fox. Oswald asked DePasquale “What do you mean you never touched based with Fox?”. DePasquale told Oswald that he was waiting for Oswald to get back to him. Boggess noted that DePasquale said he did not receive a directive from Oswald to call Fox.

Subsequently, Oswald requested an in-person meeting with Fox, DePasquale, Sheffield, and Boggess. Boggess noted that Sheffield did not attend the second meeting. Boggess recalled that during the meeting, Oswald asked Fox what she had been doing. Fox responded, “Keith, I thought I was doing what you wanted me to, flying under the radar.” Oswald replied, “That is not what I intended by any stretch.”

Oswald gave DePasquale a directive to meet with Fox and create an action plan. Boggess said that he followed up with DePasquale to ensure that Oswald’s directive had been completed. Boggess said he received a copy of the action plan that was agreed to by DePasquale and Fox.

Boggess stated that, to his knowledge, in situations where an employee is transferred to another department, there is School Board action and email communication from Human Resources. Boggess noted if the communication was not directly sent to him, he is copied when it is related to any of the departments he oversees. Boggess said that, to the best of his knowledge, Oswald had not placed anyone in any of the departments that he (Boggess) was responsible for without receiving some form of written or verbal notification.

**On February 18, 2021, a sworn recorded interview of Chief Academic Officer Glenda Sheffield was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Sheffield” as it relates to Allegation 2:**

Sheffield explained that right before 2020 winter break, Boggess notified her of the issue with Bonnie Fox. Sheffield explained Boggess added Fox as a topic for discussion to their dashboard. Sheffield stated during a one-on-one meeting with Boggess sometime in January (Sheffield later verified the meeting took place on January 12, 2021), they discussed the concern regarding Fox. Sheffield said Boggess told her the concern was that Fox was assigned to Charter Schools starting on July 1, 2020, but no one had heard from her or seen her. Sheffield said she asked Boggess who had assigned Fox to Charter Schools. Boggess told her that Oswald assigned Fox to Charter Schools after having a conversation with DePasquale.

Sheffield said she spoke to Oswald the same day she met with Boggess. Sheffield stated she expressed her concern to Oswald regarding Fox and added that Fox’s position was funded with Title I funds. Sheffield let Oswald know that she would schedule a meeting with Oswald, DePasquale, and Boggess to discuss the issue.

37 The meeting took place on January 20, 2021.
38 District email records indicate DePasquale and Fox met on January 22, 2021.
Sheffield noted the following about the meeting on January 13, 2021: Oswald asked DePasquale why he did not reach out to Fox. DePasquale told Oswald that he did not reach out to her because he thought Oswald would get back in touch with him. DePasquale further explained his secretary approved the Charter School’s Department payroll.

Sheffield said there was a subsequent meeting with Fox (Sheffield later verified the meeting took place on January 20, 2021). Sheffield had a scheduling conflict and did not attend the January 20, 2021, meeting.

Sheffield explained that she was not part of Oswald and DePasquale's discussion about assigning Fox to Charter Schools. Sheffield said she had no knowledge of the matter until before winter break when Boggess notified her and when she met with Boggess on January 12, 2021. Sheffield said that to her knowledge, Boggess was not aware of the conversation between Oswald and DePasquale regarding Fox’s placement in the Charter Schools Department.

Sheffield said Oswald did not reach out to her about assigning Fox to Charter Schools. Sheffield noted that Oswald could make such decisions as the Deputy Superintendent and does not need her approval. Sheffield added that Oswald had not previously assigned/transferred someone in a department that she oversees without her knowledge.

On March 10, 2021, a sworn recorded interview of Instructional Specialist Bonnie Fox was conducted at a District training room in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Fox” as it relates to Allegation 2:

Fox stated, “I signed a transfer assignment to the Charter Schools” on June 9, 2020. Fox said she signed the transfer letter with the understanding that it was either that position (Instructional Specialist) or no other position. Fox stated that although it was not in writing, Oswald said after a year in Charter Schools, she would return to a Principal position. Fox stated that she does not recall the exact date of the phone conversation with Oswald regarding the transfer to Charter Schools. Fox explained that during the conversation with Oswald, he told her there were no Principal positions available. Fox stated Oswald told her she would be “reporting to the Charter School and work with a Federal grant for Title I schools.” Fox stated that during the conversation Oswald said that she was to “stay under the radar.” The OIG asked Fox if she asked Oswald for clarification regarding the “stay under the radar” comment. Fox said she did not ask for clarification regarding the comment. The OIG asked Fox what the comment stay “under the radar” meant to her. Fox stated that to her, it meant to “wait to hear from anyone, stay low.” Fox said that Oswald did not give her a written or verbal directive not to work.

Fox said that Oswald told her that DePasquale would reach out to her. Fox denies that Oswald asked her to contact DePasquale. Fox stated that she did not hear from DePasquale, and she did not attempt to contact DePasquale or Oswald after not hearing
from anyone. Fox added that Human Resources or the Compensation Department did not contact her.

The OIG asked Fox why she did not contact DePasquale if she did not hear anything from him after July 2020. Fox stated that she felt she was supposed to “stay under the radar”, not make waves, or get involved.

Fox said she felt there was a pattern starting on February 25, 2020, when she met with Oswald. During the meeting Fox said Oswald asked her to be acting Principal at Congress Middle School starting February 27, 2020, because the current Principal was going on leave. Fox explained that on that same day Oswald called her and told her not to report to Congress Middle, to go home and that he would get back to her. Subsequently, Fox was asked to report to School Transformation (Barbara Terembes Department). Fox explained that for about four months while at School Transformation, “the subtle message was very clear… don’t call us, we’ll call you”. Fox noted that she has always tried to find ways to help the District and feel useful.

Fox said on January 13, 2021, she received a text from Oswald regarding a meeting on January 20, 2021, to discuss what Fox had been doing. Fox noted she replied to the text that there was not a whole lot for her to say because she had stayed under radar. Fox said that Oswald did not reply.

Fox said on January 20, 2021, an in-person meeting took place at the District with DePasquale, Oswald, and Boggess. Fox said that Oswald asked her what she had been doing since she was transferred to Charter Schools. Fox said she told them she was waiting for someone to contact her since she was told to stay under the radar. Fox said Oswald told her he did not mean the comment that way. Fox noted that she apologized to Oswald. Fox said she asked DePasquale if he knew that she existed. DePasquale said “no”. Fox stated for the remainder of the meeting they discussed the uniqueness of charter schools and what she (Fox) would be doing.

**SUBJECT INTERVIEW**

On January 27, 2021, a sworn recorded interview of Deputy Superintendent/Chief of Schools Keith Oswald was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Oswald” as it relates to Allegation 2:

Oswald said in mid-January 2021, an issue was brought to his attention by Chief Academic Officer Glenda Sheffield wherein Assistant Superintendent of Choice and Innovation Jay Boggess and Charter Schools Director Joe DePasquale questioned why Instructional Specialist Bonnie Fox was on the Charter Schools Department budget.

Oswald explained that during the summer of 2020, the District was asked to make department cuts. Oswald noted that at the direction of the School Board, the District wanted ensure the preservation of employees’ jobs. As a result, Oswald worked with the
Director of Federal and State Programs Nicole Smith to assign Fox to a position where the job responsibilities would be to support Title I charter schools. Upon her reassignment, Fox’s job title and responsibilities were changed from Principal on Assignment to Instructional Specialist.

Oswald said that sometime in May/June 2020, he met with Fox regarding the change in position. Oswald stated that Fox agreed to step down from a Principal on Assignment to a specialist working in Charter Schools. Oswald reported that in June 2020, he notified Director of Charter Schools Joe DePasquale of Fox’s transfer via telephone. Oswald said he gave DePasquale a directive to reach out to Fox and work on a plan to support Title I Charter Schools. Oswald stated he did not provide DePasquale a written directive to reach out to Fox. Oswald added that he notified Fox that DePasquale would be reaching out to her.

Oswald said that on January 13, 2021, he met with DePasquale, Boggess, and Sheffield regarding the Fox. According to Oswald, DePasquale said he had not worked on a plan for Fox because he was waiting for additional directives and information from Oswald. Oswald noted that he asked DePasquale why he did not call, email, or text him (Oswald) if he had questions regarding Fox. During a meeting on January 20, 2021, with DePasquale, Boggess, and Fox, Oswald questioned Fox as to why she had not reached out to him (Oswald). According to Oswald, Fox said that she did not know what she was supposed to do and was worried about her safety in relation to COVID-19. Oswald added that Fox said she reached out to individual Charter Schools, but no one responded. Oswald stated Fox said she provided support to Lake Shore Middle in the meantime.

On April 1, 2021, a sworn recorded interview of Deputy Superintendent/Chief of Schools Keith Oswald was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Oswald” as it relates to Allegation 2:

Oswald said that after Odyssey Middle School closed, the previous Deputy Superintendent David Christiansen promised Fox a Regional Instructional Superintendent position. Oswald said that placing Fox in a Regional Instructional Superintendent position was not realistic.

Oswald explained that around the same period of time, grades for all the schools in the District’s were released. Lake Shore Middle School received a “D”. Subsequently, the District worked with the Department of Education to determine an action plan for Lake Shore Middle. As a result, Fox was assigned to Lake Shore Middle in order to assist with the school’s improvement. Oswald added that Fox is “very talented” at student achievement improvements and has a successful history with “turn around work” with schools.

As a result, Fox’s title was changed to Principal on Assignment and she was assigned to Lake Shore Middle School. Oswald added that Fox’s salary remained the same with the

new job title and responsibilities. Oswald noted he told Fox that the change in job titles would be on the School Board agenda.

Oswald said that Fox’s assignment was completed successfully at Lake Shore Middle School. Subsequently, Oswald assigned Fox to Bear Lakes Middle School as a Principal on Assignment. Oswald noted that since Fox’s assignment, Bear Lakes Middle is doing very well at building capacity.

The OIG asked Oswald if he assigned Fox to Congress Middle School (Congress Middle). Oswald stated that during 2019/20, he explored the idea of assigning Fox to Congress Middle when the Congress Middle Principal was on leave and considering retirement. However, the Principal did not retire and ultimately returned to work. Oswald said that he had a conversation with Fox regarding the “potential” of her going to Congress Middle.

The OIG explained to Oswald Fox’s understating of the Congress Middle matter, as indicated in her March 10, 2021, interview. Oswald denied that he gave Fox a directive to go to Congress Middle. Oswald said he clarified to Fox that their discussion regarding Congress Middle was a possibility, but nothing was finalized. Oswald opined that Fox must have taken their initial conversation about Congress Middle “literally”.

Oswald said Fox should have continued to work at Bear Lakes Middle School. Oswald denied giving Fox a directive to go home and not work after the Congress Middle confusion. Oswald added that he would never say anything like that to anyone.

Oswald explained that School Transformation had a vacancy, so he assigned Fox to that department’s budget since Fox’s responsibilities as Principal on Assignment were related to school transformation work and building capacity of schools. Investigator’s note: Oswald’s statement contradicts Terembes’ statement where she said Fox did not do any work that was related to the responsibilities of the School Transformation department.

Although Fox was in the School Transformation Department, she still reported and took directives from Oswald. Terembes only tracked Fox’s pay and timesheets. Oswald noted Terembes and Oswald sometimes worked closely.

Oswald said that during the time that Fox was assigned to School Transformation’s budget, she should have been working and supporting Bear Lakes Middle School remotely. The OIG asked Oswald if Fox submitted timesheets to him since Fox was still reporting to Oswald. Oswald said he did not know and would have to check with Terembes about the timesheets.

The OIG asked Oswald if he oversaw Fox’s work or contacted her to determine what work she was doing or following up with Terembes as to what Fox was doing. Oswald responded that he did not check in with Fox during the early stages of COVID-19, March through June, because his primary focus was setting up remote learning and ensuring students had electronics and Wi-Fi. Oswald stated “micro managing that piece was not
at the top of the priority at that time”. Oswald noted that Principals were given directives via emails and Fox had the responsibility to follow those directives.

The OIG asked Oswald if he had any issues with Fox’s attendance or not being able to get in touch with her. Oswald said that Terembes advised him that Fox was not submitting TDE’s when taking time off. Oswald said he let Fox know that she needed to submit TDE’s when taking time off.

Regarding Fox’s transfer to Charter Schools, Oswald explained that during the summer of 2020, budget cuts were required. At the time, there were no vacancies for Fox that would be a good match. Oswald added that the District’s culture is to not get rid of employees, especially a Principal whose school closed down. Oswald noted that Fox was nervous about COVID-19. Since there were Title I funds available, he thought it would be a good idea for Fox to work with Title I Charter Schools to help improve their performance.

Oswald spoke to Director of Compensation and Employee Information Services Mark Mitchell regarding the impact on Fox’s salary with the change from Principal on Assignment to a Specialist. Oswald stated that Mitchell told him the change would have a 5% cut on salary. Oswald worked with Mitchell to process Fox’s transfer. Oswald said he does not typically deal with employee transfers, but he was more hands on with Fox’s transfer because she was a Principal on Assignment and “well, basically, she was kind of under me… that definitely is why I was more hands on than usual.” Oswald said he does not have a full understanding of the employee reassignment/transfer process.

Oswald stated that he does not have any knowledge that Fox was on the June 24, 2020, Board Agenda for reappointment as Principal on Special Assignment.

Regarding whether Oswald gave DePasquale a directive to reach out to Fox, Oswald maintains that he gave DePasquale a verbal directive to contact Fox to discuss the scope of her job responsibilities. Oswald noted that during a meeting on January 13, 2021, with DePasquale, Boggess, and Sheffield, it was discussed that he (Oswald) did give DePasquale the directive to reach out to Fox. Oswald said that DePasquale said he was waiting for more information.

Regarding the comment that Oswald allegedly made to Fox to “stay under the radar”, Oswald denies making that comment to Fox. Oswald said he would never say anything like that to any employee. The OIG asked Oswald if he had any recollection of a text message he sent to Fox around January 13, 2021. During the interview, Oswald found the text message and confirmed that Fox replied to his text about meeting on January 13, 2021. Oswald said that in her text message response, she mentioned she was staying under the radar, as Oswald suggested. Oswald said he did not know what she was talking about with reference to the stay under the radar comment. Oswald added, “those are her words, not mine”. Oswald said he did not respond to her text message because he was so “pissed”. Oswald added that he felt like Fox was trying to set him up.
Oswald said that he did not have any underlying plan for Fox to be paid and not produce work. Oswald stated, “what motivation would I have to tell her not to do anything”. Oswald added that Fox is not his friend and he does not owe her anything. Oswald stated that he is “ethical and I'll stand by that until the day I die”. Oswald said he would not be able to “sleep at night” knowing that Fox was sitting home just collecting a paycheck. Oswald stated he is in disbelief that Fox did not reach out to anyone, especially because she was a Principal and she should know better. Oswald added that he met with Director of Employee and Labor Relations Vicki Evans-Pare for an investigation into Fox and DePasquale’s actions.

**CONCLUSION**

It is alleged that Deputy Superintendent/Chief of Schools Keith Oswald violated School Board Policy 3.02 by not Making Ethical Decisions/Failure To Use Good Judgement regarding Fox’s transfer/reassignment to School Transformation in November 2019, and Charter Schools in July 2020.

District training records reflect that Oswald completed the “Annual HR Policies (FY20)” training on August 1, 2019. Included in this training is a presentation on School District Policy 3.02 – Code of Ethics. As part of the training employees must complete an acknowledgement of the Code of Ethics.

The OIG determined that Oswald, directed the transfers/reassignments of Fox on two separate occasions, November 2019, and July 2020. While the transfers/reassignments were a permissible exercise of the Deputy Superintendent/Chief of Schools’ discretion and were not contrary to any standing policies or laws, the means of communicating the transfers consequences proved problematic. Specifically, the nature of communications from Oswald, to Fox, Terembes, and DePasquale and the simultaneous lack of communication from Oswald to Sheffield and Boggess.

When Oswald reassigned Fox to School Transformation on November 11, 2019, he communicated to Terembes that Fox was to be “in her (Terembes’) budget” but Oswald would provide the direct supervision. While a permissible exercise of Oswald’s discretion, this created an environment where Terembes was charged with approving payroll for Fox, her budgetary subordinate, without any understanding of what Fox was doing to be paid thereby directing Terembes to violate payroll procedures, and would be considered a violation of Policy 3.02 – Code of Ethics.

In June 2020, a slightly different version occurred again. In this instance, Oswald issued another permissible, discretionary directive to reassign Fox from School Transformation to Charter Schools. However, by verbally communicating this transfer/reassignment directive to Fox and DePasquale only, Oswald circumvented the chain of command. And consequently, left both Sheffield and Boggess, the supervisors of DePasquale (and Fox) unaware of this personnel change.
More importantly, Oswald’s verbal directives gave Fox the impression of “don’t call us, we’ll call you” regarding the specifics of her duties and obligations. Fox repeatedly stated the directive regarding the transfer to Charter Schools included an express message to “stay under the radar.” While Oswald unequivocally denied making this statement, Boggess advised that Oswald indirectly acknowledged making the statement.

This duty, shared by everyone employed in the District, is stated clearly and directly in Policy 3.02.3, “When making decisions, the Superintendent and District employees should use good judgment to fulfill the spirit as well as the letter of this Code of Ethics…” (Emphasis added)

School Board Policy 1.092 Inspector General defines waste as: “the act of using or expending District resources unreasonably, carelessly, extravagantly, or for no useful purpose.”

As mentioned, Oswald did not follow the proper chain of command. Based on the 2020/21 District's Organization Chart reporting lines (Exhibit 16), Oswald should have involved and notified Sheffield and Boggess of his plan. There is no documentation that Oswald notified Boggess or Sheffield of Fox’s transfer. Had Boggess or Sheffield been notified of Fox’s employment transfer, they may have taken the proper steps to ensure DePasquale provided Fox with job responsibilities and assignments, which could have mitigated all of the waste of public funds.

What occurred with Fox’s employment meets the definition of waste, waste of public funds. PeopleSoft reflects that Fox’s salary is coded as a “salary override” because Oswald’s transfer letter to Fox stated that her base salary would remain the same. It may be considered wasteful to have an Instructional Specialist with a salary of $134,408.40

Oswald explained that there were excess Title I funds. Oswald therefore worked with Smith to create a position for Fox where the plan was to have Fox work with Title I Charter schools, thereby her salary was budgeted with federal funds. Due to the OIG’s investigation, a District correction for Fox’s salary funding source was completed. On April 20, 2021, Deputy Chief Financial Officer Heather Knust notified the OIG that Fox’s salary and benefits for the period of July 1, 2020, through January 19, 2021, were deemed unallowable and were moved to “Disallowed Grant costs”. Fox not producing work pertinent to the grant that would have funded her position, could have been detrimental for the District.

Based on the testimony obtained and the records reviewed, the OIG determined that the allegation that Keith Oswald violated School Board Policy 3.02 by not Making Ethical Decisions/Failure To Use Good Judgement regarding Fox’s transfer/reassignment to School Transformation in November 2019, and Charter Schools in July 2020, was Substantiated.

40 The OIG determined that there are 16 other active employees with the same job code as Fox. Of the 16 employees, the highest base salary is $81,467 and the lowest is $70,977.
ALLEGATION 3

It is alleged that Instructional Specialist Bonnie Fox knowingly violated School Board Policies 1.013 and 3.02, and Florida Administrative Codes 6A-5.080 and 6A-10.081, by asking Assistant Principal Shaun Schwartztrauber to use her District credentials to complete her (Fox) timesheets.

Responsibilities of School District Personnel and Staff states “It shall be the responsibility of the personnel employed by the district school board to carry out their assigned duties in accordance with federal laws, rules, state statutes, state board of education rules, school board policy, superintendent's administrative directives and local school and area rules.”

School Board Policy 3.02 Code of Ethics – Purpose and Authority states, in relevant part,

   1. “The School Board of Palm Beach County (Board) believes it is imperative that public officials and public employees act in the highest ethical manner and preserve the public trust.”

4. Accountability and Compliance

(a) Adheres to the Code of Ethics and the Principles of Professional Conduct for the Education Profession in Florida…”
Florida Administrative Code 6A-10.081(2)(c) Principles of Professional Conduct for the Education Profession in Florida states that Florida Educators have an Obligation to the profession of education requires that the individual maintain honesty in all professional dealings.

WITNESS INTERVIEW

On March 2, 2021, a sworn recorded interview of Assistant Principal Shaun Schwartztrauber was conducted at Lake Shore Middle School in Belle Glade, FL. The following represents actual and paraphrased statements made by “Schwartztrauber” as it relates to Allegation 3:

Schwartztrauber said that he met Fox in 2016 when she hired him to be an Assistant Principal at Odyssey Middle. Schwartztrauber said Fox “is not the most tech savvy” and that was why he continued to provide clerical support to Fox such as completing TDE’s, timesheets, and drafting documents. Schwartztrauber noted he does not do so of his own volition, only at Fox’s request.

Schwartztrauber explained that starting in March 2020, through January 2021, he logged in daily using Fox's credentials to complete her timesheet. Schwartztrauber said he entered information such as dates and times on a Google document timesheet at the direction of Fox.

Schwartztrauber stated that he has a lot of respect for Fox. Schwartztrauber noted that Fox has been a mentor to him since 2016. Schwartztrauber added that Lake Shore Middle Principal Dr. Carl Gibbons has been on leave. Schwartztrauber said he reached out to Fox for support and advice during Gibbons’ leave.

Schwartztrauber said he has attempted to teach Fox how to complete the tasks on her own. Schwartztrauber noted that Fox has become reliant on him to complete all the tasks. Schwartztrauber said that Fox told him she was transferred to Charter Schools.

SUBJECT INTERVIEW

On March 10, 2021, a sworn recorded interview of Instructional Specialist Bonnie Fox was conducted at a District training room in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Fox” as it relates to Allegation 3:

The OIG asked Fox if she had a District laptop/computer. Fox stated that she has a District issued Apple “Mac”, she received while at Odyssey Middle, but does not use it. Fox said she uses her personal cell phone to access her District emails. The OIG asked Fox how

she logs in to the District portal. Fox said that she has logged in a couple of times and is learning how to do so.

The OIG asked Fox if she shared her password with anyone so that other people can assist her. Fox said, “Different people have helped me.” Fox stated she is aware that she is prohibited from sharing her password. The OIG asked Fox if she is familiar with the District’s Information Technology (IT) security training. Fox said that she is familiar with it and took it a few months ago.43

Fox admitted that Schwartztrauber completed the timesheets on her behalf. Fox stated that completing the timesheets was a “group effort” between her and Schwartztrauber. Fox said that she would usually provide Schwartztrauber with the information for the timesheet via “phone”, either on a daily or weekly basis and he would complete the timesheet.

