Title I Comprehensive Schoolwide Plan
GLADES CENTRAL HIGH SCHOOL (2301)
ELA

Using your recording templates from your CNA discussions respond to each item in detailed.

1. List prioritized needs statements.

According to our PM2 ELA assessment, the 9th students test score shows that 19.4% of our students met or exceeded threshold compare to 16.5% meeting threshold on PM1 assessment. Which is a 2.9% increase. According to our PM2 ELA assessment, the 10th students test score shows that 26.5% of our students met or exceeded threshold compare to 18.3% meeting threshold on PM1 assessment. Which is an 8.2% increase.

2. List the root causes for the needs assessment statements you prioritized.

Our students are entering high school at least two years below grade level. Students lack the time needed to fully master fundamental skills in order to comprehend the curriculum. We have an average of one substitute and one new teacher teaching in the ELA department. The ELA teachers struggle with differentiate instruction and small groups instruction. Teachers are not fully implementing the MTSS (Tier 1, Tier 2, and Tier 3) process with fidelity. On-Going cycle of initial PD (inability to dig dipper) and move past the introductory stages. Grade level support meeting with school counselor or academic coaches to assist parents with monitor and track students’ performance. Parents/families have limited access to the school’s technology grading monitoring system.

3. Share possible solutions that address the root causes.

Possible solutions could be to offer Professional Development (PD) to ensure teacher’s capacity is developed and will allow teachers to use a variety of methodologies that will ensure students’ progress and growth. Small group differentiated instruction which allows students to work at their pace and instructional level to ensure success. PLCs with academic coaches and Single School Culture Coordinator which would allow professionals to come together collaborative setting to review data, plan lessons, and share best practice to support student learning. Pullout and push-in support, writing and reading simulations, weekly data chats, parent night for 9th and 10 grade students, and home visits after school hours to provide parents with support in understanding how to access SIS Gateway and navigate the various components of the SIS system.

4. How will school strengthen the PFEP to support ELA?
SAC meetings, increase social media posting, email blast, continue with call outs, post announcements in Google Classroom. Beyond the Walls Community Outreach Events. School website postings, SIS Gateway, phone calls from teachers, school counselors, administration, and our school behavioral health person. Home visits.

- **Parent Training**

  Raider Roadmap to Graduation, 9th & 10th grade ELA parent training night, 11th & 12th grade SAT/ACT, FASA night, and AVID parent night.

5. How will each stakeholder group strengthen the School-Parent Compact to support ELA?

- **School**

  Provide an environment conducive to learning, provide meaningful and appropriate consistently, and maintain open lines of communication with student and his/her parent/guardian. Glades Central will also seek ways to involve parents in the school programs.

- **Students**

  Always try to their best in my work and with their behavior work cooperatively with their classmates, Show respect for myself, my school, and other people, Take pride in my school, Come to school prepared with my homework, supplies, and proper dress code Believe that I can and will learn Abide by district/school policies.

- **Parents**

  See that their child attends school regularly and on time Provide a home environment that encourages my child to learn Insist that all homework assignments are completed Communicate regularly with my child's teachers Support the school in developing positive behaviors Talk with my child about his/her school activities every day Encourage my child to read at home and to monitor his/her use of technology Show respect and support for my child, the teacher, and the school Participate in extracurricular activities of my child.
• **Staff Training**

Data analysis to assist with differentiate instruction (small group instructional). The MTSS process (Tier 1, Tier 2, and Tier 3). Effective Meaningful Communication with parents/families.

• **Accessibility**

SAC meetings, increase social media posting, email blast, continue with call outs, post announcements in Google Classroom. Beyond the Walls Community Outreach Events. School website postings, SIS Gateway, phone calls from teachers, school counselors, administration, and our school behavioral health person. Home visits. **Math**

Using your recording templates from your CNA discussions respond to each item in detailed.

