The District will provide the Union monthly reports of newly hired employees whose job is included in the SEIU/FPSU Unit Description. The report shall contain contact information, job location and job title of each employee.

The District shall notify the Union of any formal orientation or in-service meeting held by the District. The notice will be sent as soon as such meeting(s) are scheduled but not less than five (5) days in advance and will include the date, time and location of the meetings(s).

SEIU/FPSU shall be granted access to new employees at the conclusion of New Employee Orientation as scheduled by the District. If no formal orientation or in-service is held, the District shall allow Union representatives to meet with new hires during their duty day at a District property once per semester on a non-student attendance day for no more than thirty (30) minutes. The Parties agree to work together to determine the best way to schedule the meeting so as to provide the least amount of disruption to the operations of the District.

ARTICLE 6 EMPLOYEE RIGHTS

SECTION 1 Rights of Employees

Pursuant to the Constitution and Statutes of the State of Florida, the Parties agree that employees shall have the right to form, join, and participate in, or refrain from forming, joining, or participating in, any employee organization of their own choosing.

SECTION 2 Work Related Information

Information relating to Workers' Compensation will be posted on bulletin boards accessible to employees along with other legally required informational postings. In addition, from time to time the District may, but is not required to provide employees with informational leaflet(s) regarding retirement, In-Line-of-Duty injuries/leave, Worker's Compensation and other work related information.

SECTION 3 Leaving the Building

At times when employees do not have scheduled instructional responsibilities, conferences, or other assigned duties, an employee may, upon approval of the Principal, leave the school building for personal reasons. Such approval shall be equitably applied. Any employee who is away from the building under this provision shall not be considered to be carrying out the responsibility of his/her position and the District shall not be liable for injury to the employee or to the employee's property.

ARTICLE 6 EMPLOYEE RIGHTS (cont'd)

SECTION 4 Union Buttons

Employees shall be permitted to wear Union buttons while performing work as long as it does not create a safety or health problem or disrupt the normal work operation. The Union will be permitted annually to designate nine (9) Union Days and on these days, employees will be allowed to wear Union shirts. The requested designated days shall be submitted to and reviewed by the Chief Operating Officer before they are announced to employees by the Union. In addition, the Union may petition the Chief Operating Officer for additional day(s).

SECTION 5 Employee Representation

- A. Any employee eligible for the unit shall have the right to SEIU/FPSU representation if the employee desires to meet and consult with any supervisory or managerial official, via the appropriate chain of command, by appointment.
- B. Employees shall conduct SEIU/FPSU activities at times other than working hours. However, in emergency or hardship cases and upon expressed permission of immediate supervisor, employees of the unit shall have the right to briefly contact their steward or other SEIU/FPSU representative during regular working hours. Permission shall not be unduly withheld, provided such communication shall in no way interrupt, delay or otherwise interfere with effective, proper and superior service to the District.

SECTION 6 Vandalism to Vehicle

If an employee's vehicle is vandalized while on the property of the District and the employee is on active duty or is on an approved TDE for District purposes, the employee will be reimbursed for the damage to the vehicle when it is determined that the vandalism occurred on District property. Such determination may be made by a School Police Officer, witness testimony or apprehension of the person(s) responsible for the vandalism. As used herein the phrase "vehicle is vandalized" means a willful and malicious act of damaging an employee's vehicle. The maximum total liability of the District under this provision will be five hundred dollars (\$500) per occurrence, less any amount reimbursable by insurance. The maximum total liability of the District for the bargaining unit will be ten thousand dollars (\$10,000) per school year (July 1- June 30).

Both management personnel and affected employees are admonished to keep these matters confidential and private to the extent permitted by Florida Statutes, School Board Policies and/or Administrative Directives. Nothing herein should be construed to allow an employee and/or manager to refuse to cooperate with and/or to refuse to provide information/testimony to authorized District personnel, law enforcement personnel and/or other personnel authorized by law or regulation to conduct an investigation into matters that may affect an employee(s) of the District or a student(s) who attends a District school or a Charter school.

ARTICLE 6 EMPLOYEE RIGHTS (cont'd)

SECTION 9 Quality Public Service Council

In order to provide a means for continuing and improved communications; to serve as a forum for discussing and initiating programs designed to generate cost savings without a reduction in public service and to enhance the skills, training and job satisfaction of workers; Quality Public Service Councils will be established in each of the following functional areas: custodial, food and nutrition services, transportation services, facilities services, technology and ECPs/Paraprofessionals. Upon mutual agreement of the Parties, additional Councils may be formed should the Parties agree to establish Councils for sub-function areas.

Three (3) representatives from each functional area, selected by the Union, will meet with three (3) managers in these respective functional areas a minimum of two (2) times per school year, one meeting to be held within sixty (60) days after the beginning of the school year, and a second meeting held no later than April 30 of each school year. In addition, all functional councils will meet with the Chief of the Division of Support Operations or designee twice annually subject to mutual agreement regarding meeting dates.

The Union will select from among its three (3) representatives a co-chair and management will also select a co-chair from among its three (3) representatives. The co-chairs will be jointly responsible for establishing the agenda for each Council meeting in advance and shall alternate each meeting as the Chair of the Council. The Co-chair who is not chairing the Council meeting will be responsible for taking the minutes of that Council meeting. After the meeting, the co-chairs will review, finalize and will both sign those minutes and then share them with the Council members, with the employees and managers being represented by that Council as well as with the Chief Operating Officer and the Superintendent of Schools.

To assure that those appointed have the authority to make decisions concerning topics that may be on the Council's agenda, either the Director or a manager who is a direct report to the Director will be appointed by management as one of its three (3) appointees to serve on the Council.

The Councils may discuss issues, which could result in an improved quality of work life both on the job and after work hours, as well as improving the quality of work performed and employee training programs. The Councils may also discuss other matters mutually agreed upon by the Parties; however, Council meetings are for the purpose of positive programs and results and are not meant to become gripe sessions for either workers or managers. Whoever is serving as Chair of a Council meeting shall admonish and declare out of order any member who would use a Council meeting as a forum to criticize an employee or a manager. In addition, there will be no retaliation taken against a Council member for reason of that member expressing in good faith his/her ideas and opinions to promote the functions of the Council. Council meetings are not intended to bypass the Collective Bargaining process or the Grievance Procedure; however, a Council has the right to jointly develop written bargaining proposal(s) on relevant subjects along with written rationale for the proposal(s) and may request the Union and the District to place such joint proposal(s) on the bargaining agenda for the next round of bargaining between the Parties.