The OIG asked Fox if she would have found it acceptable had such scenario occurred with an employee reporting to her while she was Principal. Fox said she would not be okay with falsification, but she does not have a problem with someone else sending “accurate information”, like the timesheets.

**WITNESS INTERVIEWS**

On March 2, 2021, a sworn recorded interview of Single School Culture Coordinator Jordan Peterson was conducted at Lantana Middle School in Lantana, FL. The following represents actual and paraphrased statements made by “Peterson” as it relates to Allegation 4:

Peterson said that she maintains a personal relationship with Fox.
Peterson said she worked with Fox at Odyssey Middle School. Peterson stated that while she was at Odyssey Middle, she did not provide clerical support to Fox. Peterson said that after leaving Odyssey Middle, Fox did not ask her to do anything work related.

Peterson said when they worked at Odyssey Middle, Fox shared her District password with her. Peterson noted that she would retrieve school data reports using Fox’s credentials.

The OIG asked Peterson if she reset Fox’s District password or if Fox had asked her to change the password. Peterson initially said she did not think she had reset Fox’s password, recalled changing Fox’s password or if Fox had asked her to change Fox’s password.

The OIG presented Peterson with an email exchange that took place in January 2020, between her and Fox related to Peterson resetting Fox’s password. Subsequently, Peterson admitted she changed Fox’s password. Peterson noted that she never changed Fox’s password without her knowledge or a request from Fox.

Peterson acknowledged changing Fox’s password was a problem and a violation. Peterson said that she did it to help Fox. Peterson noted that Fox did not know how to change or update her own passwords.

On March 2, 2021, a sworn recorded interview of Assistant Principal Shaun Schwartztrauber was conducted at Lake Shore Middle School in Belle Glade, FL. The following represents actual and paraphrased statements made by “Schwartztrauber” as it relates to Allegation 4:

44 Violations related to Schwartztrauber’s and Peterson’s involvement in Allegation 4, will be addressed in Allegations 6 and 8, respectively.
Schwartztrauber admitted he changed Fox's District password. Schwartztrauber stated Fox emailed him when her password needed to be updated. Schwartztrauber stated he changed/updated Fox’s password and then provided Fox with the updated password. Schwartztrauber stated that he maintained Fox’s password saved on his District laptop.

Schwartztrauber acknowledged he should not have used Fox’s credentials. Schwartztrauber said that he was aware of the District’s Information Technology (IT) security policy and had completed the required training.45

Regarding TDE’s, Schwartztrauber stated Fox would either call or text him with dates for him to complete her TDE’s. Schwartztrauber stated that he logged in using Fox’s credentials and completed her TDE’s in E-forms.

The OIG asked Fox if she was familiar with the District’s Information Technology (IT) security training. Fox said that she was familiar with it and took it a few months ago.46

The OIG asked Fox if she reset her District password when required or necessary. Fox stated she resets her District password. Fox noted that once she reset her password, she would notify Schwartztrauber via telephone. Fox reiterated that she resets her District password. The OIG asked Fox if she was certain that Schwartztrauber had not changed her District password on her behalf. Fox admitted, “He may have.”

The OIG notified Fox that during the investigation process, the OIG retrieved evidence she (Fox) emailed Schwartztrauber and Peterson requesting they change/update her (Fox) District password. Fox did not deny that she sent the emails to Schwartztrauber and Peterson.

The OIG asked Fox who Peterson is. Fox stated that Peterson is a friend and was a Reading Coach and Single School Culture Coordinator at Odyssey Middle. The OIG asked Fox if Peterson had changed her District password or if Peterson had access to her credentials. Fox said that she asked Schwartztrauber to change her District password more often than she asked Peterson.

---

45 District training records reflect that Schwartztrauber last completed the training on October 13, 2020.
46 District training records reflect that someone using Fox’s credentials completed the training on November 23, 2020.

**RECORDS ANALYSIS**

**Exhibit 21: Emails documenting Peterson and Schwartztrauber accessed District systems using Fox’s credentials**

The OIG reviewed Fox's District email records from January 2019, through March 2021. The review revealed 15 emails that reflected Peterson or Schwartztrauber used Fox's District password to change her password, complete timesheets, leave of absence requests or approvals of budget related requisitions. See *Table 1*.

The above emails are included as *(Exhibit 21)*. It should be noted that of the five (5) emails related to “change/update” Fox’s password, Fox acknowledged when Peterson or Schwartztrauber had completed the change/update of her password.

Fox’s District email records show she asked Schwartztrauber to submit a leave of absence request for her on March 1, 2021. The OIG did not find further documentation that demonstrated that, Schwartztrauber submitted and electronically signed any other leave of absence/temporary duty elsewhere request for Fox.
CONCLUSION

It is alleged that Instructional Specialist Bonnie Fox knowingly violated School Board Policies 1.013, 2.501, and 3.02, and Florida Administrative Codes 6A-5.080 and 6A-10.081, and the District’s Information Technology User Standards and Guidelines Manual by providing her confidential District password to District employees, Assistant Principal Shaun Schwartztrauber and Single School Culture Coordinator Jordan Peterson, by asking them to change her District password on more than one occasion.

Fox admitted she provided her District credentials and asked Peterson and Schwartztrauber to change her password or to complete other tasks.

Fox’s habitual pattern of relying on Peterson and Schwartztrauber to change/update her District password violated policy. The District requires District employees to maintain their passwords’ confidentiality.

Based on the testimony obtained and the records reviewed, the OIG determined that the allegation that Bonnie Fox knowingly violated School Board Policies 1.013, 2.501, and 3.02, Florida Administrative Codes 6A-5.080 and 6A-10.081, and the District’s Information Technology User Standards and Guidelines Manual by providing her confidential District password to District employees, Assistant Principal Shaun Schwartztrauber and Single School Culture Coordinator Jordan Peterson, and by asking them to change her District password on more than one occasion was Substantiated.

ALLEGATION 5

It is alleged that Instructional Specialist Bonnie Fox knowingly violated School Board Policies 1.013, 2.61, and 3.02, and Florida Administrative Codes 6A-5.080 and 6A-10.081 by requesting that Assistant Principal Shaun Schwartztrauber use her confidential District credentials to falsely certify that she completed her required District training.

School Board Policy 1.013.1 Responsibilities of School District Personnel and Staff states that “It shall be the responsibility of the personnel employed by the district school board to carry out their assigned duties in accordance with federal laws, rules, state statutes, state board of education rules, school board policy, superintendent’s administrative directives and local school and area rules.”

School Board Policy 2.61.3. defines “Fraud” as a willful or deliberate act or omission by which an individual intends to unlawfully deprive the District through an unauthorized benefit, service, property or something of value by deception, misrepresentation or other unethical or unlawful means. Fraudulent acts include, but are not limited to:

a. “Forgery, falsification or alteration of District documents or records”
School Board Policy 3.02 Code of Ethics – Purpose and Authority states, in relevant part,

1. “The School Board of Palm Beach County (Board) believes it is imperative that public officials and public employees act in the highest ethical manner and preserve the public trust.”

4. Accountability and Compliance

Each employee agrees and pledges to:

a. “To provide the best example possible; striving to demonstrate excellence, integrity and responsibility in the workplace...”

f. “To take responsibility and be accountable for his or her acts or omissions.”

g. “To avoid conflicts of interest or any appearance of impropriety.”

h. “To cooperate with others to protect and advance the District and its students.”

5. Ethical Standards

c. Misrepresentation or Falsification - “Employees should exemplify honesty and integrity in the performance of their official duties for the School District.”

Florida Administrative Code 6A-5.080(d)1 states, “Effective school leaders demonstrate personal and professional behaviors consistent with quality practices in education and as a community leader. (a) Adheres to the Code of Ethics and the Principles of Professional Conduct for the Education Profession in Florida...”

Florida Administrative Code 6A-10.081(2)(c)(1) Principles of Professional Conduct for the Education Profession in Florida states “Florida Educators have an Obligation to the profession of education that requires the individual maintain honesty in all professional dealings.”

**WITNESS INTERVIEW**

On March 2, 2021, a sworn recorded interview of Assistant Principal Shaun Schwartztrauber was conducted at Lake Shore Middle School in Belle Glade, FL. The following represents actual and paraphrased statements made by “Schwartztrauber” as it relates to Allegation 5:

---

\[47\] Violations related to Schwartztrauber’s involvement in Allegation 5, will be addressed in Allegation 7.
Schwartztrauber admitted he logged in, on more than one occasion, and used Fox's credentials to complete her online trainings. Schwartztrauber said he did not recall the specific trainings he completed for Fox.

The OIG asked Schwartztrauber if he recalled taking the IT Security training for Fox, and Schwartztrauber confirmed he completed the IT Security training for her. Schwartztrauber noted that he only completed the training at her request.

**SUBJECT INTERVIEW**

On March 10, 2021, a sworn recorded interview of Instructional Specialist Bonnie Fox was conducted at a District training room in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Fox” as it relates to Allegation 5:

Fox said she has completed “some” District trainings on her own. Fox explained that her neighbor assisted her with logging in to complete District training.

When asked specifically about the District’s required Information Technology (IT) Security Awareness training, Fox initially testified that she completed the training herself. The OIG explained to Fox that there was evidence suggesting Schwartztrauber had completed her IT Security training, Fox then admitted she did not complete the training herself.

The OIG asked Fox why she falsified training documentation. Fox said, “I really can’t do it. I can’t get on the computers. I can’t figure out how to do it.”

Fox noted in the past, she would have her secretary log in for her so she could complete District trainings.

The OIG asked Fox if she would have found it acceptable had such scenario occurred with an employee reporting to her while she was Principal. Fox said she would not be okay with falsification, but she does not have a problem with someone else sending “accurate information”, like the timesheets.

**RECORDS ANALYSIS**

Exhibit 22: Email exchange dated October 15, 2020, between Fox and Schwartztrauber regarding IT Security training
Exhibit 23: Email exchange dated January 4, 2021, between Fox and Schwartztrauber regarding completion of IT Security training
Exhibit 24: Email exchange dated March 2, 2021, between Fox and Schwartztrauber regarding District training - Identifying and Reporting Child Abuse and Neglect
Exhibit 25: FY 21 Employee Technology Services Acknowledgement and Consent
District email records reflect that on October 14, 2020, Fox received an auto generated email regarding the IT Security Awareness and Acknowledgment (FY21) course. On October 15, 2020, Fox forwarded the above email to Schwartztrauber and stated “Did you do this? Is it too much to ask you to do another one?” Schwartztrauber replied, “Yes, I will sign in this weekend to do it.” *(Exhibit 22)*

PeopleSoft training records reflect on November 23, 2020, an individual utilizing sign on credentials for Fox completed “District Wide Compliance Training: IT Security Awareness and Acknowledgement (FY21)”. Although the records reflect the training was completed on November 23, 2020, Fox received an auto generated email regarding the same course on January 4, 2021. The email stated “This is a friendly reminder to begin the IT Security Awareness and Acknowledgement (FY21) course.” That same day, Fox forwarded the email to Schwartztrauber without comment. Subsequently, Schwartztrauber replied, “This was completed. It is still showing "In progress" for some reason. It is the same on my end.” *(Exhibit 23)*

District email records reflect that on March 2, 2021, Fox received an auto generated email regarding training for a course titled, “Identifying and Reporting Child Abuse and Neglect.” The same day, Fox forwarded an email to Schwartztrauber and stated, “Has this been done?” *(Exhibit 24)*

As of April 12, 2021, PeopleSoft training records reflect that the course related to child abuse and neglect for Fox is “In Progress.”

As part of the training completion, each employee must acknowledge and consent to the contents of the training. The training includes a “Employee Technology Services Acknowledgement and Consent (FY21)” form. *(Exhibit 25)*

The form indicated by consenting, an employee agrees:

- Employees must read and be familiar with the IT User Standards and Guidelines Manual.
- All activities performed while using my District computer account will be attributed to me and no one else.
- Unless allowed by a School Board Policy, all passwords assigned to me will be kept confidential...

---

48 It is unknown what training Fox referred to in the email. Schwartztrauber admitted to completing more than one training for Fox, but he was unable to determine what trainings he completed for her or when.
49 The IT Department said Fox received the reminder email in error. For the FY 21 IT Security Awareness training, the due date was extended for all employees. The extension caused an error in the system that generated reminder emails to some that had already completed the training.
• Non-compliance with any of the above conditions may result in disciplinary actions, including loss of privileges, suspension, or dismissal.

The acknowledgement contains the final clause stating, “By agreeing below, I hereby acknowledge that I have read and understand the terms and conditions of this Acknowledgment and Consent, the statements are true and correct, and I agree to be bound by the terms and conditions.”

CONCLUSION

It is alleged that Instructional Specialist Bonnie Fox knowingly violated School Board Policies 1.013, 2.61, and 3.02, and Florida Administrative Codes 6A-5.080 and 6A-10.081 by requesting that Assistant Principal Shaun Schwartztrauber use her confidential District credentials to falsely certify that she completed her required District training.

PeopleSoft training records for Fox reflect that in 2020 through present, five (5) additional trainings were completed. It is undetermined if Fox completed the trainings or had Schwartztrauber or someone else complete them for her. Schwartztrauber, stated, he completed more than one training for Fox. The District requires employees to complete various trainings throughout the year. Each course serves an intended educational purpose. The training courses protect students, staff, and the District as a whole, and it is important that all employees complete the courses themselves, as intended.

Fox intentionally circumvented the systems the District has in place in order to falsify her training records by asking Schwartztrauber to use her credentials to complete her required training. Fox, as the more experienced employee in the relationship, should not have put Schwartztrauber in that position. Fox’s requests to Schwartztrauber were improper. In doing this, Fox put Schwartztrauber in a position where he also falsified training records.

Based on the testimony obtained and the records reviewed, the OIG determined that the allegation that Bonnie Fox knowingly violated School Board Policies 1.013, 2.61, and 3.02, and Florida Administrative Codes 6A-5.080 and 6A-10.081 by requesting that Assistant Principal Shaun Schwartztrauber use her confidential District credentials to falsely certify that she completed her required District training was Substantiated.

ALLEGATION 6

It is alleged that Assistant Principal Shaun Schwartztrauber knowingly violated School Board Policies 1.013, 2.501, 3.02, and the District’s Information Technology User Standards and Guidelines Manual by using Fox’s confidential District password to complete her (Fox) timesheets and leave of absence requests, and change her (Fox) password, at her request, on more than one occasion.
School Board Policy 1.013 Responsibilities of School District Personnel and Staff states,

1. District Administrative Staff

   a. “The district administrative staff shall be responsible for the efficient planning and administration of all supporting educational services such as maintenance, transportation, school lunch, personnel, purchasing, federal programs, payroll and other responsibilities as directed by the superintendent. The district administrative staff is also responsible for insuring that the appropriate district policies, state board of education rules, state laws, and federal laws and rules are adhered to.”

School Board Policy 2.501.2.a.iii Information Security – Access Control Policy states that “IT shall utilize appropriate information system controls to enforce the password standards defined in the IT User Standards and Guidelines Manual, which is incorporated herein by reference as part of this Policy…”

The District’s Information Technology User Standards and Guidelines Manual, as referenced in School Board Policy 2.501.2.a.iii., states:

2.2. User Responsibilities –

“Every information resource user must comply with all information security related policies, standards and procedures.”

“Users must report all incidents, where they believe an information security vulnerability or violation may exist, to the Department of Information Technology…”

7.2 Password Confidentiality - “User accounts shall not be utilized by anyone but the individuals to whom they have been issued. Users shall not allow their user accounts to be used by others.”

“Users are forbidden from performing any activity with user accounts belonging to other users.”

School Board Policy 3.02 Code of Ethics – Purpose and Authority states, in relevant part,

1. “The School Board of Palm Beach County (Board) believes it is imperative that public officials and public employees act in the highest ethical manner and preserve the public trust.”

4. Accountability and Compliance

Each employee agrees and pledges to:
a. “To provide the best example possible; striving to demonstrate excellence, integrity and responsibility in the workplace…”

g. “To avoid conflicts of interest or any appearance of impropriety.”

WITNESS INTERVIEW

On March 10, 2021, a sworn recorded interview of Instructional Specialist Bonnie Fox was conducted at a District training room in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Fox” as it relates to Allegation 6:

Fox admitted she asked Schwartztrauber to complete tasks like timesheets, leave absence requests, and the update/change of her District credentials. Fox noted that in the past, she had a secretary that would help her complete these tasks.

SUBJECT INTERVIEW

On March 2, 2021, a sworn recorded interview of Assistant Principal Shaun Schwartztrauber was conducted at Lake Shore Middle School in Belle Glade, FL. The following represents actual and paraphrased statements made by “Schwartztrauber” as it relates to Allegation 6:

Schwartztrauber said Fox “is not the most tech savvy” and that is why he continued to provide clerical support to Fox such as completing TDE’s, timesheets and drafting documents. Schwartztrauber noted he does not do so of his own volition, only at Fox’s request.

Schwartztrauber admitted he changed Fox’s District password. Schwartztrauber explained Fox emailed him when her password needed to be updated. Schwartztrauber stated he changed/updated Fox’s password and then provided Fox with the updated password. Schwartztrauber stated that he maintained Fox’s password saved on his District laptop.

Schwartztrauber acknowledged he should not have used Fox’s credentials. Schwartztrauber said that he was aware of the District’s IT security policy, had completed the required training, and was aware his actions were a violation of District policy.

Regarding TDE’s, Schwartztrauber stated Fox would either call or text him with dates for him to complete her TDE’s. Schwartztrauber stated that he would log in using Fox’s credentials to complete her TDE’s in E-forms.
RECORDS ANALYSIS

Allegation 4 addressed the fact in which Fox provided her District credentials to Schwartztrauber and asked him to complete various tasks such as changing her passwords, completing timesheets and submitting leave of absence requests. Table 1, referenced in Allegation 4, disclosed ten (10) emails during January 2019 through March 2021, demonstrating that Schwartztrauber used Fox’s credentials.

The OIG determined Schwartztrauber used Fox’s credentials ten (10) times. However, Schwartztrauber noted Fox also called or texted him, which would not produce a District record to document those specific instances. For example, Allegation 3 discussed the issue in which Fox asked Schwartztrauber to complete her timesheets. As reflected in Exhibit 20, Schwartztrauber attested that he accessed Fox’s timesheet located in the School Transformation shared Google drive to input information during March 2020 through January 2021.

The OIG requested an activity log of Fox’s Google drive access. The available data ranged from September 2020 through March 2021. During the time period, the log revealed the timesheet document was accessed 103 times by someone using Fox’s credentials. Schwartztrauber acknowledged he used Fox’s log in credentials to update her timesheets.

District training records reflect that Schwartztrauber completed the “Annual HR Policies (FY21)” training on October 12, 2020. Included in this training was a presentation on School District Policy 3.02 – Code of Ethics. As part of the training, all District employees must complete an acknowledgement of the Code of Ethics. Schwartztrauber further acknowledged completing IT security training on October 13, 2020.

CONCLUSION

It is alleged that Assistant Principal Shaun Schwartztrauber knowingly violated School Board Policies 1.013, 2.501, and 3.02, and the District’s Information Technology User Standards and Guidelines Manual by using Fox’s confidential District password to complete her (Fox) timesheets and leave of absence requests, and change her password, at her (Fox) request, on more than one occasion.

It should be noted that Schwartztrauber was forthcoming during his interview with the OIG regarding his involvement in accessing and using Fox’s credentials. The OIG did not find any evidence that Schwartztrauber acted maliciously. Schwartztrauber’s actions, although of his own volition, were in response to a request made by Fox, his mentor.

Based on the testimony obtained and the records reviewed, the OIG determined that the allegation that Shaun Schwartztrauber knowingly violated School Board Policies 1.013,

Access data logs have a retention period of six months.
On some days, the document was accessed multiple times.
2.501, and 3.02, and the District’s Information Technology User Standards and Guidelines Manual by using Fox’s confidential District password to complete her (Fox’s) timesheets and leave of absence requests, and change her (Fox’s) password, at her request, on more than one occasion was **Substantiated**.

**ALLEGATION 7 and 7a**

It is alleged that Assistant Principal Shaun Schwartztrauber knowingly violated School Board Policies 1.013 and 3.02, and Florida Administrative Code 6A-10.081 by accessing PeopleSoft using Fox’s credentials to complete and falsely certify Fox’s District training, at her request. Allegation 7a, alleges that Schwartztrauber knowingly violated School Board Policy 2.61 in that he willfully or deliberately intended to unlawfully deprive the District by completing and falsely certifying Fox’s District training.

School Board Policy 1.013 Responsibilities of School District Personnel and Staff states,

1. **District Administrative Staff**
   
a. “The district administrative staff shall be responsible for the efficient planning and administration of all supporting educational services such as maintenance, transportation, school lunch, personnel, purchasing, federal programs, payroll and other responsibilities as directed by the superintendent. Fraudulent acts include, but are not limited to:

a. “Forgery, falsification or alteration of District documents or records”

School Board Policy 3.02 Code of Ethics – Purpose and Authority states, in relevant part,

1. “The School Board of Palm Beach County (Board) believes it is imperative that public officials and public employees act in the highest ethical manner and preserve the public trust.”

4. **Accountability and Compliance**

*Each employee agrees and pledges to:*
a. “To provide the best example possible; striving to demonstrate excellence, integrity and responsibility in the workplace…”

g. “To avoid conflicts of interest or any appearance of impropriety.”

Florida Administrative Code 6A-10.081(2)(c)(1) Principles of Professional Conduct for the Education Profession in Florida states that Florida Educators have an Obligation to the profession of education requires that the individual maintain honesty in all professional dealings and (8) to not submit fraudulent information on any document in connection with professional activities.

On March 10, 2021, a sworn recorded interview of Instructional Specialist Bonnie Fox was conducted at a District training room in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Fox” as it relates to Allegation 7 and 7a:

Fox said she has completed “some” District trainings on her own. Fox also explained her neighbor assisted her with logging in to complete District training.

When asked specifically about the District’s required IT Security Awareness training, Fox initially testified that she completed the training herself. The OIG explained to Fox that there was evidence suggesting Schwartztrauber had completed her IT Security training, at which time Fox admitted she did not complete the training herself. The OIG asked Fox why she had falsified training documentation. Fox said, “I really can’t do it. I can’t get on the computers. I can’t figure out how to do it.”