1. List prioritized needs statements.

   According to the end of Semester 1 assessment data for Algebra 1 the average percentage of students that are proficient in Algebra 1 is 26%. According to the Geometry end of Semester 1 assessment data the average percentage of students that are proficient in Geometry is 31%

2. List the root causes for the needs assessment statements you prioritized.

   The students are coming to us at least three years below level in mathematics. This school year (23), there are two substitutes and one teaching positions that took a while for the teacher to be hired. The teachers do not have enough class time to present the lesson because students asked to show work in their interactive notebooks. The teachers are struggling with small group instructions. On-Going cycle of initial PD (inability to dig dipper) and move past the introductory stages. Grade level support meeting with school counselor or academic coaches to assist parents with monitor and track students' performance. Parents/families have limited access to the school's technology grading monitoring system
3. Share possible solutions that address the root causes.

Possible solutions could be to offer Professional Development (PD) to assist teachers with differentiate instruction (small group instruction) and to ensure teacher's capacity is developed and will allow teachers to use a variety of methodologies that will ensure students’ progress and growth. Academic tutors to push-in or pull out students. After school tutoring twice a week, intense review math vocabulary and practice through technology. Increase teacher opportunity to participate in all day curriculum planning twice a semester and to plan re-teaching activities. PLCs with academic coaches and Single School Culture Coordinator which would allow professionals to come together collaborative setting to review data, plan lessons, and share best practice to support student learning. Pullout and push-in support, weekly data chats, parent night for 9th algebra 1 and 10 grade geometry students, and home visits after school hours to provide parents with support in understanding how to access SIS Gateway and navigate the various components of the SIS system. Assigned IXL assignments to focus on current topics and weakness from the assessments (midterm). Weekly EOC review sessions in the Media Center to focus on targeted students.

4. How will school strengthen the PFEP to support Math?

- Communication

- **Accessibility**

  Translate documents and interpreters for academics reports, flyer agendas etc. Google Meet for parents who cannot attend meetings due to physical accessibility. Community/Business Partners with Migrant Education, and SBT meetings for homeless students. Home Visits. Schedule meetings earlier or later during the school day.

**Science**

Using your recording templates from your CNA discussions respond to each item in detailed.

1. **List prioritized needs statements.**

   According to our Science/Biology Midterm assessment data the students’ average test score is 44%.
2. List the root causes for the needs assessment statements you prioritized.

Science teachers need to increase their hands-on or virtual labs, providing intense review of vocabulary through technology (quizizz, Kahoots, Nearpod Labster), use more academic games and reviewing/re-teaching through escape room games. Another root cause is after each interim assessment the Science teachers need to have an opportunity to spend the day to take apart the test questions/data and plan their re-teaching activities. This school year (23), there are two substitutes and one brand new teacher that needs a lot of professional development. On-Going cycle of initial PD (inability to dig dipper) and move past the introductory stages. Academic coaches to pull students for data review and data chats. Grade level support meeting with school counselor or academic coaches to assist parents with monitor and track students' performance. Parents/families have limited access to the school's technology grading monitoring system.

3. Share possible solutions that address the root causes.

Academic tutors to assist with small group instruction/hands-on labs, interactive resources Increase teacher opportunity to participate in all day curriculum planning twice a semester and to plan re-teaching activities. Plan engaging activities that address the varying learning styles of all students. (Board Games, Escape Rooms, Webquests, Virtual Labs, Station Labs, Dominoes Loop Games. Analyze data to determine areas of strengths and concerns. Create reteach lessons and assessments based on data analysis.

4. How will school strengthen the PFEP to support Science?

Social Studies

Using your recording templates from your CNA discussions respond to each item in detailed.
1. List prioritized needs statements.

According to our Social Studies mid-term assessment data, our students average test score is 51%.

2. List the root causes for the needs assessment statements you prioritized.

Social Studies department do not have a coach to assist the teachers with data chats, small groups instruction, and some teachers might not get the attention that they need. Another root cause is there are two new teachers in the Social Studies department and students are lacking the time needed to master fundamental skills. Two new teachers were hire for SY23 that needs a lot of professional development. On-Going cycle of initial PD (inability to dig dipper) and move past the introductory stages. Grade level support meeting with school counselor or academic coaches to assist parents with monitor and track students' performance. Parents/families have limited access to the school's technology grading monitoring system.