ARTICLE 7 EMPLOYEES CONTRACTUAL RIGHTS

SECTION 1 Probationary Employees

1. All newly hired or rehired employees are subject to a probationary period of ninety (90) work days.

In the event the Superintendent seeks termination of a continuous employee, the School Board may suspend the employee with or without pay. The employee shall receive written notice and shall have the opportunity to formally appeal the termination. The appeals process shall be determined in accordance with Article 13 - Discipline of Employees (Progressive Discipline).

ARTICLE 8 MANAGEMENT RIGHTS

SEIU/FPSU and its members recognize the responsibility of the District to operate and manage its affairs in all respects in accordance with its responsibilities as established by law and as delegated by the State Board of Education; and the powers of authority, which the District has not, officially agreed to share by this agreement are retained by the District. It is the right of the District to determine unilaterally the purpose of each of its constituent agencies, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the right of the District to manage and direct its employees, establish reasonable rules and procedures, take disciplinary action for proper cause, and relieve its employees from duty because of lack of work or for other legitimate reasons, provided, however, that the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matters have the practical consequences of violating the terms and conditions of this agreement in force.

The District has the sole authority to determine the purpose and mission and the amount of the budget to be adopted by the School Board. The District and the Union agree that the District has and retains unaltered, its legal right to select, assign, reassign, or relocate any of its employees, as it deems appropriate, to carry out its mission under the law and State Board of Education Regulations, unless otherwise specifically enumerated herein.

ARTICLE 8 MANAGEMENT RIGHTS (cont'd)

Except to the extent it has been done prior to May 26, 1998, no bargaining unit work, which would result in the loss of jobs by members of the bargaining unit, shall be contracted out without prior consultation with the Union. In the event the Board decides to contract-out work that is routinely and regularly performed by bargaining unit members, the Board shall:

1. Provide the Union no less than ten (10) day notice of intent to issue a Request for Proposal, and
2. Provide affected employees with no less than thirty (30) day formal notice of impact.

It is understood that changes under this Article may not be arbitrary and capricious, and it is agreed that the District has those rights which are enumerated within Florida Statute 447; however, nothing herein shall relieve the Parties of their ability to request impact bargaining.

ARTICLE 9 SALARY/BENEFITS

SECTION 1 Wages

The Parties agree to increase the Pay Rates in Appendix A by 3.5% to the maximum effective January 1, 2023. The Parties also agree to increase the progression between pay range minimums to at least 3% in Appendix A. The January 1, 2023 minimum-maximum salary schedules are attached as Appendix A. The Parties agree that these minimum-maximum salary schedules are not subject to further modification or change until January 1, 2024 in keeping with the Preamble of this Collective Bargaining Agreement and further agree that future modifications or changes to these minimum-maximum salary schedules will be effective on January 1 of any given year unless otherwise agreed to by the Parties.

The Parties agree that effective January 1, 2023; the annual Pay Rates of all employees shall be increased by the agreed upon percentage in the table below. Each employee who remains an employee of the District in this bargaining unit on the date the School Board adopts this Agreement, will be paid the negotiated increase on the minimum-maximum Annual Pay Rate Schedule (Appendix A), effective January 1, 2023. Those individuals, who are no longer employees of the District on the date the School Board approves this Agreement, are not entitled to any retroactive pay.

Tier	Years	Percentage Increase
1	0 - 1.99	3.00%
2	2 - 5.99	3.50%
3	6 - 9.99	4.00%
4	10+	4.50%

The Parties further agree that upon ratification and Board approval of this agreement, each bargaining unit member, who is active as of the date it is approved by the Board, will receive a one-time bonus of \$1,500 or 3% of his/her base salary, whichever is greater, prior to any recurring salary increase.

ARTICLE 9 SALARY/BENEFITS (cont'd)

- a) Each employee's current annual Pay Rate that is not red-lined will receive the applicable wage increase set forth above effective January 1, 2022 and July 1, 2023. If after receiving the negotiated wage increase effective January 1, 2023 or July 1, 2023, the employee's new Pay Rate is greater than the new maximum annual Pay Rate after it is increased by 3.5% effective January 1, 2023, the employee's new Pay Rate will be considered to be red-lined when wage increases are negotiated in the future.
- b) An employee whose current annual Pay Rate is red-lined, but whose new annual Pay Rate will not be greater than the maximum annual Pay Rate after that maximum is increased by 3.5% effective January 1, 2023, will have his/her current annual Pay Rate increased as set forth in applicable sub-sections A, B, or C effective January 1, 2023 and will no longer have his/her annual base salary considered to be red-lined.
- c) An employee whose current annual Pay Rate is red-lined, and whose new annual Pay Rate is determined to exceed the maximum annual Pay Rate after that maximum annual Pay Rate is increased 3.5% effective January 1, 2023, will continue to have his/her current annual Pay Rate red-lined and will not receive an increase to his/her current red-lined annual Pay Rate until such time in the future a new maximum annual Pay Rate is negotiated that is greater than the employee's current red-lined annual Pay Rate. Said employee will continue to be paid at his/her current red-lined annual Pay Rate until such time in the future an annual Pay Rate is negotiated for that employee that is not greater than the maximum Pay Rate at that time. Such employees will be paid a one-time and non-reoccurring bonus equal to the appropriate Pay Rate increase he/she would have received if his/her Pay Rate were not red-lined. This bonus, minus standard deductions, will be computed for all days worked and to be worked (including paid holidays, if any, and paid leave days) for the period of January 1, 2023 through the end of the 2023 calendar year or the employee's last day of paid employment with the District whichever occurs first. To be eligible for a bonus payment, the employee must remain with the District in this bargaining unit on the date the School Board approves this Agreement.

SECTION 2 Working Out of Classification

When an employee is removed from their job duties by the Principal/designee, and assigned temporary duties in a higher classification for ten (10) continuous work days, a 10% supplement, or the new minimum (whichever is greater) shall be paid to the employee. The supplement will be retroactive back to the first day of assignment in the higher classification.