SUBJECT INTERVIEW

On March 2, 2021, a sworn recorded interview of Assistant Principal Shaun Schwartztrauber was conducted at Lake Shore Middle School in Belle Glade, FL. The following represents actual and paraphrased statements made by “Schwartztrauber” as it relates to Allegation 7 and 7a:

Schwartztrauber admitted he logged in, on more than one occasion, and used Fox’s credentials to complete her online trainings. Schwartztrauber said he did not recall all the specific trainings he completed for Fox at Fox’s request.
The OIG asked Schwartztrauber if he recalled taking the IT Security training for Fox, Schwartztrauber stated that he did complete the IT Security training for her.

**RECORDS ANALYSIS**

Exhibit 17: Email dated October 15, 2020 between Fox and Schwartztrauber regarding training
Exhibit 18: Email dated January 4, 2021, between Fox and Schwartztrauber regarding completion of training
Exhibit 20: Employee Technology Services Acknowledgement and Consent

As discussed in Allegation 5, PeopleSoft training records reflect that on November 23, 2020, someone utilizing Fox’s credentials completed “District Wide Compliance Training: IT Security Awareness and Acknowledgement (FY21).”

However, District emails reflect that on October 14, 2020, Fox received an auto generated email that stated, “Please begin your IT Security Awareness and Acknowledgment (FY21)” course. On October 15, 2020, Fox forwarded the above email to Schwartztrauber and stated “Did you do this? Is it too much to ask you to do another one?” Schwartztrauber replied, “Yes, I will sign in this weekend to do it.” (Exhibit 22)

Although the records reflect the training was completed on November 23, 2020, Fox received an auto generated email regarding the same course on January 4, 2021. The email stated “This is a friendly reminder to begin the IT Security Awareness and Acknowledgement (FY21) course”. That same day, Fox forwarded the email to Schwartztrauber without comment. Subsequently, Schwartztrauber replied, “This was completed. It is still showing "In progress" for some reason. It is the same on my end.” (Exhibit 23)

As part of the training completion, each employee must acknowledge and consent to the contents of the training. The training includes a “Employee Technology Services Acknowledgement and Consent (FY21)” form. (Exhibit 25)

The form indicates by consenting, an employee agrees:

- Employees must read and be familiar with the IT User Standards and Guidelines Manual.

- All activities performed while using my District computer account will be attributed to me and no one else.

- Unless allowed by a School Board Policy, all passwords assigned to me will be kept confidential...

- Non-compliance with any of the above conditions may result in disciplinary actions, including loss of privileges, suspension, or dismissal.
The acknowledgement contains the final clause stating, “By agreeing below, I hereby acknowledge that I have read and understand the terms and conditions of this Acknowledgment and Consent, the statements are true and correct, and I agree to be bound by the terms and conditions.”

**CONCLUSION**

It is alleged that Assistant Principal Shaun Schwartztrauber knowingly violated School Board Policies 1.013 and 3.02, and Florida Administrative Code 6A-10.081 by accessing PeopleSoft using Fox’s credentials to complete and falsely certify Fox’s District training, at her request. Allegation 6a, alleges that Schwartztrauber knowingly violated School Board Policy 2.61 in that he willfully or deliberately intended to unlawfully deprive the District by completing and falsely certifying Fox’s District training.

Schwartztrauber assisted Fox in intentionally circumventing the systems the District has in place. Whether intended or not, Schwartztrauber committed the same offense more than once. Schwartztrauber knowingly and intentionally falsified training records for Fox.

During the completion of the IT Security Awareness Training, Schwartztrauber viewed four (4) learning videos and completed three (3) assessments related to the videos. Schwartztrauber also completed the section where employees are instructed to comply by “reading and accepting the policy.”

Based on the testimony obtained and the records reviewed, the OIG determined that the allegation that Shaun Schwartztrauber knowingly violated School Board Policies 1.013 and 3.02, and Florida Administrative Code 6A-10.081 by accessing PeopleSoft using Fox’s credentials to complete and falsely certify Fox’s District training, at her request was **Substantiated**.

Based on the testimony obtained and the records reviewed, the OIG determined that the allegation that Shaun Schwartztrauber knowingly violated School Board Policy 2.61 in that he willfully or deliberately intended to unlawfully deprive (emphasis added) the District by completing and falsely certifying Fox’s District training was **Unsubstantiated** (Inconclusive).

**ALLEGATION 8**

It is alleged that Single School Culture Coordinator Jordan Peterson knowingly violated School Board Policies 1.013, 2.501, and 3.02, and the District’s Information Technology User Standards and Guidelines Manual by changing Fox’s District confidential password, at her request, on more than one occasion.

School Board Policy 1.013.1 Responsibilities of School District Personnel and Staff states that “It shall be the responsibility of the personnel employed by the district school board
to carry out their assigned duties in accordance with federal laws, rules, state statutes, 
state board of education rules, school board policy, superintendent's administrative 
directives and local school and area rules.”

School Board Policy 2.501.2.a.iii Information Security – Access Control Policy states that “IT shall utilize appropriate information system controls to enforce the password standards defined in the IT User Standards and Guidelines Manual, which is incorporated herein by reference as part of this Policy…”

The District’s Information Technology User Standards and Guidelines Manual, as referenced in School Board Policy 2.501.2.a.iii., states:

2.2. User Responsibilities –

“Every information resource user must comply with all information security 
related policies, standards and procedures.”

“Users must report all incidents, where they believe an information security 
vulnerability or violation may exist, to the Department of Information 
Technology…”

7.2 Password Confidentiality - “User accounts shall not be utilized by 
anyone but the individuals to whom they have been issued. Users shall not 
allow their user accounts to be used by others.”

“Users are forbidden from performing any activity with user accounts 
belonging to other users.”

School Board Policy 3.02 Code of Ethics – Purpose and Authority states, in relevant part,

1. “The School Board of Palm Beach County (Board) believes it is imperative that public officials and public employees act in the highest 
ethical manner and preserve the public trust.”
4. Accountability and Compliance

Each employee agrees and pledges to:

a. “To provide the best example possible; striving to demonstrate 
excellence, integrity and responsibility in the workplace…”

  g. “To avoid conflicts of interest or any appearance of impropriety.”
WITNESS INTERVIEW

On March 10, 2021, a sworn recorded interview of Instructional Specialist Bonnie Fox was conducted at a District training room in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Fox” as it relates to Allegation 8:

The OIG asked Fox if she shared her password with anyone so that other people could assist her. Fox said, “Different people have helped me.” Fox stated she is aware that she is prohibited from sharing her password. The OIG asked Fox if she is familiar with the District’s IT security training. Fox said that she is familiar with it and took it a few months ago.  

The OIG asked Fox who Jordan Peterson is. Fox stated, in response, that Peterson is a friend and she used to be a Reading Coach and Single School Culture Coordinator at Odyssey Middle. The OIG asked Fox if Peterson had changed her District password or if Peterson had access to her credentials. Fox stated that Peterson had access to Fox’s AOL account.

SUBJECT INTERVIEW

On March 2, 2021, a sworn recorded interview of Single School Culture Coordinator Jordan Peterson was conducted at Lantana Middle School in Lantana, FL. The following represents actual and paraphrased statements made by “Peterson” as it relates to Allegation 8:

Peterson said that she maintains a personal relationship with Fox.

Peterson said when they worked at Odyssey Middle, Fox shared her District password with her. Peterson noted that she would retrieve school data reports using Fox’s credentials.

The OIG asked Peterson if she reset Fox's District password or if Fox had asked her to change the password. Peterson initially said she did not think she had reset Fox’s password or that Fox had asked her to change Fox’s password.

The OIG presented Peterson with an email exchange that took place in January 2020, between her and Fox related to Peterson resetting Fox’s password. Subsequently, Peterson admitted that she had changed Fox’s password. Peterson noted that she never changed Fox’s password without her knowledge or a request from Fox.

52 District training records reflect that someone utilizing Fox's credentials completed the training on November 23, 2020.
RECORDS ANALYSIS

As discussed in Allegation 4, Fox provided her District credentials to Peterson and asked her to change her password. Table 1, referenced in Allegation 4, disclosed five emails establishing that Peterson used Fox’s credentials to change Fox’s password during January 2019 through January 2020.

District training records reflect that Peterson completed the “Annual HR Policies (FY20)” training on December 10, 2019. Included in this training is a presentation on School District policy 3.02 – Code of Ethics. As part of the training employees must complete an acknowledgement of the Code of Ethics. Additionally, Peterson completed “District Wide Compliance Training: IT Security Awareness and Acknowledgement (FY21)” on November 3, 2020.

CONCLUSION

It is alleged that Single School Culture Coordinator Jordan Peterson knowingly violated School Board Policies 1.013, 2.501, and 3.02, and the District’s Information Technology User Standards and Guidelines Manual by changing Fox’s District confidential password, at her request, on more than one occasion.
Based on the testimony obtained and the records reviewed, the OIG determined that the allegation that Single School Culture Coordinator Jordan Peterson knowingly violated School Board Policies 1.013, 2.501, and 3.02, and the District’s Information Technology User Standards and Guidelines Manual by changing Fox’s District confidential password, at her request, on more than one occasion was **Substantiated**.

### ALLEGATION 9

It is alleged that Charter Schools Director Joe DePasquale knowingly violated School Board Policies 1.013, 2.501, 3.02, and 3.10, the District’s Information Technology User Standards and Guidelines Manual by providing his District confidential password on more than one occasion to his administrative assistants.

School Board Policy 1.013 Responsibilities of School District Personnel and Staff states,

1. **District Administrative Staff**

   a. “The district administrative staff shall be responsible for the efficient planning and administration of all supporting educational services such as maintenance, transportation, school lunch, personnel, purchasing, federal programs, payroll and other responsibilities as directed by the superintendent. The district administrative staff is also responsible for insuring that the appropriate district policies, state board of education rules, state laws, and federal laws and rules are adhered to.”

School Board Policy 2.501.2.a.iii Information Security – Access Control Policy states that “IT shall utilize appropriate information system controls to enforce the password standards defined in the IT User Standards and Guidelines Manual, which is incorporated herein by reference as part of this Policy…”

The District’s Information Technology User Standards and Guidelines Manual, as referenced in School Board Policy 2.501.2.a.iii., states:

2.2. **User Responsibilities** - “Every information resource user must comply with all information security related policies, standards and procedures.”

7.2 **Password Confidentiality** - “Unless otherwise authorized by School Board Policy, passwords must never be shared or revealed to anyone else besides the authorized user. To do so exposes the authorized user’s responsibility for actions that the other party takes with the password.”

“User accounts shall not be utilized by anyone but the individuals to whom they have been issued. Users shall not allow their user accounts to be used by others.”
School Board Policy 3.02 Code of Ethics – Purpose and Authority states, in relevant part,

1. “The School Board of Palm Beach County (Board) believes it is imperative that public officials and public employees act in the highest ethical manner and preserve the public trust.”

4. Accountability and Compliance

Each employee agrees and pledges to:

   a. “To provide the best example possible; striving to demonstrate excellence, integrity and responsibility in the workplace...”

   g. “To avoid conflicts of interest or any appearance of impropriety.”

   h. “To cooperate with others to protect and advance the District and its students.”

School Board Policy 3.10.6 Conditions of Employment with the District states, “The District requires its employees to carry out their responsibilities in accordance to School Board Policy 1.013 (as may be amended), their job descriptions and reasonable directives from their supervisors that do not pose an immediate serious hazard to health and safety or clearly violate established law or policy.”

WITNESS INTERVIEW

On February 18, 2021, a sworn recorded interview of Charter Schools Administrative Assistant Yaritza Dominguez was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Dominguez” as it relates to Allegation 9:

Dominguez stated her payroll responsibilities were to process payroll in PeopleSoft by inputting any TDE’s she received once they have been approved by DePasquale. Dominguez said that as part of processing payroll, she only inputs TDE’s. If an employee did not submit a TDE, there is no action on her part. Dominguez said she was not aware if DePasquale performed any action once she had processed the applicable TDE’s. Dominguez stated that she does not approve payroll.

The OIG asked Dominguez if DePasquale had provided his District password to her so that she could approval payroll. Dominguez responded that DePasquale had not provided his password to approve payroll. The OIG asked Dominguez if she had DePasquale’s District password. Dominguez stated, “I don’t have it.”
SUBJECT INTERVIEW

On February 1, 2021, March 12, 2021, and March 25, 2021, sworn recorded interviews of Director of Charter Schools Joe DePasquale were conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “DePasquale” as it relates to Allegation 9:

During his February 1, 2021 interview, DePasquale stated Dominguez was responsible for processing and approving payroll for Charter Schools in PeopleSoft. DePasquale noted that it is a standard practice to have secretaries approve payroll. Investigator’s note: Section G of the District’s Payroll and Time & Labor Training Manual states, the District requires all time to be approved. Time is approved by Principals and/or Directors.

During his March 12 and 25, 2021 interviews, DePasquale admitted he provided Dominguez with his District password when she started working in Charter Schools. DePasquale said he provided his password because he was under the impression that she would be approving payroll. DePasquale explained that in March 2021, he had a conversation with Dominguez regarding the approval of the department’s payroll. Dominguez told him that she was not approving payroll. Dominguez noted he gave her his password once to retrieve a report, but the password did not work.

DePasquale said he has updated his password several times since Dominguez started and he has not shared the updated passwords with her.

DePasquale said he completed the District’s IT security training. DePasquale acknowledged the District’s policy and training related to IT security prohibit the sharing of passwords.

The OIG asked DePasquale why he thought it was acceptable to provide his password to Dominguez. DePasquale stated, it has been a “practice my colleagues have used for years in this District.” DePasquale stated, “People give their passwords to their secretaries.”

CONCLUSION

It is alleged that Charter Schools Director Joe DePasquale knowingly violated School Board Policies 1.013, 2.501, 3.02, and 3.10, and the District’s Information Technology User Standards and Guidelines Manual by providing his District confidential password on one more than one occasion to his administrative assistants.

DePasquale was forthcoming regarding providing his password to Dominguez when she started working in Charter Schools. DePasquale was under the impression that...
Dominguez was approving the department’s payroll. Payroll records indicate the Charter Schools Department’s payroll has not been approved since June 25, 2020. The OIG did not find documentation to show that Dominguez possessed or used DePasquale’s credentials. During her interview, Dominguez was not aware of the payroll approval function. Further information regarding the department’s payroll approval process will be discussed in Allegation 10.

The District’s Information Technology User Standards and Guidelines Manual notes that employees must change their passwords at least once every 90 days. Employees receive email notices periodically regarding the expiration of their passwords.

DePasquale noted that password sharing with secretaries is practice he and his District colleagues engaged in for years. DePasquale's apparent rationalization that he followed a practice established by his colleagues does not justify him overriding District Policies and procedures.

District training records reflect that DePasquale completed the “Annual HR Policies (FY20)” training on October 11, 2020. Included in this training is a presentation on School District policy 3.02 – Code of Ethics. As part of the training employees must complete an acknowledgement of the Code of Ethics.

Based on DePasquale’s testimony, Joe DePasquale admitted to knowingly violating School Board Policies 1.013, 2.501, 3.02, and 3.10, and the District’s Information Technology User Standards and Guidelines Manual by providing his District confidential password on more than one occasion to his Administrative Assistants. The allegation was Substantiated.

ALLEGATION 10

It is alleged that Charter Schools Director Joe DePasquale knowingly violated School Board Policies 1.013 and 3.10, and the Payroll and Time & Labor Training Manual by not approving the Charter Schools payroll in PeopleSoft, as required by District procedures.

School Board Policy 1.013 Responsibilities of School District Personnel and Staff states,

1. District Administrative Staff

   a. “The district administrative staff shall be responsible for the efficient planning and administration of all supporting educational services such as maintenance, transportation, school lunch, personnel, purchasing, federal programs, payroll and other responsibilities as directed by the superintendent. The district administrative staff is also responsible for insuring that the appropriate district policies,

state board of education rules, state laws, and federal laws and rules are adhered to.”

School Board Policy 3.10.6 Conditions of Employment with the District states, “The District requires its employees to carry out their responsibilities in accordance to School Board Policy 1.013 (as may be amended), their job descriptions and reasonable directives from their supervisors that do not pose an immediate serious hazard to health and safety or clearly violate established law or policy.”

Section G of the District’s Payroll and Time & Labor Training Manual states:

The District requires all time to be approved. Time is approved by Principals and/or Directors. If the cutoff time is missed for approving time, then the District will institute another means for approval. Once the payroll processing for the period is complete, Principals and/or Directors who were unable to meet the cutoff time will be able and will be required to complete the Post Approval Process.

**WITNESS INTERVIEW**

On February 18, 2021, a sworn recorded interview of Charter Schools Administrative Assistant Yaritza Dominguez was conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “Dominguez” as it relates to Allegation 10:

Dominguez stated her payroll responsibilities were to process payroll in PeopleSoft by inputting any TDE’s she received once they were approved by DePasquale. Dominguez said that, as part of processing payroll, she only inputs TDE’s. If an employee did not submit a TDE, there was no action on her part. Dominguez said she was not aware if DePasquale performed any action once she had processed the applicable TDE’s. Dominguez stated that she does not approve payroll.

The OIG asked Dominguez if DePasquale had provided his District password to her so that she could approval payroll. Dominguez responded that DePasquale has not provided his password to approve payroll. The OIG asked Dominguez if she had DePasquale’s District password. Dominguez stated, “I don’t have it.”

**SUBJECT INTERVIEW**

On February 1, 2021, and March 12, 2021, sworn recorded interviews of Director of Charter Schools Joe DePasquale were conducted at the Office of Inspector General in West Palm Beach, FL. The following represents actual and paraphrased statements made by “DePasquale” as it relates to Allegation 10:
During his February 1, 2021 interview, DePasquale stated Dominguez was responsible for processing and approving payroll for the Charter Schools in PeopleSoft. DePasquale noted it was a standard practice to have secretaries approve payroll.

On March 12, 2021, DePasquale met with the OIG to amend his February 1, 2021, sworn statement, specifically regarding payroll. DePasquale said that since his initial statement, he received a Department - Financial Accounting Current Tasks (D-FACT) report from Chief Financial Officer Michael Burke. DePasquale stated that on March 1, 2021, he called Dominguez to discuss the unapproved records reflected in the D-FACT. DePasquale explained that he thought Dominguez was approving payroll. DePasquale said that Dominguez informed him that she was not approving payroll.

DePasquale stated he is not “religious” about reviewing the D-FACT reports because Charter Schools is “so small”.

DePasquale stated he assumed Dominguez had been approving payroll since she started. DePasquale attributed the payroll approval issue to a “miscommunication” between he and Dominguez. DePasquale reiterated it was a standard practice to have secretaries approve payroll. DePasquale added, “it doesn’t make it right, but it’s a common practice.” DePasquale acknowledged that was his responsibility as a Director to approve payroll.

DePasquale stated he still had not approved the department’s payroll. DePasquale explained he did not feel comfortable approving the department’s payroll records until the OIG investigation was completed. DePasquale noted he advised Assistant Superintendent of Choice and Innovation Jay Boggess that he would not approve payroll until the OIG investigation was completed.

The OIG asked DePasquale if he had received calls from the Payroll Department or if Dominguez and he had discussed payroll approval during his time in the Charter Schools Department. DePasquale said he did not recall receiving a call from the Payroll Department or from Dominguez.

DePasquale said he had not completed the District’s payroll training. The OIG explained to DePasquale records reflected he completed the training in 2018. DePasquale acknowledged that maybe he did complete it, did not remember.56

**RECORDS ANALYSIS**

**Exhibit 26: Email dated June 16, 2020, from DePasquale to Dominguez**

**Exhibit 27: June 2020 D-FACT for Charter Schools**

**Exhibit 28: Email exchange dated June 25, 2020, between DePasquale and Dominguez**

---

56 PeopleSoft training records reflect that DePasquale completed Payroll & Time Keeping Processes for Principals and District Administration on March 26, 2018.
Chief Financial Officer Michael Burke notifies all District Department heads via email when the D-FACT reports are available. The report is stored in PeopleSoft in each department’s budget folder. The emails note that the report provides a snapshot of important financial metrics concerning each department. The D-FACT report currently includes information related to payroll, asset management, accounts payable, and accounting related training that needs to be completed.

DePasquale’s email records show that during 2020, emails related to the D-FACT report were sent monthly between February and June 2020, and again in December 2020. The records revealed on June 16, 2020, DePasquale sent the June 2020 notification email to Dominguez and stated “Look into this please. I do not think we should have any issues.” (Exhibit 26) On June 25, 2020, Financial Accounting Specialist Steven Slaman emailed DePasquale the June D-FACT report for Charter Schools. (Exhibit 27) The same day, Dominguez emailed DePasquale and reported there were “unapproved Payroll Records.” The June D-FACT report showed that there were 409 unapproved payroll records as of June 11, 2020. Dominguez wrote, “I try (sic) doing it myself but it has to be done by the Director.” That same day, DePasquale replied to Dominguez, “Done.” (Exhibit 28) District payroll records confirmed DePasquale approved the payroll records on June 25, 2020.

The OIG obtained the February 2021, D-FACT report for Charter Schools from the Accounting Department. The report revealed that as of February 15, 2021, there are 921 unapproved payroll records.

The Payroll & Time Keeping Processes for Principals and District Administration training states, in part,

- “as the administrator responsible for your school’s or department’s budget and staff, accountability resides with you.”

- "It is a requirement of the District that all time be approved."

- “Only Principals and department heads have security to approve payroll records…”

- “Payroll/Time should be approved each pay period;”

- “Principals and department heads will access PeopleSoft Manager Self Service to perform the approval process.”

- “If records are not approved timely, the District approves all records centrally for payroll processing on your behalf. However, Principals and department heads must acknowledge these records using the post time approval process.”
The Payroll & Time Keeping Processes for Principals and District Administration training provides specific instructions for approving payroll. As part of those instructions, it reflects the following image demonstrating the “Approve” icon.

![Approve Icon Image]

As demonstrated in the above image, as part of approving payroll, principals/department heads certify that any federally funded grant positions worked 100% of the time on the grant activities, or if split funded, completed the monthly Personnel Activity Reports.

**CONCLUSION**

It is alleged that Charter Schools Director Joe DePasquale knowingly violated School Board Policies 1.013 and 3.10, and the Payroll and Time & Labor Training Manual by not approving the Charter Schools payroll in PeopleSoft, as required by District procedures.

The District has internal controls and separation of duties in place to minimize risk. As noted in Allegation 1, had DePasquale approved payroll as required, the issue with Fox would have been identified much earlier.

