Who Makes the Selection

1. Each book made available to students through this School District’s library media centers must be selected by a school district employee who holds a valid educational media specialist certificate, regardless of whether the book is purchased, donated, or otherwise made available to students.

2. Further, employees holding a valid educational media specialist certificate must also have completed the required Florida Department of Education training currently available as incorporated in State Board of Education Rule 6A-7.0715. The training must be completed annually.

3. In addition, the person selecting the books is employed at that school location or if a qualified person is not employed at the school, by another District employee with these qualifications.

4. For resources needing additional review by District Library Media Services, school-based certified library media specialists or principal designee will use PBSD 2671 to solicit additional input.

5. Consultation with stakeholders is required which is accomplished by the following after media specialist review:

The message will state that there are new materials under consideration, the link to find the list of materials, the request that the list be reviewed, and the deadline(s) for submitting questions or comments.

   c. The members will be asked to provide comment to the District email address below and to send the information to persons in the community who are not committee members. In addition, there will be a standing item on this
committee’s agenda for all meetings relating to input on the new materials under consideration.

d. Stakeholders with questions, comments, or concerns are directed to the following email address: librarymediaservices@palmbeachschools.org, for sending their feedback to be reviewed by the District Library Media Services for consideration.

e. Selections may be purchased or accepted 72 hours after posting for book fair materials and two weeks after posting for all other purchases or donations. They will share that plan with both their principal and District Library Media Services. Once the plan is approved, the school will post the school’s plan on the school website. District Library Media Services will offer annual training on this process.

The School Collection Development Plan will include: School Mission Statement, Library Mission Statement, Purpose of the Collection Development Plan, School Community Description, Description of Your Library Program, Budget and Funding, Scope of Collection, Collection Development, Gifts and Donations, Collection Maintenance, Challenged Materials, and Goals and Objectives.