Notwithstanding the above, when any Early Childhood Professional is removed from their job duties by the Principal/designee and is temporarily assigned temporary duties as a Teacher 1 when there is a vacant Teacher 1 position in the classroom where the employee is assigned, a 10% supplement will be paid to the employee, retroactive to the first day, for the length of the assignment. To be eligible for this payment, the Early Childhood Professional must meet the Florida Division of Early Learning professional development requirements for a VPK instructor. A completed lesson plan that has been approved by the Principal/designee will act as documentation for the purposes of this article. In this situation, a qualified VPK substitute teacher must be hired to fulfill the duties of the Early Childhood Professional. However, if the Early Childhood Professional does not choose to serve as a Teacher 1 for a vacant Teacher 1 position, a qualified VPK substitute teacher must be hired for the vacant Teacher 1 position, in compliance with VPK program staffing requirements.

ARTICLE 9 SALARY/BENEFITS (cont'd)

When any Early Childhood Professional is removed from their job duties by the Principal/designee and is temporarily assigned temporary duties as a Teacher 1 for 10 continuous workdays due to the absence of a Teacher 1, a 10% supplement will be paid to the employee, retroactive to the first day for the length of the assignment. To be eligible for this payment, the Early Childhood Professional must meet the Florida Division of Early Learning professional development requirements for a VPK instructor. A completed lesson plan that has been approved by the Principal/designee will act as documentation for the purposes of this article. In this situation, a qualified VPK substitute teacher must be hired to fulfill the duties of the Early Childhood Professional. However, if the Early Childhood Professional does not choose to serve as a Teacher 1 for an absent Teacher 1, a qualified VPK substitute teacher must be hired for the absent Teacher 1, in compliance with VPK program staffing requirements.

This provision is applicable to a Paraprofessional in a Voluntary Prekindergarten classroom if that employee meets the qualifications to serve as an Early Childhood Professional and meets the Florida Division of Early Learning professional development requirements for a VPK instructor.

SECTION 3 Summer School

An employee who participates in programs extending beyond the regular school year, such as summerschool or extended year program, shall be paid at that employee's hourly rate of pay in effect during the contract period immediately preceding the extended program providing the employee was employed in the same job classification or classification series during the preceding contract period. Notwithstanding the first paragraph (unnumbered) of Article 9, Section 6 of this Agreement, the employee will be placed within the range of salary Level 9 which will provide an annual salary increase of three percent (3%) over his/her FY 07 annual salary, or the minimum annual salary of Level 9, whichever is greater. Provisions of the third, fourth and fifth paragraphs (unnumbered) of Article 9 Section 6 of this Agreement will apply should the employee later voluntarily transfer or be involuntarily transferred from a Title I School even if it is a lateral transfer to a position of Paraprofessional II or Behavioral/Physical Needs Assistant II position in a non-Title I School.

ARTICLE 9 SALARY/BENEFITS (cont'd)

SECTION 5 Authorized Travel Expense Reimbursement

Authorized mileage for in-county and out-of-county travel, including per diem, shall be reimbursed at the rate provided by Florida Statute and State Board Administrative Rule.

SECTION 6 Promotion/Reclassification

When an employee is promoted to a position in a higher classification level, the employee will be placed within the appropriate classification level which will provide an hourly rate increase of five (5%) percent or the minimum hourly rate of the new classification level whichever is greater. When an employee is advanced to a position in a higher classification level, the employee will be placed within the appropriate classification level, which will provide a daily rate increase of five percent (5%) above the annualized base salary including any leadership supplement the employee received in the previous position or the new minimum whichever is greater.

When an employee is promoted to a higher classification, he/she shall be subject to a 90 working day probationary period in that position. During this promotional probationary period, the District will provide **written feedback** to the employee regarding his/her conduct/performance. At any time during the 90 working day promotional probationary period, either the District or the employee can cancel the promotion for any or no reason. The decision not to continue an employee in the promoted position and/or the written feedback shall not be the subject of a grievance procedure.

If an employee fails to satisfactorily complete the 90 work day probationary period, the employee will be reassigned to the same position occupied prior to the promotion, if available. If no vacancies exist in the same job classification at his/her previous work site, the employee will be assigned as follows:

1. If the original position is not available, he/she shall be assigned to a position in a similar position, at the same salary/benefits level received prior to the promotion, but possibly in another location; and
2. If the same position is not available, in any location, he/she shall be assigned to a position at the same salary/benefits level received prior to the promotion.

In the event the employee is assigned as provided in number 2 and the employee's original lower level position becomes available, the employee has a one-time option of returning to that position provided the original lower level position becomes available within 12 months of the date the employee vacated the promoted position.

ARTICLE 9 SALARY/BENEFITS (cont'd)

SECTION 7 Voluntary or Involuntary Transfers

When an employee is involuntarily assigned to a lower level position for a reason other than a reduction in force, job performance or as a result of a disciplinary action, the employee's hourly rate of pay shall remain the same provided the employee's rate of pay does not exceed the maximum rate of pay of the lower level position. In the event an employee is reinstated to his/her previous higher level position within a period of twelve (12) months, the employee's hourly pay rate will not be less than the hourly pay rate the employee received in the previous higher level position at the time the employee was involuntarily changed to the lower level position.

With the approval of the District, an employee may voluntarily accept an assignment to a lower level position he/she previously held in the District. The employee will be placed at the same rate of pay he/she held in the previous lower level position.

If a paraprofessional's assigned student enrolls at another school, the employee may request a transfer to the student's new school, subject to the concurrence of the sending and receiving principals. A paraprofessional may not be involuntarily transferred when the assigned student changes schools.

SECTION 8 Maximum of Salary Range

Any bargaining unit employee whose salary is not already at the maximum of the Pay Level for their respective pay level would be eligible for a salary increase provided that the employee's annual performance evaluation is overall Satisfactory and provided the bargaining Parties agree that these employees are to receive a salary increase as a part of any negotiated salary agreement. Any bargaining unit employee at the Maximum of the Pay Level will have their salary frozen and red-lined. Accordingly, no bargaining unit employee at the Maximum is eligible for a salary increase based on an overall satisfactory annual performance evaluation or any increase in pay that will put him/her outside the salary scale. Any employee(s) whose salary is above the maximum for their respective pay level will have their salary frozen and red-lined until such time a new annual base salary maximum is negotiated in the future that is greater than the employee's current red-lined annual base salary.