DePasquale assumed Dominguez was approving the Department’s payroll, even though he stated he was aware that he was responsible for approving payroll. Although during his interview, DePasquale said he did not recall receiving information from the Payroll Department or Dominguez regarding the department’s payroll, a June 2020, email exchange between DePasquale and Dominguez took place regarding approving the Department’s payroll. The email reflected that Dominguez notified DePasquale that the payroll approvals had to be completed “by the Director.” As the Director, this communication should have alerted DePasquale about his role in the department’s payroll approval process.

Based on the testimony obtained and the records reviewed, the OIG determined that the allegation that Joe DePasquale knowingly violated School Board Policy 1.013 and 3.10, and the Payroll and Time & Labor Training Manual by not approving the Charter Schools payroll in PeopleSoft, as required by District procedures was **Substantiated.**
The evidentiary standard used by the School District of Palm Beach County OIG in determining whether the facts and claims asserted in the complaint were proven or disproven is based upon the preponderance of the evidence. Preponderance of the evidence is contrasted with “beyond a reasonable doubt,” which is the more severe test required to convict a criminal and “clear and convincing evidence,” a standard describing proof of a matter established to be substantially more likely than not to be true. OIG investigative findings classified as “substantiated” means there was sufficient evidence to justify a reasonable conclusion that the actions occurred and there was a violation of law, policy, rule, or contract to support the allegation. Investigative findings classified as “unfounded” means sufficient evidence to justify a reasonable conclusion that the actions did not occur and there was no violation of law, policy, rule, or contract to substantiate the allegation. Investigative findings classified as “unsubstantiated” means there was insufficient evidence to justify a reasonable conclusion that the actions did or did not occur and a violation of law, policy, rule, or contract to support the allegation could not be proven or disproven.

Hi, Joe.

After Leadership's review of school-level data, there has been a shift in Title I initiatives to increase support to the District's School Improvement (formerly DA) schools. Each of the School Improvement schools will now receive dedicated support from a specialist level position. The position held by Bonnie Fox will be included as part of this initiative to support Glades Academy. Ms. Fox's work should be concentrated in supporting Glades Academy as they work to exit School Improvement Status.

Please let me know if you have questions or concerns.

Thank you.
Nicole

If you are a Title school and would like Bonnie’s assistance please contact me directly with specifics and we will see if Bonnie is able to assist.

2. Please be certain to keep up with all safety benchmarks and other safety requirements and mandates involving school safety. All schools should have uploaded their amended security contract and attestation letter for child abuse and neglect training by now. Remember 1 code red and 1 fire drill is due each month. Please be certain you are utilizing SESIR and FortifyFI at your schools. Please be reminded of your responsibility to register for CSTAG Threat Assessment Training and upload completion certificates in charter tools by the end of May. New for 2021-2022 is Alyssa’s Law. I recommend you read through the law and plan to be in compliance for the coming school year.

3. Annual reviews: the staff is currently reviewing your documents and I have directed them for any element marked DNM to immediately notify the school so you have ample time to correct.
4. Work Authorization Process: form 2177 must be completed in its entirety or it will not be signed off by the charter office. No one is permitted to begin work at your schools until this process is complete and the charter office has signed off. **Fingerprints are good for 5 years.** Anyone, including board members, must submit for a new background check every 5 years. The administration of each school is responsible for ensuring all teachers and staff are in compliance. **Background checks must be done in PBC.**

**ESE**

1. Please remind your 504/SBT/ESE team of the importance of attending trainings/meetings such as the Regional Collaborative Meetings, SBT meetings/trainings, etc.
2. Please have all ESE service providers on your campus including therapists and ESE teachers, complete the Progress Track training for EdPlan in eLearning.
3. All required members of IEP/Child Study Teams must be in attendance at the meeting. They cannot sign forms after the fact.
4. Truancy procedures outlined in your charter must be followed, including documentation of follow-up for truancy, and attendance data in SIS should match data in the school's internal system.

**Student Discipline in Virtual Setting**

1. A link was sent out by Dr. Lockhart previously. Please contact him directly with questions.

**Truancy Update**

1. Melissa Matthews recorded a podcast that was already provided to all principals.

**Summer School**

1. HO already provided.

**Date Sensitive Documents in Charter Tools**

1. Dr. Carvelli wanted to remind you to be certain you are up to date with all **health inspections, insurance renewals and fire inspections.**

**Third Grade Good Cause**
A link to the recorded "Portfolio Contact meeting" will be sent to Elementary Charter Principals next week along with the necessary resources.

Please share this information with your designated "Portfolio Contact" who may then use the information to train third grade teachers about the process.

Please contact Karla Branch at karla.branch@palmbeachschools.org with any questions pertaining to Third Grade Good Cause.

If you have any questions please feel free to email or call the individuals connected to the information above.

I would like to again apologize for this morning's cancellation. I am certain you all understand that some of the information shared during these meetings is sensitive and meant only for the school principal. Of course it is your prerogative of who you decide to share it with at your school. Google meetings are a whole lot different than a face to face meeting as you know. It is critical that the charter office knows who is on these calls and what role they play at the school. I am sure you agree that when 10-15 names appear on our invite list five minutes prior to the meeting beginning, and we have no idea who these people are, it is a cause for concern.

It has always been the practice of the charter office to limit the attendance to principals only but to also allow other individuals once requested by the school principal and approved by the director; my predecessor followed this protocol as well. This protocol was in effect when we were conducting face to face meetings as well. I very much doubt that any principal in the age of on-line meetings would conduct one without knowing who was on the other end.

I hope this helps you to understand my rationale for this morning's cancellation. The charter office will continue to adhere to our Core Principles:

Maintain High Standards
Uphold Charter School Autonomy
Protect Student and Public Interests

Thank you

Personnel Agenda for July 22, 2020

Mark Mitchell, Director, Compensation and Employee Info Services

FINANCIAL IMPACT:
The financial impact to the School District is absorbed within school, department, and grant budgets. Changes in employment status occur on a continual basis with little or no budgetary impact since terminations/leaves result in budgeted positions being vacant and appointments/promotions result in budgeted positions being filled. However, the net financial impact for the attached list of 12,264 transactions is -7,590,115 and is inclusive of the processing of salary increases as approved by the Board for SEIU Florida Public Services Union on March 18, 2020 and Palm Beach County Police Benevolent Association (PBA) approved by the board on June 17, 2020. Detailed information is on file in the Department of Compensation and Employee Information Services.

Strategic Themes (choose all that apply):
- 1. Effective and relevant instruction to meet the needs of all students.
- 2. Positive and Supportive School Climate
- 3. Talent Development
- 4. High-Performance Culture

Long-Term Outcomes (choose all that apply):
- 1. Increase reading on grade level by 3rd grade.
- 2. Ensure high school readiness.
- 3. Increase the high school graduation rate.
- 4. Foster Post-graduate success.
base pay adjustment for Assistant Principals would only apply when assigned to NBU non-school-based positions on the Staff Schedule lower than pay level 2.

3. Confidential employees on multi-year contracts that are involuntarily reassigned shall maintain their pay rate until the expiration of their contract. At the expiration of the contract, their base pay shall remain intact unless their base pay exceeds the maximum of the lower pay level, in which case, their pay rate shall be adjusted to the maximum of the range for that level.

4. When NBU employees are involuntarily reassigned to a position assigned to a lower pay level, their base pay shall remain intact for the balance of the current fiscal year. At the beginning of the next fiscal year, their base pay shall remain intact unless their base pay exceeds the maximum of the lower pay level, in which case, their pay rate shall be adjusted to the maximum of the range for that level.

B. Voluntary Reassignments/Transfers

1. When a Principal or Assistant Principal voluntarily requests reassignment to a school with a different complexity level, their complexity supplement will be adjusted to the level for the new school, effective the first day of the pay period following the transfer/reassignment.

2. When all other NBU employees request a voluntary transfer/reassignment to a position assigned to a lower pay level, their current base pay shall be reduced by 5% effective the date of the reassignment. If their adjusted base pay exceeds the maximum of the lower pay level, the pay rate shall be adjusted to the maximum for that pay level effective the date of the reassignment.

III. New Hires/Former Employees/Retirees

A. New hires with non-District experience may be considered for advanced placement on the NBU Schedule. For each year of identical or nearly identical job experience, new employees may be granted one percent (1%) of the pay range minimum toward pay range advancement.

B. No one hired from outside the District shall be paid more than the highest paid employee in the same job, or in the case of a one-of-a-kind job, at the same level within the appropriate department/division, unless specifically authorized in writing by the Superintendent.

C. Former employees are not guaranteed their prior rate of pay. For each year of identical or nearly identical District work experience, former employees may be granted two percent (2%) of the pay range minimum toward pay range advancement, on an equitable basis in comparison to existing District employees, on the pay level for the position to which they return. Former employees may also qualify for pay advancement as described above in Section III-A.
I. Promotions/Placements for Current District Employees

A. For the purpose of these guidelines, a promotion is defined as an appointment to a position assigned to a higher pay level. Promotional increases for Principals would only apply when appointed to NBU positions assigned to Staff Schedule pay level 11* and higher. Similarly, promotional increases for Assistant Principals would only apply when appointed to NBU positions assigned to Staff Schedule pay level 4* and higher.

B. Supplements will not be considered part of the base pay when adjudicating promotional increases. This applies to those employees moving from a bargaining unit position to an NBU position, as well as employees moving from one NBU position to another.

C. When an NBU promotion is effective July 1st, the promotional increase shall be based on the new fiscal year base rate.

D. NBU employees promoted to another position compensated on the NBU Schedule shall receive a 5% increase to their current base pay OR will be placed at the minimum of the new pay level, whichever is greater.

E. Existing District employees being promoted into non-school-based, District Staff positions shall be placed at the minimum of the new salary level or will receive a 5% increase in base salary, whichever is greater. For purposes of this calculation, the 5% adjustment is based on the employee’s current base salary only with no upward adjustment to be made for any differences in duty days that may exist between the employee’s current position and the promotional NBU assignment.

II. Reassignments for Current District Employees

A. Involuntary Reassignments/Transfers

1. When a Principal or Assistant Principal is involuntarily reassigned to a school that is assigned a lower complexity factor, the complexity supplement will be adjusted effective January 1st of the fiscal year. If the complexity factor for the new assignment is higher, the complexity supplement will be adjusted effective the date of reassignment.

2. When a Principal or Assistant Principal who holds a multi-year contract is involuntarily reassigned to an NBU position (non-school-based), their base pay shall not be adjusted during the remainder of the fiscal year. However, the authorization for their complexity supplement will be rescinded effective the first day of the pay period following the involuntary reassignment. Effective July 1st of the subsequent fiscal year, the base pay for the employee’s reassigned non-school-based position will be adjusted pursuant to the appropriate compensation schedule and pay level for the new position. If their pay exceeds the maximum of the lower pay level, their pay rate shall be adjusted to the maximum of the range for that level. For the purpose of these guidelines, the base pay adjustment for Principals would only apply when assigned to NBU non-school-based positions on the Staff Schedule lower than pay level 8*. Similarly, the
D. Retirees, other than teachers, are not eligible for rehire until they have been retired for a length of time in accordance by Florida State Statute and Florida Retirement System (FRS) guidelines. Employees who retire from service with the District (including those who terminate from DROP) and are rehired shall be placed at the minimum of the pay level for the position to which they return.

E. New and former employees are ineligible for performance based pay advancement during their probationary period of employment. After completing their probationary period, they shall be eligible for the same performance based pay advancement as all other regular employees within their assigned employee group.

IV. Requests for exceptions to these compensation guidelines must be justified in writing and authorized by signature from the Superintendent of Schools.

*Please note that these pay levels may be changed should new schedules be adopted at a later date.

We will have brief, weekly meetings to catch up and share information. Please be sure you are available at those times (TBD). Hope all is well with you. If you choose to take annual leave during spring break, please let me know.

Principals,

Please share this with your Teachers and Staff.
Since turning on Google Meet for students, we learned that video conference rooms created in Google Calendar invites do not close. This means students can jump back into Google Meet sessions after a teacher has left it and communicate without supervision.

Google is rapidly making changes to improve a teacher’s control over their Google Meet sessions. One change allows teachers to block students from re-entering Google Meets. Follow these steps to block students from re-entering Google Meets.

Additional updates, information, and resources can be found on the Educational Technology Training Team Google Meet page.

**Best-practices around using Google Meet with students:**

- Randomly check into your nicknamed Google Meets, and let your students know that you will be checking it often.

- Do not post your Google Meet nicknames on social media.

- If you are ever asked, within Google Meet, for anyone to join that you don’t know or shouldn’t be in your class, Do NOT allow them in.

- Share expectations with all students and parents on how to behave within a Google Meet. This should include muting when not talking, turn-taking, staying attentive, and how to ask questions in the chat box. Here is a student etiquette guide to help.

- Follow-up with parents and/or your administration if students are being disruptive. Students MUST still follow our code of conduct.

- Install the “Google Meet Grid View” Chrome Extension to enable the “Brady Bunch” view (please note this is a third-party extension and is not part of Google).

We continue to work with the Google Development Team and will provide updates on future improvements to teacher control of the Google Meet platform.

Principals,

Please share this with your Teachers and Staff.

Since turning on Google Meet for students, we learned that video conference rooms created in Google Calendar invites do not close. This means students can jump back into Google Meet sessions after a teacher has left it and communicate without supervision.
Google is rapidly making changes to improve a teacher’s control over their Google Meet sessions. One change allows teachers to block students from re-entering Google Meets. Follow these steps to block students from re-entering Google Meets.

Additional updates, information, and resources can be found on the Educational Technology Training Team Google Meet page.

**Best-practices around using Google Meet with students:**
- Randomly check into your nicknamed Google Meets, and let your students know that you will be checking it often.
- Do not post your Google Meet nicknames on social media.
- If you are ever asked, within Google Meet, for anyone to join that you don’t know or shouldn’t be in your class, Do NOT allow them in.
- Share expectations with all students and parents on how to behave within a Google Meet. This should include muting when not talking, turn-taking, staying attentive, and how to ask questions in the chat box. Here is a student etiquette guide to help.
- Follow-up with parents and/or your administration if students are being disruptive. Students MUST still follow our code of conduct.
- Install the “Google Meet Grid View” Chrome Extension to enable the “Brady Bunch” view (please note this is a third-party extension and is not part of Google).

We continue to work with the Google Development Team and will provide updates on future improvements to teacher control of the Google Meet platform.

It is just a confirming PO that has already been pre-approved by David Dolan.

Hi Bonnie,
We originally put this order in as an express PO toward the end of last fiscal year utilizing funding with School # 2601. David Dolan originally approved this order. This site has been empty for about 2 years. South Tech moved into this location so we had to purchase equipment using the funding strip provided by the project manager (Angel Garcia). This funding source is 2601-3904-7410-563100-7600-CA02-000-SDPBC-26017100-40061; Sales tax dollars.

Unfortunately this PO did not roll properly so I am having to enter a confirming PO to pay for the items that we have already received originally on PO# 2020033950. I am not sure why you are listed as the approver. Are you still the approver for this school # 2601?

Response OIG: I vehemently reject the allegation that I violated School Board Policy 3.02.

Finding- Page 2

The OIG alleges a violation of School Board Policy 3.02 by not Making Ethical Decisions (failure to use good judgment) regarding Fox’s transfer/reassignments to School Transformation and Charter Schools.

This finding is factually inaccurate. I wholeheartedly disagree with this allegation. Below please find supporting evidence that must be pursued by the OIG:

1. Page 6- Background

Omitted from this document is the fact that Bonnie Fox was transferred to the Department of Transformation to support Lake Shore Middle School. Lake Shore Middle School was a double “D” school. Per the Florida Department of Education and State Statute, "a Principal change must occur if a school becomes a single “F” or double “D.”

This occurred at both Gladeview and Lake Shore Middle when school grades were released in June 2018. As the principal was less than a year at the school, the FDOE will allow the principal to stay if a mentor principal with a proven academic track record is provided. This was the case at Lake Shore Middle. Ms. Fox’s record of academic achievement is provided in this response. Information on Fox’s performance was provided to the FDOE Regional Executive Director, Gayle Sitter, who had to approve Fox’s academic track record (in order to become a
mentor). She needed to examine whether that would meet the standard as applied by the FDOE to keep the current principal in place.

Gayle Sitter supported the recommendation of Fox becoming the mentor principal for Lake Shore Middle. Subsequently, the school did become a "C" school and was removed from the Differentiated Accountability rules of needing a mentor principal.

It is important to note, that the Assistant Superintendent of Transformation who oversees this process was fully aware of this provision and of this recommendation, contrary to the statement provided in this report. (Please see substantiating documents.) The job description of the Assistant Superintendent of Transformation is attached which clearly shows this position oversees and monitors all aspects of school Differentiated Accountability.

After grades came out in June/July of 2019 there was not a school principal opening that would be a good match for Fox’s placement. Until a vacancy came about, I placed Fox in three positions over the course of the year where 1) two principals were on extended leave and 2) where a principal had a serious medical condition.

In mid March of 2020, COVID shut down the school district. Throughout our school district, employees from custodians to the central office were working from home. During this time, many new regulations were swiftly established just to adapt to this unprecedented environment and unusual working conditions.

The financial situation of the State of Florida also became a great concern. With revenue dropping quickly, the School District began preparing for budget cuts at the central office. The Superintendent and CFO requested that all departments look at budget reductions of 10-20% while trying to preserve the employment of individuals at the same time.

Another monumental concern at this time was student learning loss from a remote setting. In anticipation of this loss and while simultaneously balancing the
reductions of the central office, I looked for a way to shift employees with strong academic backgrounds into positions at the regional office to support schools. This practice is frequently done in our school district.

In addition, there were Title 1 dollars that would be rolling forward. I consulted with Nicole Smith about this and she said we could anticipate those funds and that it would be appropriate. If we provided this type of support for our district-operated schools, Nicole Smith also indicated that we would need to provide the same support for charter schools.

As we continued through the budget reduction process, a document was created by the Department of Budget to show all expenses and areas of reductions that would be recommended to move forward. For full transparency, and despite the indication that individuals were unaware of the Fox move, this document was shared with all direct reports of the superintendent, including, Chief of Staff, Chief of Finance, Chief of HR, Chief Academic Officer, and the Superintendent to monitor and track the recommendations. Additionally, weekly meetings occurred to discuss the recommendations with the Superintendent's direct reports. Fox was listed as a first priority reduction in this document which was discussed by many.

The position at hand was to go to a specialist to support Title One Charter schools in the same manner positions would support district-operated schools. If Fox did not agree with this recommendation, she would have been placed in 9920 where other reductions, but not non reappointed positions, were placed.

After conversations with Fox, she agreed to the demotion as indicated in her signature letter on the position. During this time, one of her questions was her salary. After contacting Mark Mitchell, he stated that practice has been a reduction of 5% and a loss of complexity pay. Contrary to a statement by Mark Mitchell, I never requested anything above what the practice has been for other employees. In all seriousness, why would I do that?

Once the decision was made to move forward with the budget reductions, the Superintendent tasked us all with affected employees to begin letting them know
of new or different locations. At the same time, this was occurring, the Assistant Superintendent of Transformation was retiring. I subsequently called the Director of Charter Schools regarding the placement of Fox and work responsibilities as indicated in my statement.

Also Omitted From The Background Information:

Once I was made aware of Fox's non-reporting concerns, I requested an investigation through the Office of Professional Standards, Vicki Evans-Pare. Therefore, an investigation was opened by their office upon my request.

2. Page 8 Timeline

The timeline incorrectly indicates that Bonnie Fox was reporting to me. She was reporting to the Assistant Superintendent of Transformation. The Regional Superintendent who supervises Lake Shore also supported the daily responsibilities of Fox. I worked closely with them in my role over schools. Fox was a mentor principal working out of Lake Shore Middle School working closely with the Regional Office and the Assistant Superintendent of Transformation as required by Differentiated Accountability. The Office of Transformation oversees the Differentiated Accountability process and provides ongoing support to the process. "Reporting" used in the context of this report is inaccurate. Further, there is an email provided to the OIG in this response where Fox is thanking Terembe for her ongoing support and guidance dated August 31, 2018.

3. Page 33 Witness Interviews - Barbara Terembe

Witness statement by Barbara Terembe is filled with inaccurate and false information and what the OIG is basing their findings on.

The OIG should immediately contact Gayle Sitter on the Differentiated Accountability process and ask why Fox was placed as the mentor principal.
Gayle Sitter approved this placement so that the sitting principal at Lake Shore would not need to be replaced. Terembe's statement that she was unaware as to why Fox was placed is completely false. Again the supporting documentation is attached to this response.

Her other statements are also inaccurate with supporting evidence to prove. Documents have been provided to show the process for Turnaround as governed by the FDOE. Clearly, these documents show that a mentor principal must be assigned to a principal under one year in the role at a DD or F graded school. Terembe completed these documents. There was also a cabinet meeting on the process of turnaround and the plan that was presented on July 16, 2018. Everyone was fully aware of what was occurring. The agenda is also attached for the OIG to review with the supporting documentation. The plan is also provided showing required signatures.

I have provided a document that shows when there was a concern regarding TDE’s being submitted, I told Fox that she needed to submit her TDE’s. Terembe forwarded an email to me indicating that such had occurred. Terembe could have also documented any actions needed as outlined in the job description.

Terembe states that Fox was put in her budget for her to monitor her. That is false. Terembe was the Assistant Superintendent for Turnaround. Turnaround responsibilities were the Differentiated Accountability work of the district. Lake Shore was in Differentiated Accountability as stated previously. That is why Fox was placed in her budget. In addition, the job description of the Assistant Superintendent is attached confirming that this role oversees that work under Essential Functions—Oversees and monitors all requirements of Differentiated Accountability, including School Transformation and Turnaround.

Terembe stated that Fox was placed in her budget to support Title one middle schools. That was not the case as indicated above.

Terembe states that Fox was put in Transformation for budget reasons, again is inaccurate as it was under Differentiated Accountability. If Terembe was unaware
of what Fox was doing, she should have followed accordingly. However, there are documents attached showing Terembe managing the Differentiated Accountability work.

Terembe stated that the intention of the 20/21 budget was to transfer Fox to a principalship. There was not a school available or a match to make that happen at that time. Therefore and as stated previously, Fox agreed to use her skill to support student achievement with Title One schools in charter schools.

Terembe states when she was transferred to charter schools that she would be overpaid. Compensation handles their process and that was done according to past practice. I do not decide nor do I have the authority to decide to freeze someone's salary.

