- C. No adverse action shall be taken by any non-instructional employee in the bargaining unit against the Superintendent or the District by reason of participation in negotiations.

SECTION 3 Scope of Negotiations

The District and SEIU/FPSU agree to negotiate those items as prescribed by law.

SECTION 4 Public Records

Both the District and SEIU/FPSU agree to negotiate in good faith. Upon receipt of a written request from SEIU/FPSU, the District shall make available such documents as defined by Chapter 119, Florida Statutes, to be "Public Records". The District shall provide the Union with a copy of any third party request related to membership listings.

SECTION 5 Request for Annual Negotiations

- A. If either Party desires to amend or modify any of the terms or conditions of this agreement, they shall notify the other Party in writing, no later than September 1, in accordance with the Preamble of this agreement. At the meeting immediately following, both Parties shall submit a listing of the Articles for which proposals will be submitted. Items, which the Parties agree to, shall be initialed as tentative agreement(s) unless the Parties agree otherwise.

SECTION 5 Request for Annual Negotiations (cont'd)

- B. Meetings, by mutual agreement, shall be scheduled during the normal workday whenever possible; and release time without loss of pay shall be arranged when meetings are held during the regular workday. When substitutes are used, the cost of substitutes shall be borne by SEIU/FPSU.
- C. SEIU/FPSU or the District shall have the right to negotiate any subject, as heretofore defined in Scope of Negotiations, at any time by mutual consent of the Parties.

When a tentative agreement is reached, it shall then be made and submitted for ratification by SEIU/FPSU membership within twenty (20) days. After ratification, the agreement shall then be submitted for adoption by the School Board at a scheduled meeting within twenty (20) days. The agreement shall be ratified and adopted in whole and no provision shall become effective until ratified by both Parties.

Either Party may declare impasse as provided under Florida Statutes Chapter 447 with the resolution to follow PERC guidelines.

SECTION 1 SEIU/FPSU Representation

- A. SEIU/FPSU, as representative of the employees covered in this agreement, shall have the right to present, at reasonable time, its views to the District on matters of employment either orally or in writing. While it is agreed that the views presented shall have no binding effect on the District, it is believed that this process could produce a more efficient work process and improve employer-employee relations.
- B. The District recognizes the right of SEIU/FPSU to designate stewards and chief stewards from among the regular full-time employees of the District. SEIU/FPSU shall furnish written notice to the Department of Labor Relations of such designated stewards and chief stewards prior to their assuming office. - C. Non-employee Union representatives shall also be certified, in writing, to the Department of Labor Relations. The Union agrees that the activities of both Union stewards and non-employee Union representatives shall be carried out in such a manner as not to interfere with the normal operations of the School District. ARTICLE 5 UNION RIGHTS AND PRIVILEGES (cont'd)

SECTION 2 Matters Appropriate for Consultation

- A. Matters appropriate for consultation between the Union and the District include items of mutual concern. For the purpose of this agreement, consultation is defined as mutual discussion of matters appropriate for consultation in an effort to reach mutual understandings, receive clarification and/or information affecting employees in the bargaining unit. Both Parties agree that the language of this section and article do not expand the Scope of Negotiations as defined in Article 4.
- B. Consultation meetings between Union representatives and the District shall be arranged by the Department of Labor Relations or designated representative upon the request of either Party.
- C. Arrangements for any consultation meeting shall be made five (5) calendar days in advance, whenever possible, and an agenda of matters related to the meeting shall be presented, in writing, at the time a consultation meeting is requested. Matters taken up on consultation meetings shall be included in the agenda and Union representatives shall be limited to no more than four (4) at any one meeting.
- D. SECTION 3 Leave Time for SEIU/FPSU Representatives

- A. Employee/Representative Assignment to Long-Term Temporary Duty
 1. SEIU/FPSU may request and the District may grant temporary duty elsewhere to an employee/representative of SEIU/FPSU during his/her term of office. All benefits enjoyed by a member of the bargaining unit shall be continued and accrued to the individual while on leave under this provision. SEIU/FPSU shall provide the District with revenue to pay for the employee/representative's salary, taxes, retirement and fringe benefits and, in return, the District shall issue regular pay warrants to the employee/representative during his/her term of office. SEIU/FPSU shall inform the District of the date of the employee/representative's term of office so as to establish the commencement of the temporary duty elsewhere.
 2. SEIU/FPSU and the District shall enter into a yearly contract prior to the granting of the leave, and the contract shall stipulate the conditions of the leave along with the terms outlining the procedure, which SEIU/FPSU will follow in reimbursing the District. Leave covered by this provision shall not be less than one year in duration.
- B. Employee Assignment to Temporary Duty
 1. The Union may request up to a maximum of one hundred fifty (150) Temporary Duty Elsewhere leaves of absence ("TDE") within any year (August – July) for the sole purpose of conducting Union business.
 2. Ten (10) days advanced notice will be given in cases involving more than ten (10) TDE's.

ARTICLE 5 UNION RIGHTS AND PRIVILEGES (cont'd)

SECTION 3 Leave Time for SEIU/FPSU Representatives (cont'd)

3. The Union agrees not to use in excess of twenty (20) TDE's on the same day more than three (3) times in any year. The Union further agrees not to request more than three (3) employees from the same work location to use TDE's on the same day without prior written approval from the Chief of Human Resources or his/her designee.
4. The Union recognizes its responsibility to monitor the use of the Union requested TDE's so that any individual employee is not on such leave more than ten percent (10%) of his/her contractual duty days.

SECTION 4 SEIU/FPSU Convention

Any member of SEIU/FPSU serving as a delegate to a Union state or national convention as an official representative of the local unit, or to State/District SEIU/FPSU workshops shall be authorized paid temporary duty elsewhere (TDE) leave. SEIU/FPSU shall reimburse the District at the effected employee's daily rate of pay plus fringe benefits for all time lost. Each TDE shall be submitted with a Union check to cover the total cost. Such leave shall be arranged with the principal or department director and shall be authorized by the Chief of Human Resources.

SECTION 5 Extended Leave Provisions

Consistent with the accomplishment of the mission of the District, an officer of SEIU/FPSU may be granted extended periods of temporary duty elsewhere to engage in legitimate activities of the SEIU/FPSU. Such leave shall be arranged through the principal or department director, and approved by the Chief of Human Resources and the Superintendent. Such authorization is revocable at the employee's request upon 30 days' written notice to the District and Union. In addition to the Dues Deduction form in Appendix B, the District shall accept valid telephonic and electronic authorizations from SEIU-FPSU. The Union agrees to provide evidence of such authorizations to the District upon request.
- B. SEIU/FPSU recognizes this is a privilege granted by the District and agrees that the District has full authority to discontinue this service at any time if SEIU/FPSU violates the laws of the State of Florida in connection with their activity as representatives of employees of the Palm Beach County Schools. SEIU/FPSU and the District recognize that this is a voluntary action on the part of the employees, and that neither Party recognizes this as a dues check off plan. The Parties agree to discuss and set-up checkoff in levels or percentage.

ARTICLE 5 UNION RIGHTS AND PRIVILEGES (cont'd)

SECTION 6 Dues Deductions (cont'd)

- C. SEIU/FPSU and its members agree to indemnify and hold harmless the District, each individual Board member, the Superintendent and all administrators against any and all claims, costs, suits or other forms of liability and all court costs arising out of the application of the provisions of this section.

See Appendix B for Dues Deduction Form.

SECTION 7 The Use of School Buildings

SEIU/FPSU shall be allowed the use of school buildings without charge for official Union meetings. A Union designated representative upon giving at least three (3) days' notice to the supervising administrator or principal will be permitted to schedule a Union meeting at the work location, provided the meeting does not interfere with the employee's duty time and the meeting room is not being used for any other purpose. The costs associated with the custodian to open and lock up on weekends and at other times custodians are not normally on duty shall be paid by SEIU/SEIU to the District. Any amounts shall include all the legally required amount for retirement, FICA, etc.

SECTION 10 Surplus District Computers

If it is determined by the District that surplus District computers can be sold to the Union in keeping with all applicable laws and without violating any contractual agreements with any other agency or any School Board Policy (ies), representatives of the District and the Union will meet to negotiate a sales contract between the Parties relating to the Union's purchase of surplus District computers.

