**Mission Statement**

Create one statement that communicates the vision for parent and family engagement in a motivating way. The mission statement should:

- reflect the beliefs or values the school holds regarding the importance of family engagement;
- explain the purpose of the school's Parent and Family Engagement Plan;
- be written in parent-friendly language; and
- inspire stakeholders to be engaged and supportive of the program.
1. Mission Statement

Western Pines Community Middle School's mission is to provide high-quality curriculum and instruction in a supportive and effective environment that enables students to meet the state's student academic achievement standards. We acknowledge the significance of creating a strong partnership with parents and community members in order to positively impact the students in our school. To foster effective parent involvement, the staff at Western Pines Comm Middle appreciates input from parents and community members in our decision-making and encourages everyone to join us in the activities outlined in this plan.

Involvement of Stakeholders

Describe how the school will engage stakeholders (parents, families, school personnel, District staff and community) in the planning, development, review, implementation and improvement of the Title I Schoolwide Plan. Include decisions regarding how funding will support parent and family engagement. All SAC meetings should have Title I as a standing agenda item and discussion of such is reflected in the minutes to ensure compliance is met. (Note: Evidence of stakeholder input during the CNA process is available in the CNA Launcher.)
2. What are the procedures for selecting members representing all stakeholders? Describe the process for electing members.

Western Pines Comm Middle School members are selected based on school awareness and parent needs. We ensure that the members selected are representative of the student population (ELL, ESE, Accelerated Coursework). We also request members to volunteer if they would like to participate and provide training's for parents. We utilized the ParentLink system and Weekly Newsletter to inform parents in multiple languages in order to ensure we are reaching out to all parents.
3. How will stakeholders be involved in jointly developing the Schoolwide Plan (CNA/SWP/PFEP)? Include details of meeting dates and times.

Western Pines Comm Middle School stakeholders are invited in developing our Schoolwide Plan. We invite our stakeholders to participate by attending meetings either virtually or in person. We held our CNA meetings for staff on 03/01/2023 and for stakeholders on 03/02/2023 with an agenda for Title 1 and an opportunity for discussion of the school's needs. Western Pines Comm Middle School Title 1 Annual meeting will be held on September 8, 2023 at 6:00 PM.

4. How did stakeholders provide input as to how Title I funding will support parent and family engagement? Include the outcome.

Western Pines Comm Middle School included stakeholders input into funding by disaggregating our school data and the needs of our students. It was determined that our staff, parents and families need support in preparing our students for academic success. We purchased iReady to support our ELA classes and we are having curriculum nights to inform parents of all the programs Western Pines Comm Middle School has to offer based on students' needs (remediation and enrichment opportunities).

**Annual Parent Meeting**

All parents and families are invited and encouraged to attend the Title I Annual Meeting, at a convenient time, to learn about the school's Title I programs, requirements and the rights of Title I parents.

Describe the steps the school will take to conduct an effective Annual Meeting. The meeting should inform parents about:

- What it means to be a Title I School;
The school's Title I Schoolwide Plan;
- Parent and Family Engagement Plan, including the School-Parent Compact;
- Special programs such as Migrant Education and McKinney-Vento;
- Parent's Right-to-Know; and
- Other opportunities for parents.

1. What is the actual date, time and location of the Annual Meeting?

September 8, 2023 at 6:00 PM in Western Pines Comm Middle School cafeteria.

2. How will you notify parents, teachers and the community of the Annual Meeting? Be specific (school website, marquee, call-out, newsletter, invitations, etc.).

Western Pines Comm Middle School will inform parents, teachers and the community members of the Annual Meeting by means of the school newsletter, website, letters home (backpack), marquee, parentlink, and invitations to the staff via email in multiple languages for all stakeholders.