SECTION 9 After-School Child Care Discount

This benefit is available only to legal parents and/or legal guardians of children enrolled in a District operated public school.

If a Friday pay date falls on a date the District is closed, the paychecks will be electronically deposited no later than the Friday pay date the District is closed unless such Friday is a banking holiday. In such cases, the paychecks will be electronically deposited no later than the last preceding banking day. The District will continue a 22 equal pay payroll schedule for employees who work less than a 190-day work calendar and they will have their payroll checks electronically deposited every other Friday on a Friday selected by the District as provide above for employees who work at least a 190-day work calendar. The District will work with employees who do not have an account with a financial institution to establish an account(s) with the Credit Union to provide for these electronic deposits.

ARTICLE 10 SUPPLEMENTS AND PAYROLL PRACTICES (cont'd)
SECTION 3 Payroll Procedures (cont'd)

- B. Notwithstanding any prior agreement or any conflicting provision of this Agreement, the District may elect to implement in the future a positive pay plan for category(ies) of employees selected by the District and covered by this Agreement where such selected category(ies) of employees will no longer be paid in either 22 or 26 equal payments, but will be electronically paid the following Friday after each two-week pay period for all hours worked including pay for all approved paid leave and for all overtime worked during that two-week pay period. After the effective date of the District's election to implement any said positive pay plan for any selected category(ies) of employees, the District will have the right to payroll deduct any insurance related deductions due to the District from the affected employee's pay checks in fewer than 22 or 24 deductions during a calendar year to lessen any negative financial impact on employees when there may be substantially fewer work days in a pay period than normal. If the District makes such an election, the number of deductions may be fewer than 22 or 24, but the amount of each deduction will be proportionately larger. The District will make all reasonable efforts to communicate in advance with the Union and with all affected employees to inform them of the effective date of any such positive pay election and to inform them on which pay dates such insurance related deductions will be made and on which pay dates deductions will not be made, if any. The total calendar year amount deducted for these insurance related deductions will not be greater than what the deductions would have been on a 22 or 24 equal deduction plan during any calendar year. Nothing herein requires the District to implement a positive pay plan for all employees covered by this Agreement at the same time. The District may elect to phase-in implementation of a positive pay plan for different District selected categories of employees covered by this Agreement on different dates.
- C. The Parties recognize the right of the District to require the electronic deposit of all employees' paychecks as set forth above; however, the District has not mandated such electronic deposits and will not do so without first giving the Union and each affected employee at least forty-five (45) calendar days advance notice of its intent to implement electronic deposits for all employees. The District will work with employees who do not have an account with a financial institution to establish an account(s) with the Credit Union to provide for these electronic deposits. Until such time the District requires electronic deposits of all employees' paychecks, those employees who do not have electronic deposit will be paid via US Mail so that they receive their mailed paychecks on or soon after the normal Friday pay date. Those employees who select electronic deposit of their paychecks will maintain that means of receiving their pay and may not revert to any other means of being paid.
- D. The District will implement a paperless payroll effective January 1, 2011 whereas employees will not receive a paper pay stub, but will be able to access payroll stub and other payroll information including their Federal W2 Annual Earnings Statement by going to a District website location and, after entering their personal password, be able to view and retrieve their individual payroll information as well as being able to view and make some payroll information changes on-line such as the employee's Federal W-4 Form.
- E. The Union is invited to appoint two (2) representatives to provide input on topics that will be addressed by the District's ad hoc Payroll Advisory Committee. One topic of the ad hoc Payroll Advisory Committee will be to make an annual recommendation to the Chief Operating Officer of the first Friday paycheck date of each school year for employees who are less than 12-month employees.

ARTICLE 10 SUPPLEMENTS AND PAYROLL PRACTICES (cont'd)

SECTION 3 Payroll Procedures (cont'd)

F. Another topic to be addressed by this ad hoc Committee will be to recommend to the District the best means of communicating in advance with all employee groups the payroll schedules for the ensuing school year. To that end, such Union representatives will be provided a TDE at District expense to attend meetings of this Committee when such meetings are scheduled during regular duty hours.

SECTION 4 Early Childhood Professional (ECP) II & III Reimbursement Program

The Parties agree that the District will reimburse full-time Early Childhood Professionals (ECP) II and III up to \$200 for educational school supplies purchased by the ECP II or III and used for the benefit of his/her pre-kindergarten students. Reimbursement requests shall be made to the employee’s supervisor or to another District designee. The request shall include a detailed description of the purchase accompanied by a dated original invoice, receipt or register tape. Employees should not co-mingle reimbursable and personal purchases on the same invoice, receipt or register tape. Sales tax will not be reimbursed.

The District will endeavor to make reimbursement payments within sixty (60) days of the date the employee submitted all required documentation for reimbursement. SECTION 2 Unpaid Lunch

If the administration needs the employee during his/her lunch period and as a result the employee does not get to take a 30-minute uninterrupted lunch period, the employee will be paid for the period of time his/her lunch period was interrupted unless the remainder of the interrupted lunch period can be rescheduled on that same day during the employee's regular working hours. The administration may request the employee to be compensated through compensatory time-off for the number of minutes the employee's scheduled 30-minute lunch was interrupted and could not be made-up that same day. If such interruption required the employee to work over forty (40) hours in any workweek, the earned compensatory time shall be computed at one and one-half times the minutes the employee's lunch was interrupted. In the event the unpaid lunch period is scheduled at the end of the employee's scheduled hours of work, the employee may elect to leave the campus rather than take the unpaid lunch period. In such cases, it is the employee's responsibility to make sure his/her supervisor is aware that they will be leaving campus instead of taking his/her unpaid lunch at the end of his/her scheduled work hours.

The employee's signature shall not be construed to indicate he/she is in agreement with the content of the reprimand or complaint, but will indicate the employee received a copy of the document. If an employee refuses to sign a document, before being placed in that employee's personnel file, it will be noted on the document and signed by a witness that the employee refused to sign. The employee must be provided a copy with the notation.

A single incident, absent exceptional circumstances, may not be used multiple times to justify an unsatisfactory rating in more than one (1) area on an employee's annual evaluation. Nothing herein shall prohibit the District from using separate incidents as justification for unsatisfactory ratings in appropriate areas on the employee's evaluation even if the separate incidents are proximate in time or occur at the same time.