Not addressed in Terembe's statement was whether she followed up with Fox during the beginning of the Pandemic. That was a time when I was on leave dealing with the reoccurring illness and ultimately the death of my father whom I was his caretaker for the last 10 years. Those who know me, knew how hard this was on me as we were very close.

Page 35- Witness Interviews Joe DePasquale

DePasquale states that I did not ask him to contact Fox. That is inaccurate. I did tell him to contact her to develop a work schedule for her. We discussed her strengths in moving student achievement. He agreed and said no problem. DePasquale stated that I did not respond to Fox when she stated she was to stay under the radar. Again, this is inaccurate as you quote further in this report. I told them that when she did not hear from DePasquale, she should have reached out to me or someone. This was also heard and can be confirmed by Jay Boggess.

In addition, I never told DePasquale that would be getting back to him. I told him to contact me if he had any further questions.
Omitted from my statement when questioned regarding whether I followed up with Fox when all employees went to remote work is regarding the personal issue I was going through at the time. As discussed with the OIG, my Dad had passed away at the beginning of the pandemic and I was out of work going through my own grief after caring for my father for the last 10 years. In addition, I was out addressing other personal issues related to the death of my Dad. Upon return, I was addressing the numerous pressing issues at hand due to the Pandemic. One question I have for the OIG, was Terembe or any other district staff questioned if they followed up with Fox when they knew when I was out on leave dealing with the death of my father?

Page 43 Conclusion

OIG claims that when Fox was transferred to Transformation that he would provide direct supervision is completely false. The information provided in this response clearly shows Terembe statements to be false and inaccurate.

In addition, the OIG claims a "similar pattern". Again this is false proven by the fact that Terembe was well aware of the move of Fox. OIG also claims that when Oswald transferred Fox to charter that I circumvented the chain of command, which is also completely false. There were numerous meetings as indicated in this response where cabinet members knew of the changes. When the Superintendent gave the go ahead to move forward with the affected individuals, I followed the directive. With Terembe retiring, I called Joe DePasquale about the move. It also states there is no documentation. A document was provided to the OIG showing the internal budget reductions document created by the finance department showing Fox as a reduction. This was shared with all of the cabinet. Why is it not referenced in the report? Also, Is it my responsibility
to ensure that all staff follow up on their responsibility. Why is Fox's lack of action under my allegation? So when DePasquale failed to let Jay Boggess know of the transfer, that is my responsibility? I also never authorized the override of Fox's salary as claimed by the OIG. That is completely false. The OIG also claims that Boggess "indirectly acknowledged" that I made the statement "under the radar". What does that even mean? Does that mean that the OIG believes the statement of Boggess over Oswald? Does under the radar mean not do your job? And as mentioned earlier, when I was made aware of the situation, I requested an investigation from Professional Standards. This was also omitted from the OIG report. Does the OIG mean that the office of the Deputy Superintendent can never call or reach out to someone below his direct report? That is what is implied here. How is following the Superintendent's directive "poor judgement"? The School District was in the middle of the Pandemic and many moves were happening very quickly and for the OIG to call that poor judgement is inaccurate.

In conclusion, the preponderance of evidence provided clearly shows how this report is incomplete and contains falsehoods. In a meeting held at the OIG's office on June 11, 2021, it was indicated that the report was still draft and any new information would have to be followed up by the OIG and the report would be adjusted. When you look at the documents I provided you will see I operated with complete ethical decision-making and the best judgment at the time. I followed the State Statute in regards to school turnaround which is what I am responsible for doing. The Office of the Inspector General needs to follow up with the information provided to clarify this report. As it has been only one week with the report, I will follow up with any additional information to support the false claims. I wanted to give the additional information to the OIG quickly so that they can begin their follow up.
STATE BOARD OF EDUCATION
Action Item
October 25, 2018

SUBJECT: District Turnaround Option Plans for Schools Implementing Cycle 1, Year 1 in 2018-19

PROPOSED BOARD ACTION
Consideration of Cycle 1, Year 1 Turnaround Option Plans for Approval

AUTHORITY FOR STATE BOARD ACTION
Section 1008.33, Florida Statutes

EXECUTIVE SUMMARY
Florida's school improvement system, also known as Differentiated Accountability (DA), requires schools that earn a D or F grade complete a process for improved student performance. Any school earning a D or F grade immediately enters the DA system and is provided assistance of escalating intensity to schools not meeting accountability standards by the DA staff.

This action item is the turnaround option plans for 38 schools in 19 districts in their first year of implementation (2018-19). These schools earned at least two consecutive grades of D or a grade F and must immediately implement intervention and support strategies prescribed in s. 1088.33(3)(c), F.S.

Upon approval, the district will implement its turnaround option plan, all of which selected a district-managed turnaround, for two school years unless the school improves to a C grade or better in 2018-19. At the end of the two-year implementation period, those districts whose schools have not improved to a C grade or better, will present a new turnaround option plan to the state board for consideration. There were three districts who selected the reassignment/closure turnaround option.

District-Managed Turnaround Plan—Step 1 (TOP-1)

Purpose

The purpose of this document is to guide districts to plan for the implementation of a district-managed turnaround plan to improve the school’s grade to a “C” or higher. The district shall submit a Memorandum of Understanding (MOU) to the Department by September 1, pursuant to sections 1001.42(21) and 1008.33(4)(a), F.S.

Directions

Districts shall complete this Step 1 form for each school that is required to implement a district-managed turnaround plan. This completed form must be signed by the superintendent or authorized representative and emailed to BSI@fldoe.org, no later than September 1. The subject line of the email must include district name, school name and TOP-1.

School

In the box below, identify the name and MSID number of the school that will be supported through the district-managed turnaround plan.

Stakeholder Engagement

In the box below, describe the district’s efforts to engage and involve stakeholders, including the Community Assessment Team (CAT), to determine causes for low performance and make recommendations for school improvement. Include a list of names and affiliation of CAT members. The Regional Executive Director (RED) or their designee shall be a member of the CAT. Include a list of meetings that were held regarding the development of the district-managed turnaround plan, as well as scheduled meetings that will be held during implementation of the plan.

Names and affiliation of CAT members: Regional Executive Director; School Principal; Regional Superintendent; Instructional Superintendent; Deputy Superintendent; Chief, Performance Accountability; Provost, Palm Beach State College, Belle Glade Campus; Regional HR Partner; Glades Tri-Cities Education Committee Representative; Teacher from SAC; Parent from SAC; and, Community Business Representative. The membership of the CAT is representative of the demographics of the community from which they are appointed as a majority of the members live and/or work in the Glades area. Lake Shore Middle is also almost 100% minority; so, the CAT members are both racially and ethnically diverse.

Dates of CAT meetings (held and upcoming meetings): A meeting was held on June 27th with the Glades Tri-Cities Education Committee to discuss school grades and the DA process. CAT meetings will be held on the second Tuesday of the month, following Glades College and Career Readiness Roundtable meetings.
What school data was analyzed?
FSA results (including by Race, Gender, English Language Learner and Disability status); school grade components; student absenteeism (11+ days; 15+ days; 21+ days); student discipline (office referrals, in-school suspension, out-of-school suspension); teacher experience (0-3 years; 4-7 years; greater than 7 years); percent level 1/2 students w/teachers 0-3 years’ experience; teacher evaluation data; early warning indicator reports; and, School Effectiveness Questionnaire results.

Identified causes of low performance:
- Math Learning Gains decreased from 49% to 38%, a decrease of 11 percentage points;
- Math Achievement decreased from 36% to 28%, a decrease of 8 percentage points;
- ELA Learning Gains decreased from 44% to 38%, a decrease of 6 percentage points;
- ELA Achievement decreased from 27% to 25%, a decrease of 2 percentage points;
- Science Achievement decreased from 28% to 26%, a decrease of 2 percentage points;
- Social Studies Achievement decreased from 63% to 62%, a decrease of 1 percentage point;
- High percentages of level 1 and 2 students with teachers who have 0-3 years of experience (over 90 percent); and,
- High percentages of office discipline referrals

Recommendations for school improvement: Provide common planning time to ensure scope and sequence is followed; build instructional capacity of teachers through professional development, with a focus on teachers who have 0-3 years of experience; decrease office discipline referrals by enhancing Positive Behavior Interventions and Support; strengthen school leadership and support; and, increase differentiated instruction.

Other information: The District is using existing contractual language related to involuntary transfers to relocate identified teachers (i.e. Collective Bargaining Agreement Between the Palm Beach County Classroom Teachers Association and the School Board of Palm Beach County, Article IV - Vacancies, Transfers, UATs, Lay-Offs/Call-Backs and Employment Contracts, Section G - Involuntary Transfers).

District-Managed Turnaround Plan Assurances

The district must agree to ALL of the following assurances by checking the boxes below.

Assurance 1: District Capacity and Support

☒ The district shall ensure the district leadership team, which includes the superintendent and district leadership, has an integral role in school improvement. This team may include those in charge of curriculum, general and special education, student services, human resources, professional development and other areas relevant to school improvement. The district leadership team shall develop and implement the district-managed turnaround plan. The district shall dedicate a position to lead the turnaround effort at the district level. The selected employee shall report directly to the superintendent and support the principal.

☒ The district shall ensure that instructional programs align to Florida’s Standards for English Language Arts (ELA), mathematics, social studies and science. The district shall provide evidence that shows instructional programs to be effective with high-poverty, at-risk students and how these programs are different from the previous programs. The district shall demonstrate
District-Managed Turnaround Plan—Step 1 (TOP-1)

Florida’s Standards alignment across grade levels to improve background knowledge in social studies, science and the arts.

☒ The district shall prescribe and require progress monitoring assessments that are aligned to Florida’s Standards in ELA, mathematics, social studies and science for all students. The district shall ensure that its progress monitoring assessments are predictive of statewide assessment outcomes and provide valid data to support intervention and acceleration for students.

Assurance 2: School Capacity—Leaders and Educators

☒ The district shall ensure the school has effective leaders and educators capable of improving student achievement.

Leaders

☒ The district leadership team, in collaboration with the school, shall develop an annual professional development plan that provides ongoing tiered support to increase leadership and educator quality.

☒ The district shall ensure the principal and assistant principal have a successful record in leading a turnaround school and the qualifications to support the student population being served.

☒ The district shall ensure that the principal will be replaced, unless recommended for retention in collaboration with the Department, upon entry into district-managed turnaround based upon the individual’s turnaround record and degree of success, the length of time since turnaround success, the degree of similarity in the student populations and any other factor that would indicate the principal will have turnaround success with this school.

Educators

☒ The district shall ensure the review of practices in hiring, recruitment, retention and reassignment of instructional personnel have been reviewed with priority on student performance data.

☒ For districts with more than five schools, the district shall ensure that the percentage of instructional personnel assigned to a Differentiated Accountability (DA) school with a rating of either Unsatisfactory or Needs Improvement, based on the most recent three-year aggregated state Value-added Model (VAM), is less than the district average. For districts with five or fewer schools, the district shall ensure that the percentage of instructional personnel assigned to a DA school with either a rating of Unsatisfactory or Needs Improvement, based on the most recent three-year aggregated state VAM, is less than the state average.

☒ The district shall ensure the instructional personnel who do not have a state VAM rating and who do not show evidence of increasing student achievement are not rehired at the school.

☒ Pursuant to section 1012.2315(2)(a), F.S., the district must ensure that the percentage of temporarily certified instructional personnel, instructional personnel in need of improvement or out-of-field instructional personnel assigned to the school is not higher than the district average.
Required Documentation
The district must submit the following as part of the TOP-1: (check boxes)

☒ An MOU pursuant to section 1001.42(21), F.S. shall be emailed to BSI@fldoe.org no later than September 1. The subject line of the email must include: district name, school name, and MOU. If an MOU has not been approved by the district school board, provide a detailed status of negotiations.

☒ The district must submit instructional rosters for this school no later than September 1. The district will be notified of the submission process to ensure confidentiality and security of the requested information.

☒ The district must complete the table below by providing the number and percentage of instructional personnel in each of the state VAM rating categories for this school and the district based upon most recent three-year aggregated state VAM ratings (Highly Effective, Effective, Needs Improvement and Unsatisfactory).

Hi! Donna,

I hope everyone is doing well and staying safe and sane.

I am forwarding a document I'm assistant principal (sorry, but I will always proudly claim him) created for the faculty and staff at Lake Shore Middle School.

I am also attaching the memo I mentioned earlier. I am forwarding it to everyone as we embark on this distance learning. It's primarily a call and a procedural clarification of the expectations and procedures needed by everyone as we embark on this distance learning.

I believe it is a valuable tool and a procedural clarification of the expectations and procedures needed by everyone.

Best,

Greetings –

In my life, the most important life lessons have been realized only after experiencing challenging events and times. The silver lining from it, generally, is that these experiences serve to shape the person I am. And, in a twist of irony, these lessons often derive from lapses in judgment that are uncharacteristic of the person we are — who I am. Crucially, these only become meaningful life lessons when we are empowered to look forward and move ahead stronger.

This has been one of the most unbearably difficult periods of time for me and my loved ones.

It is clear to me in hindsight that I made an unfortunate and uncharacteristic error in judgment as I supported Ms. Fox with carrying out some of her technology-related work functions. This was not best practice and ultimately led to the allegations of policy violations in your findings report. None of my actions, however, were done with malicious intent. I suppose that I was *loyal to a fault* to a woman who devoted her life’s work to this District and gained the highest of respect from all who knew her, including me. She was my supervising principal and quickly became my greatest mentor and advocate. I only wanted to help Ms. Fox with tasks that she had never fully learned to do during her career.

I am deeply remorseful for my actions and realize the gravity of these violations as outlined in your findings report. I am hopeful that this will serve as a life lesson for me rather than the extinguishment of an honorable and successful leadership career defined by my integrity and dedication. There is so much more leadership left in me to inspire the students, teachers, and staff in our District.

Sincerely,

Shaun Schwartztrauber

OIG Draft Report Case No. 21-0009-I Response

I have always prided myself on my professionalism and integrity. My father, a former school district superintendent and my mother, a teacher for 30 years, instilled in me a code of conduct that has guided me throughout my professional years. By no means were the actions that led to the allegations done with malicious intent. Ms. Fox was my supervisor and mentor and I believed I was just helping her with a minimal task, due to her inability to do so, and only when asked. In hindsight, it was a lack of judgment and not best practice. It is clear now that I was too acquiescent to challenge someone I respected and reported to for over ten years. The allegations have left me embarrassed and remorseful and I am committed to being more aware of requests I receive and more vigilant of school district policies. I am a dedicated educator that is committed to serving the students and the community in Palm Beach County, as I have done for the past 17 years.

INVESTIGATOR VERONICA VALLECCILLO: This is an interview of Keith Oswald. This interview is being conducted by Investigator Veronica Vallecillo of Palm Beach County School District, Office of Inspector General, regarding OIG Case 210048C.

Also present in the room is director of investigations, Oscar Restrepo. Today's date is January 27th, 2021, and it is 2:30 p.m. This interview is being conducted at the Office of Inspector General.

If you could please state your full legal name.

KEITH OSWALD: Keith Richard Oswald.

INVESTIGATOR VERONICA VALLECCILLO: Please state your job title.

KEITH OSWALD: Deputy Superintendent, Chief of Schools.

INVESTIGATOR VERONICA VALLECCILLO: This is an audio recorded interview of Keith Oswald who has provided identification in the form of his employee ID.

At this time, Mr. Oswald, I would like to audio record this interview. Do I have your permission to record this interview?

KEITH OSWALD: Yes, you do.
INVESTIGATOR VERONICA VALLECILLO: Mr. Oswald,
you're being asked to provide information as part of
an official Palm Beach County School District Office
of Inspector General investigation.

This investigation involves allegations of
possible violations of Palm Beach County School
District policies and procedures, Florida
administrative codes, or violations of state or
federal laws. This investigation is being conducted
pursuant to Palm Beach County School District Policy
1.092.

This interview is voluntary. Are you willing to
participate in this interview?

KEITH OSWALD: Yes.

INVESTIGATOR VERONICA VALLECILLO: I'm a notary
public in the state of Florida and have the authority
to administer an oath and take a sworn statement.

Please raise your right hand. Do you solemnly
swear or affirm to tell the truth, the whole truth,
and nothing but the truth?

KEITH OSWALD: I do.

INVESTIGATOR VERONICA VALLECILLO: Thank you.

Please remember that failing to tell the truth while
under oath could constitute the crime of perjury.
Okay. So we'll go ahead and get started.
As mentioned, this is regarding the charter school department and one -- a district employee Bonnie Fox (phonetic).

So Joe, the director over there, I called him. We received a complaint regarding Bonnie Fox and allegations of possibly a payroll issue, so I called him to find out. And he seemed very apprehensive and immediately said that I needed to talk to you first, so why don't you tell us what's going on.

KEITH OSWALD: So as far as a payroll -- so what he told me -- well, anyway, Bonnie Fox -- so back in June or back this past summer, our district we took a -- we had to work on 10 percent department cuts.

INVESTIGATOR VERONICA VALLECILLO: Okay.

KEITH OSWALD: So across the board. So obviously we took some very deep dives in all the departments. And Bonnie at that time was working to provide support to schools. So after Odyssey closed, she was supporting Lake Shore Middle because it was a D school or a school at the time.

And in order to keep the current principal there, we -- and by the State, we had to have a principal with a proven track record of seeing achievement, mentor, and support, if we're going to keep Carl Gibbons, Dr. Gibbons, as principal.
So she took on that role. She continued to support and transition the following year. And then fast forward, pandemic --

INVESTIGATOR VERONICA VALLECILLO: What year was that?

KEITH OSWALD: So she was doing that role for two years, so up to this past summer.

INVESTIGATOR VERONICA VALLECILLO: Okay.

KEITH OSWALD: So it would have been '18, '19, '19, '20.

INVESTIGATOR VERONICA VALLECILLO: Uh-huh.

KEITH OSWALD: Yeah. So -- then so fast forward, go through the whole budget reductions, and that we had to do a 10 percent cut. So that was pretty roughly -- pretty steep.

INVESTIGATOR VERONICA VALLECILLO: Uh-huh.

KEITH OSWALD: So -- and looking at -- we looked at many different options of how to -- one of the things we wanted to do and with board direction is to preserve people's jobs.

So one of the things we looked at, we had saved dollars in Title I, and so working with the Nicole Smith and Title I, whatever we do to support our district operated schools, we have to also support charter school operated.
So talked to Bonnie Fox about supporting the charter -- Title I charter schools could -- and using Title I dollars to create a position where she could then go out and support those schools and mentoring and support like she's been doing for the others.

INVESTIGATOR VERONICA VALLECILLO: Okay.

KEITH OSWALD: There's currently Glades Academy, I think it is, that is a D school.

INVESTIGATOR VERONICA VALLECILLO: Uh-huh.

KEITH OSWALD: We have a few D schools that are operated ones. So the same support that we're providing for those schools, we would do for the others.

So she agreed to take a -- she was a principal on assignment. She agreed to take a -- to step down to a specialist and change her title to a specialist.

INVESTIGATOR VERONICA VALLECILLO: Okay.

KEITH OSWALD: Because I couldn't keep it as a principal on assignment. So I then call Joe Depasquale in June and say Bonnie -- I'm going to be putting Bonnie Fox to -- into your department to work with Title I schools.

So -- and, again, in the summer, we were all still on lockdown, so how that support would look -- anyway. I told him to reach out to Bonnie, talk to
him about what title schools you have and working, you
know, everything from what she was currently doing was
mentoring and supporting because of her background at
Odyssey, which had the highest ratings for learning
gains and literacy and math, and the support of what
she did at Lake Shore to come off the list of the
State provide -- you know, those types of supports.
Obviously, we weren't going into schools at that
time, but just to reach out and work on a plan of
supporting schools.

INVESTIGATOR VERONICA VALLECCILLO: Okay.
KEITH OSWALD: And -- and that's where -- so fast
forward, recently in the last two weeks, three
weeks -- two to three weeks -- probably two weeks, it
just came to my attention that Dr. Sheffield said --
and, you know, I had told her about that I was putting
money over there as part of our budget cuts to save
money because we were on the academic side of the
house.

And that somebody -- so either Joe or -- had a
conversation with Jay Boggess saying that -- so
they've been doing her payroll. So she was putting
her budget, and they called me about this and said
that then there's -- they said they didn't know why
Bonnie was in the budget.
I'm like, "What do you mean, they don't know why Bonnie's in the budget? What are you even talking about?"

So and I told Bonnie, I said, "Joe will be reaching out to you so that, you know, you guys can have a conversation." This was back in the summer.

And then, you know, fast forward, I just -- they said, you know, they hadn't been working on a plan.

And I'm like, "What are you talking about?" I said, "I gave Joe a directive in the summer to reach out to Bonnie and work on a plan."

So -- so when it was brought to my attention, I said, "Well, that's ridiculous. So we all need to sit down and figure out what the heck's going on."

So then last week -- so when I talked to Joe, I said, "Joe, if she's been on your payroll, and you're trying to tell me you don't know why she's there, you and I had a conversation." This is with Glenda and Jay Boggess.

And he goes, "Well, I was waiting for more directive and more" --

I'm like, "What more directive? I told you to call Bonnie and work out a plan" --

INVESTIGATOR VERONICA VALLECILLO: Now, did you do --
KEITH OSWALD: -- (undecipherable) support.

INVESTIGATOR VERONICA VALLECILLO: -- this in writing?

KEITH OSWALD: The --

INVESTIGATOR VERONICA VALLECILLO: Did you give him the directive, Joe? Did you give him the directive --

KEITH OSWALD: No. I called him --

INVESTIGATOR VERONICA VALLECILLO: -- in writing?

KEITH OSWALD: We were doing -- no. A lot of the budget cuts in the summer, we're making phone calls to different directors.

INVESTIGATOR VERONICA VALLECILLO: Right, right.

KEITH OSWALD: Some people we had to cut. Some people we accessed in the -- it was just a lot of --

INVESTIGATOR VERONICA VALLECILLO: But he's not denying that you did give him the directive? He's claiming that he was waiting for additional information?

KEITH OSWALD: Yeah, but I don't know -- I said, "What additional information were you waiting for?"

"Oh, I don't know. I was just -- you just" -- I said, "Okay. Joe, even if you're waiting for information, why didn't you pick up the phone or text me or call me? This is months."
INVESTIGATOR VERONICA VALLECILLO: Right.

KEITH OSWALD: And say --

INVESTIGATOR VERONICA VALLECILLO: We're talking about -- about six months?

OSCAR RESTREPO: Yeah.