3. What resources will be prepared for the Annual Meeting? List materials or supplies needed to host the meeting.

In order to prepare for the Annual Meeting the following materials or supplies will be needed: A computer with a projector in order to host the meeting, a PowerPoint including what it means to be a Title I School, copies of Western Pines Comm Middle School Title I Schoolwide Plan, copies of the Parent and Family Engagement Plan, including the School-Parent Compact, special programs such as Migrant Education and McKinney-Vento, Parent's Right-to-Know, and other opportunities for parents. Additionally, translators will be needed to for our Spanish speaking families.

### Staff Trainings

Describe the professional development trainings you will provide to build the capacity of teachers and other support personnel to understand the value and contribution of parents/families, build ties between parents and school staff, effectively reach out to, communicate with and work with families as equal partners in order to improve student achievement.

1. Staff Training for Parent and Family Engagement #1
**Name of Training**

Skills for Learning and Life (SLL) Training

**What specific strategy, skill or program will staff learn to implement with families?**

To prevent and intervene with bullying, Palm Beach School District uses the multi-tiered system of support (MTSS) embedded in the Response to Intervention (RTI) mode; to ensure intervention strategies are delivered with an increasingly higher intensity as school staff and student needs align with the District’s SLL framework based upon required Health Instruction as outlined in Florida State Statute 1003.42(n)(4) and involves acquiring and effectively applying knowledge, attitudes, and skills of self-awareness and self-management, responsible decision-making, resiliency, relationship skills (including conflict resolution), and social awareness (including understanding and respecting other viewpoints and backgrounds).

**What is the expected impact of this training on family engagement?**

The expected impact of this training is that parents and teachers are able to communicate with each other more smoothly in order to promote emotional, academic and behavioral support.

**What will teachers submit as evidence of implementation?**

Communication

After reflecting on the stakeholder input meeting, training evaluations and analysis of events, describe the process that your school will use to provide timely and easy to understand updates to parents and families on Title I programs, curriculum, assessments and student progress/proficiency level information.

1. Describe how school will provide parents and families with timely information about the Title I programs, meetings and other activities in a format and language parents can understand. Consider Title I programs such as tutoring, mentoring, parent/family trainings.

2. Describe how school will inform parents about the curriculum and proficiency levels students are expected to meet.

3. Describe how school will inform parents about forms of academic assessments used to measure student progress and achievement levels of State academic standards.

4. Describe how school will inform parents about opportunities to participate in decision-making related to the education of their children.

5. Describe how the school will offer flexible meeting dates and times for trainings, activities and events to remove barriers for attendance.

• Description

At Western Pines we communicate with our community in various ways Annual Title 1 Meeting, student announcements, monthly SAC meetings, website, newsletters sent via (text messages/email), parentlink callouts, parent training's, and parent conferences. Teachers will post on their google classroom and/or post a flyer showing the dates and times of our tutorials in their classroom.
Western Pines Comm Middle School will inform parents about the curriculum and expected proficiency levels through the use of SIS Gateway, report cards, progress reports, open house, SAC meetings, parent conferences, tutorials, and parent trainings. Throughout the school year, these various methods will ensure that families are aware of the expectations their students must meet in order to be successful.

Western Pines Comm Middle School will inform parents about forms of academic assessment used to measure student progress and achievement levels of State academic standards through the use of progress reports, SAC meetings, and SIS Gateway Gradebook utilizing district benchmark assessments. Throughout the school year, various methods will ensure that families are aware of the expectations their students must meet in order to graduate from high school. Detailed reports for student assessments for FAST/EOC are sent home with students and posted on SIS Gateway.

We will announce opportunities for parents to participate in decision-making related to the education of their children by means of the weekly newsletter, marquee, parent link call out, the school website, flyers, and invitations. At the Title 1 Parent Meeting we will explain the purpose of SAC and invite stakeholder to assist in the decision making towards are school goals. We will encourage attendance at parent conferences, annual stakeholder meeting and our Parent Input Meeting.

