Title I Comprehensive Schoolwide Plan
PALM SPRINGS ELEMENTARY SCHOOL (0651)
Using your recording templates from your CNA discussions respond to each item in detailed.

1. List prioritized needs statements.

61% of students at PSES in grades 3-5 are not reading at proficiency.

2. List the root causes for the needs assessment statements you prioritized.

- Lack of vocabulary due to explicit vocabulary instruction not being taught in the literacy block.
- Large ELL population of students acquiring the English language.
- Reading deficiencies due to Language barriers to students who speak another language other than English.
- High teacher and student absences.
- Lack of effective common planning and collaboration on digging deeper into plans.
- Lack of foundational skills when entering into 3rd, 4th, and 5th grade.
- Little parent capacity - knowledge of standards.
- Lack of effective classroom management and behaviors.
- Fluency skills below grade level due to little or no explicit phonics instruction.
- Lack of reading stamina.
- Small group instruction not being implemented with fidelity.
- Lack of proper computer/typing skills.

3. Share possible solutions that address the root causes.

- Resource teachers to push in to all ELA blocks for double down instruction and intervention.
- Academic tutors to push into classrooms to support double down and intervention.
- Academic coaches to provide support with common planning and modeling rigorous instruction in whole group and small group.
- SSCC will provide PD on ELA standards and support with planning and implementation.
- LTF will assist with analyzing data to drive small group instruction and push in to support intervention.
- Fine arts and after school tutorial to increase student achievement.
- Attendance committee monitoring and providing student, teacher, and parent incentives.
- Parent University will be held monthly to provide training and PD to parents on the new standards, curriculum, importance of attendance, etc.
- Continue growing Dual Language to support our ELLs.
- Continue implementing AVID strategies to ensure students receive the skills necessary to be proficient.
- Small group materials and resources.
- Peer teacher observations to collaborate on best practices being utilized.
- All day planning each trimester supported by the coaches, SSF, and LTF.
- Dictionaries and cognates used by all ELLs.

4. How will school strengthen the PFEP to support ELA?
The school will communicate with families on an ongoing basis about student progress, events and trainings. The school will host Parent University throughout the year to discuss topics of interest and importance determined by all stakeholders.

- **Parent Training**

  **Literacy Night** - Parents will be able to better understand how standards are unpacked and what is required for proficiency in each grade level. Parents will learn how to use heritage language dictionaries to support at home, as well as how to identify cognates and use them with students at home. **Curriculum Night** - Parents will be informed about all content area standards and what standards are assessed each trimester. Parents will learn about the curriculum being used, data and assessment information required for end of year in each grade level, along with how to access the student/parent portal, including iReady.

5. How will each stakeholder group strengthen the School-Parent Compact to support ELA?

- **School**

  PSES will provide training on standards, analyzing data and net steps, along with communicating with parents on student progress. Teachers and staff will communicate via agenda, Dojo, Parent Link, newsletters.

- **Students**

  Students will come to school on time, prepared and ready to learn. Students will follow ROAR expectation and actively engage in the learning process. Students, along with teachers will set goals in order to increase achievement.

- **Parents**

  Parents will communicate with teachers. They will check and sign agendas and folders. Parents will attend conferences and school events.

- **Staff Training**

  Unpacking standards and aligning rigorous tasks with accountable talk. Training on standards based learning targets. PD on presenting data and reports to parents.
Math

Using your recording templates from your CNA discussions respond to each item in detailed.

1. List prioritized needs statements.

62% of students at PSES are below grade level in grades 3-5 in math.

2. List the root causes for the needs assessment statements you prioritized.

Lack of vocabulary due to high ELL student population acquiring the English language
No enough time for explicit instruction in fact fluency in the primary grades - Addition, subtraction and multiplication
Reading proficiency affects word problem mastery
Teachers need coaching and support during the planning process to deliver relevant instruction (using various types of questions) aligned to the rigor of the standards
Students need additional time and practice to mastery content

### Mission Statement

Create one statement that communicates the vision for parent and family engagement in a motivating way. The mission statement should:

- reflect the beliefs or values the school holds regarding the importance of family engagement;
- explain the purpose of the school's Parent and Family Engagement Plan;
- be written in parent-friendly language; and
- inspire stakeholders to be engaged and supportive of the program.

