Rating Action: Moody's assigns Aa3 to Palm Beach Co. (FL) School District's $104M COPs, Series 2018B

Global Credit Research - 06 Feb 2018

New York, February 06, 2018 -- Moody's Investors Service has assigned a Aa3 rating to Palm Beach County School District, FL's $103.77 million Certificates of Participation, Series 2018B. We currently maintain a Aa2 Issuer Rating and a Aa3 rating on $1.4 billion of outstanding COPs. The outlook is stable.

RATINGS RATIONALE

The Aa3 COP rating reflects the essential nature of the leased assets and is notched off the Issuer Rating. The Aa2 Issuer Rating reflects the district's adequate financial position, very large, expanding tax base with strong demographics, and manageable debt burden.

RATING OUTLOOK

The stable outlook reflects the expectation that the district's tax base will continue to expand given its growing tourism economy and recent increases in taxable values. The outlook also reflects the district’s limited reserve position, which is expected to increase at a moderate pace given management's conservative budgeting practices.

FACTORS THAT COULD LEAD TO AN UPGRADE

- Material increase in state aid and property tax revenues
- Substantial strengthening of district reserves and cash
- Significant improvement in available capital funds to pay for lease obligations and capital needs

FACTORS THAT COULD LEAD TO A DOWNGRADE

- Additional demands on limited available capital funds
- Future financial deterioration, inability to maintain structural balance or grow reserves in step with revenues
- Overleveraging of capital outlay millage

LEGAL SECURITY

The COPs are issued under a Master Lease and are secured by the Board's annually appropriated lease payments.

USE OF PROCEEDS

Proceeds will be used to refund $102 million Series 2012B COPs and to pay a swap termination fee of approximately $19.5 million.

PROFILE

The school district is reportedly the fifth largest school district in the state and 12th in the nation, based on enrollment. There are 183 schools, about 184,578 students, and over 21,000 full-time and part-time employees.
