1. Procedure

- (b) Both the Board and the Association agree to negotiate in good faith. Upon receipt of a written request during negotiations identifying each specific document desired by the Association, the Board shall make available such documents as defined by Chapter 119, Florida Statutes.
- (c) Consultants may be called upon by either Party at their own expense and utilized in the negotiations of any matter considered by the Parties. Neither Party will attempt to exert any control over the other's selection of its representatives.
- (d) No adverse action of any kind shall be taken by the Superintendent, the Board, its agents or by any member of the Administration, against any member of the bargaining unit, the Association, or its agents; nor shall any adverse action of any kind be taken by any member of the bargaining unit, the Association, or its agents against the Superintendent, the Board, its agents, or any member of the Administration by reason of participation in negotiations. - (e) The Board and the Association agree to negotiate through their respective designated negotiation representatives those items which are proper subjects of bargaining as provided by law.
- (f) At the first meeting, to be determined by mutual agreement, both Parties agree to exchange complete written proposals of all items to be negotiated unless otherwise mutually agreed. The Board and the Association agree, therefore, that the other shall not be obligated to negotiate or bargain with respect to any subject or matter referred to herein, except as otherwise specifically required in this Agreement even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the Parties at the time they negotiated or signed this Agreement unless the Agreement contains provisions that are contrary to law which will require the Parties to reopen negotiations pursuant to paragraph (c) below.

- (b) The terms and conditions of this Agreement may be altered, changed, added to, deleted from, or modified only through the voluntary mutual consent of the Parties in a written and signed amendment executed according to the provisions of this Agreement except as may be provided by law.

4. Prohibition of Strikes

- (a) The Association agrees not to engage in a concerted failure to report to duty; a concerted absence of employees from their positions; a concerted stoppage of work by employees; a concerted submission of resignations by employees; a concerted abstinence in whole or in part by any group of employees from the full faithful performance of the duties of employment with a public employer for the purpose of inducing, influencing, condoning or coercing a change in the terms and conditions of employment, or participating in a deliberate and concerted course of conduct which adversely affects the services to the public employer; a concerted failure of employees to report to work after the expiration of a collective bargaining agreement; and picketing in furtherance of a work stoppage.
- (b) If a Circuit Court determines that an employee, employees, or a group of employees has engaged in a strike, as defined in Paragraph (a), above, pursuant to 447.507, Florida Statute, such employee or group of employees shall be subject to disciplinary action up to and including discharge.
- (c) In the event of a strike or work stoppage, as defined in (a), the President of the Association shall promptly and publicly disavow such strike and work stoppage and order the employees to return to work and attempt to bring about a prompt resumption of normal operations. The Association's President shall notify the Board within 24 hours of the President's knowledge of the commencement of such strike and what measures it has taken to comply with the provisions of this section.

SECTION D – MANAGEMENT RIGHTS

- 1. The rights, powers, duties, and responsibilities granted to the Board, the Superintendent, the Principals, and other administrative personnel, by the U.S. Constitution, the laws of the State of Florida, and the actions and regulations of the State Board of Education, and any amendments thereto, and hereby specifically reserved by the Parties to this agreement. These reservations shall not be used to limit the scope of negotiations defined herein. An alleged violation of the above shall be subjected to the grievance procedure unless otherwise specified in this agreement.
- 2. The Board and the Association agree that the Board has, and retains unaltered, its legal right to select, assign, reassign, relocate or discipline any of its employees, as it deems appropriate, to carry out its mission under the law and State Board of Education Regulations, unless otherwise specifically enumerated herein.

SECTION E – COOPERATION

The Parties agree that the President of the Association or her/his designee(s) and the Superintendent or her/his designee(s), will meet at a reasonable time and frequency, not less than once a month, unless otherwise agreed, to discuss topics of mutual concern. This may be accomplished through representation on District committees, joint committees or requests for input from the Association.

ARTICLE 2 – GRIEVANCE PROCEDURE

1. Definitions

- (a) A grievance is an allegation of a violation, misapplication or a misinterpretation of any of the terms and conditions of employment as set forth in this Agreement.
- (b) The term member includes any individual within the bargaining unit covered by this Agreement who is a dues paying member of the Association.
- (c) The term “day” when used in this procedure, shall be workdays (Monday through Friday excluding holidays and other days when employees are not scheduled to work).
- (d) A grievant is the employee within the bargaining unit affected by the misapplication or misinterpretation of this Agreement.
- (e) It is agreed and understood that Association Representatives may, without loss of pay, with prior approval of their immediate supervisor, process grievances. The supervisor’s approval shall not be unreasonably withheld. It is further agreed and understood that Association Representatives shall process grievances in such a manner as not to disrupt normal School Board operations and activities.