1. **Mission Statement**

Our school strives to empower parents and families to support their children's cognitive and social-emotional development by strengthening district, school, family and community partnerships through communication, resource support, and training.
Involvement of Stakeholders

Describe how the school will engage stakeholders (parents, families, school personnel, District staff and community) in the planning, development, review, implementation and improvement of the Title I Schoolwide Plan. Include decisions regarding how funding will support parent and family engagement. All SAC meetings should have Title I as a standing agenda item and discussion of such is reflected in the minutes to ensure compliance is met. (Note: Evidence of stakeholder input during the CNA process is available in the CNA Launcher.)

2. What are the procedures for selecting members representing all stakeholders? Describe the process for electing members.

Flyers will be sent home in addition to posting to school’s Parent Link, Emails, Class Dojo, and Twitter to advertise the opportunity to participate in an input meeting that will be open to all parents. Additionally, parents, faculty and staff, as well as community members will be invited to participate in the School Advisory Council to provide on-going feedback and input into Title I programs. We will select members that represent our demographics and have a stake in the school to see improvement.
3. How will stakeholders be involved in jointly developing the Schoolwide Plan (CNA/SWP/PFEP)? Include details of meeting dates and times.

A Parent Input meeting was held on April 17th to gather parent/family input to the PFEP plan and Compact. Throughout the year, minutes from every SAC meeting will be used to document discussion and feedback. The input from parents will support our plan and/or revise the plan for improvement.

4. How did stakeholders provide input as to how Title I funding will support parent and family engagement? Include the outcome.

On Jan. 30th, All stakeholders including teachers, parents, students, and community had the opportunity to give input and review family involvement survey results, evaluations, and other pertinent results in the development of the PFEP plan. The compact and previous year’s Parent Involvement Plan was reviewed and amended based on feedback. FY24 SWP shows funds are being used to support parent engagement through Social Service Facilitators, Communication folders/agendas, supplies for parent trainings/events and enrichments activities.

Annual Parent Meeting
All parents and families are invited and encouraged to attend the Title I Annual Meeting, at a convenient time, to learn about the school's Title I programs, requirements and the rights of Title I parents.

Describe the steps the school will take to conduct an effective Annual Meeting. The meeting should inform parents about:

- What it means to be a Title I School;
- The school's Title I Schoolwide Plan;
- Parent and Family Engagement Plan, including the School-Parent Compact;
- Special programs such as Migrant Education and McKinney-Vento;
- Parent's Right-to-Know; and
- Other opportunities for parents.

1. What is the actual date, time and location of the Annual Meeting?

   September 6th, 2023 (5:30-6:30) Cafeteria

2. How will you notify parents, teachers and the community of the Annual Meeting? Be specific (school website, marquee, call-out, newsletter, invitations, etc.).

   Parents, teachers and the community will be notified through Parent link, flyers, and Class DoJo.

3. What resources will be prepared for the Annual Meeting? List materials or supplies needed to host the meeting.

   We will use District provided resources to inform parents/families. We will also use school documents including an overview of how funds will be used, parent-school Compact, and the Parent and Family Engagement Plan. We will prepare for this meeting by having presentation in different languages, sign-in sheets, evaluations on-line, attachments for handouts (Compact, Parent and Families Engagement Plan).

**Staff Trainings**

Describe the professional development trainings you will provide to build the capacity of teachers and other support personnel to understand the value and contribution of parents/families, build ties between parents and school staff, effectively reach out to,
communicate with and work with families as equal partners in order to improve student achievement.

1. Staff Training for Parent and Family Engagement #1

• Name of Training
  Facilitating Effective Parent Conferences

• What specific strategy, skill or program will staff learn to implement with families?
  Teaches will be able to discuss specific data reports with parents and set academic goals both in school and at home. Teachers will learn how to navigate the FAST portal and iReady reports in order to be able to conference with parents about student progress and success.

