

32.5% of Florida youth surveyed have tried a tobacco or nicotine product.

-2020 Florida Youth Tobacco Survey

YOU can help end youth tobacco use.

Learn about big tobacco's manipulative marketing strategies and the health hazards of tobacco and nicotine use.

Share what you learn with your students, and earn Professional Development Points.

How much time can you commit?

Choose a free course based on your schedule:

- 60 hour comprehensive course (60 PD Points)
- 30 hour course (30 PD Points)
- 10 hour ENDS (Electronic Nicotine Delivery Systems)/vaping course (10 PD Points)
- Registration is open from August 9, 2021 - April 29, 2022
- Coursework must be completed by June 6, 2022

30 and 60 point courses are approved and sponsored by the Florida Department of Health.
ENDS course is approved and sponsored by the Florida Department of Education.