SECTION 11 Employee Information

ARTICLE 6 EMPLOYEE RIGHTS

SECTION 1 Employee Rights

- A. Any employee eligible for the unit shall have the right to SEIU/FPSU representation, if the employee desires to meet and consult with any supervisory or managerial official, via the appropriate chain of command, by appointment.
- B. Employees shall conduct SEIU/FPSU activities at times other than working hours. However, in emergency or hardship cases and upon expressed permission of immediate supervisor, employees of the unit shall have the right to briefly contact their steward or other SEIU/FPSU representative during regular working hours. Permission shall not be unduly withheld, provided such communication shall in no way interrupt, delay or otherwise interfere with effective, proper and superior service to the District.

SECTION 2 Union Buttons

Employees shall be permitted to wear Union buttons while performing work as long as it does not create a safety or health problem or disrupt the normal work operation. The Union will be permitted annually to designate nine (9) Union Days and on these days, employees will be allowed to wear Union shirts. The requested designated days shall be submitted to and reviewed by the Chief Operating Officer before they are announced to employees by the Union. In addition, the Union may petition the Chief Operating Officer for additional day(s).

SECTION 3 Work Related Information

Information relating to Workers' Compensation will be posted on bulletin boards accessible to employees along with other legally required informational postings. In addition, from time to time the District may, but is not required to provide employees with informational leaflet(s) regarding retirement, In-line-of-Duty injuries/leave, Workers' Compensation, and other work-related information.

SECTION 4 Vandalism to Vehicle

If an employee's vehicle is vandalized while on the property of the District and the employee is on active duty or is on an approved TDE for District purposes, the employee will be reimbursed for the damage to the vehicle when it is determined that the vandalism occurred on District property. Such determination may be made by a School Police Officer, witness testimony or apprehension of the person(s) responsible for the vandalism. As used herein the phrase "vehicle is vandalized" means a willful and malicious act of damaging an employee's

SECTION 4 Vandalism to Vehicle (cont'd)

vehicle. The maximum total liability of the District under this provision will be five hundred dollars (\$500) per occurrence, less any amount reimbursable by insurance. The maximum total liability of the District for the bargaining unit will be ten thousand dollars (\$10,000) per school year (July 1-June 30).

SECTION 5 Privacy

The Parties agree that to the extent possible, communications at the work place that relate directly to an individual employee's evaluation, a pending grievance of an individual employee, an investigation into the alleged wrong-doing by an individual employee, disciplinary action that is being directed to an individual employee, and/or a management directive being given to an individual employee should be conducted in private, not shared with other employees, and kept confidential. Both management personnel and affected employees are admonished to keep these matters confidential and private to the extent permitted by Florida Statutes, School Board Policies and/or Administrative Directives. Nothing herein should be construed to allow an employee and/or manager to refuse to cooperate with and/or to refuse to provide information/testimony to authorized District personnel, law enforcement personnel and/or other personnel authorized by law or regulation to conduct an investigation into matters that may affect an employee(s) of the District or a student(s) who attends a District school or a Charter school.

SECTION 6 Quality Public Service Councils

In order to provide a means for continuing and improved communications; to serve as a forum for discussing and initiating programs designed to generate cost savings without a reduction in public service and to enhance the skills, training and job satisfaction of workers; Quality Public Service Councils will be established in each of the following functional areas: custodial, food service, transportation, maintenance, technology and ECPs/Paraprofessionals. Upon mutual agreement of the Parties, additional Councils may be formed should the Parties agree to establish Councils for sub-function areas.

Three (3) representatives from each functional area, selected by the Union, will meet with three (3) managers in these respective functional areas a minimum of two (2) times per school year, one meeting to be held within sixty (60) days after the beginning of the school year, and a second meeting held no later than April 30 of each school year. In addition, all functional councils will meet with the Chief of the Division of Support Operations or designee twice annually subject to mutual agreement regarding meeting dates. The Union will select from among its three (3) representatives a co-chair and management will also select a co-chair from among its three (3) representatives. The co-chairs will be jointly responsible for establishing the agenda for each Council meeting in advance and shall alternate each meeting as the Chair of the Council. The co-chair who is not chairing the Council meeting will be responsible for taking the minutes of that Council meeting. After the meeting, the co-chairs will review, finalize and will both sign those minutes and then share them with the Council members, with the employees and managers being represented by that Council as well as with the Chief Operating Officer and the Superintendent of Schools.

To assure that those appointed have the authority to make decisions concerning topics that may be on the Council's agenda, either the Director or a manager who is a direct report to the Director will be appointed by management as one of its three (3) appointees to serve on the Council.

ARTICLE 6 EMPLOYEE RIGHTS (cont'd)
SECTION 6 Quality Public Service Councils (cont'd)

The Councils may discuss issues, which could result in an improved quality of work life both on the job and after work hours, as well as improving the quality of work performed and employee training programs. The Councils may also discuss other matters mutually agreed upon by the Parties; however, Council meetings are for the purpose of positive programs and results and are not meant to become gripe sessions for either workers or managers. Whoever is serving as Chair of a Council meeting shall admonish and declare out of order any member who would use a Council meeting as a forum to criticize an employee or a manager. In addition, there will be no retaliation taken against a Council member for reason of that member expressing in good faith his/her ideas and opinions to promote the functions of the Council.

Council meetings are not intended to bypass the Collective Bargaining process or the Grievance Procedure; however, a Council has the right to jointly develop written bargaining proposal(s) on relevant subjects along with written rationale for the proposal(s) and may request the Union and the District to place such joint proposal(s) on the bargaining agenda for the next round of bargaining between the Parties.

ARTICLE 7 EMPLOYEES CONTRACTUAL RIGHTS

SECTION 1 Probationary Employees

1. All newly hired or rehired employees are subject to a probationary period of ninety (90) workdays.
2. Employees who have not completed such period of employment may be discharged without recourse.
3. Probationary employees shall not be eligible for any type of leave except accrued sick leave or short term unpaid leave (due to illness) not to exceed five (5) days.
4. An employee's probationary period may be extended for an additional thirty (30) workdays with written notice of such extension provided twenty (20) days prior to the conclusion of the original probationary period.

SECTION 2 Permanent Employees

1. Upon successful completion of the probationary period by the employee, the employee status shall be continuous unless the Superintendent terminates the employee for reasons stated in Article 17 - Discipline of Employees (Progressive Discipline).
2. In the event the Superintendent seeks termination of a continuous employee, the School Board may suspend the employee with or without pay. The employee shall receive written notice and shall have the opportunity to formally appeal the termination. The appeals process shall be determined in accordance with Article 17 - Discipline of Employees (Progressive Discipline).

SECTION 3 Accident Review Committee

1. The Parties agree that any Union member who is asked to appear before the District's Vehicle Accident Review Committee may have Union representation at that meeting

The Parties agree that any Union member who is asked to appear before the District's Vehicle Accident Review Committee may have Union representation at that meeting.

ARTICLE 8 MANAGEMENT RIGHTS

SEIU/FPSU and its members recognize the responsibility of the District to operate and manage its affairs in all respects in accordance with its responsibilities as established by law and as delegated by the State Board of Education; and the powers of authority, which the District has not officially agreed to, share by this agreement are retained by the District. It is the right of the District to determine unilaterally the purpose of each of its constituent agencies, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the right of the District manage and to direct its employees, establish reasonable rules and procedures, take disciplinary action for proper cause, and relieve its employees from duty because of lack of work or for other legitimate reasons, provided, however, that the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matters have the practical consequences of violating the terms and conditions of this agreement in force.

The District has the sole authority to determine the purpose and mission and the amount of the budget to be adopted by the School Board. The District and SEIU/FPSU agree that the District has and retains unaltered, its legal right to select, assign, reassign, or relocate any of its employees, and to carry out its mission under the law and State Board of Education Regulations, unless otherwise specifically enumerated herein.

Except to the extent it has been done prior to May 26, 1998, no bargaining unit work, which would result in the loss of jobs by members of the bargaining unit, shall be contracted out without prior consultation with the Union. In the event the Board decides to contract-out work that is routinely and regularly performed by bargaining unit members, the Board shall:

1. Provide the Union no less than ten (10) day notice of intent to issue a Request for Proposal, and
2. Provide affected employees with no less than thirty (30) day formal notice of impact.

It is understood that changes under this Article may not be arbitrary and capricious, and it is agreed that the District has those rights which are enumerated within Florida Statute 447; however, nothing herein shall relieve the Parties of their ability to request impact bargaining.