• What is the expected impact of this training on family engagement?
  To have parents gain a better understanding of where their child is academically and next steps and actions to get to where they need to be.

• What will teachers submit as evidence of implementation?
  Conference notes, data reports On conference notes, teachers will include FAST data and iReady data scores to indicate they have shared this information with the parents.

• Month of Training
  September

• Responsible Person(s)
  Stockman, Byer, Liberia

2. Reflection/Evaluation of Training #1
3. Staff Training for Parent and Family Engagement #2

- **Name of Training**
  Building and Maintaining Relationships Around Culture.

- **What specific strategy, skill or program will staff learn to implement with families?**
  Teachers will gain a better understanding of cultural trauma and difficulties/challenges faced in different cultures.

- **What is the expected impact of this training on family engagement?**
  Teachers will be able to build relationships with families and understand their cultures and communities.

- **What will teachers submit as evidence of implementation?**
  Sign in sheets; parent conference notes with data presented. On conference notes, teachers will share SEL strategies being implemented that support student needs based on their individual challenges.
Parent Trainings

Describe the trainings you will offer parents and families that will build their capacity to support learning at home to improve student academic achievement. Trainings must focus on skills that parents and families can use to extend learning at home, support students in meeting challenging state standards and monitor their child's academic progress.

1. Parent and Family Capacity Building Training #1
• Name of Training
Literacy Night

• What specific strategy, skill or program will parents learn to implement with their children at home?
Parents will be able to better understand how standards are unpacked and what is required for proficiency in each grade level. Parents will be trained in how to determine specific strategies that align to the standard in order to support the students at home.

• Describe the interactive hands-on component of the training.
Parents will unpack standards and create learning targets. Parents will identify the key words in standards and work together to determine what the students need to be able to do in order to accomplish success of the standard.

• What is the expected impact of this training on student achievement?
Parents will be able to better help their children at home and close the achievement gap.

• Date of Training
September

3. Parent and Family Capacity Building Training #2

- **Name of Training**
  
  Using Heritage Language Dictionaries and cognates

- **What specific strategy, skill or program will parents learn to implement with their children at home?**
  
  Parents will be able to assist students with using Heritage Language Dictionaries and cognates at home.

- **Describe the interactive hands-on component of the training.**
  
  Parents will engage in identifying cognates in text and using Heritage Language Dictionaries to find translations and meanings of unfamiliar words. Coach will model how to identify cognates, parents will then choose words in a text that are cognates and use a dictionary to determine the translation. Parents will receive a glossary to use at home with students.

- **What is the expected impact of this training on student achievement?**
  
  Students will be able to practice this strategy at home, which will increase student achievement.

5. Parent and Family Capacity Building Training #3

• Name of Training
  Math and Science Night

• What specific strategy, skill or program will parents learn to implement with their children at home?
  Parents will be informed about content area standards and what standards are assessed each trimester. Parents will learn about the curriculum being used, data and assessments information required for end of year in each grade level, along with how to access the student/parent portal, including iready.

• Describe the interactive hands-on component of the training.
  Coaches will show how to read the standards across grade levels. Parents will look at grade level standards and be able to discuss the differences between standards across grade levels, as well as grade level expectations. Parents will also be able to determine goals by looking at data and assessments of their child.

• What is the expected impact of this training on student achievement?
  Parents will have a better understanding of what is expected of their child in each grade level.

### Coordination and Integration

Describe how your school collaborates with other federal programs, District departments, the business community, library systems and other governmental and non-governmental organizations to provide integrated parent and family engagement opportunities. Identify the three (3) **most relevant agencies/organizations that support your school’s parent and family engagement goal.**

1. Partnership #1 - List Federal Program such as Migrant, Homeless, Professional Development, ESOL/ELL, IDEA, Region Support, or Safe Schools

   • Name of Agency

   Multicultural Department

   • Describe how agency/organization supports families.

   - Instructional support to our Dual Language families
   - Provide CLF’s to communicate with families
   - ELL Coordinator to provide PLC for parents twice per year to create awareness of the ELL program, benefits, and when parents should advocate for their child.