2. Purpose

The purpose of this grievance procedure is to settle equitably, at the lowest possible level, issues which may arise from time to time with respect to misapplications or misinterpretations of the provisions of this Agreement.

3. Procedure

- (a) **Time Limit:** The number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The time limits may be extended by mutual consent in writing by each Party or by the representatives designated by each Party.
- (b) **Level One:** An employee who chooses to initiate this procedure shall do so in the following manner:
 - (1) Following the grievant’s awareness of a grievable event or incident, the grievant shall discuss the matter informally with his/her immediate supervisor .When discussing the event or incident, the grievant must notify his/her immediate supervisor that this discussion constitutes the informal discussion set forth in the Grievance Procedure.
 - (2) In the event the matter is not resolved informally, the Association may file a formal grievance on the form (see Appendix D) prescribed by the Department of Labor Relations as soon as possible and no more than twenty (20) days following the grievant’s knowledge or awareness of the event or incident which is the basis of the grievance. If the Association elects not to represent the grievant because of non-membership, it shall notify the District’s Department of Labor Relations and the grievant in writing. If so notified the grievant will then have the right to process his/her grievance without Association representation as soon as possible and no more than twenty (20) days following the grievant’s knowledge or awareness of the event or incident which is the basis of the grievance, unless the Association determines the grievance is without merit. At any time during

ARTICLE 2 – GRIEVANCE PROCEDURE (cont'd)

the processing of a grievance, should the Association determine the grievance is without merit, it shall notify the Department of Labor Relations and the grievant in writing of its determination and the grievance will be deemed withdrawn and thereafter subject to the last sentence of sub-section 3. (f) (4) below.

- (3) If legal representation is to be used by the Association and/or by the Grievant, advanced notice to the manager responsible for conducting the Grievance meeting is required to allow adequate time for the District to have its legal counsel present at that Grievance meeting. The Grievant may only use legal representation at a grievance meeting if he/she is not represented by the Association. At its option, the Association may or may not elect to use legal representation when representing a grievant at a grievance meeting.
 - (4) Within ten (10) days of the receipt of the formal written grievance and in keeping with sub-sections 2, and 3 immediately above, the supervisor shall arrange a meeting between himself/herself, the Association, (if the Association is representing the grievant), the grievant, and if the Association is not representing the grievant, the grievant's representative (should the grievant elect to have such representation). A written answer to the grievance shall be given to the grievant, and to the grievant's representative, if applicable, within ten (10) days after the meeting.
- (c) **Level Two:** If the Association is not satisfied at Level One, or if the grievant is not represented by the Association, the grievant may transmit the grievance to the grievant's Department Head or to the Area Superintendent by filing written notice within ten (10) days of the receipt of the response at Level One; however, if the Department Head was the immediate supervisor at Level One, the Level Two Grievance is to be filed with the Department Head's immediate supervisor. A meeting between the grievant's Department Head (or designee) or the Department Head's immediate supervisor (or designee), or the Area Superintendent (or designee) and the Association, (if the Association is representing the grievant), the grievant, and if the Association is not representing the grievant, the grievant's representative (should the grievant elect to have such representation), shall take place within ten (10) days following the receipt of such notice to the grievant's Department Head (or the Department Head's immediate supervisor) or Area Superintendent. The District's written decision shall be transmitted to the grievant and to the grievant's representative, if applicable, within ten (10) days after the meeting.
- d) **Level Three:** If the Association is not satisfied with the disposition of the grievance at Level Two, or if the grievant is not represented by the Association, the grievant may submit the grievance to the District's Department of Labor Relations within ten (10) days from receipt of the Level Two grievance response. A meeting between Labor Relations and the Association, (if the Association is representing the grievant), the grievant, and if the association is not representing the grievant, the grievant's representative (should the grievant elect to have such representation), shall take place within ten (10) days following receipt of the grievance. Labor Relations' written decision shall be transmitted to the grievant and to the grievant's representative, if applicable, within ten (10) days after the meeting.