ARTICLE 9 SALARY/BENEFITS
SECTION 1 Wages

The Parties agree to increase the Pay Rates in Appendix A by 3.5% to the maximum effective January 1, 2023. The Parties also agree to increase the progression between pay range minimums to at least 3% in Appendix A. The January 1, 2023 minimum-maximum salary schedules are attached as Appendix A. The Parties agree that these minimum-maximum salary schedules are not subject to further modification or change until January 1, 2024 in keeping with the Preamble of this Collective Bargaining Agreement and further agree that future modifications or changes to these minimum-maximum salary schedules will be effective on January 1 of any given year unless otherwise agreed to by the Parties.

The Parties agree that effective January 1, 2023; the annual Pay Rates of all employees shall be increased by the agreed upon percentage in the table below. Each employee who remains an employee of the District in this

ARTICLE 9 SALARY/BENEFITS (cont'd)

bargaining unit on the date the School Board adopts this Agreement, will be paid the negotiated increase on the minimum-maximum Annual Pay Rate Schedule (Appendix A), effective January 1, 2023. Those individuals, who are no longer employees of the District on the date the School Board approves this Agreement, are not entitled to any retroactive pay.

Tier	Years	Percentage Increase
1	0 - 1.99	3.00%
2	2 - 5.99	3.50%
3	6 - 9.99	4.00%
4	10+	4.50%

The Parties further agree that upon ratification and Board approval of this agreement, each bargaining unit member, who is active as of the date it is approved by the Board, will receive a one-time bonus of \$1,500 or 3% of his/her salary, whichever is greater, prior to any recurring salary increase.

- a) Each employee’s current annual Pay Rate that is not red-lined will receive the applicable wage increase set forth above effective January 1, 2023. If after receiving the negotiated wage increase effective January 1, 2023, the employee’s new Pay Rate is greater than the new maximum annual Pay Rate after it is increased by 3.5% effective January 1, 2023, the employee’s new Pay Rate will be considered to be red-lined when wage increases are negotiated in the future.
- b) An employee whose current annual Pay Rate is red-lined, but whose new annual Pay Rate will not be greater than the maximum annual Pay Rate after that maximum is increased by 3.5% effective January 1, 2023, will have his/her current annual Pay Rate increased as set forth in applicable sub-sections A, B, or C above effective January 1, 2023 and will no longer have his/her annual base salary considered to be red-lined.
- c) An employee whose current annual Pay Rate is red-lined, and whose new annual Pay Rate is determined to exceed the maximum annual Pay Rate after that maximum annual Pay Rate is increased 3.5% effective January 1, 2023, will continue to have his/her current annual Pay Rate red-lined and will not receive an increase to his/her current red-lined annual Pay Rate until such time in the future a new maximum annual Pay Rate is negotiated that is greater than the employee’s current red-lined annual Pay Rate. Said employee will continue to be paid at his/her current red-lined annual Pay Rate until such time in the future an annual Pay Rate is negotiated for that employee that is not greater than the maximum Pay Rate at that time. Such employees will be paid a one-time and non-reoccurring bonus equal to the appropriate Pay Rate increase he/she would have received if his/her Pay Rate were not red-lined. This bonus, minus standard deductions, will be computed for all days worked and to be worked (including paid holidays, if any, and paid leave days) for the period of January 1, 2023 through the end of the 2023 calendar year or the employee’s last day of paid employment with the District whichever occurs first. To be eligible for a bonus payment, the employee must remain with the District in this bargaining unit on the date the School Board approves this Agreement.

ARTICLE 9 SALARY/BENEFITS (cont'd)

SECTION 2 Starting Salary

New employees in each job classification in this bargaining unit will start at the negotiated entry level unless, because of training and/or experience, the Superintendent authorizes entry above minimum for an employee.

Should the Superintendent determine a higher entry-level annual base salary is necessary for any job classification; all employees in that job classification whose annual base salaries are less than the new entry-level salary will be advanced to the new entry-level salary. Prior to any change in the entry level by the Superintendent, SEIU/FPSU will be notified.

Notwithstanding the above provisions, a previous employee of the District who leaves the employment of the District in good standing (as determined by the District), who is re-hired within twenty four (24) months of the date he/she left the District and is rehired in the same job classification he/she held at the time he/she left the District, will be rehired at the same annual base salary he/she had when he/she left the District, plus any wage increases that may have been negotiated in the interim. The rehire date, however, shall be the start date for purposes of seniority.

SECTION 3 Use of Personal Car

All employees authorized to use personal cars for approved transportation in the course of District business shall be reimbursed for mileage in accordance with established School Board policies.

SECTION 4 Promotion/Reclassification

When an employee is promoted to a position in a higher classification level, the employee will be placed within the appropriate classification level, which will provide a daily rate increased of five percent (5%) above the annualized base salary including any leadership supplement the employee received in the previous position, or the new minimum, whichever is greater.

When an employee is promoted to a higher classification, he/she shall be subject to a 90-working day probationary period in that position. During this promotional probationary period, the District will provide written feedback to the employee regarding his/her conduct/performance. At any time during the 90-working day promotional probationary period, either the District or the employee can cancel the promotion for any or no reason. The decision not to continue an employee in the promoted position and/or the written feedback shall not be the subject of a grievance procedure.

If an employee fails to satisfactorily complete the 90-work day probationary period, the employee will be reassigned to the same position occupied prior to the promotion, if available. If no vacancies exist in the same job classification at his/her previous work site, the employee will be assigned as follows:

- 1) if the original position is not available, he/she shall be assigned to a similar position, at the same salary/benefits level received prior to the promotion, but possibly in another location; and
- 2) if the same position is not available in any location, he/she shall be assigned to a position at the same salary/benefits level received prior to the promotion.

ARTICLE 9 SALARY/BENEFITS (cont'd)

SECTION 4 Promotion/Reclassification (cont'd)

In the event the employee is assigned as provided in number 2 and the employee's original lower level position becomes available, the employee has a one-time option of returning to that position provided the original lower level position becomes available within 12 months of the date the employee vacated the promoted position.

SECTION 5 Transfer Within the Classification

When an employee is transferred from one position to another position in the same classification level, the employee's hourly rate shall remain the same.

SECTION 6 Voluntary or Involuntary Transfer to a Lower Level Position

With the approval of the District, an employee may voluntarily accept an assignment to a lower level position he/she previously held in the District. The employee will be placed at the same rate of pay he/she held in the previous lower level position.

Involuntary Transfers to a Lower Level Position - When an employee is involuntarily assigned to a lower level position for a reason other than a reduction in force, job performance or as a result of a disciplinary action, the employee's hourly rate of pay shall remain the same provided the employee's rate of pay does not exceed the maximum rate of pay of the lower classification. In the event an employee is reinstated to their previous position within a period of twelve (12) months, the employee's hourly pay rate will not be less than the hourly pay rate the employee received in the previous position at the time the employee was changed to a lower classification.

SECTION 7 Maximum of Salary Range

Any bargaining unit employee whose salary is not already at the Maximum of their respective pay level would be eligible for a salary increase provided that the employee's annual performance evaluation is overall satisfactory. Any bargaining unit employee at the Maximum of the Pay Level will have their salary frozen and red-lined. Accordingly, no bargaining unit employee at Maximum is eligible for a salary increase based on an overall satisfactory annual performance evaluation or any increase in pay that will put them outside the salary scale. Any employee(s) whose salary is above the Maximum for their respective pay level will have their salary frozen and red-lined until such time a new annual base salary maximum is negotiated in the future that is greater than the employee's current redlined annual base salary.

SECTION 8 Certain Facilities Services Employees

The Parties agree there is a need to address the salary levels of certain positions assigned to the Department of Facilities Services, especially as it relates to the responsibilities and the requirements of these positions as well as the relative difficulty the District faces in being able to attract and retain qualified employees in these positions. Therefore, the Parties agree to conduct annually a compensation study including School Districts and large municipalities in South Florida that have positions that are comparable to identified positions in the Department of Facilities Services. The Parties agree to complete this compensation study by August 1 of each year. The Parties agree to meet to discuss the issues on or about January 8, 2020, April 8, 2020 and June 29, 2020. The Union will provide the list of no more than five (5) employees who will participate in the discussion

SECTION 8 Certain Facilities Services Employees (cont'd)

at least five (5) business days prior to the meeting. The Parties further agree that the findings of this study shall be given priority consideration when the District's budget stabilizes and resources become available to address any identified pay inequities.