   • Based on the description list the documentation you will provide to showcase this partnership.

Communication

After reflecting on the stakeholder input meeting, training evaluations and analysis of events, describe the process that your school will use to provide timely and easy to understand updates to parents and families on Title I programs, curriculum, assessments and student progress/proficiency level information.

1. Describe how school will provide parents and families with timely information about the Title I programs, meetings and other activities in a format and language parents can understand. Consider Title I programs such as tutoring, mentoring, parent/family trainings.

2. Describe how school will inform parents about the curriculum and proficiency levels students are expected to meet.

3. Describe how school will inform parents about forms of academic assessments used to measure student progress and achievement levels of State academic standards.

4. Describe how school will inform parents about opportunities to participate in decision-making related to the education of their children.

5. Describe how the school will offer flexible meeting dates and times for trainings, activities and events to remove barriers for attendance.

• Description

We will share information with parents/families regarding Title I programs via Parent Link, Newsletters, Flyers, Parent Conferences, Parent University, Student Planners, and Communication Folders in English, Spanish, and Creole which represent our students. Information will be shared in PFEP, Title I Annual meeting, and School-Parent Compact.

• List evidence that you will upload based on your description.

Evidence of this information be through sign in sheers, invitations and presentations.

• Description

Title 1 Meetings and trainings will be held in the evening to allow for parents to participate after the school/work day. If parents join SAC, arrangements will be made so they can bring their children if necessary. Minutes and presentations will be made available on the school website so that parents can access the information at home. Parent-teacher conferences and IEP/LEP meetings will be made at times convenient to the families. It is possible to hold these meetings virtually as needed. Sample evidences may include: schedule of staggered times for meetings, schedule of different times for Title I Annual Meeting, schedule of different times for SAC meetings, letters asking parents to choose a time that is more convenient (parent-teacher conferences, IEP meetings, LEP meetings), flyers offering child care, home visit notes/log, parent training invitations and agendas at different times (invitations, agendas, school websites screenshots, social media snapshots, calendars, newsletters, marquee photos, call-out transmissions/scripts/reports, etc.)

• List evidence that you will upload based on your description.

Evidence for this will consist of a Schedule of staggered times for meetings, schedule of different times for meetings/trainings, letters asking parents to choose a time that are more convenient for them (conferences, IEP meetings, LEP meetings), flyers offering child cared, sample home visit notes/log

**Accessibility**

It is important to address barriers that hinder families' participation in activities. After considering information gathered at your parent input meetings, describe how you ensure parents and families in the special categories below are able to fully participate in school meetings, trainings, activities and events. Describe the accommodations the school will provide for each subgroup of parents listed below.

1. Parents and families with limited English proficiency

2. Parents and families with disabilities
3. Families engaged in migratory work

4. Families experiencing homelessness

**Description**

The school has staff that speaks the native language of families and are available for parent meetings and conference to ensure proper communication. All correspondence will be translated for effective communication.

**List evidence that you will upload based on your description.**

Sample of evidence may include: translated compacts, PFEP summaries academic reports, invitations, flyers, newsletters, letters, calendars, parent-teacher conference notes when translator attended, translated parent link messages, translated letters, agendas, flyers, CLF/sign language facilitator sign-in sheets.

**Description**

PSES is ADA compliant. If additional parent needs are to be met, we will contact the district for assistance. Disabled parking is available, along with interpreters for meetings and trainings. We also schedule home visits or virtual meetings as needed.

**List evidence that you will upload based on your description.**

Sample evidence may include: notes when vision or hearing support was provided, sample of request to District for staff to support parents, photos of handicap parking, ramps, elevators, audio enhancements, agendas, sign in sheets.

**Description**

Parents of Migrants are invited to all school meetings. Migrant parents will be surveyed for needs when child enters school to allow school to provide resources and information needed. ELL Coordinator, CLFs, and Migrant Liaison will support migrant families as needed. Welcome packets will be provided to new families and we will provide uniforms as well.
List evidence that you will upload based on your description.