ARTICLE 12 EVALUATION PROCEDURES AND PERSONNEL FILES (cont'd)

- 3. Any information that may be relied upon to take action against an employee will be shared promptly with said employee and his/her Union representative as soon as possible. Copies of any written information/correspondence that is related to the action of the employee or the investigating administrator(s) will be provided promptly to the employee and his/her Union representative.
- 4. An employee against whom action is to be taken under this Article and his/her Union representative shall have the right to review and refute any and all of the information relied upon to support any proposed disciplinary action prior to taking such action. To this end, the employee and the Union representative shall be afforded a reasonable amount of time to prepare and present responses/refutations concerning the pending disciplinary action and concerning the appropriateness of the proposed disciplinary action. This amount of time is to be mutually agreed upon by the Parties.
- 5. Only previous disciplinary actions which are a part of the employee's personnel file or which are a matter of record as provided in paragraph #7 below may be cited if these previous actions are reasonably related to the existing charge.
- 6. Where just cause warrants such disciplinary action(s) and in keeping with provisions of this Article, an employee may be reprimanded verbally, reprimanded in writing, suspended without pay, or dismissed upon the recommendation of the immediate supervisor to the Superintendent and final action taken by the District. Other disciplinary action(s) may be taken with the mutual agreement of the Parties.

The specific days of suspension will be clearly set forth in the written suspension notice, which shall be filed in the affected employee's personnel file in keeping with provisions of Chapter 119 and 231.291 of the Florida Statutes.
 - D. An employee may be dismissed when appropriate in keeping with provisions of this Article, including just cause and applicable laws.
8. An employee against whom disciplinary action(s) has/have been taken may appeal through the grievance procedure. However, if the disciplinary action(s) result(s) in either the suspension or dismissal of an employee, then the employee shall have a choice of appeal between either the Department of Administrative Hearings in accordance with Florida Statutes or the grievance procedure outlined in the collective bargaining agreement. Such choice must be exercised within fifteen (15) days of receipt of written notification of disciplinary action being taken and the District notified accordingly. If the grievance procedure is selected, the grievance shall be initiated at Step Three.

With the written concurrence of the Department of Labor Relations, a class action grievance can be filed at Level Three. Any class action grievance must be signed by, either the SEIU/FPSU president or business agent.

SECTION 2 Purpose

SECTION 3 Procedure

- A. Time Limit - The number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The time limits may be extended by mutual consent, in writing, by each Party or by the representative designated by each Party.
- B. Informal Level – A person who chooses to initiate this procedure shall do so in the following manner:
 - 1) Following the grievant's awareness of a grievable event or incident; the grievant may discuss the matter informally with his/her immediate supervisor.
 - 2) In the event the matter is not resolved informally, the grievant may file a formal grievance on the form prescribed by the Department of Labor Relations within twenty (20) days following the grievant's awareness of the incident, which is the basis of the grievance.
- C. **Level One** - The formal grievance shall be filed with the grievant's non-bargaining unit supervisor (e.g. school-based employees will file with an Assistant Principal or Principal if no Assistant Principal position exists within the school center and a non-school-based employee in Facilities Services will file with a Level 17 or above within the Department of Facilities Services and a non-school-based transportation employee will file with a Level 16 or above within the Department of Transportation Services. The administrator's response shall be transmitted to the Parties within ten (10) days of the meeting.

ARTICLE 14 GRIEVANCE PROCEDURE (cont'd)

SECTION 3 Procedure (cont'd)

- E. **Level Three** – If the SEIU/FPSU or the grievant is not satisfied with the disposition of the grievance at Level Two, the grievance may be appealed to the Department of Labor Relations within ten (10) days of receipt of the Level Two response. A written decision from the Department of Labor Relations shall be furnished to all Parties within ten (10) days of the Level Three grievance hearing.

- F. **Level Four** – If SEIU/FPSU or the grievant is not satisfied with the disposition of the grievance at Level three, that grievance may be submitted to arbitration before an impartial arbitrator, using the Federal Mediation and Conciliation Services (FMCS). In order to submit the grievance to arbitration, FMCS and the Superintendent or designee must receive written notice that the grievance is proceeding to arbitration within thirty (30) days following receipt of the Level Three disposition, and that SEIU/FPSU or the grievant has submitted the grievance to arbitration within that time limit. The arbitrator shall have no power to add to, subtract from, modify, or alter the terms of this agreement. The arbitrator shall render his/her written decision within thirty (30) days or as soon as possible after the close of the hearing or after the deadline for filing post-hearing briefs and shall furnish a copy to the grievant, SEIU/FPSU and to the District.

- G. The District and SEIU/FPSU agree to make available, upon specific written request to the other, such information as is necessary to effectively process grievances. The cost of gathering the information shall be borne by the requesting Party. Requests by one Party for such information shall allow reasonable time for the other Party to collect the requested information. The District and SEIU/FPSU shall not be permitted to assert or rely in such arbitration proceeding on any evidence that was specifically requested by the opposite Party, but was not provided to the requesting Party. Both Parties agree that the cost of the arbitrator shall be shared equally by the District and the grievant or SEIU/FPSU if the grievant was represented by SEIU/FPSU at the arbitration. All other expenses shall be borne by the Party incurring them and neither Party shall be responsible for the expense of witnesses called by the other Party.

SECTION 4 Other Provisions Relating to the Grievance Procedure

- A. No reprisals of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.

- B. If SEIU/FPSU decides to withdraw its support of an alleged grievance, the individual may continue to process the claim on his/her own, so long as all costs are borne by that individual.

- C. Grievance hearings at Levels One, Two and Three will be conducted during the regular work day of the grievant.

- D. All documents, communications, and records originating as a result of the filing of a grievance shall be filed in a separate grievance file and shall not be kept in the grievant's official personnel file.