KEITH OSWALD: So I said, "Why did -- why would you have not?"

And so then fast forward with Bonnie. I said, "Bonnie, if you didn't hear from anybody, why did you not call somebody? You used to be a principal. What -- what -- this is ridiculous." I said, "I've never -- this is absurd." So --

INVESTIGATOR VERONICA VALLECILLO: And what did she say?

KEITH OSWALD: She goes, "Oh, I was just -- I didn't know what I was supposed to do. I thought I should, but so worried about the COVID -- with COVID, and I was paranoid, and I did reach out," and said, "Well, I've got e-mails reaching out to charter schools. I've been e-mailing charter schools and trying to provide support. They're not responding back. So I've (indiscernible) support to Lake Shore Middle because they have a relationship. And you guys have been so busy and under so much stress."

So my -- okay. That's unacceptable.
INVESTIGATOR VERONICA VALLECILLO: And when did she tell you this?

KEITH OSWALD: This is last week.

INVESTIGATOR VERONICA VALLECILLO: Okay.

KEITH OSWALD: When we met. So -- so fast forward. I'm working -- so at this point, I'm going to work on memorandums of incidents to both of them to -- to document that both of them had made some serious mistakes.

And if -- if they're on your payroll and you don't know why, why -- and then he said, "I have a new payroll person." I'm like --

INVESTIGATOR VERONICA VALLECILLO: Yeah, but --

KEITH OSWALD: This is --

INVESTIGATOR VERONICA VALLECILLO: -- it's still approving his payroll.

KEITH OSWALD: Yeah. So why did you ditch that call, like that one text message that -- if you were confused.

INVESTIGATOR VERONICA VALLECILLO: Right? And, I mean, it's six months. Yeah, because when I reached out to him, I just said the name Bonnie Fox, and immediately there was dead silence.

And he's like, "You need to talk to Keith. You need to talk to Keith."
I'm like, "Okay. But you're the director of this department. You -- you're responsible for your payroll."

He was like, "No, no, no. You need to talk to Keith." So hence why we wanted to talk to you and understand what exactly --

KEITH OSWALD: Yeah. He --

INVESTIGATOR VERONICA VALLECILLO: -- was going on.

KEITH OSWALD: He -- so when I -- we confronted him, so in front of Jay and Glenda, he knew I gave him the directive. And he just keeps saying, "I was waiting for more directive."

INVESTIGATOR VERONICA VALLECILLO: So how did --

KEITH OSWALD: More of what?

INVESTIGATOR VERONICA VALLECILLO: So Jay or Joe or both went to Glenda about their -- the payroll that they didn't know that Bonnie Fox was on their payroll, is that -- how did Glenda show --

KEITH OSWALD: Glenda already said that they approved the payroll, they're not sure what she's doing.

I said, "What are you talking about, they're not sure what she's doing?" Did they talk to her? Did they meet with her? I mean, I -- it made no sense.
I'm like, "I don't even know what you're talking about." So --

INVESTIGATOR VERONICA VALLECILLO: Okay. Now, do you think that Bonnie was actually working between July and basically last week prior to you meeting with her or getting everything going?

KEITH OSWALD: So she said she was reaching out. The -- I think she -- she said she -- she tried to do stuff. And so do I have concerns? Absolutely, I have concerns. So (indiscernible) the past concerns of other people who have been working remotely, right, of how do you --

INVESTIGATOR VERONICA VALLECILLO: Right.

KEITH OSWALD: This is a big issue with the pandemic of how do we monitor --

INVESTIGATOR VERONICA VALLECILLO: Absolutely.

KEITH OSWALD: You know, getting complaints about other people not doing things, sitting by the pool. You know, if I had $1 for every time they said someone us sitting by the pool eating bon bons while, you know, we're in here.

OSCAR RESTREPO: That's why I can't find bon bons in the store.

KEITH OSWALD: Because there's -- so -- so, yeah, so it just came to attention, so working on
documentation, I was going to call Vicki, get her opinion on how to handle it from a disciplinary perspective.

INVESTIGATOR VERONICA VALLECEILLO: Yeah, because we got it over here also with a little bit of vague information. But, obviously, we started doing research, and it's obvious she's been in the payroll of -- or under charter school since July, since right at the beginning of July.

KEITH OSWALD: Yeah. It's part of our budget cuts.

INVESTIGATOR VERONICA VALLECEILLO: So --

KEITH OSWALD: It's what we're doing with a --

INVESTIGATOR VERONICA VALLECEILLO: Yeah. And I see where --

KEITH OSWALD: -- a bunch of other --

INVESTIGATOR VERONICA VALLECEILLO: -- she did take a different title and her pay was lowered, but -- so what's our plan?

OSCAR RESTREPO: Now, when you say you -- are you issuing conference notes, or are you actually issuing discipline?

KEITH OSWALD: So I was going to talk to Vicki and say, "Should this be -- does it -- because of COVID and because of the pandemic, a specific
(indiscernible) incident, like, or is it a different level," and get her opinion --

Oscar Restrepo: Okay.

Keith Oswald: -- on this piece.

Oscar Restrepo: Whenever you decide what you do, can you forward copies --

Keith Oswald: Yeah.

Oscar Restrepo: -- to her.

Keith Oswald: Absolutely.

Oscar Restrepo: I don't have any questions.

Investigator Veronica Vallecillo: No questions.

Okay. Anything else you want to share with us?

Keith Oswald: No. I mean, I was shocked at it.

Oscar Restrepo: It fell through the cracks, basically, is what happened. Well, he failed -- they failed to communicate.

Keith Oswald: I can't believe both of them failed to communicate, and I can't believe when you're doing this payroll and you wait till January to bring this up.

Investigator Veronica Vallecillo: Right.

Keith Oswald: Are you kidding me? Are you kidding me? Like --

Investigator Veronica Vallecillo: Yeah. That's a month --
KEITH OSWALD: I mean --

INVESTIGATOR VERONICA VALLECILLO: -- okay, maybe

he didn't (indiscernible) --

KEITH OSWALD: -- if you say waiting for

directive --

INVESTIGATOR VERONICA VALLECILLO: Yeah.

KEITH OSWALD: I mean, I been here. I haven't
gone anywhere. I haven't taken a vacation.

INVESTIGATOR VERONICA VALLECILLO: Yeah.

KEITH OSWALD: So what is -- e-mail, text. Like,

he has my cell phone.

INVESTIGATOR VERONICA VALLECILLO: Many ways to
get ahold of you.

KEITH OSWALD: Talk to your supervisor or Jay --

INVESTIGATOR VERONICA VALLECILLO: Right.

KEITH OSWALD: -- to say something to Keith. Why

would you wait? I --

INVESTIGATOR VERONICA VALLECILLO: Joe reports to

Jay, right?

KEITH OSWALD: Uh-huh.

INVESTIGATOR VERONICA VALLECILLO: And Jay

reports to you, or does he report to Glenda?

KEITH OSWALD: Jay reports to Glenda.

INVESTIGATOR VERONICA VALLECILLO: Gotcha.

OSCAR RESTREPO: And Glenda reports to you?
KEITH OSWALD: Glenda -- yes.

INVESTIGATOR VERONICA VALLECILLO: Okay.

Anything?

OSCAR RESTREPO: No, I don't.

INVESTIGATOR VERONICA VALLECILLO: Okay. We'll just go ahead and close this out.

KEITH OSWALD: Can I ask who reported it up?

OSCAR RESTREPO: Who what?

KEITH OSWALD: Who reported it, can I ask?

OSCAR RESTREPO: I know -- I'm not sure exactly who was -- somebody talked to Teresa and let her know, "Hey, this is going on. I don't know what's happening here." I don't know if it was the superintendent or chief of staff or somebody. Somebody says -- and I don't know, but it was somebody in the administration that called Teresa and said, "This might be a problem." I mean, initially we had done it in the last three years, and we were able to say, "No, no, no. That's not what happened," so we narrowed it down to the last six months.

KEITH OSWALD: Okay.

INVESTIGATOR VERONICA VALLECILLO: Yeah, because I do remember -- so we had a case at Lake Shore Middle a few years ago, and I remember that Bonnie was there. So I can't --
KEITH OSWALD: At Lake Shore Middle?

INVESTIGATOR VERONICA VALLECILLO: Yeah.

KEITH OSWALD: Oh, yeah, yeah.

INVESTIGATOR VERONICA VALLECILLO: Like she was working over there on assignment with Dr. Gibbons.

KEITH OSWALD: Oh, yeah.

INVESTIGATOR VERONICA VALLECILLO: So -- and I believe that was late 2018 or early 2019, so I know she was over there for awhile, so --

KEITH OSWALD: Because that's going to come out.

It was a, oh, God, F or a D. It was either double D --

INVESTIGATOR VERONICA VALLECILLO: Yes.

KEITH OSWALD: -- or a single F, and the State wouldn't approve him, Carl Gibbons --

INVESTIGATOR VERONICA VALLECILLO: Right.

KEITH OSWALD: -- staying there. And he was only there like --

INVESTIGATOR VERONICA VALLECILLO: Yeah, because he had just gotten there, yeah. I remember that.

KEITH OSWALD: And they won't approve unless there was a -- somebody mentoring him that has a proven track record.

INVESTIGATOR VERONICA VALLECILLO: Right. Yeah.

KEITH OSWALD: So Odyssey had closed, and then I
had just come on board in this role, and she was
not -- Dr. Christiansen (phonetic) hadn't decided what
-- where she was going to go or what she was going to
do, and the schools that were open were not a fit, and
then...

INVESTIGATOR VERONICA VALLECILLO: Okay. All
right. So we'll go ahead and close this out. So,
Mr. Oswald, is there anything else that you think we
should know that we may not have asked you, or do you
have any other information that is relevant to this
investigation?

KEITH OSWALD: No. I just think that this may --
this many (indiscernible) some of the staff that, for
whatever reason, that people are trying to see if I'm
doing something wrong. I'm very -- and so I just hope
that the IG would watch what people's motives are and
if someone's deliberately looking for something to try
to cause harm to me.

INVESTIGATOR VERONICA VALLECILLO: That's what
we're here for.

KEITH OSWALD: Yeah. And --

INVESTIGATOR VERONICA VALLECILLO: We just look
for the facts.

KEITH OSWALD: Correct.

INVESTIGATOR VERONICA VALLECILLO: So.
KEITH OSWALD: So.

INVESTIGATOR VERONICA VALLECILLO: Okay. We ask that you not discuss with anyone the nature of this investigation or the contents of the statement you have made today. Will you maintain this confidentiality until the investigation is completed?

KEITH OSWALD: Yes.

INVESTIGATOR VERONICA VALLECILLO: Okay. Have any threats or promises have been made to you in making the statement?

KEITH OSWALD: No.

INVESTIGATOR VERONICA VALLECILLO: Okay. This concludes the recorded sworn statement of Mr. Oswald. The time is now 2:47 p.m.

INVESTIGATOR VERONICA VALLECILLO: This is an interview of Keith Oswald. This interview is being conducted by Investigator Veronica Vallecillo of Palm Beach County School District, Office of Inspector General -- General regarding OIG Case 210009-I.

Also present in the room is director of investigations, Oscar Restrepo. Today is April 1st, 2021, and it is 8:09 a.m. This interview is being conducted at the Office of Inspector General.

If you could please state your full legal name for the record.

KEITH OSWALD: Keith Richard Oswald.

INVESTIGATOR VERONICA VALLECILLO: And please state your job title and where you work at.

KEITH OSWALD: Deputy superintendent, chief of school, and I work with the school district, and the Office of the Superintendent.

INVESTIGATOR VERONICA VALLECILLO: Thank you. And this is an audio recorded interview of Keith Oswald who has provided identification in the form of his employee ID.

At this time, Mr. Oswald, I would like to record -- audio record this interview. Do I have your permission to record the interview?
KEITH OSWALD: Yes.

INVESTIGATOR VERONICA VALLECEILLO: Mr. Oswald, you are being asked to provide information as part of an official Palm Beach County School District, Office of Inspector General, investigation. This investigation involves allegations of possible violations of Palm Beach County School District policies and procedures, Florida administrative codes, or violations of state or federal laws.

This investigation is being conducted pursuant to Palm Beach County School District Policy 1.092. This interview is voluntary.

Are you willing to participate?

KEITH OSWALD: Yes.

INVESTIGATOR VERONICA VALLECEILLO: I am a notary public in the State of Florida and have the authority to administer an oath and take a sworn statement.

Please raise your right hand. Do you solemnly swear or affirm to tell the truth, the whole truth, and nothing but the truth?

KEITH OSWALD: I do.

INVESTIGATOR VERONICA VALLECEILLO: Thank you.

Please remember that failing to tell the truth while under oath could constitute a crime of perjury. Okay. So we'll go ahead and get started.
As I mentioned to you, this is a follow-up interview to your initial interview regarding the transfer that occurred with Bonnie Fox. So I want to back up a little bit and just kind of understand. After Bonnie -- after Odyssey closed, what happened with Bonnie? Was that your responsibility? Has she kind of stayed under you since then?

KEITH OSWALD: So after Odyssey closed, David Christiansen, who was in this position prior, had promised her, like, an instructional superintendent position and a team of people.

And so at that time, that wasn't just -- that wasn't realistic and it wasn't something we were going to move forward on with the changes.

So -- so inherited with that, posing that she wasn't placed yet, right. So she's been a long-term principal, and so when school grades came out -- so school grades came out, and Lake Shore -- is it an F or double D? We had a couple of issues out in the Glades.

And Carl Gibbons, who was placed as principal, he came in late.

INVESTIGATOR VERONICA VALLECILLO: Uh-huh.

KEITH OSWALD: And the Department of Education said that we would have to remove Carl Gibbons or have
a principal/mentor/like, overseer.

INVESTIGATOR VERONICA VALLECILLO: Right.

KEITH OSWALD: And someone with a track record of turnaround work. So if you review Bonnie's history of turnaround work, so she's had, like, the highest PYG reports for years.

She's very talented at moving student achievement and probably the top Title I school dog that comes up on top around making that happen, creating systems at schools.

INVESTIGATOR VERONICA VALLECILLO: Uh-huh.

KEITH OSWALD: And so I talked to the DOE lady at the time, Gail, the RED at the time, regional executive director, who was overseeing the -- the DOA liaison.

She -- she's the one that told me that Carl would have to be moved, Gibbons, and then it really wasn't fair to him because he wasn't really there the whole year at all.

So she had agreed. She looked at Bonnie's track record and agreed that if Bonnie came in there, Carl could stay, so Bonnie stayed there throughout the year.

And we also brought in Sean Schwartzzenberger (phonetic). He's got a long last name. So -- because
we were --

INVESTIGATOR VERONICA VALLECILLO:

Schwartztrauber.

KEITH OSWALD: Yeah.

INVESTIGATOR VERONICA VALLECILLO: Took me many times to get that last name.

KEITH OSWALD: Yeah. So he came in as well to support in the school. Obviously, we didn't want it to go into a takeover situation by the State. We needed to improve. The consequences are extremely high if it wasn't to move forward. So...

INVESTIGATOR VERONICA VALLECILLO: Was she okay with that move, since Christiansen had promised her?

KEITH OSWALD: Well, she and I had talked. I said, "Bonnie," I said, "you're not" -- you know, there was a lot of conversations where I said, "I can't make an instructor superintendent. He may have promised you that, but it's just not realistic."

One -- you know, when we hire those, usually there's obviously a whole interview process and -- that we go through. So -- and I don't know if she's the right match. Bonnie's very talented at these schools and creating systems.

INVESTIGATOR VERONICA VALLECILLO: Uh-huh.

KEITH OSWALD: You know, one of her bright areas
that needs to be strengthened is her people skills.
So some people are taken off by her, but the reality
is she can move a school forward and build to
capacity.
I mean, when we emptied that school, those
teachers got picked up so fast because she knows how
to build capacity of teachers. She does good work
there. So managing a school, but leading schools is a
different type of work.
So just -- and at that time, I don't think we
even had any vacancies even at that time or wanting to
create a new position like that just was -- there was
so much going on. It was after Stoneman Douglas.
There was just -- new superintendent. You know, it
wasn't -- it just wasn't in the cards.
So I said, you know, "I don't know what he
promised you. He never shared that with me." I just
know from what she told me and from what Barb
Terrembas (phonetic) --

INVESTIGATOR VERONICA VALLECILLO: Uh-huh.
KEITH OSWALD: -- kind of alluded to, that she
was promised that. So I said we just couldn't do it.
So there really was no place, so it's not -- it hasn't
been typical in the system where we've had a principal
that is kind of like accessed out there and needs to
be placed and one that's kind of unique with Bonnie.

And then, you know, Bonnie gets -- a lot of people,
which is unfair, attacked Bonnie because she's older
and been on -- you know, she's an older employee. And
-- because, oh, she can just go retire.

Well, the reality is I wish everybody at her age
would produce the work she produces when it comes to
student achievement.

So anyway, the regional executive director, Gail,
approved -- went blank on her last name, but I can
tell you if you need it -- approved her as long as she
went in there. So worked with Angela.

So did she -- so your question is did she
disagree? I mean, she -- she -- first, she
questioned, like, what would it be and that kind of
stuff.

And I said, you know, "Basically working side by
side building his capacity, putting systems in place
like you did with Odyssey."

I don't recall, like, all the specific questions,
but -- and she was like, "Okay. That sounds good,"
and she agreed to it. So -- and we moved forward and,
you know, good news.

INVESTIGATOR VERONICA VALLECILLO: So she became
a principal assignment --
KEITH OSWALD: Principal on assignment.

INVESTIGATOR VERONICA VALLECILLO: On assignment.

Okay.

KEITH OSWALD: Uh-huh.

INVESTIGATOR VERONICA VALLECILLO: And was her salary changed?

KEITH OSWALD: (Indiscernible.)

INVESTIGATOR VERONICA VALLECILLO: Did you guys have a discussion about that? Did she ask you if her salary would be --

KEITH OSWALD: No.

INVESTIGATOR VERONICA VALLECILLO: -- affected?

No.

KEITH OSWALD: I don't recall. I don't recall.

INVESTIGATOR VERONICA VALLECILLO: Okay.

KEITH OSWALD: Basically, we just kept it status quo.

INVESTIGATOR VERONICA VALLECILLO: Okay.

KEITH OSWALD: And also the conversation if something came open with a school that was a match for her, potentially placing her back as a principal.

INVESTIGATOR VERONICA VALLECILLO: All right.

KEITH OSWALD: So fast forward -- but, really, at that point because I didn't want to upset Lake -- Lake Shore as a priority to make sure that that's cool.
So she -- good news is, you know, no D or F schools in the Glades. It was a success. And, in fact, you know, I don't know, Shaun ended up staying at that school as an assistant principal and has really led that school to -- to, a large extent, this year with COVID -- Carl Gibbons was on a -- but he went into the hospital, was extremely ill, like life-and-death situation, that serious.

And Shaun has really kind of carried that school through. And some visits I've done, really built some strong capacity. And, you know, he always speaks, you know, how Bonnie helps and, you know, provides him that, you know, type of support that a principal would understand.

So -- and then -- so then he stayed there throughout the summer. Then trying to see -- there wasn't a lot of movement going on as far as openings of schools, so still trying to find the right place.

And to be fair to Bonnie as a long-term employee of where I end up placing her, so there -- what I ended up doing with her at that time, once Lake Shore came off that list, is to use her as a personal mentor in some other schools.

She worked with Bear Lakes a lot, helping Bear Lakes. And if you look at what happened at Bear
Lakes, now Bear Lakes is doing really good at building capacity. But I also put her in some -- we had some principals who went out on leave for various reasons, pregnancies, et cetera, maternity leave, that she went in and filled in where I had holes and needed someone to go in and help out.

Then -- then fast -- then COVID hits, so then we get a -- and then we go into lockdown, and so -- and then fast forward to the summer. We're in a place where we have to make decisions on budget cuts, so -- and so budget cuts are hitting all of us. We have to do this 10 percent.

And at that point, there were -- no principals were leaving. There was no vacancies. Also, at that time, Bonnie disclosed she was -- you know, she was nervous about, obviously, COVID because she is older, and everybody was kind of doing this remote work.

So -- and also at the same time, the board and the directors -- we need to preserve people's jobs and find places for people. So her being a principal in the past is a little more difficult than most positions versus, like, a specialist, which is much easier.

And one of the things I was working on the side was adding -- we had saved some dollars out of Title I
for the roll forward that could then help with positions. And so if you've talked to Nicole, whatever you do for Title I -- for Title I schools in a district operated, you had to do for charter operated.

So I thought about, okay, Bonnie could work with Title I charter schools to -- to support them and build their capacity. So I had conversations with Nicole and what would be, like, appropriate and what type of job description.

So basically it was a specialist level. I didn't know if that was going to fly or not with Bonnie, if she would agree to that because basically taking a motion, that or I'd have to just place her in a -- somewhere. I didn't know where I was going to place her at that point.

But I need to do a budget cut. Told her she would work basically improving the school like she's been helping other schools build their capacity, but through Title schools, which -- and part of my rationality, too, is you've seen probably many board meetings over the years where we get criticism when we're trying to close or shut down the charter schools that we don't provide the support.

INVESTIGATOR VERONICA VALLECILLO: Uh-huh.
KEITH OSWALD: And no one has ever helped them.
And there's -- you know, the law is a little -- or
there's some gray area in there of what exactly is the
district's role for charter, so you can interpret it
different ways.

But the criticism -- and our board tends to lean
towards the bleeding heart who's saying, you know,
these poor kids. So Title I kids -- these schools do
need support, if they are working with kids.

Bonnie's smart. She could help build capacity.
So we talked about it. She debated it. She went back
and forth. I said it's going to be -- it's got to be
a specialist, so it's -- it is a demotion.

So she didn't like that idea at first, but
then -- I think as the issues with COVID and all that,
she agreed. And -- and there's e-mails that show,
okay, so I had to change the job title.

Worked with Mark Mitchell about what -- well,
first, I had to work with Mark Mitchell about, okay,
what does it mean when someone takes a demotion from a
principal down to a specialist? What's -- what would
be her salary?

And Mark said, "Typically, it's a 5 percent cut."

And I said, "That's it?"

So -- and yeah. And there's been a couple other
principals that have done that in the past, I guess, and that's been -- or just in general. I guess anybody who takes a demotion, I guess, is -- faces a 5 percent cut.

So he gave me the number, told it would be a 5 percent cut, and so debated it and she agreed. So once she agreed, then I filled out the paperwork. I called to -- to let her know. I think you got the documentation to show. She signed off on it.