Sample of evidence may include: home visit notes, school staff referrals to Migrant Department, meeting notes, flyer of services offered, translation letters, transportation logs, CLF/sign language timesheets.

Description

DP will serve as homeless liaison for the school. School staff will assist families experiencing homelessness by making connections with District staff with appropriate resources as needed. We follow the McKinney Vento homeless Assistance Act to ensure students have equal access to the same educational opportunities as non-homeless students. PSES shares information for assistance with food and housing services.

List evidence that you will upload based on your description.

Sample of evidence may include; completed needs survey, notes on services/support provides, copy of referral email, Student Housing Questionnaire, McKinney Vento program flyer of services offered, email seeking support for families, flyers, distribution logs.

Other Activities

This is an optional step. List other activities, including additional parent and family trainings, which are planned to strengthen parent and family engagement at your school. Title I funds may not be used to purchase food for these activities.

Building Non-Academic Skills

How do you build students’ skills outside of academic subject areas? Include descriptions of:

- Build coping skills;
- Address social/emotional needs;
- Foster a growth mindset;
- Teach resilience and persistence;
- Promote healthy habits;
- Promote positive behavior;
- Develop students organizational skills;
- Build strong study habits;
- Build character; and/or
- Develop a sense of service for others.
1. Building Students’ Non-Academic Skills

Social-Emotional Classrooms - All teachers have an SLL component in their daily schedule, activities based on a Caring Classroom, Compassionate Classroom, and Kindness. Teachers meet with the class and review the previous week and set goals for the week ahead. Latinos in Action - Reading Mentoring Program through John I Leonard High School (if available) - Students from John I Leonard High School visit twice per week in our Kindergarten and First Grade Classes. LIA tutors are trained by the Literacy Coalition and the Reading Coach to ensure student success in the Literacy Block. Due to the pandemic we are in hold with the Mentoring Program. School Wide Behavior Support - ROAR Expectations - Single School Culture Group Counseling - Guidance Counselors - Our counselors provide small group sessions as well as individual time to help students with any type of emotional assistance, either support needed from home experiences or from school. Counselors with Admin also implement home visits when necessary. BHP will pull groups as well. In addition our Guidance Counselors are on the Fine Arts wheel and provide student support through regular guidance classes on a variety of topics.

SBT/MTSS Implementation

Describe your implementation of a tiered model of support (SBT/MTSS):

- Identify students for tiered support;
- Determine supports needed;
- Implement support; and
- Track students’ progress.
School Based Team is implemented on an ongoing basis to assist classroom and/or subject teachers to develop and implement instructional strategies that support student learning aligning with the Pyramid of Intervention framework. The Team's primary responsibility is to remove academic, behavioral, and social-emotional barriers to learning. 1st round of PLCs will be PD for teachers on the process. The process includes: - using a formal problem solving process; - analyzing student referral and baseline data; - identifying student strengths and areas in need of improvement; - developing intervention plans, including expected outcomes; - monitoring student progress toward expected goals; - communicating regularly with parents about their child's progr Supplemental and Intensive instruction may be necessary in order to scaffold instruction. Tier 1 - Core Instruction Tier 2/Supplemental - Voyager Passport is used in all T2. Intervention time is also utilized to scaffold students in Reading. Our strategy/skill groups are utilized to assist students in mastering the standard. LLI, SPIRE, Sound Sensible is used for T3. Tier 3/Intensive Palm Springs provides students with many opportunities for success both academically and socio-behaviorally outside of the classroom. With the support of guidance counselors, students are provided opportunities for mental health services that are provided regardless of socio-economic status. These individuals work closely with students and families both at the school site and in students' homes to provide students counseling and recommendations for further mental health services. School staff members also work closely with the school-based team and SBT Leader to ensure students who may need additional support such as homelessness, and Exceptional Education Services Evaluations are completed. SAI Programs are used to target specific Reading Behaviors using Thematic Approach. We are working towards an After School Tutorial for Math assistance, if funding is available.