ARTICLE 2 – GRIEVANCE PROCEDURE (cont’d)

- e) **Level Four:** If the Association is not satisfied with the disposition of the grievance at Level Three or if the grievant is not represented by the Association, the grievant may submit the grievance to arbitration before an impartial arbitrator, using the Federal Mediation and Conciliation Services (FMCS). In order to submit the grievance to arbitration, both the Superintendent and FMCS must receive written and timely notice that the grievance is proceeding to arbitration within twenty (20) days following receipt of the Level Three disposition and that the Association, (if the Association is representing the grievant), or grievant, if the association is not representing the grievant has submitted the grievance to FMCS for arbitration within that time limit.
1. If the District does not agree within ten (10) days of receipt of the written notice, that the matter is arbitrable, the District shall notify the Grievant and the Association, in writing, that it disagrees as to the arbitrability of the grievance. The Parties agree that in such instances, an arbitrator will be selected, according to the rules of FMCS, to determine the question of arbitrability and if found to be arbitrable, to then determine the substantive issue. If there is no objection by the District to the arbitrability of the grievance, the Parties shall proceed to arbitrate the substantive grievance issue on its merits.
 2. The District and the Association (or the grievant if the Association is not representing the grievant) agree to make available, upon specific written request to the other, such information as is necessary to effectively process grievance. The cost of gathering the information shall be borne by the requesting Party in accordance with Florida Statutes. Requests for such information shall allow a reasonable time prior to the Level Four hearing (except that if the arbitration hearing is to determine arbitrability, then a reasonable time before a hearing is set or the purpose) for collection of requested information. Neither the District nor the Association (nor the grievant, if the grievant is not represented by the Association) shall be permitted to assert in such arbitration proceeding any ground or rely on any evidence which had been specifically requested by the opposite Party but which was not previously disclosed to the requesting Party.
 3. If the Parties cannot mutually agree to an arbitrator within seven (7) days of the receipt of the list of arbitrators from FMCS, then the arbitrator will be selected by FMCS in accordance with its rules. The arbitrator shall have no power to add to, subtract from, modify or alter the terms of the Agreement. The arbitrator will conduct a hearing, shall render his/her decision in writing within (30) days after the close of the arbitration hearing and shall furnish a copy to the Association/grievant and the District. The Parties agree that the decision of the arbitrator shall be final and binding on all Parties. The fees and expenses of the arbitrator shall be shared equally by the District and the Association unless the Association has elected to withdraw or not to support the grievance and so notifies all Parties in writing. In this case, the fees and expenses of the arbitrator shall be shared equally by the District and the grievant. All other expenses shall be borne by the Party incurring them, and neither Party shall be responsible for the expense of witnesses called by the other.
- f) Other provisions relating to the Grievance Procedure:
1. No reprisals of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.

ARTICLE 2 – GRIEVANCE PROCEDURE (cont’d)

2. If the Association decides not to process the grievance based on non-member status, then the non-member may process the grievance provided the grievant agrees that all costs that would have been borne by the Association will be borne by the grievant, and should the Association determine the grievance is without merit, the grievance will be deemed withdrawn and thereafter subject to the last sentence of sub section 3 (f) 4 below.
3. All documents, communications and records dealing with processing of a grievance shall be filed in a separate grievance file and shall not be kept in the official personnel file of any of the participants unless otherwise required by law.
4. Nothing in this agreement shall prevent the Association (if the Association is representing the Grievant) or an individual grievant who is not being represented by the Associations from withdrawing the grievance claim at any step of the process. A grievance, once withdrawn, may not be reopened without mutual written agreement between the District and the Association.
5. The time limits provided in this agreement shall be strictly observed unless extended by written agreement of both Parties. Failure of the Association or the grievant, if the Association is not representing the grievant, to proceed with the grievance within the time hereinbefore provided shall result in the dismissal of the grievance. Failure of the District or its representative(s) to take the required action within the time provided shall entitle the Association or the grievant, if the Association is not representing the grievant, to proceed to the next step of this Grievance Procedure.

ARTICLE 3 – EMPLOYEE RIGHTS AND RESPONSIBILITIES
SECTION A – WORK YEAR AND WORKING HOURS

1. Workweek

The basic workweek shall consist of forty (40) hours unless otherwise specified by the District. Where practical, to accomplish the mission of the District, the workweek should be scheduled in five (5) or fewer consecutive workdays. During the normal workday, hours shall be scheduled consecutively, but may be interrupted by an unpaid lunch/supper break and may include paid break times as set forth below. The District shall establish the basic workday, workweek, work year and the hours of work best suited to meet the needs of the Department and to provide superior service to the District. Nothing in this Agreement shall be construed as a guarantee or limitation of the number of hours per day or days per week to be worked except as provide herein.