ARTICLE 14 GRIEVANCE PROCEDURE (cont'd)

SECTION 4 Other Provisions Relating to the Grievance Procedure (cont'd)

- E. Nothing in this agreement shall prevent the SEIU/FPSU or an individual grievant who is not represented by SEIU/FPSU from withdrawing the grievance at any step of the process with prejudice. A grievance, once withdrawn may not be refiled without the mutual written agreement between the District and SEIU/FPSU.
- F. Failure of the grievant to proceed with the grievance within the timelines herein stipulated shall result in the dismissal of the grievance. A dismissed grievance may not be refiled without the mutual written agreement between the District and SEIU/FPSU. Failure of the District or its representative to take the required action within the times provided shall entitle the grievant to proceed to the next step of this grievance procedure.
- G. The grievant may have representatives at any level above the informal level of the grievance procedure. However, the grievant must be present at these hearings.
- H. The Parties acknowledge that, as a principle of interpretation, employees are obligated to work, as directed while grievances are pending.
- I. The investigation and hearing of grievances by a Union Steward will be conducted during the regular working hours of the grievant(s). Stewards shall be allowed reasonable time off without loss of pay during regular shift hours for investigating grievances; however, each will first obtain verbal permission from his/her supervisor. Permission will not be unduly withheld by the supervisor.
- J. The commencing of legal proceedings against the District in a court of law or equity, or before PERC, the Department of Administrative Hearings (DOAH) or any other administrative agency, by an employee(s) or the SEIU/FPSU, for an alleged violation or violations of the express terms of this agreement shall be deemed a waiver by said employee(s), or SEIU/FPSU, of its/their right to resort to the grievance and arbitration procedure contained in this agreement for resolution of the alleged violation or violations of the express terms of this agreement.
- K. If the Parties are in dispute concerning the timeliness of filing or of appealing a grievance and the grievance is appealed to Level Four, the Parties agree to bifurcate the arbitration hearing to allow the issue of timeliness to be presented to the arbitrator first and then for the arbitrator to issue a bench ruling on this procedural threshold issue. If the timeliness procedural issue is found in favor of the Union/grievant, the hearing can proceed with arguments relating to the merits of the grievance. If the timeliness procedural issue is found in favor of the District, the provisions of Section 4 F of the Grievance Procedure will be operative and the grievance will be considered dismissed.

If the arbitrator determines he/she requires additional time (more than an hour) to consider the timeliness procedural issue and elects not to issue a bench ruling on this threshold issue, the arbitration proceedings will be adjourned to allow the arbitrator the time necessary to make this determination and he/she may rely on briefs submitted by the Parties relating to this threshold procedural issue. If the timeliness procedural issue is found in favor of the Union/grievant, the grievance hearing will be reconvened to proceed with arguments relating to the merits of the grievance. If the timeliness procedural issue is found in favor of the District, the provisions of Section 4 F of the Grievance Procedure will be operative and the grievance will be considered dismissed.

ARTICLE 14 GRIEVANCE PROCEDURE (cont'd)

SECTION 5 Alternative Grievance Procedure

The Parties agree to pilot for the term of this agreement an Alternative Grievance Procedure for rendering Step III Grievance decisions. To implement this alternative procedure, an Alternative Grievance Committee will be established. The Committee will be composed of three managerial employees, three employee representatives, one alternate managerial employee and one alternate employee representative. Non-voting members will include a representative from the Departments of Labor Relations, a representative from the Department of Human Resources, and a representative of the bargaining unit.

The Parties agree to the following Alternative Step III Grievance Procedure:

- a) If the employee or bargaining agent appeal a Step II decision to the Committee, the Department of Labor Relations shall schedule a meeting of the Committee at a mutually agreeable time not more than ten (10) days from date such request is received. The bargaining agent shall be advised, in writing, as to the date of the proposed meeting and have the right to send one observer to the proceeding if the bargaining agent is not involved in the actual representation of the aggrieved employee(s).
- b) Within ten (10) days of the Step III meeting, the Committee shall render a decision, which shall be immediately communicated by the Director of Employee and Labor Relations in Writing to the bargaining agent. Copies will be sent to the aggrieved employee and the employee's immediate supervisor.
- c) If the bargaining agent or employee rejects the decision of the Committee, any appeal of the decision must be received by the Department of Labor Relations within ten (10) days of receipt of the decision.
- d) If the Parties mutually agree, the grievance may be submitted to a mediator selected from a panel provided by the Federal Mediation and Conciliation Service (FMCS)

See Appendix C for Grievance Form.

ARTICLE 15 SENIORITY, REDUCTION IN FORCE, LAYOFFS AND EXCESSING

SECTION 1 Seniority

- A. School District seniority shall be defined as the total length of continuous service with the School District of Palm Beach County. Seniority shall be District wide from the effective date of employment. Time off for District approved unpaid leaves of absence shall count for seniority purposes and such leaves shall not be considered as an interruption of continuous service.
- B. Employees shall lose their seniority as a result of the following:
 - a. Termination
 - b. Retirement

ARTICLE 15 SENIORITY, REDUCTION IN FORCE, LAYOFFS AND EXCESSING (cont'd)

SECTION 1 Seniority (cont'd)

- c. Resignation, except when a SEIU/FPSU bargaining unit employee resigns to accept a position in the District that is not a SEIU/FPSU bargaining unit position and said employee returns within one (1) year from the date of resignation to a SEIU/FPSU bargaining unit position. In such cases, this shall not be considered an interruption of continuous service.
- d. Layoff exceeding eighteen (18) months
- e. Failure to report to the Division of Human Resources of returning to work within five (5) work days of receipt of a recall as determined and verified by the date of the certified mail return receipt.
- f. Failure to report from military leave within the time limits prescribed by the Veterans' Re-employment Act
- g. Sub-sections (5) and (6) above shall not apply to Section 1 A should an employee have justifiable reasons explaining extenuating circumstances, as determined by the Chief of Human Resources, preventing the employee to comply with reporting as required in sub-sections (5) and (6). Such reasons will not be unduly denied.

SECTION 2 Layoffs

The District will determine the classifications of employees impacted by the Reduction in Force. The District will notify the Union no fewer than forty-five (45) calendar days in advance of a pending layoff action of employees covered by this Agreement. Within seven (7) days of the notification to the Union of a pending layoff action, representatives of the Union and of management will meet to:

- 1. Solicit and consider the Union's recommendations for reducing costs and other alternatives to a Reduction in Force action prior to implementation of the layoff action and;
- 2. To meet and confer concerning the implementation of the pending layoff and relating to the rights of laid-off employees including their call back rights and possible limited "bumping" (displacement) rights.

The Parties agree that temporary, seasonal, interim, employees still in their initial probationary employment period, and other non-permanent status employees of the District performing the same job duties as permanent employees in the Union's bargaining unit who are in the classification of employees to be impacted by the layoff action will be laid off first and notwithstanding Section 3 below, shall have no recall rights. By mutual agreement of the Parties reached during the forty-five (45) calendar day period before pending layoffs are effective, additional combinations of employee classifications maybe agreed upon to be considered as a single employee classification when layoffs are being determined.