SECTION 9 Shift Assignments

When it is necessary to transfer an employee from or to a day or evening schedule, volunteers will be sought within the classification of employees needed on the day or evening shift. Unless extenuating circumstances exist, the most senior employee who volunteers shall be given priority consideration for the requested shift change. In the event no one volunteers, the least senior employee within that classification will be assigned to the other shift. Any resulting vacancy that the District elects to fill will be posted pursuant to Article 18 of this Agreement. Shift changes may be made in cases where documented performance concerns require supervision that is not possible during his/her regular shift. Once the concerns have been improved, the employee may request to return to his/her prior shift.

SECTION 10 After-School Child Care Discount

As a benefit of employment with the District, all full-time SEIU/FPSU bargaining unit employees who properly enroll their child(ren) in a District After-School Child Care Program and who are not already eligible to receive any kind of discount, will receive a 25% discount on the hourly rate charged by these Programs to the general public. Employees already eligible to receive any other discount will not receive a total discount of more than 25%. This employee discount is only for hours of Before-School and After-School Programs operating on regular student attendance days and do not apply to Professional Development Days (PDDs), In-Service Days, Teacher Work Days or on days these After-School Child Care Programs are not operating. This benefit is available only to legal parents and/or legal guardians of children enrolled in a District operated public school.

ARTICLE 10 SUPPLEMENTS AND MERIT PAY AND PAYROLL PRACTICES

SECTION 1 Automotive Service Excellence (ASE) Incentive

Dedicated to improving the quality of automotive service and repairs in the Department of Transportation Maintenance of the Palm Beach County School Board, an incentive program will be continued for eligible employees who meet criteria established by the National Institute for Automotive Service Excellence (ASE). The primary function of ASE is to test and certify automobile and heavy-duty truck technicians and body repairers and painters.

To be eligible to participate in the incentive program, an employee in the Transportation Maintenance Department must:

- A. Have two years or more of full-time experience (or equivalent), to be verified by ASE, as an automotive technician or in body/paint repair.
- B. Be employed in one of the following positions:
 - 1) Mechanic Foreperson I, II, III
 - 2) Paint and Body Foreperson
 - 3) Transportation Foreperson

ARTICLE 10 SUPPLEMENTS AND MERIT PAY AND PAYROLL PRACTICES (cont'd)

SECTION 1 Automotive Services Excellence (ASE) Incentive (cont'd)

- C. Certified by ASE and by successfully completing one or more tests administered by ACT.
- D. Be recertified as required by ASE to keep credentials current and valid.

Those employees listed above who are certified by ASE will receive \$250 for each test passed up to a maximum of four (4) in any one calendar year cumulative to eight.

Merit pay earned by eligible employees will continue as long as certification is maintained and proof of certification or recertification is filed with the Department of Transportation. Merit pay will be disbursed annually on the last payday in December for those eligible employees having proper verification on file in the office of the Department of Transportation by December 1 each year the program is in effect.

SECTION 2 Food Service Manager Supplements

School Food Service Managers, who successfully complete the sixteen (16) week Manager Intern Program , or employees who are working in the capacity of a School Food Service Manager, and whose job assignment includes additional responsibilities associated with a specific service delivery activity, will receive supplemental pay as authorized by the School Food Services Department:

Manager Trainer	\$30 per day
Secondary School Engineering/All Special Population	\$500.00 Monthly

**amounts will be prorated when working less than a full month*

In order to more equitably compensate those who are performing and assuming additional duties and responsibilities at their schools, School Food Service Managers are eligible to receive a Participation-Based Supplement. This Supplement shall be calculated by determining the average number of meal equivalents served to students, staff and adults on a daily basis (when meals are served) throughout any given months. The average number of meal equivalents will be used to determine the monthly Participation-Based Supplement. The meal equivalent formula is based on the following:

Standard Breakfast	1	Unit
Charter/Alternative Breakfast	1.25	Units
Standard Lunch (student, staff and adult)	1	Unit
Charter/Alternative Lunch (student, staff and adult)	1.25	Units
Snacks (i.e. Afterschool Snack Program, Fresh Fruits and Vegetable Program and Extended Day)	.33	Unit
Supper	1	Unit
Head Start, Voluntary Pre-Kindergarten, and/or ESE Unitized Breakfast and/or Lunch	1.25	units
A la carte	\$3.00	per meal equivalent

ARTICLE 10 SUPPLEMENTS AND MERIT PAY AND PAYROLL PRACTICES (cont'd)

SECTION 2 Food Service Manager Supplements (cont'd)

Average daily meal equivalents of 500 units or less are not eligible for the Participation-Based Supplement. Each average daily meal equivalent in excess of 500 units will be compensated at the rate of \$.50 per unit. [For example: Average daily meals of 100 standard breakfasts, 350 standard lunches, 50 charter breakfasts, 50 charter lunches and 125 snacks makes the month Participation-Based Supplement in this example equal to \$87.50.]

These monthly Participation-Based Supplements will be effective April 1, 2016 or the first day of the month after April that the School Board approves this Agreement and retroactive back to January 1, 2016. Payments will be made quarterly.

School Food Service Managers who earn a Master's Degree, Bachelor's Degree or Associate Degree from an institution of higher learning accredited by the appropriate regional District-recognized accrediting agency at the time the advanced degree was awarded will be paid an educational supplement of \$2,500, \$1,500 or \$1,000 respectively. School Food Service Managers will be paid only for the highest degree earned. The appropriate annual supplement will be prorated for any part of the school year the employee was not employed for the entire school year; and it will be prorated for any part of the school year the employee did not have an earned degree for the entire school year. Pay for these educational degrees will be allocated across all 24 paychecks.

Dual Manager Supplement

In certain circumstances, School Food Service asks School Food Service Managers (or employees who are working in the capacity of a School Food Service Manager) to oversee two base schools. (Base schools are defined by the School Food Service Director and usually have an Average Daily Participation (ADP) of more than 500 meals and order, receive, and store food on site.) School Food Service would like to compensate the Managers with a supplement for the extra work and oversight needed to accomplish this.

The following criteria must be met in order to provide the supplement to the Managers:

- This is only available where the Manager position at the school is vacant.
- This is only available for regular duty days
- Upon completion of the current month, the supplements below will be calculated and paid within a month.

Per meal supplement: The percentage of the days worked during the month as a dual Manager will be applied to the average daily participation of the school being covered and added to their base site school's ADP.

For example - Covering school has ADP of 500 meals. The Dual Manager worked 10 out of the 20 serving days. The dual manager will get 250 meals added to their base school's ADP ($10/20 = 50\% - 500 \times 50\% = 250$). If the base school's ADP is 650. The 250 will be added to the 650 for a total of 900 meals. Instead of \$75 they would be receiving \$200 in per meal supplement.

Additional Pay Increase: The Dual Manager will receive 50% of the starting position's base salary while they are operating as a dual Manager

For example - Currently Job Code 32280 - Manager Food Service - starting salary is \$18.76 per hour. $\$18.76 \times 50\% = \9.38 per hour. $\$9.38$ per hour \times 40 hours per week = \$375.20 per week - Approximately \$1,500 per month.

ARTICLE 10 SUPPLEMENTS AND MERIT PAY AND PAYROLL PRACTICES (cont'd)

SECTION 2 Food Service Manager Supplements (cont'd)

The supplement will be discontinued upon the last day of dual management.

Dual Managers are selected by the Director or designee based on performance, ability, location, and programs at current and covering schools. If performance of the Dual Manager is not acceptable or the Dual Manager position has been deemed operationally inefficient, the School Food Service Director may change who is dual managing or discontinue the dual management of the school.

Dual Management Temporary Coverage (defined as coverage of a second school in the temporary absence of the permanent School Food Service Manager) - School Food Service Managers (or employees who are working in the capacity of a School Food Service Manager) temporarily assigned to a school where the Manager position is occupied, will not be eligible for the 50% supplement, however they will be eligible for the per meal supplement (percentage of the days worked during the month as a dual Manager will be applied to the average daily participation (ADP) of the school being covered and added to their base site school's ADP).

Additionally, they will be eligible for travel reimbursement if they are driving their own vehicle to and from the schools.

SECTION 3 Clocking-In

- a. All Food Service Managers are to clock-in upon arriving at their assigned school or other work site.
- b. School Food Managers who are not assigned to a school (interns and "un-assigned") have the School Food Service Office in Riviera Beach as their home assignment. Mileage is paid only if commuting to and from the employee's work site exceeds the mileage to and from the employee's residence to the School Food Service Office.
- c. The District does not pay for time to commute to and from the Food Service Manager's assigned school or other work site.