Building Non-Academic Skills

How do you build students’ skills outside of academic subject areas? Include descriptions of:

- Build coping skills;
- Address social/emotional needs;
- Foster a growth mindset;
- Teach resilience and persistence;
- Promote healthy habits;
- Promote positive behavior;
- Develop students organizational skills;
- Build strong study habits;
- Build character; and/or
- Develop a sense of service for others.

1. Building Students’ Non-Academic Skills

Non Academic skills are just as important, if not more important that academic skills and abilities. During our Tiger Time every other day, we offer lessons that each teacher delivers that addresses coping skills, social emotional needs, resilience and persistence. Students work on goal setting, study habits and organizational skills. Teachers are provided with a calendar that has links to lessons that have been prepared by our counselors to address the non academic skills that our students need in order to be successful. In addition, teachers and counselors deliver lessons in classrooms every month that address the importance of mental health and promotes developing healthy habits. District requirement: SLL MUST be taught during Tiger Time on DAYS 1,4 School Counselor will be participating in lesson on rotating basis Teacher referral for counseling Email/chat/cell vs referral form Student self-referral for counseling (NEW) Parent Training (NEW) College Fridays (RETURNING) Mental Health Mandatory Lessons (NEW format) Character Now instruction focuses on six themes to organize charter education program: 1. Showing Empathy and Kindness 2. Being Responsible 3. Having a Growth Mindset 4. Demonstrating Trustworthiness 5. Demonstrating Respect 6. Being a Good Citizen All faculty and staff teach, review and enforce the school-wide expectation matrix based on PBIS, on "ROAR"! R "Respect yourself and others, O "Own your grades and actions", A "Always be safe on campus at all times, and R "Reach your goals!"
**SBT/MTSS Implementation**

Describe your implementation of a tiered model of support (SBT/MTSS):

- Identify students for tiered support;
- Determine supports needed;
- Implement support; and
- Track students’ progress.
SDPBC’s core curriculum includes six units of study using McGraw Hill StudySync instructional materials in addition to ancillary materials/texts that build background and infuse statutory mandates. The core curriculum is framed around different components of Balanced Literacy, Multi-Tiered System of Supports (MTSS), and the Focused Instructional Model (FIM), each of which are supported by strong evidence. Tier 1 – Strong Evidence: supported by one or more well-designed and well-implemented randomized control experimental studies. Tier 1 core curriculum services (time and focus) may differ by school. Core curriculum: is aligned to Florida’s B.E.S.T. ELA Standards addresses reading comprehension, vocabulary, text-based writing, speaking and listening, and language consists of print-rich, on grade-level, culturally relevant and high-interest texts provides whole group and explicit, systematic, scaffolded differentiated instruction allows multiple opportunities for practice and application of standards-based instruction, literacy skills and strategies with meaningful texts/contexts incorporates writing in response to reading promotes gradual release of information through the sequence of modeled instruction, guided practice, and Independent practice embeds ongoing formative assessments at varying points of instruction uses a variety of progress monitoring tools such as curriculum-based measures utilizes Tier 1 interventions and strategies for all students includes resources for accommodations and scaffolds (i.e., ESOL, 504, IEP) includes resources for students with disabilities (i.e., Access Points Curriculum) provides multiple means of engagement, representation, and action-expression (i.e., UDL) Grades 6 - 12: When identifying students with a substantial deficiency in reading, the District follows this process: Review student’s FAST ELA PM3. If the student scored a 1 or 2, administer the Reading Plus InSight Assessment to determine placement. If the student scored 2 or more years below grade-level on the Reading Plus Assessment, administer the HMH Phonics Inventory. On the HMH Phonics Inventory, If the student: scored 23 or above on the HMH Phonics Inventory (Developing or Advanced Decoder), place the student into an Intensive Reading class and a content area class with an appropriately trained teacher. scored 0 - 22 on the HMH Phonics Inventory (Pre- or Beginning Decoder). Place the student into an Intensive Reading class that includes a phonics-based intervention AND a content area class with an appropriately trained teacher or an additional period of Intensive Reading. Based on the data above, students receive either supplemental (tier 2) or supplemental (tier 2) and intensive (tier 3) district-approved reading interventions as indicated by the District's 6-12 Reading Placement decision tree. Intervention instruction must include the evidence-based programs and/or strategies that align with the student’s IEP, ELL plan, or academic intervention plan and address their targeted skill gaps. Students receiving reading intervention have an ongoing record of progress monitoring if the student is performing below grade level. Students must continue to be provided with these interventions until the reading deficiency is remediated as measured by multiple sources of student data.