The Parties agree that layoffs will be implemented using seniority as the criteria for identifying employees in the employee classifications that are impacted by the layoff. After the non-permanent status employees in classifications impacted by the Reduction in Force have been laid off, regular employees in the classifications impacted by the Reduction in Force will be laid off in inverse order of their seniority in the District at the time of the layoff.

ARTICLE 15 SENIORITY, REDUCTION IN FORCE, LAYOFFS AND EXCESSING (cont'd)

SECTION 2 Layoffs (cont'd)

Notwithstanding the provisions of this Section, the District agrees to meet with SEIU/FPSU to solicit its recommendations for reducing costs and alternatives to a workforce reduction prior to the Superintendent of Schools authorizing a layoff.

SECTION 3 Recall

Employees in layoff status will retain the following recall rights for eighteen (18) months and shall have preference to work over applicants on eligible lists. Recall will be made by certified mail to the last address in the employee's records. Within five (5) work days of the certified receipt date, laid-off employees must signify their intention of returning to work to the District's Division of Human Resources. Failure to respond to the notice shall constitute a resignation by the employee.

Recall will be offered to laid-off employees provided they are physically and otherwise qualified to perform the duties of the job. A laid-off employee, when offered recall, who is temporarily unable to return due to medical reasons, may request an extension of recall rights not to exceed three (3) months. If the extension is granted, the position to which the affected employee was offered recall will be offered to the next most senior physically and otherwise qualified laid-off employee. If and when the laid-off employee who was granted a medical extension recovers within this extension period becomes medically able (as determined by a physician) to be recalled and who is physically and otherwise qualified to perform the duties of a vacant position, he/she will be recalled to that position provided he/she is still eligible to be recalled, i.e. recalled within eighteen (18) months of being laid-off, plus the period of the granted medical extension.

When employees are recalled from a layoff, the employee with the greatest seniority in that classification who is physically and otherwise qualified to perform the duties of the job shall be recalled first.

SECTION 4 Seniority List

In the event that a reduction of staff affects employees in a given classification, the administration agrees to provide SEIU/FPSU with a copy of the District's seniority list(s) of employees in the classification(s) that are being laid-off.

In the event that a reduction in work force (RIF) becomes necessary due to declines in enrollment, budgetary restrictions, reorganization, or other cause as determined by the District, the following reduction in work force provisions shall apply:

The District will determine the classification by departments in the County Offices and school centers to be reduced. The Superintendent will notify the Union in advance of any pending reduction-in-work-force action. When units are reduced within school centers or departments, employees will be released in the inverse order of their length of time in their present classification at the time of the layoff. In the event that two or more employees affected have the exact same amount of service in their classification, the Superintendent shall make the decision of who shall be retained.

ARTICLE 15 SENIORITY, REDUCTION IN FORCE, LAYOFFS AND EXCESSING (cont'd)

SECTION 4 Seniority List (cont'd)

If such position is not available, then the Superintendent, when filing such positions, shall consider affirmative action goals, geographic location, preference of the senior employee, and needs of the district. If an employee fails to accept an offer of recall, the employee forfeits rights to recall.

SECTION 5 Excessing

When a School or Department must reduce the number of employees at that School or Department due to declining student enrollment, budgetary restrictions, reorganization or other reasons as determined by the District, the following provisions will apply:

- (a) Employees will be excessed by seniority based on the employee's length of continuous employment with the District, including approved leaves of absence, and not based on the length of time the employee has been in a particular position.
- (b) Excessing will be by job code with the least senior employee being excessed unless a more senior employee in that same job code at that work location volunteers to be excessed. In such cases, the volunteering employee will be excessed and the less senior employee in that job code will not be excessed.
- (c) The only exception to this provision is when a less senior employee has received specialized training such as in ESE, Pre-K, etc. and if the more senior employee within that job code at the School or Department declines to be trained in that area. In these cases, the more senior employee who declines to be trained will be excessed and the less senior trained employee will not be excessed.
- (d) Employees to be excessed will be notified in writing in a timely manner and are encouraged to seek transfers to Schools or Departments that have posted vacancies.
- (e) For those excessed employees who are unable to secure another position through the transfer process, the District will list all unplaced excessed employees and place those employees in positions for which they are qualified.
- (f) When placing an excessed employee, consideration shall be given to the individual's prior year work location, assignment, work day, and work year.
- (g) When an employee is excessed and placed in a new job classification, said employee's seniority shall be determined pursuant to the provisions of Section 5(a) above.

ARTICLE 16 JOB POSTING AND SELECTION

SECTION 1 Posting Vacancies

- A. Job openings and newly created positions that are bargaining unit positions, including custodial vacancies, in a Department (i.e. Facilities Services, Transportation Services, School Food and Nutrition Services, or School Site) shall be posted on the District’s Human Resources job opportunities website, and selections shall be made in accordance with the provisions of this section. If the position is not filled by a District employee, then the position will be posted externally.
- B. In the filling of any job opening or newly created position, first consideration shall be given to applicants from within the department that posted the job opening.
- C. In the filling of job openings or newly created positions, applicants shall be matched against the needs of the position and when in the judgment of the Superintendent all other factors are equal, the most senior employees making application shall be offered the position.

In other words, the premium for domestic partner benefits is the same as the premium for the Employee Plus Spouse option except that the domestic partner benefits premium will be taxed on a post-tax basis and any District-paid contribution will be taxed as imputed income to the employee as set forth above. A domestic partner is not considered a qualified beneficiary under COBRA. In those cases, when an employee elects to cover a domestic partner and any child (ren), including his/her own or the partner's child (ren), the employee will pay the premium of the Employee Only/Single premium option on a pre-tax basis. 12. Any changes or modifications to the provisions under this Section shall be negotiated during regular coalition bargaining with all District PERC recognized associations/unions as provided herein. In addition to the limited re-opener provision contained in 6(e), all Parties agree that coalition negotiation may be reopened on all aspects of this Section in the event any of the following occurs:
 - Whenever the Parties mutually agree to reopen negotiations on this Section; or

Otherwise, benefits will end the last day of the month in which the employee's active paid employment or FMLA leave with the District ends provided all employee required premiums are paid. Nothing herein shall be construed as denying any eligible employee from continuing his/her insurance(s) as provided under Federal COBRA rule and regulations.