SECTION 4 Mileage

Supervisory employees who are directed to report directly to schools in their permanent assigned areas shall be paid mileage, under the following formula: Distance from Home to School Center (minus) Distance from Home to their Area Location (equals) Reimbursable Mileage

Appropriate non-bargaining unit supervisory employees are responsible for verifying mileage from employee's home to various school centers and distance to the area office. Employees are responsible for submitting mileage claims on a monthly basis.

SECTION 5 Retirement Supplement

The District shall provide a retirement supplement of four percent (4%) of gross salary to be paid to other than FRS members.

ARTICLE 10 SUPPLEMENTS AND MERIT PAY AND PAYROLL PRACTICES (cont'd)

SECTION 6 Payroll Procedures

- A. Until the District elects to implement a positive pay plan per provisions set forth below, the District will continue a 26 equal pay payroll schedule for employees who work at least a 190-day work calendar with paychecks electronically deposited every other Friday in the employee's choice of a financial institution beginning on a Friday selected by the District. If a Friday pay date falls on a date the District is closed, the paychecks will be electronically deposited no later than the Friday pay date the District is closed unless such Friday is a banking holiday. In such cases, the paychecks will be electronically deposited no later than the last preceding banking day. The District will continue a 22 equal pay payroll schedule for employees who work less than a 190-day work calendar and they will have their payroll checks electronically deposited every other Friday on a Friday selected by the District as provide above for employees who work at least a 190-day work calendar. The District will work with employees who do not have an account with a financial institution to establish an account(s) with the Credit Union to provide for these electronic deposits.

- B. Notwithstanding any prior agreement or any conflicting provision of this Agreement, the District may elect to implement in the future a positive pay plan for category(ies) of employees selected by the District and covered by this Agreement where such selected category(ies) of employees will no longer be paid in either 22 or 26 equal payments, but will be electronically paid the following Friday after each two-week pay period for all hours worked including pay for all approved paid leave and for all overtime worked during that two-week pay period. After the effective date of the District's election to implement any said positive pay plan for any selected category (ies) of employees, the District will have the right to payroll deduct any insurance related deductions due to the District from the affected employee's pay checks in fewer than 22 or 24 deductions during a calendar year to lessen any negative financial impact on employees when there may be substantially fewer work days in a pay period than normal. If the District makes such an election, the number of deductions may be fewer than 22 or 24, but the amount of each deduction will be proportionately larger. The District will make all reasonable efforts to communicate in advance with the Union and with all affected employees to inform them of the effective date of any such positive pay election and to inform them on which pay dates such insurance related deductions will be made and on which pay dates deductions will not be made, if any. The total calendar year amount deducted for these insurance related deductions will not be greater than what the deductions would have been on a 22 or 24 equal deduction plan during any calendar year.

Nothing herein requires the District to implement a positive pay plan for all employees covered by this Agreement at the same time. The District may elect to phase-in implementation of a positive pay plan for different District selected categories of employees covered by this Agreement on different dates.

- C. The Parties recognize the right of the District to require the electronic deposit of all employees' paychecks as set forth above; however, the District has not mandated such electronic deposits and will not do so without first giving the Union and each affected employee at least forty-five (45) calendar days

ARTICLE 10 SUPPLEMENTS AND MERIT PAY AND PAYROLL PRACTICES (cont'd)

SECTION 6 Payroll Procedures (cont'd)

- D. Advance notice of its intent to implement electronic deposits for all employees. The District will work with employees who do not have an account with a financial institution to establish an account(s) with the Credit Union to provide for these electronic deposits. Until such time the District requires electronic deposits of all employees' paychecks, those employees who do not have electronic deposit will be paid via US Mail so that they receive their mailed paychecks on or soon after the normal Friday pay date. Those employees who select electronic deposit of their paychecks will maintain that means of receiving their pay and may not revert to any other means of being paid.

- E. One topic of the *ad hoc* Payroll Advisory Committee will be to make an annual recommendation to the Chief Operating Officer of the first Friday paycheck date of each school year for employees who are less than 12-month employees. Another topic to be addressed by this *ad hoc* Committee will be to recommend to the District the best means of communicating in advance with all employee groups the payroll schedules for the ensuing school year. Where practical, to accomplish the mission of the District, the workweek should be scheduled into five (5) or fewer consecutive work days. During the normal workday, hours shall be scheduled consecutively, except for bus drivers and bus attendants, consistent with applicable laws. The District will establish the basic workday and work week and hours of work best suited to meet the needs of each school center or department and to provide superior service to the District. Nothing in this agreement shall be construed as a guarantee or limitation of the number of hours per day or days per week to be worked.

All employees, including bus drivers and bus attendants will be required to record their daily starting times, lunch period and ending times by use of a mechanical time clock or other District recording device(s). A waiver of the requirement to clock-out and clock-in for lunch periods may be implemented by the Director of Facilities Services for certain employee groups in the Department (including employees who are assigned to "Zone Teams") via a Memorandum approved and signed by the Director; however, the District may require employees in these employee groups to maintain a time record by using PBS Form #2323 to indicate the date, starting and ending times of their lunch period, and to sign and submit this form each pay period on a date(s) determined by the Director.

ARTICLE 11 WORK WEEK AND OVERTIME (cont'd)

SECTION 2 Overtime

For purposes of computing overtime, authorized compensable leave from duty shall be considered as time worked.

Employees shall be required to work overtime as directed unless excused by the District. In the event employees in the unit are required to work approved overtime, they will not be required to use annual leave or compensatory time to offset the overtime hours worked or to be worked. Employees required to work overtime will be given advance notice except in emergencies.

Overtime and extra work will be distributed based on seniority on a rotating basis among employees in their particular job classification, and their work units, as far as the skill of the employee and the character of the work permits.

When an employee, without prior notice, is required to work overtime in excess of three (3) hours immediately before or after his/her regular shift hours, without a lunch break during the overtime assignment, his/her immediate supervisor will schedule a paid lunch period not to exceed one-half (1/2) hour during the overtime assignment. If a lunch period is not scheduled during the overtime assignment, the immediate supervisor may authorize the employee to eat lunch on the job only when it is possible to do so without stopping or interrupting the employee's work. If a lunch period cannot be scheduled, then the employee will be compensated for one-half hour.

Except in those situations necessary to accomplish the mission of the District, no work should be performed by supervisors in order to preclude overtime.

In such cases, the employee will be paid for all hours worked in correcting the problems via computer/web that day. Should these additional hours result in the employee having more than forty (40) work hours that work week as provided in Section 2 above, any hours in excess of forty (40) hours will be paid as overtime.

Should these additional hours result in the employee having more than forty (40) work hours that work week as provided in Section 2 above, any hours in excess of forty (40) hours will be paid as overtime.
4. If the employee cannot be reached after his/her regular work schedule and the employee was not relieved from standby duty by his/her immediate supervisor, the supplement will be prorated and the employee may be subject to disciplinary action. In addition, the employee may be relieved from standby duty. When determining disciplinary action or whether to relieve the employee from standby duty, the District will consider any extenuating circumstances that may have prevented the employee from responding appropriately and in a timely manner while on standby duty.

This amount of time is to be mutually agreed upon by the Parties.
- 5. Only previous disciplinary actions which are a part of the employee's personnel file or which are a matter of record as provided in paragraph #7 below may be cited if these previous actions are reasonably related to the existing charge.

- K. If the Parties are in dispute concerning the timeliness of filing or of appealing a grievance and the grievance is appealed to Level Four, the Parties agree to bifurcate the arbitration hearing to allow the issue of timeliness to be presented to the arbitrator first and then for the arbitrator to issue a bench ruling on this procedural threshold issue. If the timeliness procedural issue is found in favor of the Union/grievant, the hearing can proceed with arguments relating to the merits of the grievance. If the timeliness procedural issue is found in favor of the District, the provisions of Section 4 F of the Grievance Procedure will be operative and the grievance will be considered dismissed.
If the arbitrator determines he/she requires additional time (more than an hour) to consider the timeliness procedural issue and elects not to issue a bench ruling on this threshold issue, the arbitration proceedings will be adjourned to allow the arbitrator the time necessary to make this determination and he/she may rely on briefs submitted by the Parties relating to this threshold procedural issue. If the timeliness procedural issue is found in favor of the Union/grievant, the grievance hearing will be reconvened to proceed with arguments relating to the merits of the grievance.  - 2) Retirement
 - 3) Resignation, except when a SEIU/FPSU bargaining unit employee resigns to accept a position in the District that is not a SEIU/FPSU bargaining unit position and said employee returns within one (1) year from the date of resignation to a SEIU/FPSU bargaining unit position. In such cases, this shall not be considered an interruption of continuous service.
 - 4) Lay-off exceeding eighteen (18) months.
 - 5) Failure to report to the Division of Human Resources or returning to work within five (5) workdays of receipt of recall as determined and verified by the date of the certified mail return receipt.
 - 6) Failure to report from military leave within the time limits prescribed by the Veterans' Re-Employment Act.
 - 7) Subsections (5) and (6) above shall not apply to Section 1 A, should an employee have justifiable reasons explaining extenuating circumstances, as determined by the Chief of Human Resources, preventing the employee to comply with reporting as required in Sections (5) and (6). Such reasons will not be unduly denied.