Unless stated otherwise herein, the District will have the right to reduce the number of work hours in a workday and/or the number of workdays in an Association represented employee’s contract year during a fiscal year only for one of the following two (2) reasons:

ONE:

If the projection in student enrollment at a school site differs enough from the actual student enrollment as determined by the eleven-day student count at a school site, a reduction in the number of hours in a workday and/or in the number of (duty) workdays in an Association represented employee’s contract year may occur between the date the school site’s preliminary budget for the following fiscal year is distributed by the District’s Budget Office and October 31.

In addition, if the projection in the number of ESE units at a school site differs enough from the actual number of ESE units that are determined to be required at that school site, a reduction in the number of hours in a workday and/or in the number of (duty) workdays in an Association represented employee’s contract year may occur between the date the school site’s preliminary ESE Menu Allocation for the following fiscal year is distributed by the District’s ESE Department and October 31.

Finally, if the projection in the number of ESOL teachers at a school site differs enough from the actual number of ESOL teachers that are determined to be required at that school site, a reduction in the number of hours in a workday and/or in the number of (duty) workdays in an Association represented employee’s contract year may occur between the date the school site’s preliminary allocation of ESOL teachers for the fiscal year is distributed for the following fiscal year is distributed by the District’s Multicultural Department and October 31. (Note: Currently FY 2007, the District allocates one paraprofessional to an elementary school for every 2.5 ESOL teachers allocated to an elementary school and one paraprofessional to a secondary school for every 6 ESOL teachers allocated to a secondary school. This notation is for explanatory purposes only and is not meant to guarantee this ratio in future fiscal years. The District retains its management right to establish this ratio as it determines necessary.)

TWO:

If the Superintendent of Schools officially declares a budgetary emergency at any time during the fiscal year, a reduction in the number of hours in a workday and/or in the number of (duty) workdays in an Association represented employee’s contract year may occur. The District will provide the Association President with written notice of any budgetary emergency declared by the Superintendent of Schools.

ARTICLE 3 – EMPLOYEE RIGHTS AND RESPONSIBILITIES
SECTION A – WORK YEAR AND WORKING HOURS (cont'd)

The Parties recognize and understand that the assignment of “one-on-one” Paraprofessional I employees by the ESE Department is determined by the District based on an individual student’s needs. As such, there is no formal allocation formula for one-on-one Paraprofessional I employees. Therefore, the Parties agree that the District will have the right to reduce the number of hours in a workday and/or reduce the number of (duty) workdays in an Association represented employee’s contract year during the fiscal year based on the individual needs of students at a school site requiring a one-one-one paraprofessional employee.

Nothing in this Section prohibits an Association represented employee from seeking a voluntary transfer or from being involuntarily transferred or reassigned to another position as provided in Article 3, Section B of this Agreement. Nothing herein will prohibit trade-offs of positions at a school site that impact an Association represented employee’s number of hours in a workday and/or the number of (duty) workdays during his/her contract year on or before October 31st of any fiscal year; and after October 31st of any fiscal year if the Principal and the affected Association represented employee mutually agree to the terms of the trade-off for the balance of the fiscal year.

When an employee is removed from his/her job duties and assigned temporary duties in a higher classification for ten (10) consecutive work days, the employee shall receive a five percent (5%) increase or the new minimum of the higher classification, whichever is greater. The increase will be retroactive to the first day of the temporary assignment to the higher classification. All reassignments in this provision shall be made by the Principal or Department Head. In no instance, however, will a paraprofessional I be eligible for substitute teacher or permanent substitute pay.

2. Overtime

All authorized and approved work actually performed by an employee in excess of forty (40) hours worked in any workweek shall be considered overtime and shall be compensated as follows:

- (a) One and one-half (1.5) times the employee’s regular rate of pay, or,
- (b) Compensatory time off which is earned at the rate of one and one-half hours (1 1/2) of compensatory time for each hour of overtime worked.
- (c) When compensatory time is approved and used, its use shall not be counted as being absent for purposes of determining the employee’s eligibility for merit pay that month. Any employee, who has requested the use of compensatory time, shall be permitted by the employer to use such time within a reasonable period after making the request. The use of compensatory time shall not be denied unless it unduly disrupts the operation of the employer nor shall the employer deny the use of compensatory time on an arbitrary and discriminatory basis. Compensatory time shall be scheduled mutually between the employee and the supervisor
- (d) Effective January 1, 2010, employees assigned as Emergency Communications Operators who are regularly assigned to work on a paid holiday will be paid time-and-a-half for all hours worked on that paid holiday. Such employees need not be assigned to work on all paid holidays, but must be frequently assigned to work on a paid holiday(s).