Notwithstanding any other provisions in the Contract, the provisions contained in this Section supersede any bargaining unit contract language relating to continuing insurance coverage for employees on an unpaid leave of absence.

Reasonable Alternatives

For those that do not meet 4 out of the 5 requirements above, a reasonable alternative in the form of a Telephonic Coaching Program will be available to earn their final 34%. These programs will take a minimum of 8-12 weeks to complete. Once an employee or covered dependent has taken either of these courses and received points towards the Health Rewards with Options program, they will not be eligible to receive credit for these programs in future years.

The plan time frame for completion is the entire calendar year for employees and their covered spouses/domestic partners to complete the Health Rewards requirements for the discount to apply at a specific point in the following calendar year.

**MEMORANDUM OF
UNDERSTANDING
BETWEEN
THE NATIONAL CONFERENCE OF FIREMEN & OILERS,
LOCAL 1227 AND
THE PALM BEACH COUNTY SCHOOL DISTRICT**

The aforementioned Parties, by the signatures of their respective representatives below, agree this 19th day of April 2006, to the following concerning the re-fingerprinting of employees as required by Senate Bill 2986.

1. The Parties recognize that the Florida Legislature enacted and the Governor signed into law Senate Bill 2986 during the 2004 Legislative Session. This law, effective July 1, 2004, requires all public education employees to be re-fingerprinted with such prints to be reviewed and maintained by the Florida Department of Law Enforcement (FDLE) with an initial review of each set of prints by the Federal Bureau of Investigation (FBI) with a follow-up review by the FBI every five years thereafter.
2. This agreement affects only employees who are required to be re-fingerprinted by the State on or after July 1, 2004 and does not apply to the initial costs of fingerprinting of applicants seeking employment with the District either before or after July 1, 2004.
3. The District will assume all initial costs of re-fingerprinting for all impacted employees of the District, i.e., the District's administrative cost, the cost of the initial fingerprint check with the FDLE, and the cost of the initial fingerprint check with the FBI.
4. Beginning in the fall of the FY immediately following the FY during which the affected employee is re-fingerprinted and each year thereafter, each affected employee will assume the annual maintenance fee charged by the FDLE and, every five (5) years thereafter, the fee charged by the FBI. Payroll deductions will be used by the employee to make these payments.
5. This agreement does not affect applicants who are seeking employment with the District, except they will be subject to the maintenance fees set forth in paragraph 4 above in the event they become employees of the District on or after July 1, 2004.

BETWEEN

AND
THE SERVICE EMPLOYEES INTERNATIONAL UNION -
FLORIDA PUBLIC SERVICES EMPLOYEES UNION (SEIU-FPSU)

As a result of negotiations between the above Parties, the following is agreed to and entered into by the Parties as evidenced by the signatures of their respective representative(s) below.

SPECIAL PROGRAM ON BEHALF OF EDUCATIONAL INTERPRETERS

As a Special Program for the 2013-2014 school year and each school year thereafter until either Party provides written notice to the other that this Special Program should be partially or entirely open for review and possible amendment via the collective bargaining process, the Parties agree as follows:

1. Effective at the end of the 2013-2014 school year and at the end of each school year thereafter, the \$4,000 stipend to be paid to eligible District Educational Interpreters Level IV (RID) is increased by \$2,000.
2. Any District Educational Interpreter who moves to a higher Credential Level (N/A to Level I, Level I to II, Level II to III, Level III to IV and/or Level IV to IV (RID) will be paid an additional one-time non-reoccurring stipend for that year of \$500 as partial reimbursement for the cost associated with meeting the requirements to move up a Credential Level. Such one-time non-reoccurring stipend of \$500 will be paid to a District Educational Interpreter each time he/she attains a higher Credential Level and will be paid at the same time the regular annual credentialing stipends are paid.
3. The primary purpose of this Special Program is to better compensate District Educational Interpreters who attain and who have maintained their Level IV (RID) credential and to provide partial reimbursement for the cost associated with attaining a higher Educational Interpreter's Level for all District employed Interpreters.
4. In addition, a District Interpreter will be paid a two (2) hour minimum for any extra-duty assignment beyond the District Interpreter's regular assigned working hours unless he/she is notified at least twenty-four (24) hours in advance that the extra duty assignment has been cancelled.
5. All Educational Interpreter positions filled with Contracted Interpreters at the end of each school year will be posted for the upcoming school year on the District's website during the summer to allow current District Interpreters and then District-approved external applicants for District Interpreter positions to apply. Preference on placement in a position will be given first to current District Interpreters, and then to District-approved external applicants for District employed Interpreter positions. Positions not filled with current District Interpreters or then by District-approved external applicants may be filled with Contract Interpreters.

6. It is understood that as members of the SEIU-FPSU bargaining unit, the wages and terms and conditions of employment of Educational Interpreters for the Deaf and Hard of Hearing are governed, in great part, by the provisions of the current and duly executed Collective Bargaining Agreement (CBA) between SEIU-FPSU and the School District and that as a part of that CBA, they have and continue to receive a negotiated increase of 4% to their base pay effective January 1, 2014, and further enjoy all other benefits accrued to them as a result of said CBA. This Memorandum Of Understanding, when signed by the appropriate representatives of the SEIU-FPSU and the School District as indicated below, will constitute an additional agreement of the Parties as it affects the wages and terms and conditions of employment of this particular classification of District employees.
7. The District recognizes the importance of having its own properly and highly credentialed Interpreters as District employees and will strive to recruit as many credentialed Interpreters to the ultimate goal that it will no longer need to employ Contracted Interpreters. The District also appreciates the willingness of its District Interpreters to encourage non-District Interpreters and Contracted Interpreters to apply to become District Interpreters citing the liberal paid and unpaid leave provisions available only to District Interpreters, membership in the Florida Retirement System, and Medical Insurance and other employment benefits including group Life Insurance and access to both group Dental and group Vision Insurance.
8. The District pledges to work cooperatively with SEIU-FPSU and with District Interpreters represented by SEIU-FPSU to continue to study, review and consider recommendations concerning the best ways and means of responsibly improving the working conditions, professional development opportunities and the compensation package of its District-employed Interpreters.