**Provision of a Well-Rounded Education**

How do you ensure all students are provided with a well-rounded education including enrichment opportunities? Describe:

- The process used to determine core instructional needs (data).
- Opportunities to extend learning time.
- How the school ensures instruction is aligned to standards.
- How the school connects classroom learning to real world applications.
- Courses/electives that are not considered core-content.
- Courses/electives that are focused on job skills.
- Courses/electives that are focused on job skills.

*The term “well-rounded education” means courses, activities, and programming in subjects such as English, reading or language arts, writing, science, technology, engineering, mathematics, foreign languages, civics and government, economics, arts, history, geography, computer science, music, career and technical education, health, physical education, and any other subject, as
determined by the State or local educational agency, with the purpose of providing all students access to an enriched curriculum and educational experience. [ESSA, section 8101 (52)].

1. Well-Rounded Education

All students at Tier 1 instruction are given enrichment opportunities in small group, after mastering the standard. Students are provided differentiated instruction, at their level. Extensions are offered as literary pieces in small group once the students are released from the teacher led group, which is monitored by the teacher. When students are instructed on the standard the teacher will give students an extension to allows students to work independently to solidify the standard. We also offer AMP Math classes in grades 3rd - 5th as well as Gifted (Based on Reading Level ) at each grade level both offering an accelerated curriculum. The AMP program instructs students on the next grade level standards. Students are assessed using next grade level FSQ's and USA's. All 3rd grade students are exposed to the AMP standards.

Post-Secondary Opportunities and Workforce Readiness

How do you build students’ awareness of and readiness for post-secondary opportunities and the workforce? Consider the following examples:

- College awareness/readiness curricula and programs;
- Building pathways to rigorous coursework;
- Accelerated course offerings (AMP, Honors, AP, AICE, IB);
- Dual enrollment opportunities;
- Career and technical courses;
- ACT/SAT prep programs;
- Project-based learning opportunities;
- Job skills development (collaboration, critical thinking);
- ROTC programs;
- Career Days or guest speakers; and
- Job shadowing, field experiences, clinicals.
1. Post-Secondary Opportunities and Workforce Readiness

School Counselors are on the Fine Arts wheel and provide College Awareness discussions with students. Many of our teachers build college awareness and readiness through wonderful discussions in our Social/Emotional classes which take place daily between 7:45-8:00 am. We implement an annual Career Day whereby working adults bring their experiences and qualifications in to share with all students. Each professional visits individual classrooms. Latinos in Action provides mentor-ship for Kindergarten and Grade 1, which is currently on hold due to COVID restrictions. We have AMP in grades 3 through 5th. Curriculum-based field trips are provided to students to enhance the state standards which will be offered virtually. Parents and families invited to a meeting for Choice Middle School programs. School Counselors invite the Middle Schools to provide information on what they offer but also they emphasize expectations about College requirements. In addition they also provide college awareness during the Fine Arts Wheel by emphasizing the importance of receiving good grades and opportunities that are available such as magnet schools and choice programs which can guide them towards a guided future. The AVID program will be implemented in grade 3 this year and have the program in grades 4 and 5. Some of the strategies will be implemented school-wide - college culture, critical reading strategies, call backs, etc. Fifth graders will have the opportunity to visit local college campuses or have a college present at Palm Springs.

Transition From Early Childhood to Elementary School

**Elementary Schools:** Describe the strategies used to assist preschool students in transitioning from early childhood education programs to elementary school. Consider:

- Headstart programs
- VPK on campus
- Bridges Program
- Meetings at local preschool programs to provide information to rising Kindergartners’ parents
- Kindergarten Round-up
- Pre-K parent trainings throughout the school year to provide Kindergarten readiness strategies
- On-site school tours for new kindergarten families
- Early school year start/summer program for incoming Kindergarteners
- Staggered start
- Meet the teacher
- Kindergartener for a day for pre-K students
- Looping from Pre-K to K
- Collaboration with local preschools to develop readiness skills

**Secondary Schools:** Click on the Exemption button above if this is not applicable to you.
1. Transition to Elementary School

