Vendor Registration Process

This presentation will inform vendors how to receive notifications regarding competitive solicitations offered through the School District of Palm Beach County for:

- Goods
- Services and
- Construction related solicitations

To view solicitations, Vendors must register with Periscope S2G, a division of Periscope Holdings, our online e-procurement service

How it Works

The Vendor registration identifies vendors who wish to receive Competitive Solicitations released by the Purchasing and Construction Purchasing Department for the School District of Palm Beach County, Florida

Periscope S2G's automated notification services will send new opportunities via e-mail

All responses must be submitted electronically. Hard copy or email responses will not be accepted

The screenshot shows the Periscope Resource Center interface. At the top left is the logo "periscope. powered by mdf commerce". The main header area has a dark background with colorful bokeh lights and the text "Resource Center" in large white font. Below the header is a search bar with a magnifying glass icon and the text "Search". To the right of the search bar is a "Sort by:" dropdown menu currently set to "Most Recent". Underneath the search bar is an "Audience" section with three radio button options: "Buyers" (unselected), "Suppliers" (selected with a red square), and "All" (unselected). To the right of the audience filters are two small images: one showing a person in a white shirt working on a laptop, and another showing a person in a brown sweater typing on a laptop.