- b. An employee may leave the building and/or campus during his/her scheduled duty-free lunch period upon notification to the supervisor. However, in emergency situations, the supervisor may temporarily suspend the duty-free lunch period. An employee, whose duty-free lunch period is suspended due to an emergency, will have such time credited as work time for compensation purposes, if their work schedule is not otherwise adjusted. Any employee who is away from the building and/or campus under this provision shall not be considered to be carrying out the responsibilities of his/her position and the Board shall not be liable for injury to the employee or damage to the employee's property, unless the employee is performing duties authorized by his/her supervisor.

4. Break Times

Employees shall be provided a fifteen (15) minute break for each four (4) hours worked per day. Break time must be taken at a time convenient with the supervisor. By mutual consent, the two fifteen (15) minute breaks may be taken in conjunction with a thirty (30) minute lunch for a combined total of one (1) hour. In no case shall an employee be permitted to waive his/her breaks so he/she may shorten the length of his/her normal workday. The Association reserves the right to demand bargaining over the impact of the revised job description on wages, hours and terms and conditions of employment.

It is understood by the Parties that every incidental duty connected with the functions enumerated in the job description is not specifically described. This does not preclude the requirement of performance by the employee of related duties. Employees may be requested to perform other duties as assigned not directly related to their job description for the safety of the school/department provided all Association represented employees in that school/department are assigned to such duties on an equitable basis. Principals/Directors will take into consideration the time such duties detract from the employee's duties as found in his/her job description, provided such duties are performed in good faith by the assigned employee, these duties will not negatively influence the annual evaluation of the employee.

An employee who has been separated from the system for a period exceeding eighteen (18) months shall be treated as a new employee. However, employees who resign in good standing and are rehired in the same grade after eighteen (18) months but not longer than twenty-four (24) months of their resignation, who believe there are extenuating circumstances that were beyond their control that delayed their return to employment with the District, may appeal to the Chief of Human Resources and if such appeal is accepted by the Chief of Human Resources, such employees will be considered to have been rehired at their former rate, and grade or the new minimum whichever is higher. The decision of the Chief of Human Resources is final and is not subject to the grievance procedure.

10. Seniority/Longevity Rights

Seniority shall be defined as the total length of continuous service with the Board. Seniority shall be district-wide and shall date from the last effective date of employment. Time off for Board approved non-compensable leaves of absence shall count for seniority purposes and such leave shall not be considered as an interruption of service.

11. Reduction in Force Policy

In the event that a reduction in work force (RIF) becomes necessary due to declines in enrollment, budgetary restrictions, reorganization, or other causes as determined by the District, the following reduction-in-work force provisions shall apply:

- b) In the event that two (2) or more employees affected have the same amount of continuous service within the District, the Superintendent or designee shall make the decision of who shall be retained.

Within five (5) workdays of the certified receipt date or attempted delivery, laid-off employees must signify in writing to the Human Resources Division their intention of returning to work. Employees must return to their assigned worklocation within five (5) workdays of acceptance of recall. If an employee fails to respond to a recall offer and/or declines an offer three (3) times, his/her name will be moved to the bottom of the seniority list for recall purposes.

If several positions within a recall classification become available for recall at one time, the Superintendent, when recalling employees, shall first place employees in the school or Department from which they were laid off if such position is available. If such position is not available, then the Superintendent, when filling such positions, shall consider applicable affirmative action goals, geographic location, preference of the senior employee, and the needs of the District. However, the decision of the Superintendent shall be final. If the employee fails to respond to or declines a recall offer, the next most senior employee on the recall list will be contacted. If an employee fails to respond to and/or declines a recall offer three (3) times, that employee's name will be moved to the bottom of the seniority list for recall purposes.

Any accrued sick leave and/or annual leave of record at the time layoff shall be restored at the time the employee accepts a recall offer. An employee who is on layoff status is eligible to apply for any other vacant position, and if reinstated by the District to another position, the employee forfeits rights to recall.

When a School or Department must reduce the number of employees at that School or Department due to declining student enrollment, budgetary restrictions, reorganization or other reasons as determined by the District, the following provisions will apply:

- (b) Excessing will be by job code with the least senior employee being excessed unless a more senior employee in that same job code at that work location volunteers to be excessed. In such cases, the volunteering employee will be excessed and the less senior employee in that job code will not be excessed.

ARTICLE 3 – EMPLOYEE RIGHTS AND RESPONSIBILITIES
SECTION B – PERSONNEL PROCEDURES (cont'd)

- (c) The only exception to this provision is when a less senior employee has received specialized training such as in ESE, Pre-K, etc. and if the more senior employee within that job code at the School or Department declines to be trained in that area. In these cases, the more senior employee who declines to be trained will be excessed and the less senior trained employee will not be excessed.
- (d) Employees to be excessed will be notified in writing in a timely manner and are encouraged to seek transfer to Schools or Departments that have posted vacancies.
- (e) For those excessed employees who are unable to secure another position through the transfer process, the District will list all unplaced excessed employees according to their seniority and starting with the most senior, and then place those employees in positions for which they are qualified.