The Pre-K program helps children advance skills in core pre-academic areas such as literacy, math, and science, as well as in other essential areas such as art, social and emotional well-being, and health and wellness. Our child-centered approach ensures that children are exposed to a diverse array of learning activities and that they thrive in all areas of child development, creative thinking, complex problem solving, empathetic collaboration, curious investigation, and astute decision making. Parents are provided a packet to have their children work on prerequisite skills in Reading, Math, and health/hygiene. In addition, the students will make an easy transition to Kindergarten here at Palm Springs since they will be familiar and comfortable with our school. Our program is growing and we are anticipating adding another class next fiscal year. We are implementing a community outreach to emphasize and educate on pre-literacy and mathematical awareness. Palm Springs is working with Bridges to increase the effectiveness of VPK programs to ensure Kindergarten readiness. Our Kindergarten Roundup program provides critical information for our parents to allow their children to transition from Pre-k to Kindergarten. Teachers provide a startup packet to parents which allows students to work on building Literacy, Mathematical, and personal health/growth skills prior to coming into Kindergarten. Packets are to be returned to homeroom teacher completed. We also provide critical pupil progression information, especially in the area of Reading. School schedules and activities are also touched on. Parents have opportunity to meet the Kindergarten teachers and are also provided a short tour of the school. We also have a staggered start meaning that each class's entry day is divided over three days.

Professional Development

In addition to Title I funded professional development listed in the CNA/Strategies section, what other opportunities are provided for teachers, tutors, paraprofessionals, and instructional coaches to improve the delivery of instruction and the use of data to support instructional decisions? Consider:

- Regional Support
- District Curriculum Support
- Conferences (AVID, content specific, STEM, AP/IB/AICE, etc)
- APTT
- Peer Observation Program using Palm Beach Model of Instruction

- Mentoring
- PAR Teacher
- Online workshops
- Professional book study
- Consultants
- Multicultural and ESE trainings
1. Professional Development

Professional Development here at Palm Springs focuses on:
- State standards for professional development at the educator level
- Rigorous and relevant curriculum based on state and local educational standards and initiatives
- Improvement planning based on needs assessments and results from personnel evaluation
- Opportunities for professional collaboration and collegial team learning practices
- Sharing professional learning practices, resources, and technical assistance statewide
- AVID strategies
- Implementing engaging strategies
- Explicit instruction with vocabulary

On-going PD throughout the year will focus on building capacity for best instructional practices - core actions, continuing the implementation of the new math series, AVID program, and the Dual Language Program. Teachers will be surveyed based on topics.

Recruitment and Retention of Effective Educators

How do you recruit and retain effective teachers (particularly in high need subjects)? Consider:

**Recruitment:**
- Job Fairs
- Collaboration with HR and Region Office
- Intern Teachers, Interim Teachers, Substitutes, Academic Tutors (Grow Your Own)
- Word of Mouth
- Glades Supplement
- Other Incentives such as signing bonuses and pay for performance

**Retention:**
- Orientation
- Mentoring/Peer Teacher
- Teaching Team with Team Leaders
- Collaborative Planning
- Department Chairs
- Coaching Support
- School/Employee Morale
- Professional Development
- Open Door Policy
- Opportunities for part-time pay such as tutoring
1. Recruitment and Retention

In order to recruit new and effective teachers, Palm Springs contacts colleges such as FAU and UCF to advertise our family oriented school with the intention of hiring up in coming professional educators. We also attend job fairs and coordinated with the District HR Department. All new teachers participate in the Educator Support Program (ESP). Each teacher is paired with a mentor or a buddy. The program focuses on the Mentoring Cycle and having one on one conversations in order to ensure that their first year is successful. Palm Springs has a Teacher Ambassador position which supports the ESP program along with the ESP coordinator. Our ambassador works with new teachers and mentors to provide personalized support. Teachers have multiple layers of support from Admin, Instructional coaches, and Team Leaders. Teachers have common planning as well as team collaboration meetings (PLCs) to provide instructional and emotional support to one another. Teachers attend professional development provided by our school and the District including Fundations and RR training.