So then I called -- and somewhere in there, I had called Joe. I said, "Joe, Bonnie -- putting Bonnie in as a specialist to -- to work with Title I schools to improve" -- I'm generalizing our conversation. I don't remember exactly. But, you know, to improve their performance and to work with Title I schools.

He said, "Okay. No problem. I know Bonnie. I know her work."

I said, "So set up a meeting. Call her and work on setting up, you know, the scope of work," and that's how we left it. And then -- and I think the rest of you have. Fast forward come December --

INVESTIGATOR VERONICA VALLECEILLO: Yes.

KEITH OSWALD: -- hear that there was no meeting.

INVESTIGATOR VERONICA VALLECEILLO: Let me just stop you there. Let me just circle back a little bit
to when she was principal on assignment. Did she ever
-- did you ever assign her to Congress Middle School.

KEITH OSWALD: Congress -- no. So Congress
Middle, there was some issues where it was -- I was
debating it and going back and forth, potentially
looking at Congress Middle because the principal at
Congress Middle, Denise O'Conner, was out on leave for
some time. She was going through some of her own
health issues.

It was being debated and wasn't sure, but then
Denise O'Conner ended up coming -- not take -- going
out -- or she was thinking about retirement. She came
back from leave, so it didn't play out. So it was one
of the areas that was being debated.

INVESTIGATOR VERONICA VALLECDILLO: Did you ever
talk to Bonnie about it and give her a directive to go
to Congress Middle?

KEITH OSWALD: We talked about that potentially
might be a place.

INVESTIGATOR VERONICA VALLECDILLO: Okay.

KEITH OSWALD: Did I tell her to actually go
there? No. I said, "We were still waiting to see."
I said, "It might be something." I don't -- of a
placement where she would go as a principal, but --

INVESTIGATOR VERONICA VALLECDILLO: Do you
remember about what time, like what month that was?

KEITH OSWALD: No.

INVESTIGATOR VERONICA VALLECILLO: Was that last
year?

KEITH OSWALD: There's so many other schools that
have issues. Last -- so this current year we're in,
like the COVID year?

INVESTIGATOR VERONICA VALLECILLO: No. What --

OSCAR RESTREPO: Calendar year 2020.

INVESTIGATOR VERONICA VALLECILLO: It would --

KEITH OSWALD: It would have been the year before
the COVID.

INVESTIGATOR VERONICA VALLECILLO: So 2019 --

KEITH OSWALD: '19 to '20, you say?

INVESTIGATOR VERONICA VALLECILLO: Yes.

KEITH OSWALD: We're in 2021, so '19 --

INVESTIGATOR VERONICA VALLECILLO: Yeah.

KEITH OSWALD: -- to '20 would have been -- it
would have been somewhere in that year.

INVESTIGATOR VERONICA VALLECILLO: Okay. So
according to Bonnie, you did give her a directive to
go to Congress Middle, and she was set to go there and
then something happened. I don't know the specifics
of what exactly happened, but legal was involved, and
then you told her not to go. Do you recall that?
KEITH OSWALD: Legal was involved?

INVESTIGATOR VERONICA VALLECILLO: She mentioned legal.

KEITH OSWALD: Legal was never involved, no. I said I was looking at potentially -- but I said, "But it depends on what happens with Denise."

INVESTIGATOR VERONICA VALLECILLO: Never gave her a directive, like told her a set date, like, this is when you're --

KEITH OSWALD: No. No, no, no. No.

INVESTIGATOR VERONICA VALLECILLO: Okay.

According to her --

KEITH OSWALD: What I --

INVESTIGATOR VERONICA VALLECILLO: -- she's saying --

KEITH OSWALD: Okay.

INVESTIGATOR VERONICA VALLECILLO: These are some of the things that we need to clarify.

KEITH OSWALD: Okay.

INVESTIGATOR VERONICA VALLECILLO: Because she's basically saying that you gave her a directive, that in February of 2020 you told her -- what is that leadership meeting?

OSCAR RESTREPO: ...PLA.

INVESTIGATOR VERONICA VALLECILLO: PLA. Around
when PLA was going on. She attended that meeting, and then she came back to you, and you guys had a conversation.

KEITH OSWALD: She -- she took it -- like, I said, "Bonnie" -- she -- somewhere in there I think she took it very literal that she was going. I said, "Bonnie, I never said you're definitely going." I said, "Still exploring that." And she took it very literal. I said, "I don't -- we're not there yet because I -- Denise had not, like, retired or definitely wasn't going back."

So she had started thinking she was going there, and I said -- and I had to pull her back and say, "No, no, no, no, no. This is not definite yet." I said, "This is something we're exploring."

And out of respect for her, I was talking about the potential school and trying to make a match. So -- versus just say, "Hey, go there today. This is your place."

So she took it literally, so -- but then we had a -- I said, "No." I said, "You're not, like, definitely going." I said we're -- I was exploring. We were talking about it as a potential.

INVESTIGATOR VERONICA VALLECILLO: Do you recall what happened after that? When you guys had that
conversation, did you assign her somewhere else?

KEITH OSWALD: She was still working with Kirk
Howell over at Bear Lakes.

INVESTIGATOR VERONICA VALLECILLO: Bear Lakes.

Okay.

KEITH OSWALD: And supporting him. He had a
heart attack, so Kirk was very -- Kirk was going
through stuff. I don't know if -- should disclose
this, but Kirk had a heart attack. He was very
nervous.

He -- Kirk Howell had come trying to -- to ask
for another spot because he was worried about his
health and the stress of a Title 1 -- (indiscernible)
Title I school, so Bonnie helping out with that
school.

INVESTIGATOR VERONICA VALLECILLO: Did you -- to
your recollection, around that time after what
happened with Congress Middle, whether, you know, it's
what she said that she was -- according to her, she
was ready to go. She had packed up all her stuff from
Bear Lakes, and she was ready to go to Congress
Middle.

Did you give her any directive, whether written
or verbal, to stay home and stay put after -- after
she did not go to Congress Middle? So this would have
been at the end of February.

KEITH OSWALD: No.

INVESTIGATOR VERONICA VALLECILLO: According to her, she said that you told her to go home and sit tight, and that was at the end of February, specifically February --

KEITH OSWALD: Sit tight, like --

INVESTIGATOR VERONICA VALLECILLO: -- 25th.

KEITH OSWALD: -- don't go to work?

OSCAR RESTREPO: Yeah.

KEITH OSWALD: For -- why would I say something like that? Like, that makes no sense.

INVESTIGATOR VERONICA VALLECILLO: That's why we have you here.

KEITH OSWALD: Okay.

INVESTIGATOR VERONICA VALLECILLO: (Indiscernible) understand.

KEITH OSWALD: That makes absolutely no sense.

No, I would never do that to anybody. So she's getting paid like everybody else, and she has a responsibility. And that makes absolutely no sense.

INVESTIGATOR VERONICA VALLECILLO: Okay.

KEITH OSWALD: Did she say why I would say something like that? That makes no sense.

OSCAR RESTREPO: Well, she mentioned two -- she
1 was pretty specific. She was -- I think it was
2 February 26th was her start date at Congress Middle.
3 She was at a PLA on February 25th, and she talked to
4 one of the APs from Congress.
5 KEITH OSWALD: Exactly.
6 OSCAR RESTREPO: (Indiscernible.)
7 KEITH OSWALD: That's why I said, "No, Bonnie."
8 I said, "What are you talking to APs for?" I said --
9 and that's where some rumors -- I said, "I never
10 introduced you. I never told anybody." I said,
11 "Whoa." I said, "We only talked," so I had to rein
12 her in. That's right, because she talked to the AP,
13 and that's how some rumors -- now you've refreshed my
14 memory.
15 OSCAR RESTREPO: Yeah.
16 KEITH OSWALD: And then he started, like, talking
17 to Pete Licata and -- and Howard Hepburn because he
18 supervised that school. I was like, "No, no, no, no,
19 no, no." So that's why I had to roll her in. I said,
20 "No." I said, "This is not cleared to go." I said,
21 "We just had a discussion about a potential."
22 OSCAR RESTREPO: Okay. Well, she said that then
23 she was told, "Don't go. Sit tight. I'll get back to
24 you."
25 KEITH OSWALD: If I'm going to sit down and have
a directive, I would have a sit down with Howard
2 Hepburn and Pete Licata and talk about a transition if
3 we're going seriously that route.
4 Obviously, I'm going to have all my ducks in a
5 row, if Denise is really coming back or not because
6 Denise O'Connor -- I can't put somebody in when I
7 already had a sitting principal. How am I going to
8 put another principal there?
9 OSCAR RESTREPO: (Indiscernible) think so.
10 KEITH OSWALD: And so do -- I don't disclose all
11 that to Bonnie behind the scenes. I told -- that's
12 why I told her, I said, "There's logistics, and it's
13 not a done deal. There's things that have to be
14 worked through."
15 And, you know, Denise has gone through some
16 difficult times and had her own issues, so we're
17 trying to support her, but it was never -- so I had to
18 pull back -- said, "No, no, no, no," like.
19 OSCAR RESTREPO: Yeah. That's pretty consistent
20 with what she said, you pulled it back, and then you
21 told her, this is (indiscernible).
22 KEITH OSWALD: Yeah, because she had talked to
23 the AP, and that's when all the rumors were coming up.
24 And I'm like, "Bonnie, I never said to go over there."
25 In fact, (indiscernible) bring it up. I was like,
"No, we were discussing." I said, "This is not a done
deal at this point."

OSCAR RESTREPO: And that's when you told her,
"Don't go there," and then she said you told her to
"sit tight and I'll get back to you," and then she
didn't hear anything --

KEITH OSWALD: Well, I said -- I said, "As far as
like, the vacancy sit" -- I don't know what words I
said. She still had to work and go support -- at that
time, I think to was still supporting Kirk Howell.

But sit tight, go home, and don't go to work,
that just doesn't make any sense. I said, "Right now,
I don't have any other principal vacancies and -- that
-- that would be a match."

In fact, one of the schools she filled in was an
elementary school. Twofold; one, I didn't have to be
an interim or anything, and then, two test out and see
how she would be at an elementary school, which wasn't
good. So she was not a good match --

INVESTIGATOR VERONICA VALLECILLO: So to your
understanding after this whole thing with Congress
Middle happened, she should have still been at Bear
Lakes?

KEITH OSWALD: Uh-huh.

INVESTIGATOR VERONICA VALLECILLO: Which would
have been right prior to COVID, right? Yeah.

OSCAR RESTREPO: Yeah. February.

INVESTIGATOR VERONICA VALLECILLO: Yeah, right prior to COVID at the end of February, early March.

So did you put her under Terrembas (phonetic)?

KEITH OSWALD: In -- as far as the budget? Yeah.

I was in transformation from when it was Lake Shore, so I worked with Barbara. I think it was under Lake -- yeah, Terrembas where I had, like, a vacancy to help pay for the salary. So it was --

INVESTIGATOR VERONICA VALLECILLO: Under Terrembas?

KEITH OSWALD: Terrembas, yeah.

INVESTIGATOR VERONICA VALLECILLO: There was a vacancy, so you put her --

KEITH OSWALD: So I put her under Terrembas, yeah.

INVESTIGATOR VERONICA VALLECILLO: Okay. And so Terrembas was fully in charge of Bonnie?

KEITH OSWALD: No, but she and I worked together, right, because she was a principal on assignment. So I'm a principal, so Bonnie took directive from me. I mean, sometimes Barbara and I worked very closely together. So Barb might ask for, I don't know, TVs or whatever, logistic things that there was --
INVESTIGATOR VERONICA VALLECILLO: So --
KEITH OSWALD: But as far as directing her what
to -- as far as workflow, no. Barb wouldn't really do
that.
INVESTIGATOR VERONICA VALLECILLO: So she's --
Bonnie would have still been coming to you?
KEITH OSWALD: Around --
INVESTIGATOR VERONICA VALLECILLO: Around that
time --
KEITH OSWALD: Assignment and work.
INVESTIGATOR VERONICA VALLECILLO: And -- but she
was in Terrembas' budget because there was a vacancy
there? I just want to know --
KEITH OSWALD: And it was transformation, yeah.
INVESTIGATOR VERONICA VALLECILLO: Okay. And --
KEITH OSWALD: I'm not sure if it's an active
vacancy. I think there was a vacancy I had there, but
it was also the transformation work, so it fell under
that kind of building capacity of schools that need
additional support.
INVESTIGATOR VERONICA VALLECILLO: And so when
COVID hit, what was she supposed to be doing, Bonnie?
KEITH OSWALD: Well -- well, still supporting the
school. Everybody wanting this remote work.
INVESTIGATOR VERONICA VALLECILLO: Which school?
KEITH OSWALD: Kirk Howell or --

INVESTIGATOR VERONICA VALLECILO: For Bear Lakes?

KEITH OSWALD: For Bear Lakes.

INVESTIGATOR VERONICA VALLECILO: Okay. So she was supposed to still be supporting that. Were you overseeing her? Like, were you checking on her? Were -- what do you have -- should have been doing time sheets, do you -- did she submit those to you? How did that work?

KEITH OSWALD: Back in March to summer, I'd have to check with Barb around the time sheets. I don't know.

INVESTIGATOR VERONICA VALLECILO: So they were going potentially to Terrembas, not -- you weren't receiving them?

KEITH OSWALD: No. Huh-uh.

INVESTIGATOR VERONICA VALLECILO: Okay. Did you talk to her? Do you remember speaking to her, maybe just checking up on her or seeing what she was doing or even checking with Terrembas to see what was going on with Bonnie?

KEITH OSWALD: We were so busy trying to deal with remote work -- not remote work -- remote learning. You know, my attention was on that. I
don't recall. I don't know. I'd have to think if I checked in. I mean, we gave directives through e-mail and things like that to principals and things to -- you know, to monitor. So she would have had a responsibility to still follow directives.

At that point, things were just so different, and we were just -- we were -- most of my attention was just trying to get, you know, the electronics out, the WiFi up --

INVESTIGATOR VERONICA VALLECILLO: There was a lot going on, yes.

KEITH OSWALD: -- and curriculum. So --

INVESTIGATOR VERONICA VALLECILLO: Did you have --

KEITH OSWALD: -- micromanaging that piece was not the top of the priority at that time.

INVESTIGATOR VERONICA VALLECILLO: After she was done with Lake Shore Middle, did you have any issues with her regarding attendance or people not being able to get ahold of her?

KEITH OSWALD: Barb said she did not submit TDEs and stuff, so I had to send her some e-mails that she -- if she's out, she needs to be submitted her TDEs, so I did monitor that piece.

I think I sent her some e-mails to submit to Barb
because Barb had brought up that she needed -- she wasn't submitting her -- her TDEs.

INVESTIGATOR VERONICA VALLECILLO: So you did not put her under Terrembas. You only put her under Terrembas because there was a vacancy there?

KEITH OSWALD: No.

INVESTIGATOR VERONICA VALLECILLO: There was nothing else between that?

KEITH OSWALD: Transformation. Transformation work.

INVESTIGATOR VERONICA VALLECILLO: Okay. Okay.

OSCAR RESTREPO: What does that mean? That's just to educate myself.

KEITH OSWALD: So transformation -- so each school district has to have, like, a transformation office. So now it's Michelle Fleming that works with the State. And so (indiscernible) formal role around the state and any schools you have any -- differentiate accountability for. Now it's called school improvement.

So we have three schools now. JFK, India Pines -- well, I'm going blank on the third one -- Washington that are D schools. So we have to do a lot of paperwork, a lot of processing. You know, there's a statute around all of that transformation piece. So
she was part of that type of work of building capacity
and helping other schools improve.

INVESTIGATOR VERONICA VALLECILLO: Did you look
into what Terrembas said about TDEs? Did you address
that issue with her? Like, did you look to see if she
actually did take time without submitting a TDE? Did
you give her verbal warning?

KEITH OSWALD: I gave her -- I either called her
or text messaged or e-mail to tell her to submit them,
so I'd have to look.

INVESTIGATOR VERONICA VALLECILLO: But you didn't
look back to see if she -- like, what she submitted or
if she actually took time off and did not submit a
TDE?

KEITH OSWALD: I told her to submit it. If she
had been out, she needs to submit her stuff
accordingly. And Barb was also following up with that
piece as well.

INVESTIGATOR VERONICA VALLECILLO: Okay. All
right. So we'll fast forward to now it's June, and
you have to do your budget cuts, so you decide to put
her in charter schools. Joe Depasquale denies that
you gave him the directive for him to contact Bonnie.

KEITH OSWALD: He admitted it in a meeting in
front of -- one of the meetings that we scheduled in
December or January that I called you and told you and
he even said in that recording -- and it's on a
statement that I started with Vicki and Kenyetta that
he stated in front of those other witnesses that,
"Yeah, I know, but I was waiting for more
information."

INVESTIGATOR VERONICA VALLECILLO: Okay. Because
he -- with us, he has denied every single time that --
KEITH OSWALD: So did you talk --
INVESTIGATOR VERONICA VALLECILLO: -- that
(indiscernible).
KEITH OSWALD: -- with -- who was in the -- I've
got to look up who was in that meeting. Jay --
INVESTIGATOR VERONICA VALLECILLO: Yes.
KEITH OSWALD: Glenda.
OSCAR RESTREPO: Jay and Glenda.
INVESTIGATOR VERONICA VALLECILLO: I spoke to
Boggess and --
KEITH OSWALD: Did they tell you --
INVESTIGATOR VERONICA VALLECILLO: -- Glenda
Sheffield.
KEITH OSWALD: -- that he admitted it during that
meeting? They were all on that meaning. They heard
it. They heard --
INVESTIGATOR VERONICA VALLECILLO: But -- and you
1 gave him a -- you told him this verbally? You did not
give it to him in writing?

3 KEITH OSWALD: Correct.

4 INVESTIGATOR VERONICA VALLECILLO: About Bonnie
5 Fox.

6 KEITH OSWALD: Hindsight is 20/20. Correct.

7 Yes.

8 INVESTIGATOR VERONICA VALLECILLO: Okay.

9 KEITH OSWALD: And in that conversation, he
admitted in front of Glenda -- so they're denying that
he said that, "Yeah, I was waiting for more
information"?

13 INVESTIGATOR VERONICA VALLECILLO: Well, there
14 was a --

15 KEITH OSWALD: And there are (indiscernible) --

16 INVESTIGATOR VERONICA VALLECILLO: --

17 conversation of -- obviously, we're more focused on
what transpired. But they -- I don't believe -- I
will have to go back and look through my statements,
but I don't believe that they stated that --

21 KEITH OSWALD: I stated --

22 INVESTIGATOR VERONICA VALLECILLO: -- she --

23 KEITH OSWALD: I said --

24 INVESTIGATOR VERONICA VALLECILLO: -- that he
25 admitted it.
KEITH OSWALD: I said -- I said, "Joe, I called you and said Bonnie's coming in as a specialist to work with Title I schools. You were" -- and I said, "Set up a meeting."

He said, "Yeah, I know Bonnie's work, and I'll give her a call." And then he said in that meeting in front of -- I think it was Jay and Glenda, "Yeah, but I was waiting for more information."

INVESTIGATOR VERONICA VALLECEILLO: Yes. And that did --

KEITH OSWALD: Then I had -- so then the conversation -- "Well, if you were waiting for more information and I didn't get back to you," I said, "because I never said that." I said, "Why didn't you reach out to me?" You wait months on end?"

And -- and then the same thing with Bonnie. I told her, "Joe is going to reach out to you to set up a meeting, and then you don't reach out when no one calls you?" So --

OSCAR RESTREPO: I think what we're talking about is Joe saying --

KEITH OSWALD: So how -- how is the stuff leading up to -- to what happened now relevant to this? I'm just curious because --

INVESTIGATOR VERONICA VALLECEILLO: We're --
KEITH OSWALD: -- am I under investigation for
how --

UNIDENTIFIED SPEAKER: We aren't looking at
right.

KEITH OSWALD: -- I use staff?

OSCAR RESTREPO: We're looking at process because
it appears that Bonnie was somehow lost in the system
for about 11 months. That's the way -- the
information we gathered, basically she was just lost
in the system, getting paid without working for about
11 months. So --

KEITH OSWALD: During the COVID period, you're
saying?

OSCAR RESTREPO: Yes.

INVESTIGATOR VERONICA VALLECDILLO: Okay. So
we're trying to -- we're trying to determine, okay,
how did this happen so that something like this
doesn't happen again.

KEITH OSWALD: Okay.

INVESTIGATOR VERONICA VALLECDILLO: And, I mean,
obviously because you initiated the transfer from her
being a principal on assignment in the transformation
department into her going as a specialist, so --

KEITH OSWALD: And -- and many people said,

"Well, you should just get rid of her. Just exit."
Okay. When has this system ever just gotten rid of a principal, especially one who has a track record of high student achievement, took the Glades schools off. How would that look, everybody pointing to me why -- why would we just put excess and put someone on the street? Is this system -- the culture of this district ever been to do something like that? No. And rarely does it come up where we have this type of situation where we've closed a school. Never in my history have I seen something -- INVESTIGATOR VERONICA VALLECILLO: That doesn't happen very often where a school is closed.

KEITH OSWALD: So -- INVESTIGATOR VERONICA VALLECILLO: I hear you.

KEITH OSWALD: So it's easy for people to judge on the sidelines about how things are used. I'm just saying -- OSCAR RESTREPO: Yeah. Unfortunately, it -- it's always somebody, you know -- INVESTIGATOR VERONICA VALLECILLO: Right.

OSCAR RESTREPO: -- comes back after the fact to look at things and say, well, you could have this, could have that.

INVESTIGATOR VERONICA VALLECILLO: And the reason why we're asking so many questions is because we
interviewed several people, and so some of the stuff
either we need to verify with you that it did take
place because, like, for example, Bonnie is saying
that you said XYZ or you told her this or you didn't
tell her this or Joe is saying that you didn't say
this or you did say this, so that's the reason.

KEITH OSWALD: So Joe said that I never called
him, under oath, and never had this conversation?

INVESTIGATOR VERONICA VALLECILLO: You guys did
have a conversation about Bonnie, absolutely.

KEITH OSWALD: And him --

INVESTIGATOR VERONICA VALLECILLO: He doesn't
deny that.

KEITH OSWALD: -- set up a meeting --

INVESTIGATOR VERONICA VALLECILLO: He is just
saying that he -- you did not tell him. What you told
him, according to Joe, is that Bonnie would contact
him.

KEITH OSWALD: Oh, he said that. Yeah.

INVESTIGATOR VERONICA VALLECILLO: Yeah.