In the event service is terminated by death, benefits shall be paid to the beneficiary as identified on the employee's group life insurance form.
- (b) Accrued Annual Leave: A member of the bargaining unit shall receive payment for all accrued vacation leave (if applicable) at his/her daily rate at time of resignation or termination, retirement, or to his/her beneficiary, if service is terminated by death, as terminal leave pay. At any time during the promotional probationary period, either the District or the employee can cancel the promotion for any or no reason. The decision not to continue an employee in the promoted position and/or the written feedback shall not be the subject of a grievance procedure. In the event the promoted employee does not continue in the higher classified position for 90-days, he/she shall be given a position at the same level and with the same benefits he/she received prior to the promotion.
- (d) Newly hired/re-hired probationary employees shall not be eligible for any type of leave except accrued sick leave, annual leave, or short term unpaid leave (due to illness), not to exceed five (5) days.
- (e) The minimum salary shall be considered the normal entry pay rate for all newly hired probationary employees, except as provided for in paragraph 9 of this Section, i.e. Break in Service.

In such cases, the paycheck will be electronically deposited no later than on the last preceding day that is not a banking holiday. Both the Association and the District strongly encourage all current employees to take advantage of and to sign-up for the electronic deposit of their paychecks. Current employees electing not to sign-up for the electronic deposit of their paychecks, will be paid by an alternative method determined by the District that may or may not follow this pay schedule. The Association recognizes that the District has established as a pre-condition of employment that all new employees will be paid via the electronic deposit of their paychecks as stated herein. Employees who have signed-up for electronic deposit shall remain on this method of payment.
- 9. The Association shall appoint two (2) representatives to provide input on topics that will be addressed by the District's *ad hoc* Payroll Advisory Committee. It is understood that any such assignment may be terminated without recourse by the Principal at any time. It is further understood that the Principal may ask an AESOP represented employee to fill such supplemental position only after the Principal has determined that no CTA represented employee at the school is qualified to perform the responsibilities of that specific supplemental position or if no qualified CTA represented employee wishes to fill that supplemental position. Nothing herein requires the Principal to fill a CTA supplemental position with an AESOP represented employee. This Section shall be included in each respective PERC recognized organization's Collective Bargaining Agreement or negotiated modifications hereto, upon ratification by each respective employee organization and approval of the School Board.

1. (a) The District will provide a choice of benefits to eligible employees under a cafeteria plan hereinafter referred to as a "Flexible Benefits Plan."
- (b) Full-Time Eligible Employees: A full-time eligible employee is defined as a non-temporary employee who is in a regular established position and works six (6) or more hours per day.
- (c) Part-Time Eligible Employees: A part-time eligible employee is defined as a non-temporary employee in a regular part-time position who falls within one of the following two classifications:

The medical plan enrollment choices include Low Option HMO Plan or the CDHP for the first eighteen (18) months of active eligible employment. - (d) **GROUP TERM LIFE INSURANCE:** Basic Term Life Insurance will be provided and paid by the District for eligible employees in the following amounts:
 - ▶ \$20,000 face value for full-time eligible employees.
 - ▶ \$10,000 face value for part-time eligible employees.

The Group Term Life Policy will include equal amounts of Accidental Death and Dismemberment (AD&D) coverage and will provide an employee a conversion right to an individual whole life policy directly with the life insurance carrier without the need for a physical examination if the employee ends his or her employment with the District. No other continuation or portability plans will be offered.

Eligible employees will be able to purchase additional term life and AD&D insurance if they enroll within thirty (30) days of their first date of hire at the same rates the Board pays in \$20,000 increments, up to \$100,000 or five (5) times their annual salary, whichever is less.

Employees who avail themselves of this option may also enroll their non-disabled spouse with one-half (1/2) the face value of the additional insurance the employee has opted to purchase. Such spousal coverage includes AD&D and may only be purchased in \$10,000 increments. If an employee's spouse is also an eligible employee, the employee is not eligible to purchase spouse optional life or AD&D and only one of the eligible employees may purchase group term life for their dependent children.

Employees who purchase additional term life insurance may also purchase coverage without AD&D for their non-disabled dependent children, who are under the age nineteen (19) or under age twenty-five (25) if the child is a student. Such dependent coverage will have two options:

Rates for optional employee coverage will not be more than the rates that the District pays for the basic coverage described above.