SECTION 2 Reduction-In-Force (Lay-offs)

The District will determine the classifications of employees impacted by the Reduction-in-Force. The District will notify the Union no fewer than forty-five (45) calendar days in advance of a pending lay-off action of employees covered by this Agreement. Within seven (7) days of the notification to the Union of a pending lay-off action, representatives of the Union and of management will meet to:

- 1. Solicit and consider the Union's recommendations for reducing costs and other alternatives to a Reduction in Force action prior to implementation of the lay-off action; and

ARTICLE 17 SENIORITY AND REDUCTION IN FORCE (cont'd)

Section 2 Reduction in-Force (Lay-offs) (cont'd)

2. To meet and confer concerning the implementation of the pending lay-off and relating to the rights of laid-off employees including their callback rights and possible limited "bumping" (displacement) rights.

The Parties agree that temporary, seasonal, interim, employees still in their initial probationary employment period, and other non-permanent status employees of the District performing the same job duties as permanent employees in the Union's bargaining unit who are in the classification of employees to be impacted by the lay-off action will be laid off first and notwithstanding Section 3 below, shall have no recall rights.

The Parties further agree Custodial Forepersons identified as being a Custodial Foreperson I, II, III, IV or V will be considered a single employee classification when lay-offs are being determined. In addition, regular custodians and regular custodians who are identified as being Lead Custodians will be considered a single employee classification when lay-offs are being determined. By mutual agreement of the Parties reached during the forty-five (45) calendar day period before pending lay-offs are effective, additional combinations of employee classifications may be agreed upon to be considered as a single employee classification when lay-offs are being determined.

The Parties agree that lay-offs will be implemented using seniority as the criteria for identifying employees in the employee classifications that are impacted by the lay-off. After the non-permanent status employees in classifications impacted by the Reduction-in-Force have been laid off, regular employees in the classifications impacted by the Reduction-in-Force will be laid off in the inverse order of their seniority in the District at the time of the lay-off. The Parties agree that lay-offs will be implemented using seniority as the criteria for identifying employees to be laid-off.

Notwithstanding the provisions of this Section, the District agrees to meet with SEIU/FPSU to solicit its recommendations for reducing costs and alternatives to a workforce reduction prior to the Superintendent of Schools authorizing a lay-off.

SECTION 3 Recall

Employees in lay-off status will retain the following recall rights for eighteen (18) months and shall have preference to work over applicants on eligible lists. Recall will be made by certified mail to the last address in the employee's records. Within five (5) workdays of the certified receipt date, laid-off employees must signify their intention of returning to work to the District's Division of Human Resources. Failure to respond to the notice shall constitute a resignation by the employee.

Recall will be offered to laid-off employees provided they are physically and otherwise qualified to perform the duties of the job. A laid-off employee, when offered recall, who is temporarily unable to return due to medical reasons, may request an extension of recall rights not to exceed three (3) months. If the extension is granted, the position to which the affected employee was offered recall will be offered to the next most senior physically and otherwise qualified laid off employee. If and when the laid off employee who was granted a medical extension recovers within this extension period becomes medically able (as determined by a physician) to be recalled and who is physically and otherwise qualified to perform the duties of a vacant position, he/she will be recalled to that position provided he/she is still eligible to be recalled, i.e. recalled within eighteen (18) months of being laid off, plus the period of the granted medical extension.

ARTICLE 17 SENIORITY AND REDUCTION IN FORCE (cont'd)

Section 3 Recall (cont'd)

When employees are recalled from a lay-off, the employee with the greatest seniority in that classification who is physically and otherwise qualified to perform the duties of the job shall be recalled first.

SECTION 4 Seniority List

In the event that a reduction of staff affects employees in a given classification, the administration agrees to provide SEIU/FPSU with a copy of the District's seniority list(s) of employees in the classification(s) that are being laid-off.

SECTION 5 Excessing

When a School or Department must reduce the number of employees at that School or Department due to declining student enrollment, budgetary restrictions, reorganization or other reasons as determined by the District, the following provisions will apply:

- (a) Employees will be excessed by seniority based on the employee's length of continuous employment with the District, including approved leaves of absence, and not based on the length of time the employee has been in a particular position.
- (b) Excessing will be by job code with the least senior employee being excessed unless a more senior employee in that same job code at that work location volunteers to be excessed. In such cases, the volunteering employee will be excessed and the less senior employee in that job code will not be excessed.
- (c) The only exception to this provision is when a less senior employee has received specialized training such as in ESE, Pre-K, etc. and if the more senior employee within that job code at the School or Department declines to be trained in that area. In these cases, the more senior employee who declines to be trained will be excessed and the less senior trained employee will not be excessed.
- (d) Employees to be excessed will be notified in writing in a timely manner and are encouraged to seek transfers to Schools or Departments that have posted vacancies.
- (e) For those excessed employees who are unable to secure another position through the transfer process, the District will list all unplaced excessed employees and place those employees in positions for which they are qualified.
- (f) When placing an excessed employee, consideration shall be given to the individual's prior year work location, assignment, workday, and work year.

SECTION 6 Prior Service Placement

An employee whose position is eliminated due to a reduction in force or excessing may request placement in a position previously occupied if service in that position was five (5) or more years. Such placement shall be based on seniority and a less senior employee who is displaced will be deemed to have been excessed pursuant to the provisions of Article 17, Section 5 (a).

ARTICLE 18 JOB POSTING AND SELECTION

- A. All job openings and newly created positions that are bargaining unit positions in a Department (i.e. Facilities Services, Transportation Services or Food and Nutrition Services, or School Site) shall be posted to the District's Human Resources job opportunities website, and selections shall be made in accordance with the provisions of this section. If the position is not filled by a District employee, then the position will be posted externally.
- B. In the filling of any job opening or newly created position, first consideration shall be given to applicants from within the department that posted the job opening.
- C. In the filling of job openings or newly created positions, applicants shall be matched against the needs of the position and when in the judgment of the Superintendent all other factors are equal, the most senior employee making application shall be offered the position.
- D. In the event the position is not filled under the provisions of this section by a District employee, the position may be filled by a new employee.
- E. Persons who have been hired as temporary employees and have worked in this capacity for six (6) months or longer shall be considered when vacancies occur.
- F. Job openings will be posted by the District prior to filling the position.

ARTICLE 19 JOB DESCRIPTIONS, ASSIGNMENTS AND RECLASSIFICATION

- A. The District will prepare and maintain job descriptions for those job classifications covered by this agreement.
It is understood by the Parties that every incidental duty connected with operations enumerated in job description is not always specifically described and that this does not preclude the required performance of such other related duties.
- B. An employee in the bargaining unit will be afforded the opportunity to discuss and review his/her job description and regular working assignments with departmental or school management.
- C. Nothing in a job description is intended or shall be construed so as to concede to any employee or group of employees the right to refuse to follow instructions or orders.
- D. Any employee or classification of employees may make a request for job reclassification utilizing procedures established by the Superintendent and the final determination or the pay classification shall be made by the Superintendent.

ARTICLE 20 SICK LEAVES

SECTION 1 Permanent Full-Time Employees

A member of the bargaining unit employed on a full-time basis shall be credited with four (4) days of sick leave at the end of the first month of employment of each contract year and shall thereafter be credited for one day of sick leave for each month of employment, which shall be credited to the employee at the end of the month provided the employee has been on duty or compensable leave a minimum of eleven days within the month. Sick leave shall not be used prior to the time it is earned and credited to the employee. An employee shall be entitled to earn no more than one day of sick leave times the number of months of employment during the year of employment. If the employee terminates his employment and has not accrued the four sick days available, the District shall withhold the average daily amount for the sick days utilized but unearned by the employee.