KEITH OSWALD: I said -- I said, "No." I said --

INVESTIGATOR VERONICA VALLECILLO: It's not that
he's denying in any way that you guys had a
conversation about Bonnie coming over to charters. He
absolutely did say --
KEITH OSWALD: And even if I said that --

INVESTIGATOR VERONICA VALLECILLO: It's just that

he's saying that --

KEITH OSWALD: -- which I did -- I deny that I said that. Even if I did and she never reached out, why would you not tell me? So I couldn't intervene. And he didn't have an answer. Well, I was just waiting.

INVESTIGATOR VERONICA VALLECILLO: So --

KEITH OSWALD: So that's when I, you know, talked to him. So I don't know if he said you, but --

INVESTIGATOR VERONICA VALLECILLO: Going back to Bonnie --

KEITH OSWALD: I'm trying to find the date we met and --

INVESTIGATOR VERONICA VALLECILLO: You guys met on January --

OSCAR RESTREPO: On January 13th and January 20th. You met on January 13th the first meeting --

INVESTIGATOR VERONICA VALLECILLO: Yeah.

OSCAR RESTREPO: -- and January 20th on the second meeting.

INVESTIGATOR VERONICA VALLECILLO: The 20th was the meeting what -- where Bonnie --

OSCAR RESTREPO: With Bonnie.
INVESTIGATOR VERONICA VALLECILO: -- was included. And the 13th was a meeting where it was just you, him, Boggess, and Sheffield.

KEITH OSWALD: Correct. And that's where he disclosed that he -- that I called him. He said, "Yeah, but I was waiting for more information," the one on the --

INVESTIGATOR VERONICA VALLECILO: So when you had the conversation with Bonnie about her going over to charter schools, did you ever promise her that after she did a year at charter schools that she would be given a school or a principal position?

KEITH OSWALD: I -- no, I couldn't promise something I couldn't (indiscernible). I said I was looking to find a school where it'll be a match, but I couldn't promise something I couldn't 100 percent guarantee.

INVESTIGATOR VERONICA VALLECILO: Is that the plan for her? What is the plan for her?

KEITH OSWALD: Now she took a demotion, and she's a specialist, and she signed off on that, and she agreed to that. So at this -- so -- and then now Joe said there's not enough work. So we met with Nicole where she's going to do some -- because Nicole's been short staffed, so she's going to do auditing of some
of that work in Title I for -- for part of the time when she's not working with the schools.

And separate from that, I think how Joe met with the Title I school principals and just sent out an e-mail was not very effective, so that's a whole nother piece that -- I'm probably talking to Jay down the road is that, you know, you need to have, like, a meeting and tell principals -- a Google Meet -- pretty easy -- hey, this is what Bonnie can do for you. This is how she can help you improve your performance at your school and support for a long term.

But Joe has taken a very hands-off, like, no, I sent an e-mail, that's all. Well, I don't think that's the due diligence to really reach out, and a Title I principal's not going to -- they're going to be like, what the hell is this?

So the due diligence on Joe's part -- and, again, hindsight is 20/20. He should much -- given a much more deeper -- run a show on what he should have done with those schools back last summer now knowing with -- with what (indiscernible).

INVESTIGATOR VERONICA VALLECUILLO: How does it work --

__KEITH_OSWALD: And the same thing. Joe has this pattern, this weird pattern. We had a charter
school -- I gave a directive to Joe. We met with
Teresa regarding -- legal brought up one of these
charter schools that was a little shady, had some
issues, was trying to do an application. So we agreed
that you all would do an investigation at this charter
school to see is it a legit application, blah, blah,
blah.

So an e-mail -- after we met with legal, Teresa
never -- she said, "Send the whole file and
everything." So in an e-mail copied to everybody and
this -- so told Joe to bring all of the documentation,
the application, over to your all's office.

And like a month later, Teresa is like, "I never
got the file." And Joe -- like, Joe, what are you
waiting for? It's e-mail -- well, we're waiting for
more information? What more -- I gave you a directive
in an e-mail to send the file over. Like, it couldn't
have been more clear.

So I don't know what's going on with Joe, but --
so but anyway, that's -- Joe's had this weird pattern
that is concerning around hands off, like, doesn't
want to -- but that's a whole separate piece that --
sorry.

--- INVESTIGATOR VERONICA VALLECCILLO: Let's talk
about -- let's just put Bonnie aside for a second. If
it was any other employee that you were transferring,  
do you typically deal with transfers or did you deal  
with Bonnie because of the fact that she was basically  
under you?

KEITH OSWALD: Well, basically, she was kind of  
under me --

INVESTIGATOR VERONICA VALLECILLO: Okay. So  
you --

KEITH OSWALD: That definitely is why I was more  
hands on than usual.

INVESTIGATOR VERONICA VALLECILLO: But typically  
you do not deal with transfers?

KEITH OSWALD: No, but because she was under me  
and she was a principal on assignment and because of a  
school closing, you know, and because I supervise  
schools trying to find the right match to which she'll  
be placed, I was a little more -- I was more hands on  
than usual, yes.

INVESTIGATOR VERONICA VALLECILLO: What's your  
understanding of what the process is, what the  
procedure is for a -- an employee being transferred  
from one department to another?

KEITH OSWALD: From one department to another,  
what do you -- I'm not sure --

OSCAR RESTREPO: A reassignment.
INVESTIGATOR VERONICA VALLECILLO: Like a reassignment, yeah.

OSCAR RESTREPO: Reassignment and/or demotion.

KEITH OSWALD: Well, so Barb really kind of handled that part of it -- the aspect for me, so --

INVESTIGATOR VERONICA VALLECILLO: So you're not, like --

KEITH OSWALD: I'm not --

INVESTIGATOR VERONICA VALLECILLO: That's not something that you are hands on typically?

KEITH OSWALD: Not -- no, not at all.

INVESTIGATOR VERONICA VALLECILLO: Okay.

KEITH OSWALD: So usually Barb would handle that stuff.

INVESTIGATOR VERONICA VALLECILLO: But it should go through the board agenda, correct? It should be placed on the board agenda?

KEITH OSWALD: Correct. That, I -- I worked with Mark Mitchell on.

INVESTIGATOR VERONICA VALLECILLO: Okay.

KEITH OSWALD: So when Mark redid the paperwork -- and, in fact, when I was in the investigation because Kenyetta asked when did it go -- Mark submitted the date it went to the board.

INVESTIGATOR VERONICA VALLECILLO: Uh-huh. Yeah,
and it did definitely.

KEITH OSWALD: Yeah.

INVESTIGATOR VERONICA VALLECILLO: It was placed on the agenda. I don't think her name is on there because there were so many transfers, reassignments in July because this happened in July. There were hundreds of people, so her name is not on there like it usually is when there's a few people.

KEITH OSWALD: Well, that's not my --

INVESTIGATOR VERONICA VALLECILLO: No, absolutely no.

OSCAR RESTREPO: No, no.

INVESTIGATOR VERONICA VALLECILLO: But I just want to let you know it definitely did go through --

KEITH OSWALD: In fact, I told Bonnie it would be on an --

INVESTIGATOR VERONICA VALLECILLO: -- the board.

KEITH OSWALD: -- agenda because I warned her.

INVESTIGATOR VERONICA VALLECILLO: Yeah, no. It definitely --

KEITH OSWALD: Because she was worried about --

INVESTIGATOR VERONICA VALLECILLO: -- did go through the board.

KEITH OSWALD: -- how it would be perceived.

INVESTIGATOR VERONICA VALLECILLO: Yeah.
KEITH OSWALD: So I warned her it would be on an agenda, it has to go to the board, so I did tell her that.

INVESTIGATOR VERONICA VALLECILLO: Did you -- and -- and, again, I don't know if this is something that happens automatically because she was a principal. But according to Bonnie, there was a board agenda June 24th or the June 24th agenda where she was basically renewed as a principal on assignment. Did you know about that? Did you give any directive regarding that?

KEITH OSWALD: No. No idea what you're talking about. All I know is that, I mean, principals typically go to get renewed. I know that HR has their function around that. But at that point, we worked with HR on, you know, a letter showing how this is her new assignment. I think -- I'm sure you have that documentation.

OSCAR RESTREPO: We do.

INVESTIGATOR VERONICA VALLECILLO: Yes, yes.

KEITH OSWALD: So that she signed off, and that's what was going to be moving going forward.

INVESTIGATOR VERONICA VALLECILLO: So when you spoke to Bonnie about the whole -- her moving and her basically taking a demotion from being a principal on
assignment to being a specialist, did you ever make
the comment to her to stay under the radar?
KEITH OSWALD: Stay under the radar?
INVESTIGATOR VERONICA VALLECILLO: Uh-huh.
Anything that even remotely sounds like it?
KEITH OSWALD: No. She was nervous about COVID, so -- and she was fearful. I said, "This position" --
everybody's working remotely at that point. I said, "You'll be able to support schools," like a
conversation around, like, in a distance world, we
work -- you know, now Google Meet was starting to
become more -- everybody was getting the hang of this
kind of stuff.
So -- and nobody was going into buildings. So
you -- you -- you'd be in a position to support
schools versus if you were principal, you know, that
-- we were kind of in and out with principals coming
into buildings. She was nervous about contact and
COVID.
I said, "This" -- that was part of the selling
point, I think, that she liked about the position and
agreed to take the demotion versus being a principal.
She says -- at that point she disclosed she was
nervous about going being -- to being back to
principal, that she didn't want that because she was
fearful of getting sick and dying.

INVESTIGATOR VERONICA VALLECILLO: So you talked to her about that, but did you ever make the comment to her on any -- anything about under the radar?

KEITH OSWALD: No. In fact, she said to me when we met face to face on January 20th, or whatever that was, when she's walking out, like -- we were walking out, and she's like coming up to -- what were you even thinking? Like, how would you not reach out?

Well, I thought you wanted me to stay under the radar.

I'm like, "Stay under the radar? You're -- you're getting paid." Like, I'm just beyond disbelief that for months she wouldn't have reached out to somebody.

INVESTIGATOR VERONICA VALLECILLO: Yeah, because she --

KEITH OSWALD: Well, you were so busy, and I didn't want to cause you more stress. Like, really?

Well, you just added to it, so.

INVESTIGATOR VERONICA VALLECILLO: That's what she is standing by. She's saying that you told her to stay under the radar. She even said that in February you told her --

KEITH OSWALD: So does under the radar -- even if
I said something like that, which I -- does that mean don't work?

INVESTIGATOR VERONICA VALLEcillo: I --

OSCAR RESTREPO: That's what --

INVESTIGATOR VERONICA VALLEcillo: That's what we want to understand.

OSCAR RESTREPO: -- she took it to mean.

INVESTIGATOR VERONICA VALLEcillo: But that's what she took that to mean, just basically stay under the radar.

KEITH OSWALD: That is a bunch of BS.

INVESTIGATOR VERONICA VALLEcillo: She took that very literal, if you did actually --

KEITH OSWALD: No.

INVESTIGATOR VERONICA VALLEcillo: -- use those words with her.

KEITH OSWALD: No. She had responsibility to work with schools. We talked about that. She would be working with schools to improve their performance. These schools typically are struggling.

INVESTIGATOR VERONICA VALLEcillo: Do you text with her? Not on a regular basis, but, I mean, like, do you -- have you texted with her in the past?

KEITH OSWALD: A little bit, yeah.

INVESTIGATOR VERONICA VALLEcillo: Because she
said that -- I think it was in January, right before
the meeting that took place with her and everybody
else, that you sent her a text probably notifying her
of the meeting.

And she says that in her reply to you, she told
you that you told her to stay under the radar.

KEITH OSWALD: Does she have that in a text?

INVESTIGATOR VERONICA VALLECILLO: She does.

KEITH OSWALD: That I said stay under the radar?

INVESTIGATOR VERONICA VALLECILLO: No, no, no.

Well, her response to you is, well, I haven't been
doing much because you told me to stay under the
radar.

KEITH OSWALD: Oh, that's after this all blew up.

INVESTIGATOR VERONICA VALLECILLO: That was in
January.

OSCAR RESTREPO: Yes.

INVESTIGATOR VERONICA VALLECILLO: Correct.

Right before --

KEITH OSWALD: Yeah.

INVESTIGATOR VERONICA VALLECILLO: -- you guys --

KEITH OSWALD: Yeah. Well, yeah, yeah.

(Indiscernible) stay under the radar. I never said
don't work.

INVESTIGATOR VERONICA VALLECILLO: Do you -- do
you recall getting that text, or do you have it there?

KEITH OSWALD: I'm looking.

INVESTIGATOR VERONICA VALLECILLO: I'm curious to see if you replied to her and asked --

KEITH OSWALD: I know. I'm trying to see.

INVESTIGATOR VERONICA VALLECILLO: -- her about that. Because it's definitely -- it's an odd statement to make.

KEITH OSWALD: Right.

INVESTIGATOR VERONICA VALLECILLO: And --

KEITH OSWALD: And if -- for what reason would I tell her to stay under the radar? Like, what is that going to gain?

INVESTIGATOR VERONICA VALLECILLO: We just want to make sure your plan was not to --

KEITH OSWALD: No, I didn't --

INVESTIGATOR VERONICA VALLECILLO: -- have her --

KEITH OSWALD: She said, "Hi. Hope you are well.

"I'm doing okay, trying to stay safe and well."

Oh, no. Wednesday, January 13th, I wrote, "Hey, hope all is well. Sent you an invite to get an update on your work with the charter schools next week."

INVESTIGATOR VERONICA VALLECILLO: Yeah.

KEITH OSWALD: Because then I'm like what the hell is going on. And she texts, "Hi. Hope you are
well. I am doing okay, trying to stay safe and well.

So far, so good. Yes, I thought I accepted it. I,

unfortunately, will not have much to report. I stayed

under the radar, as you suggested, and that's what

pissed me off.

And I was like what the hell is she talking

about?

INVESTIGATOR VERONICA VALLECILLO: Did you --
KEITH OSWALD: I --

INVESTIGATOR VERONICA VALLECILLO: -- respond to

her there?

KEITH OSWALD: No.

INVESTIGATOR VERONICA VALLECILLO: Okay.

KEITH OSWALD: No, I never responded because I

was so pissed.

INVESTIGATOR VERONICA VALLECILLO: Yeah. Because

this has --

KEITH OSWALD: I --

INVESTIGATOR VERONICA VALLECILLO: -- come up a

lot, and obviously --

KEITH OSWALD: That's her words, not mine.

INVESTIGATOR VERONICA VALLECILLO: And -- and

she's saying that you said that. Obviously, that's

why we have you here --

KEITH OSWALD: Yeah.
INVESTIGATOR VERONICA VALLECILLO: -- to understand where that even came from, what -- how she would have even alluded to that.

KEITH OSWALD: No.

INVESTIGATOR VERONICA VALLECILLO: But we want to make sure --

KEITH OSWALD: And because this was in writing, I was like --

INVESTIGATOR VERONICA VALLECILLO: Yeah.

KEITH OSWALD: You're -- you're just trying to set me up. Like --

INVESTIGATOR VERONICA VALLECILLO: We.

KEITH OSWALD: -- you're crazy.

INVESTIGATOR VERONICA VALLECILLO: We want to just verify that it was never your plan to basically -- and you know her salary. She gets paid --

KEITH OSWALD: Absolutely not would I have --

INVESTIGATOR VERONICA VALLECILLO: -- quite well --

KEITH OSWALD: -- any employee --

INVESTIGATOR VERONICA VALLECILLO: -- and for her not to do anything.

KEITH OSWALD: -- to -- to not do anything. And for what -- what motivation would I have to tell her
not to do anything?

INVESTIGATOR VERONICA VALLECILLO: Yeah.

KEITH OSWALD: That makes absolutely no sense. I would never tell anybody to do that, so absolutely not.

INVESTIGATOR VERONICA VALLECILLO: Yeah. That's just one of the main reasons that we want to understand that there --

KEITH OSWALD: That's --

INVESTIGATOR VERONICA VALLECILLO: -- wasn't anything behind that.

OSCAR RESTREPO: Were you just being a nice guy?

KEITH OSWALD: No. People get paid.

OSCAR RESTREPO: (Indiscernible.)

KEITH OSWALD: You know, I -- listen, I didn't get this far being unethical. I am ethical, and I will stand by that to the day I die. Okay? And too many people don't do the right thing. When I was principal and everything else, you've got to follow the rules. Okay?

Like, you want to say was it super clean when I was placed there? Well, there was a different situation, and people can judge from the sidelines. But she has a track record of doing good work, so out of respect of her as an employee, just as I would
anybody who does their work -- Bonnie and I are not friends. We don't hang out. We're not -- like, what do I owe her?

So it's just ludicrous. And sit home and take a pay? You think I could sleep at night if I'm saying you're taking frickin' money from the district and not getting paid?

INVESTIGATOR VERONICA VALLECILLO: Yeah.

KEITH OSWALD: That's -- I would never do that. I couldn't sleep with myself because I'm -- you know.

INVESTIGATOR VERONICA VALLECILLO: Yeah because basically where we're at is you gave her the -- you know, you gave her the directive that she was no longer going to be a principal on assignment, that she was supposed to go to charter schools. Whether you told her to contact Joe or you told Joe to contact Bonnie, they didn't contact each other. And that's --

KEITH OSWALD: And that's why I started -- met with Vicki, and she assigned Kenyetta to investigate it because at that point, I was -- I wanted to discipline both of them.

INVESTIGATOR VERONICA VALLECILLO: Yeah. So --

KEITH OSWALD: At a minimum.

INVESTIGATOR VERONICA VALLECILLO: -- six months --
OSCAR RESTREPO: We took that away from them.

KEITH OSWALD: I know. They told me.

INVESTIGATOR VERONICA VALLECILLO: Yeah.

KEITH OSWALD: So because I asked for an update because if Bonnie was a principal, what -- she should know better. She should know better, and she should -- from being a principal, how wrong that's -- that is. Would you ever ask any of your teachers to do something like that?

So both her and Joe are wrong in so many ways because of being a principal in the past and -- and understanding the way the system works and how wrong it is.

INVESTIGATOR VERONICA VALLECILLO: Yeah. And then the problem is that because she was placed under Title I, her -- her salary is being funded through those federal funds, and she wasn't doing anything from July to January when this whole thing started coming to light.

KEITH OSWALD: That's why I was having it investigated as far as --

INVESTIGATOR VERONICA VALLECILLO: There was --

KEITH OSWALD: What does that mean?

INVESTIGATOR VERONICA VALLECILLO: She didn't do anything, so --
KEITH OSWALD: Well, absolutely, and that's why I have it under investigation. And I think you could look at the entire system around people that are sitting home and look at what are people doing, what are they actually producing. So that's why --

INVESTIGATOR VERONICA VALLECILLO: Have you had any conversations --

KEITH OSWALD: -- I had it investigated.

INVESTIGATOR VERONICA VALLECILLO: -- with Nicole regarding that issue, that her -- she's supposed to be -- her salary is being funded through federal funds, but she wasn't actually doing anything?

KEITH OSWALD: No, because it was under an investigation.

INVESTIGATOR VERONICA VALLECILLO: Okay. But you haven't --

KEITH OSWALD: So -- because I couldn't talk about it (indiscernible). And you guys were investigating it, so I couldn't have that conversation until -- I didn't want to start something because it wasn't -- I hadn't finished the investigation with Kenyetta, and you haven't finished yours, so I didn't have that complete conversation and what that means.

INVESTIGATOR VERONICA VALLECILLO: Gotcha. Okay.

And then just --
KEITH OSWALD: I have a 101 with Dr. Fennoy at 9:00. Can I come back when it's done? It's a half hour.

INVESTIGATOR VERONICA VALLECILLO: We're -- we're pretty much done.

OSCAR RESTREPO: Yeah, we're done.

INVESTIGATOR VERONICA VALLECILLO: Do you have any follow-up questions?

OSCAR RESTREPO: No.

INVESTIGATOR VERONICA VALLECILLO: Yeah. No, we're good.

KEITH OSWALD: Just since he's superintendant.

INVESTIGATOR VERONICA VALLECILLO: Let's just --

OSCAR RESTREPO: Yeah, absolutely.

INVESTIGATOR VERONICA VALLECILLO: A little important. All right. So is there anything else that you think we should know that we may not have asked you, or do you have any other information that is relevant?

OSCAR RESTREPO: If you'd like to come back, we would absolutely --

INVESTIGATOR VERONICA VALLECILLO: Yes.

OSCAR RESTREPO: -- have you back.

KEITH OSWALD: Just -- no. I mean, if -- if something like -- if someone's like -- if I'm being
accused of something or if I'm under investigation,

I'd just like to know if that is accurate because --

OSCAR RESTREPO: Well, right now, we're -- we're

-- we're looking at --

KEITH OSWALD: Yeah. I think you understand what

I'm saying.

OSCAR RESTREPO: Yeah. We're looking at the

process. In interviewing people, they pointed fingers

at you as, hey, this woman's been getting paid for 11

months and being told to sit at home.

KEITH OSWALD: It's --

OSCAR RESTREPO: Work wasn't done. There was no

transfer orders, that kind of stuff.

KEITH OSWALD: But if you're approving payroll

and going through the motions --

OSCAR RESTREPO: That's going to be --

KEITH OSWALD: -- and you never --

OSCAR RESTREPO: -- something that --

KEITH OSWALD: And you never reach out on either

side --

OSCAR RESTREPO: (Indiscernible) payroll.

INVESTIGATOR VERONICA VALLECILLO: Yeah, that's a

whole nother aspect of our --

OSCAR RESTREPO: That's another aspect of the

investigation (indiscernible) was not approving
payroll.

KEITH OSWALD: What do you mean, not approving payroll?

OSCAR RESTREPO: Exactly what I told you.

INVESTIGATOR VERONICA VALLECILLO: Exactly that.

He wasn't approving payroll.

OSCAR RESTREPO: (Indiscernible) report at 900 or something. If you want to come back, we can talk about it afterwards.

KEITH OSWALD: Okay.

INVESTIGATOR VERONICA VALLECILLO: But wait, hold on. So let me just close this out. So as you know, please don't discuss anything that we have discussed today until we have completed our investigation. Will you maintain that confidentiality?

KEITH OSWALD: Yes.

INVESTIGATOR VERONICA VALLECILLO: Okay. And then have any threats or promises been made to you making this statement?

KEITH OSWALD: No.

INVESTIGATOR VERONICA VALLECILLO: Okay. This concludes our recorded sworn statement of Mr. Oswald. The time is now 9:01.

OSCAR RESTREPO: Are you going to come back?