3. Share possible solutions that address the root causes.

Professional development (PD) to present best practices, and tutors to assist with data chats, data retrieval, push-in/pull-out, and co-teaching. Increase teacher opportunity to participate in all day curriculum planning twice a semester and to plan re-teaching activities. Use of PPT with focused notes; Interactive Learning Games. One-on-one support to students who need additional Heritage Language support.

4. How will school strengthen the PFEP to support Social Studies?

**Acceleration Success**
Using your recording templates from your CNA discussions respond to each item in detailed.

1. List prioritized needs statements.

Current data for FY22 is 66.6%.

2. List the root causes for the needs assessment statements you prioritized.

Students were not given the opportunity to sit for the exam 3 times. SWD students were not give their accommodations as stated on their IEP. Data chats with teachers or students was not taking place. AICE and AVID parent don't fully understand the meaning of students earning AICE diploma and the various college tours/visits that the students goes on during the school year. Master schedule how courses are scheduled sometimes impact students' ability to take certain courses.

3. Share possible solutions that address the root causes.

Be intentional in placing ELL, Whites, and SWD students in High School Accelerate Courses. Closely monitor student's acceleration. Provide instructional support for all accelerated courses. Administrator/Teacher Data Chats with targeted students. Develop & implement a plan for preparing targeted students for exam, develop an exam timeline to afford all students 3 opportunities to take IC exams, AP-AICE and EOC exams. Biweekly Admin. Data chats to discuss student's performance with an emphasis on the targeted students. Request accommodation from Cambridge and College Board. Increase student's eligibility for Dual Enrollment AICE and AVID parent meetings to assist parents in understanding the various opportunities that comes with earning your AICE diploma and the various opportunities for college tours.

4. How will school strengthen the PFEP to support Acceleration Success?

Graduation Rate
Using your recording templates from your CNA discussions respond to each item in detailed.

1. List prioritized needs statements.

   Current graduation rate for FY 22 is 90.8%. Which is an 3 points increase from FY 22.

2. List the root causes for the needs assessment statements you prioritized.

   Graduation Cohort meetings were not taking place monthly with administrators and school counselors. Data chats were not taking place every 3 weeks during a 9-week grading period. Grade level support meeting with school counselor or academic coaches to assist parents with monitor and track students' performance. Parents/families have limited access to the school's technology grading monitoring system.

3. Share possible solutions that address the root causes.

   Encourage all students to engage in academics, to study, focus, and to complete/submit all work according to instructions and by deadlines. Counselors are recommending that students attend tutoring and remain in contact with all teachers via emails. Counselors complete update records when students complete Edgenuity and FLVS courses as well as when records are received from other schools. **Mission Statement**

Create one statement that communicates the vision for parent and family engagement in a motivating way. The mission statement should:

- reflect the beliefs or values the school holds regarding the importance of family engagement;
- explain the purpose of the school’s Parent and Family Engagement Plan;
- be written in parent-friendly language; and
- inspire stakeholders to be engaged and supportive of the program.
1. Mission Statement

Our school strive to empower parents and families to support and enrich their children's cognitive and social-emotional development by providing training, resources, support, and information that is aligned to the needs of families, community partnerships, and to the School District of Palm Beach County’s Strategic Plan.

Involvement of Stakeholders

Describe how the school will engage stakeholders (parents, families, school personnel, District staff and community) in the planning, development, review, implementation and improvement of the Title I Schoolwide Plan. Include decisions regarding how funding will support parent and family engagement. All SAC meetings should have Title I as a standing agenda item and discussion of such is reflected in the minutes to ensure compliance is met. (Note: Evidence of stakeholder input during the CNA process is available in the CNA Launcher.)
2. What are the procedures for selecting members representing all stakeholders? Describe the process for electing members.