SECTION 2 Permanent Part-Time Employees

A member of the bargaining unit employed on a permanent part-time basis, four (4) hours per day or less, shall be credited with four (4) part-time days of sick leave at the end of the first month of employment of each contract year and shall thereafter be credited for one part-time day of sick leave for each month of employment which shall be credited to the employee at the end of the month provided the employee has been on duty or compensable leave a minimum of eleven days within the month. Sick leave shall not be used prior to the time it is earned and credited to the employee. An employee shall be entitled to earn no more than one part-day sick leave times the number of months of employment during the year of employment. If the employee terminates employment and has not accrued the four part-time sick days available, the District shall withhold the average daily amount for the sick days utilized but unearned by the employee. An employee whose duty day basis changes shall have his sick leave balance as a permanent half-time employee converted at the rate of two (2) part-days of sick leave to one (1) full day of sick leave.

SECTION 5 Summer School

Bus drivers will receive one day of sick leave when they work eleven (11) or more days during the summer.

ARTICLE 20 SICK LEAVES (cont'd)

SECTION 6 Out-of-County Credit for Sick Leave

Members of the bargaining unit shall be entitled to transfer sick leave credit from other Florida school systems and state agencies, which are participants in any of the Florida Retirement Systems with the restriction that at least half of the cumulative leave shall be established within this school District.

SECTION 7 Claims

Sick leave claims shall be honored as submitted by the employee for his own personal illness, as well as illness or death of father, mother, brother, sister, husband, wife, child or other close relative, or member of his/her own household.

SECTION 8 Verification of Illness

Whenever sick leave appears to be abused as determined by the Superintendent, or where an employee consistently uses his sick leave as it is earned, the employee requesting such sick leave may be required to furnish competent medical proof of the necessity for such absence. Abuse of sick leave privileges shall constitute grounds for dismissal by the District. In the event a permanent employee exhausts his/her sick leave while on sick leave and remains unable to return to work, he/she may use accumulated annual leave provided prior verbal or written notification is given to the Department Head/Principal.

SECTION 9 Leave for Personal Reasons

Effective July 1, 2006, a member of the bargaining unit shall be allowed six (6) days paid leave for personal reasons each fiscal year to be charged against accrued sick leave, and provided that such leave, shall be noncumulative.

Except for the religious observance of the employee's faith, personal leave requests shall not be made for any day immediately preceding or following a holiday; during the first or last week of the school year when students are in attendance; and/or the day immediately before or after the Thanksgiving break, the Winter break and/or the Spring break. Request for personal leave may be denied if in the judgment of the Superintendent such leave will disrupt the school or department program. Employees are not required to provide his/her supervisor with the reason for requesting personal leave.

SECTION 10 False Claim

False claim for sick leave shall be grounds for dismissal by the School Board.

SECTION 11 Terminal Leave Pay & BENCOR

An employee who retires and submits proof of eligibility from the Florida Retirement System or whose employment is terminated by death shall receive payment for accrued sick leave days. Such compensation shall be the daily rate of pay at retirement or death of the employee multiplied by the maximum percentage provided for by Florida Statute times the number of accumulated sick leave days. In the event service is terminated by death, benefits shall be paid to the beneficiary as identified on the employee's group life insurance form.

- (a) Effective June 30, 2016 and thereafter, employees who have a minimum of ten (10) consecutive years of District service just before they are to receive terminal pay benefits and who are retiring/leaving the

- (b) The Department of Compensation and Employee Information Services will provide affected employees with information on eligibility, how the process works and its benefit to employees in this bargaining unit.

SECTION 12 Disability (Income Protection) Insurance

An employee who has disability (income protection) insurance through the District shall not be required to exhaust his/her sick leave to be granted leave under this subsection. In keeping with the District's disability insurance carrier, an employee who has such insurance through the District may not receive both sick leave pay and disability benefits at the same time.

SECTION 13 Annual Option Pay-Out for Accumulated Sick Leave

An eligible employee who applies for a cash pay-out will receive a gross payment equal to the employee's daily rate of pay on the employee's last regular employment day of that school year times 80% of the number of unused sick leave days earned that school year. It is understood that this payment shall be subject to all legal withholdings and is not tax sheltered.

The above options may be exercised by the employee if he/she has accumulated sixty (60) or more days of unused sick leave at the end of any school year (June 30) and has not used more than three (3) sick leave days that school year as set forth above.

SECTION 14 Permanently and Totally Disabled Employees

The Superintendent will submit to the School Board an agenda item wherein the Board will accept the termination of an employee based upon the determination that the employee is permanently and totally, disabled based upon stipulation or a determination by a judge of a Workers' Compensation court. To the extent allowed by statutes, the employee will receive his/her terminal pay for any unused sick leave and/or annual leave and any leave the employee is on will be cancelled upon the School Board's action.

SECTION 15 Paid Bereavement Leave

An employee who is absent from work due to the death of a member of his/her immediate family (spouse, sibling, child, parent, parent-in-law, grandparent, grandparent-in-law or domestic partner) may use up to three (3) days of paid bereavement leave each school year. The use of bereavement leave shall not count against the employee's sick leave. If an employee requires additional time off for bereavement purposes beyond these three (3) days, the employee may use his/her sick leave for a reasonable number of additional days.

ARTICLE 21 INJURY IN-LINE-OF-DUTY/WORKERS' COMPENSATION

An employee who is absent due to injuries or illness clearly received in the discharge of his/her duties shall be entitled to additional sick leave benefits as hereafter provided:

- A. An employee who is injured in the line of duty may be entitled to a maximum of ten (10) noncumulative additional leave days, which shall not be charged against the employee's sick leave balance. All claims for such leave must clearly substantiate an injury received in carrying out assigned duties. Additionally, such paid leave shall only be awarded for the duty days for which the employee has been employed. Any employee who can clearly demonstrate the contracting of an infectious or contagious disease, for which inoculations are not available and exclusive of upper respiratory infections or complications therefrom, at the school center to which he/she is assigned may qualify for a maximum additional twenty-two (22) days of noncumulative sick leave if the disease requires the employee to use more than five (5) days of his/her accumulated sick leave balance. If the employee does not have five days of accumulated sick leave, this leave shall begin immediately after the use of the last sick leave day.
- B. In cases of unusual illness or injury in the line of duty, any employee may make a request to the Superintendent for additional compensated leave days. If the Superintendent is satisfied that the condition warrants; he/she shall recommend additional compensated leave to the Board.
- C. Any employee who has a claim for compensation while absent because of illness contracted or injury incurred as prescribed herein shall notify his/her principal as soon as such illness or injury is apparent and shall file a claim by the end of each month or pay period as requested during which such absence has occurred. The District shall satisfy itself the claimant is entitled to payment.
An employee who has a claim under this policy shall fully cooperate with the District and shall authorize the release of any medical records pertaining to the Workers' Compensation injury if necessary.
- D. The employee must seek medical treatment for any injury received in the line of duty within six (6) months of the injury to be eligible for leave under this section.

ARTICLE 22 CATASTROPHIC ILLNESS/INJURY LEAVE

A catastrophic illness or injury shall be defined as a medical condition not covered by Workers' Compensation, requiring an absence from work greater than fifty (50) working days of consecutive absence for a single illness or injury.

Any employee who sustains a catastrophic illness or injury may apply for and receive for use on a matching basis supplementary catastrophic illness or injury leave not to exceed the number of regular, unused sick leave days that the employee had accumulated on the first day of the regular sick leave applied to the catastrophic illness or injury.

Two (2) medical verifications of such catastrophic illness or injury shall be required. The employee shall fully cooperate with the District and shall authorize the release of any medical records necessary. The District shall satisfy itself that any claim for catastrophic illness or injury leave is legitimate and correctly states the facts. The District may at its expense require an independent medical examination.

Catastrophic illness or injury leave shall begin the fifty-first (51) day of consecutive absence and not to be awarded retroactively.

ARTICLE 23 LEAVE WITHOUT PAY

SECTION 1 Personal Leave of Absence

Personal leave of absence as described herein is leave without pay and may be requested by a member of the bargaining unit for purely personal reasons. A member of the bargaining unit may request short-term personal leave of absence within the school or department to which the employee is assigned. Personal leave as described herein shall be requested through the principal or department head for his/her approval and subsequently approved by the Superintendent.