Group Term Life Insurance coverage in excess of \$100,000 and enrollment during annual enrollment periods will require satisfactory proof of insurability by the insurance carrier.

- (e) **CLAIMS ADMINISTRATION:** An employee will be required to comply with any and all rules and regulations and/or limitations established by the carrier or applicable third party administrator and contained in the policy, and employees and their dependents shall look solely to such carrier or third party administration for the adjudication of the payment of any and all benefits claims.

- 3. This program is called the Special Retirement Plan. At the option of the District, additional contributions may also be made by the District. Any contributions to the Special Retirement Plan shall be made as an employer contribution to such eligible retirement program. Account values under this Plan shall be available to the employee only as permitted under, and in accordance with applicable Federal and

14. Health Rewards with Outcomes

- (a) All parties are desirous of a program that allows partial premium discounts (within all legal parameters of IRS Section 125 plans and the Affordable Care Act). This Section spells out the program requirements, required dates for completion, and the corresponding dates for the premium discount to begin to apply.

Each eligible employee and his/her covered spouse or domestic partner who actively participates in and completes the health reward required activities listed below between January 1 and August 31, will be eligible for an employee health rewards credit beginning with the first premium in the following January and continuing through the calendar year, as long as the employee remains eligible throughout this time period. The credit amounts are listed in section d below.  - Employee plus Spouse \$25 per month for the employee and/or \$25 per month for Spouse/DP
 - Employee plus Family \$25 per month for the employee and/or \$25 per month for Spouse/DP

Additionally, there may be specific lifestyle programs offered as reasonable alternatives. There are some requirements that need to be met to be eligible for specific programs such as Real Appeal. These specific programs will only be allowed to be completed once by any covered member. Once an employee or covered dependent has taken either of these courses and received points towards the Health Rewards with Options program, they will not be eligible to receive credit for these programs in future years.

The plan time frame for completion is the entire calendar year for employees and their covered spouses/domestic partners to complete the Health Rewards requirements for the discount to apply at a specific point in the following calendar year.

- ➡ If the required activities are completed by August 31, the discount will start with the first premium effective on or after the following January 1.

ARTICLE 6 – COMPENSATION AND BENEFITS
SECTION B- HEALTH, DENTAL, LIFE AND VISION INSURANCE (cont'd)

- ➔ If the required activities are completed by December 31, the discount will start with the first premiumseffective on or after the following June 1.

In order to earn the premium reward discount anytime in a plan year, the employee will need to fully complete the Health Rewards required activities within the required time period in the prior plan year. If the employee also elects coverage for a spouse or domestic partner, the covered adult would also need to fully complete the required activities within the established time period in order for the premium reward discount to be awarded to the employee. Effective for the plan year 2021, the covered spouse or domestic partner will earn Health Rewards credit independently and separate from the employee.

Completion of all Health Rewards required activities resulting in an award of 100% would be necessary for the employee and/or a covered spouse or domestic partner.

- 15. Engagement/Greater Rewards with Next Steps
 - (a) During 2014 and thereafter, the District and its recognized Employee Unions and Associations agree to explore and implement other wellness rewards to encourage and support active employee participation in the District’s Health and Wellness efforts. It is agreed opportunities will be provided to help employees avoid any future financial penalties and to provide financial incentives to employees. It is also agreed that incentive requirements will change every few years and will be bargained two years in advance where practical.

In addition, the District and the Coalition Bargaining groups agree to meet 4 times throughout the year to discuss additional wellness initiatives and medical plan issues and design changes to understand and/or achieve a balance of benefits and cost containment. This will be accomplished in partnership with the District, its Employee Unions and Associations and the insurance providers to create intense communication efforts, community resource information, and support tools well in advance. The subject matter of the Committee will include, but is not limited to, the following issues:

- Programs providing employees with information on negotiated price, and the quality, of particular health care services provided by particular providers, together with incentives to obtain services from higher-value providers (“transparency”);
- The contractual provisions and financial performance of the District’s contract for pharmacy benefit management (“PBM”);
- The establishment and operation of one or more on-site or near-site clinics or health centers to serve District employees and dependents, operated under contract with the District;
- Wellness program design and administration, including requirements and incentives;
- Health plan benefit design, including but not limited to infertility diagnosis and treatment;
- Health plan utilization issues, including but not limited to potential over-utilization of urgent care, emergency room and C-section deliveries;
- Total well-being of employees and dependents, including financial stress and worksite environment;

ARTICLE 6 – COMPENSATION AND BENEFITS

SECTION B – HEALTH, DENTAL, LIFE AND VISION INSURANCE (cont’d)

- 24-hour physician access by telephone or computer (“telemedicine”).
- Onsite Employee Health Clinic

(b) The bargaining units agree that participation in the District’s Health Rewards Program is beneficial to the employee as it brings awareness to each member’s personal health situation and awareness is a first step to understanding healthy and effective lifestyle habits. To help increase participation, each bargaining unit agrees to work towards increasing participation through promotions and discussions at meetings as well as in newsletters, emails and other correspondence to their members. Each bargaining group will strive to increase participation by 10% beginning in 2020.