The principal extended an invitation to the faculty and staff to see if anyone would like to volunteer. During Pre-school call-outs and email are sent out to parents/families extending an invitation to join SAC and/or attend our parent/families meetings/workshops. During SAC meetings information is presented to the stakeholders to join or do the stakeholders know of anyone that would like to join. This invitation is done during our faculty meetings. Once a parent, community/business person shows interest, the process is explain to them and an invitation is extended for that person to join.
3. How will stakeholders be involved in jointly developing the Schoolwide Plan (CNA/SWP/PFEP)? Include details of meeting dates and times.

The meeting was held February 21, 2023 for stakeholders to review, discuss, and develop the CNA, SWP, and PFEP. Revisions will be made based on stakeholders feedback. Additional SAC meetings held during the school year to further assist with evaluating the current effectiveness of the plan as well as providing opportunities for future improvements to the plan.

4. How did stakeholders provide input as to how Title I funding will support parent and family engagement? Include the outcome.

Stakeholders provided input by attending monthly SAC meeting face to face and Google Meet in February and one via Google Meeting and face to face in May. Input was obtain and documented on the Stakeholder input recording template. On-going input will be asked for during our monthly SAC meetings. Funds will be utilized to purchase parent resource materials, paper, postage to involve parents through parent meetings, training, parent link callouts.

The team (made up of teachers, staff and administrators) meets monthly to discuss strategies that encourages positive behavior among students. The team also discusses incentives for students. SWAG Bucks are given to teachers each month. Teachers reward students with SWAG bucks when they meet one of the goals on the SWAG (Safety, Willingness, Achievement, Genuine) matrix. To get teacher and student buy-in, a door contest and/or video is encouraged for all to participate in. The SwPBS Committee judges the best presentations and sit-down, hot breakfast is awarded to the best class presentation. Students can use their Bucks to purchase snacks from the Snack Cart after school. During the 2nd semester, students are rewarded for having perfect attendance and getting to class on time with an Ice Cream Social. During the monthly admin. meeting we focus on team building activities, motivational speakers (video presentations), etc. Glades Central High School students are referred to School Based Counselors by teachers and admin. Tier 2 and Tier 3 behavior students are referred to School Based Team and School Based Counselors. Counselor meet with students (and their parents when needed) at least once a week to develop an academic and behavior plan. They discuss and celebrate any progress made, challenges students continue to face and talk through strategies that can be used to aid in the students’ success. The Counselor also follows up with school based counselors or admin. to provide updates. Glades Central High School also has a partnership with several outside agencies. Some include: Youth Counseling Services and DATA. These agencies provide Tier 2 and Tier 3 students with additional support and wraparound services. These Counselors meet with students (and their parents when needed) at least once a week to develop an academic and behavior plan. They discuss and celebrate any progress made, challenges students continue to face and talk through strategies that can be used to aid in the students’ success. The Counselor also follows up with school based counselors or admin to provide updates.

SBT/MTSS Implementation

Describe your implementation of a tiered model of support (SBT/MTSS):

- Identify students for tiered support;
- Determine supports needed;
- Implement support; and
- Track students’ progress.
1. **SBT/MTSS Implementation**

Tier 1 Glades Central High School uses the Gradual Release (GR) Model of Instruction for Instructional Delivery. There are 4 components of the GR Model: I Do (Whole Group – teacher led instruction); We Do (Guided Instruction – teacher and student working together); You Do It (Student Collaboration); We Do It Alone (Student working independently). The SwPBS plan is introduced to students during the first two-weeks of school. Teachers and Administrators review the SWAG (Safety, Willingness, Achievement, Genuine) Matrix and explain our behavior expectations. Referral to SBT to start interventions for academics or behavior. Tier 2 Glades Central High School is committed to addressing the needs of all students. In addition to Core Instruction/Behavior Support, some students receive the following small group differentiated instruction: During small groups some students are on the computer working on Reading Plus and Spire which are used for Tier II intervention these small group instruction are done in a Google Meet break-out room or face to face instruction. Math small groups students are working the computer, Pull out tutoring for targeted students are pull-out or signed-up for after school tutoring. Referral to Guidance: Guidance Counselors will conduct parent conferences and data chats with students. Referral to Outside Agency: To provide support in school, home, or community center. Alternative Placement for academics/behavior meetings are also scheduled if needed.