Provision of a Well-Rounded Education

How do you ensure all students are provided with a well-rounded education including enrichment opportunities? Describe:

- The process used to determine core instructional needs (data).
- Opportunities to extend learning time.
- How the school ensures instruction is aligned to standards.
- How the school connects classroom learning to real world applications
1. Well-Rounded Education

Western Pines Community Middle School teachers utilize formative and informative data to drive instruction. We have a school-wide PLC Schedule (List of Dates for Each subject to be put on master calendar) PLC Dates (both Dept & GL) and PLC Documentation Form. Our school participates in a school-wide ELA Initiatives: Vocab/Word of the Day On the announcements each morning Must be written on the board (LA will send out the list each 6 days) Use the word at least 1x per class period in context of the subj. Quiz during D5 Tiger Time through LA teacher's Google Classroom S.E.E.S Posters will be given for SS/LA/Reading rooms; training by ELA teachers Use and Refer to when applicable Big 7 Reading Strategies Will be printed and given to post in all classrooms; training by ELA teachers Use and referred to when applicable Appropriate rigorous classroom is aligned with DOK Question Stems Choose 5 higher order question stems and post where you will see them to prompt your questioning. Math/Science ELA SS Fine Arts Generic 1 & 2 & 3 & 4 DOK circle Conducting Data Chats Students receive in class direct/pull out services for ESE/ELL Progress monitoring class and grade level progress through Professional Learning Communities Implementing methods of instruction based on student's needs AICE IXL-Science iready- ELA Reading Plus- Intensive Reading Million Word Challenge Enrichment activities include SECME, Promise Club and academic games Before and Afterschool and/or tutorial programs are provided for enrichment and remediation ELA, Math, Science, IT and Medical. Middle School Course Recovery for identified students will also available during our Before and Afterschool programs.

Post-Secondary Opportunities and Workforce Readiness

How do you build students’ awareness of and readiness for post-secondary opportunities and the workforce? Consider the following examples:

- College awareness/readiness curricula and programs;
- ACT/SAT prep programs;
- Building pathways to rigorous coursework;
- Project-based learning opportunities;
- Accelerated course offerings (AMP, Honors, AP, AICE, IB);
- Dual enrollment opportunities;
- Career and technical courses;
- Job skills development (collaboration, critical thinking);
- ROTC programs;
- Career Days or guest speakers; and
- Job shadowing, field experiences, clinicals.

1. Post-Secondary Opportunities and Workforce Readiness

Western Pines offers 6-8th Gifted/Mixed ELA classes 8th grade elective - Global Perspectives PBC 9th graders are enrolled in AICE General Paper AICE track (7 courses in 3 yrs) = Bright Futures Scholarship Pre-Med 8th grade High School credit Pre-IT 8th grade High School credit Our school is working on inviting all of 8th grade visiting several college throughout Florida.

Transition From Early Childhood to Elementary School

**Elementary Schools:** Describe the strategies used to assist preschool students in transitioning from early childhood education programs to elementary school. Consider:

- Headstart programs
- VPK on campus
- Bridges Program
- Meetings at local preschool programs to provide information to rising Kindergartners’ parents
- Kindergarten Round-up
- Pre-K parent trainings throughout the school year to provide Kindergarten readiness strategies
- On-site school tours for new kindergarten families
- Early school year start/summer program for incoming Kindergarteners
- Staggered start
- Meet the teacher
- Kindergartner for a day for pre-K students
- Looping from Pre-K to K
- Collaboration with local preschools to develop readiness skills

**Secondary Schools:** Click on the Exemption button above if this is not applicable to you.
1. Transition to Elementary School

This school has chosen to be exempt from this area.