16. Tobacco Surcharge

Employees who use tobacco products will be required to pay an additional monthly surcharge of \$50 for their medical insurance. An employee who has used a tobacco product(s) anytime within the last 60 days will be considered to be a user of tobacco products. The tobacco surcharge (\$50 a month) will be enforced throughout the entire plan year unless the employee meets the requirements of the Affordable Care Act for a change in his/her status. Employees are required to complete an affidavit that indicates their status within 30 days of their hire date. Employees will be able to update their tobacco status between January 1, and October 15 of each year. Changes made during this period will apply for the entire next plan year. By choosing not to disclose tobacco status or by not completing the form, employees will be assessed the \$50 monthly default charge, the same as a tobacco user.

17. On-site Employee Clinic

The District has established an on-site health clinic, known as the District Occupational Clinic, or “DOC”, to be located adjacent to the Fulton-Holland Educational Services Center. The DOC provides primary health services for employees and any dependents covered under the District’s medical plan at lower co-pays. Due to the COVID-19 pandemic, the trial run for the clinic will be extended through Plan Year 2023. Use and outcomes will be examined at that time. For calendar year 2022 and 2023, the co- pay will be \$10 per visit for employees and dependents enrolled in the HMO medical plans. For the same period, those employees and dependents enrolled in the CDHP medical plan will have a cost share of \$25. This amount must be an amount equal to fair market value as required by the IRS.

Pre-employment and random drug testing as well as CDL and other required employee physicals will be handled through the clinic at the discretion of the District.

APPENDIX B – MOU FINGERPRINTING

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE SCHOOL DISTRICT OF PALM BEACH COUNTY
AND
THE ASSOCIATION OF EDUCATIONAL SECRETARIES AND OFFICE PROFESSIONALS (AESOP)**

The aforementioned Parties, by the signatures of their respective representatives below, agree this 9th day of February, 2006 to the following concerning the re-fingerprinting of employees as required by Senate Bill 2986.

1. The Parties recognize that the Florida Legislature enacted and the Governor signed into law Senate Bill 2986 during the 2004 Legislative Session. This law, effective July 1, 2004, requires all public education employees to be re-fingerprinted with such prints to be reviewed and maintained by the Florida Department of Law Enforcement (FDLE) with an initial review of each set of prints by the Federal Bureau of Investigation (FBI) with a follow-up review by the FBI every five years thereafter.
2. This agreement affects only employees who are required to be re-fingerprinted by the State on or after July 1, 2004 and does not apply to the initial costs of fingerprinting of applicants seeking employment with the District either before or after July 1, 2004.
3. The District will assume all initial costs of re-fingerprinting for all impacted employees of the District, i.e., the District's administrative cost, the cost of the initial fingerprint check with the FDLE, and the cost of the initial fingerprint check with the FBI.
4. Beginning in the fall of the FY immediately following the FY during which the affected employee is re-fingerprinted and each year thereafter, each affected employee will assume the annual maintenance fee charged by the FDLE and every five (5) years thereafter, the fee charged by the FBI. Payroll deductions will be used by the employee to make these payments.
5. This agreement does not affect applicants who are seeking employment with the District, except they will be subject to the maintenance fees set forth in paragraph 4 above in the event they become employees of the District on or after July 1, 2004.
6. The Parties agree that employees represented by AESOP who were employees of the District before July 1, 2004, and who remain employees of this District without a break in service into the 2008-2009 fiscal year will not be subject to re-fingerprinting until the 2008-2009 fiscal year and will not be required to start paying the maintenance fees set forth in paragraph 4 above until the Fall of 2009. The Parties further agree that impacted AESOP represented employees may be required to travel a reasonable distance to a location other than their regular work site to be re-fingerprinted during the 2008-2009. To the extent possible and within reason any travel time to and from the re-fingerprinting site will be scheduled during the employee's regular working hours; however, any scheduled travel expenses will be borne by the employee.