**Provision of a Well-Rounded Education**

How do you ensure all students are provided with a well-rounded education including enrichment opportunities? Describe:

- The process used to determine core instructional needs (data).
- How the school ensures instruction is aligned to standards.
- Courses/electives that are not considered core-content.
- Courses/electives that are focused on job skills.
- Opportunities to extend learning time.
- How the school connects classroom learning to real world applications
- How extra curricular opportunities enrich the students’ education.

*The term “well-rounded education” means courses, activities, and programming in subjects such as English, reading or language arts, writing, science, technology, engineering, mathematics, foreign languages, civics and government, economics, arts, history, geography, computer science, music, career and technical education, health, physical education, and any other subject, as
determined by the State or local educational agency, with the purpose of providing all students access to an enriched curriculum and educational experience. [ESSA, section 8101 (52)].

1. Well-Rounded Education

Glades Central High School currently has 3 Leadership Teams specifically focused on Instruction. These teams consists of teachers and administrators. The teams are: Admin, Instructional Leadership (ILT), and Guidance Cohort. They meet at least once a month (weekly and bi-weekly for Admin/ILT) to discuss and review data, discuss strategies, develop action plans, monitor progress and revise the plan when necessary. Data is a very important part of all discussions. Leadership Teams discuss school wide data. Examples of data analyzed: school based, district and state assessments, national standardized test (ACT/SAT), PSAT results, adaptive technology usage (Reading Plus, or Spire, ). Glades Central High School has created a Master Schedule that allows time for teachers in Core Classes (Math, Science, English, Social Studies) to plan individually and with members of their team. All teachers have at least one period per day to plan; this includes Electives (Academy Courses, PE, Music, etc.). During CIP (Collaborative Instructional Planning) and common planning time, teachers develop lesson plans that are driven by the standards and their individual student data. Although there is a heavy focus on core classes and state/national assessments, we are committed to providing our students with a well-rounded education. Our Mission Statement says, Glades Central is committed to ensuring ALL students have options upon completion of high school. This means, students will be prepared for college, military and the workforce. We currently offer courses to provide students with the job training. These courses/academies include: Medical Science Academy; students participate in clinicals at a Doctor's office in Pahokee and the Nursing Home. The Engineering Programs gives students an on-campus internship through their partnership with local Engineering Firms. The Agricultural Program provides students with opportunities to learn from local farmers and through their partnerships with the sugar cane industry. The students also go on field trips to local farms. This school year the Agricultural program has a food bank/pantry here on campus. Students needing additional support with their studies are encouraged to participate in our extended learning programs. We offer in class peer tutoring is provided to AVID students with AVID tutors. We also offer pullout tutoring opportunities during the day in select testing areas. In addition, we offer after school tutoring in all tested areas every Tuesday and Thursday from 3:00 – 4:00. In addition, we offer an open lab for homework, ACT/SAT registration and other assistance Monday – Thursday from 3:00 – 4:00. Glades Central High School also offers at least 30 extra-curricular opportunities to school. During the Fall and Spring Semester, we conduct Club 2.0 Rush Week. Club Sponsors and Members market their clubs the entire week with flyers, announcements, and other creative ways. On Friday of that week, each club has a booth setup to discuss their club and what it has to offer students. Interested students are able to ask questions and sign up if they would like to join. Through these extra-curricular opportunities, students are able to extend their learning beyond the classroom. They participate in college tours, team building activities community awareness events, and more.