Professional Development

In addition to Title I funded professional development listed in the CNA/Strategies section, what other opportunities are provided for teachers, tutors, paraprofessionals, and instructional coaches to improve the delivery of instruction and the use of data to support instructional decisions? Consider:

- Regional Support
- District Curriculum Support
- Conferences (AVID, content specific, STEM, AP/IB/AICE, etc)
- APTT
- Peer Observation Program using Palm Beach Model of Instruction
- Mentoring
- PAR Teacher
- Online workshops
- Professional book study
- Consultants
- Multicultural and ESE trainings

1. Professional Development

With the goal of providing relevant professional development opportunities, we surveyed our faculty. Following are the most to least requested professional development activity options:

- Game based learning/gamification of curriculum
- Differentiation of instruction to reach all learners
- Using Google Forms data for better understanding of student needs
- Department/Grade Level PD - ex: BEST benchmarks, Performance Matters, EDW
- Classroom arrangement for optimal learning
- Improving communication with parents
- Classroom management strategies
- Ongoing training and coaching is provided to the district's strategic plan, Positive Behavior Support and ROAR Intervention Considerations

Tier 1 Interventions Identify the behavior you want to address
Choose from possible Tier 1 Interventions
Review information for Intervention: why, when, and how to implement
Tier 1 Interventions with fidelity
Move to Tier 2 Interventions when data indicates no progress
 Tier 3 Interventions

Data, Data, Data! Collect data on the progress or lack of progress at all tiers of intervention
Use Tier 3 Intervention Techniques
Recruitment and Retention of Effective Educators

How do you recruit and retain effective teachers (particularly in high need subjects)? Consider:

**Recruitment:**
- Job Fairs
- Collaboration with HR and Region Office
- Intern Teachers, Interim Teachers, Substitutes, Academic Tutors (Grow Your Own)
- Word of Mouth
- Glades Supplement
- Other Incentives such as signing bonuses and pay for performance

**Retention:**
- Orientation
- Mentoring/Peer Teacher
- Teaching Team with Team Leaders
- Collaborative Planning
- Department Chairs
- Coaching Support
- School/Employee Morale
- Professional Development
- Open Door Policy
- Opportunities for part-time pay such as tutoring
1. Recruitment and Retention

Recruitment: The school principal notifies district recruitment and retention staff of current vacancies and needs. The school principal creates a recruitment video which is shared on social media. The school principal supports growing teachers by supporting substitutes and academic tutors as they completed college and certification requirement. Principal attends teacher job fairs in Palm Beach County. Current teachers recruit teachers from within their circle of influence. A model coaching cycle is practiced to build teacher capacity. The principal practices an open door policy extending a welcoming invitation to staff, parents, students and community members. Retention: Teachers and academic tutors are eligible for opportunities for part time pay hours for the purpose of before/afterschool and Saturday tutorial. Veteran teachers are assigned to each new teacher. Talent Development and Leadership Opportunities: Teachers are afforded the opportunity to serve as grade level and/or content mentors, grade level, department and Professional Learning Community leaders. They also coordinate school based clubs and community and parent events. Ongoing professional development is facilitated by district, Regional and school based staff. During professional development instructional staff (teachers, academic tutors, para-professionals, etc.) learn how to unpack the BEST standards, plan, implement and monitor with fidelity reading, math, science, social studies and writing curriculum; how to use adaptive technology/iReady for reading instruction. Additionally, instructional staff is trained on how to effectively align core instructional groups and materials with the BEST standards by consistently following the instructional scope and sequence. Professional development includes deep deliberate planning and conversations to promote growth in instructional practice.