Post-Secondary Opportunities and Workforce Readiness

How do you build students’ awareness of and readiness for post-secondary opportunities and the workforce? Consider the following examples:
1. Post-Secondary Opportunities and Workforce Readiness

Glades Central High School is committed to building students' awareness of and readiness for post-secondary opportunities and the workforce. Transition From Early Childhood to Elementary School

Elementary Schools: Describe the strategies used to assist preschool students in transitioning from early childhood education programs to elementary school. Consider:

- Headstart programs
- VPK on campus
- Bridges Program
- Meetings at local preschool programs to provide information to rising Kindergartners' parents
- Kindergarten Round-up
- On-site school tours for new kindergarten families
- Early school year start/summer program for incoming Kindergarteners
- Staggered start
- Meet the teacher
- Kindergartener for a day for pre-K students
• Pre-K parent trainings throughout the school year to provide Kindergarten readiness strategies

• Looping from Pre-K to K

• Collaboration with local preschools to develop readiness skills

Secondary Schools: Click on the Exemption button above if this is not applicable to you.

Professional Development

In addition to Title I funded professional development listed in the CNA/Strategies section, what other opportunities are provided for teachers, tutors, paraprofessionals, and instructional coaches to improve the delivery of instruction and the use of data to support instructional decisions? Consider:

• Regional Support

• District Curriculum Support

• Conferences (AVID, content specific, STEM, AP/IB/AICE, etc)

• APTT

• Peer Observation Program using Palm Beach Model of Instruction

• Mentoring

• PAR Teacher

• Online workshops

• Professional book study

• Consultants

• Multicultural and ESE trainings
1. Professional Development

Glades Central provides many opportunities to improve the delivery of instruction and use of data. Opportunities such as: Structured Data Days have been put in place to provide additional time for teachers to review data, collaborate, develop instructional focus calendars, etc, Monthly Mini PDs have been scheduled to focus on school academic initiatives (i.e. Cornell Note Taking, Rigor in the Classroom, Identifying Critical Content, Monitoring Students, How to incorporate the AVID binder, etc.), Biweekly or weekly Professional Learning Communities (PLC) are facilitated by the Single School Coordinator, Instructional Coach & Administrator, and Regional support team (2 people) are here on campus weekly conducting walk through, providing feedback, and attending PLC or ILT.

Recruitment and Retention of Effective Educators

How do you recruit and retain effective teachers (particularly in high need subjects)? Consider:

Recruitment:
- Job Fairs
- Collaboration with HR and Region Office
- Intern Teachers, Interim Teachers, Substitutes, Academic Tutors (Grow Your Own)
- Word of Mouth
- Glades Supplement
- Other Incentives such as signing bonuses and pay for performance

Retention:
- Orientation
- Mentoring/Peer Teacher
- Teaching Team with Team Leaders
- Collaborative Planning
- Department Chairs
- Coaching Support
- School/Employee Morale
- Professional Development
- Open Door Policy
- Opportunities for part-time pay such as tutoring
1. Recruitment and Retention

Glades Central High School is committed to providing a quality education for all students. This begins with highly effective teachers. As a means to recruit highly qualified teachers, we attend district and out of county job fairs, collaborate with our Human Resources (HR), Regional Office and Tricities Education Committee. In the event we are unable to secure a certified teacher for a position, we hold the substitute to the same teacher expectations. We also provide long-term substitutes with professional development, opportunities to plan and support from Instructional Leaders. Teachers working in any of our Glades Schools are offered a Glades Supplement and in some cases a signing bonuses and pay for performance. Once we have recruited the best and brightest teachers, we do everything we can to keep them employed as teachers at Glades Central High School. New teachers are brought in at least a week early for an orientation. They are assigned to Mentor Teachers and meet regularly, participate in Collaborative Planning, supported by Admin and Coaches and participate in Professional Development. In addition, teachers have opportunities to earn additional money as a tutor or club/sport sponsor. The Instructional Leadership Team has an open door policy. Teachers are free to ask questions and share their frustrations in a “judge free” environment. Teachers, staff and students are also celebrated daily; however, the 3rd day of each month has been set aside to share accomplishments with the entire Raider Family during Celebrate a Raider Day. Teachers are given teacher packets that consists of paper, writing utensils and other trinkets. Students are given gift cards. At the end of each year, teachers and staff are awarded gift cards based on the number of Irreplaceable Stars they have received each month. These gift cards are donated by the Admin Team.