An employee granted an unpaid leave of absence shall be returned to his/her former classification if the leave is less than ninety (90) days, notwithstanding the lay-off provisions contained in this agreement. An employee granted a leave of absence and whom wishes to return before the leave period has expired, may submit a request to return to the principal/department head. An employee granted a leave of absence in excess of ninety (90) days will be permitted to return to work provided there is an opening in the same job classification in the work unit. If the former position is not available, the employee, upon written request, shall be listed as an eligible applicant for a period of six (6) months.

Group Life and Hospitalization Insurance coverage may be continued for a period equal to the authorized leave of absence, provided full premium payments, including the Board's payment, are kept current by the employee.

SECTION 2 Return from Leave

Failure to return to work at the expiration of approved leave shall be considered as absence without leave and grounds for dismissal. This section should be subject to extenuating circumstances preventing timely return, as determined by the Superintendent.

ARTICLE 24 MATERNITY/CHILD CARE LEAVE

SECTION 1 Maternity Leave/Recovery

- A. Accrued sick days may be used for maternity leave, which refers only to the type of leave taken by female employees to cover the period of their own actual physical inability to work as a result of pregnancy, childbirth, abortion, miscarriage, or related medical conditions, or recovery therefrom. It does not include leave taken or requested for personal reasons related to maternity, e.g., preparing for the birth of a child or caring for an infant when there is no accompanying disability.
- B. Once an expected date of confinement has been established, no further medical statement is required for sick leave if maternity disability (use of accrued sick days) occurs within three (3) weeks prior to the expected date of delivery or within six (6) weeks after the actual birth of the child. Any extended sick leave for maternity outside these nine (9) weeks must be supported by a physician's statement. If accrued sick leave is not sufficient, or if an employee elects not to use accrued sick leave for maternity, unpaid personal leave may be used.
Short-term illness related to maternity is treated the same as any other day-to-day illness.

ARTICLE 24 MATERNITY/CHILD CARE LEAVE (cont'd)

SECTION 2 Child Care Leave/Unpaid

- A. A regular employee may request and shall be entitled to a leave of absence without pay for childcare (normally after recovery) or when adopting a child under six (6) years of age. In the case of adoption or foster care, leave would begin upon receipt of custody. Leave may be granted for the remainder of the employee's term of appointment and may be extended for one additional year provided that the total time away from the job is not more than eighteen (18) months. Granting of a leave that extends to the end of the employee's work year does not denote rehire for the ensuing school year.
- B. It is the responsibility of the employee to keep the principal/department director informed so that appropriate administrative arrangements can be made prior to return to duty. Upon return from extended leave, an employee may be returned to the same or similar position.

ARTICLE 25 JURY DUTY LEAVE/WITNESS DUTY

SECTION 1 Jury Duty

A member of the bargaining unit subpoenaed to jury duty shall be paid the regular salary during their absence for jury duty and shall remit to the District the fees received for such jury duty less travel allowance paid by the courts. If, upon reporting for jury duty, the employee is not used, the employee is to report back to work and carry on with daily work assignments. A reasonable amount of time will be allowed for travel.

SECTION 2 Witness Duty

When an employee is under subpoena as a witness in connection with his official duties or is under subpoena as a witness in a court proceeding in which the employee is not a Party to the litigation, the employee shall be eligible for Temporary Duty Elsewhere leave and shall receive regular compensation while on witness duty and shall remit to the District in check or money order (no cash) the amount of fees, less travel allowance and other expense allowances, received for witness duty.

SECTION 3 Verification

The employee shall provide the department head/principal with proof of jury duty service and/or witness duty subpoena before compensation is approved.

ARTICLE 26 MILITARY LEAVE

SECTION 1 Leave for Military Duty

Leave for military duty shall be granted in accordance with Florida Statutes and such rules and regulations pertaining thereto as shall be approved by the District.

Article 26 Military leave (cont'd)

SECTION 2 Short-Term Duty with Pay

Any individual employed by the School Board of Palm Beach County who is a member of the United States Military Reserve or the National Guard shall be entitled to leave of absence from his/her respective duties without loss of pay when he/she is ordered to active duty by the appropriate unit, provided:

Leaves granted shall be a matter of legal right and shall not exceed the number of days authorized by the Florida Statutes. All efforts shall be made to prevent such leave being taken during the time school is in session. Requests for temporary military service leave shall be made by letter and shall be filed with the Superintendent for Board action. If possible, this shall be done prior to the date of leave.

ARTICLE 27 ANNUAL LEAVE

SECTION 1 Accrual of Vacation Leave

This section shall refer to members of the bargaining unit employed on a twelve (12) month basis.

- A. A member of the bargaining unit who is employed on a twelve (12) month basis shall be allowed vacation leave, exclusive of holidays, with compensation as follows:
 - 1) An employee with less than five (5) years of continuous service at a rate of one (1) day per month, cumulative to twelve (12) work days per year.
 - 2) An employee with five (5) years or more continuous service at a rate of one and one-quarter (1.25) days per month, cumulative to fifteen (15) workdays per year.
 - 3) An employee with ten (10) years or more of continuous service at a rate of one and one-half (1.5) days per month, cumulative to eighteen (18) workdays per year.
- B. Accrued vacation leave shall not exceed sixty-two and one-half (62 ½) work days maximum on June 30 of each year. Vacation leave may be granted by the Superintendent upon the written request of the employee, with prior recommendation by the employee's supervisor. Vacation leave for an employee shall be scheduled so that there will be minimum disruption of the operation of the School District.

Upon employment termination, the employee shall be paid as terminal leave all unused vacation leave as follows:

- 1) (EMPLOYEE WHO HAS 60 OR FEWER DAYS ON JUNE 30, 2001 OR WHO WAS HIRED AFTER JULY 1, 1995)

Each employee who has accumulated 60 or fewer days of unused vacation leave as of June 30, 2001 or who was hired by the District after July 1, 1995 will be paid for all of his/her unused vacation days accumulated at the time of termination of employment, up to a maximum of 60 days.
- 2) (EMPLOYEE WHO WAS HIRED PRIOR TO JULY 1, 1995, WHO HAS MORE THAN 60 DAYS ON JULY 1, 1995 AND AT SOME TIME AFTER THAT DATE THE ACCUMULATION FALLS TO OR BELOW 60 DAYS)

ARTICLE 27 ANNUAL LEAVE (cont'd)

SECTION 1 Accrual of Vacation Leave (cont'd)

Each employee who was hired by the District prior to July 1, 1995, who accumulated more than 60 days of unused vacation leave as of July 1, 1995 and whose accumulation of unused vacation days at any time falls to or goes below 60 days, will be paid for all of his/her unused vacation days accumulated at the time of termination of employment, up to a maximum of 60 days.

3) (EMPLOYEE WHO WAS HIRED PRIOR TO JULY 1, 1995, WHO HAS MORE THAN 60 DAYS ON JULY 1, 1995 AND MAINTAINS AN ACCUMULATION GREATER THAN 60 DAYS AT ALL TIMES)

Each employee who was hired by the District prior to July 1, 1995, who accumulated more than 60 days of unused vacation leave as of July 1, 1995 and who maintains an accumulation of greater than 60 days of unused vacation leave days at all times after July 1, 1995, will be paid for all of his/her unused vacation days accumulated at the time of termination of employment, up to a maximum of 62½ days.

Any employee who becomes ill while on annual leave may use accrued sick leave for such period of illness providing a doctor's certificate is presented to the principal or immediate supervisor upon the employee's return to work.

SECTION 2 Use of Vacation Leave

- A. Each District facility having an administrator or designee supervising 12-month bargaining unit employees assigned to that facility will be the administrator (or his/her designee) in charge of administering this Section of the Contract as it relates to the scheduling of requested vacation leave.
- B. Each employee wishing to use his/her accrued vacation leave in blocks of at least five (5) continuous work days is required to submit such request in writing to his/her supervisor no later than May 1 of the year (June thru May) during which he/she is requesting vacation leave. As used herein, "continuous" means the actual number of days used can be interrupted by a non-work day such as a holiday and/or a weekend. Therefore, five (5) continuous days could be a work day on Tuesday, Wednesday, Thursday, Friday and the following Monday; or it could be a work day on a Thursday, Friday, a holiday (on Monday), Tuesday, Wednesday and Thursday.
- C. If the administration determines an insufficient number of employees will be actively working to complete the work load at his/her facility because too many employees have requested to use vacation leave at the same time, the administrator will use the employee's seniority among those who have requested vacation leave for the same dates to determine whose request(s) will be granted. The employee(s) with the greatest seniority as defined elsewhere in the Agreement will have his/her vacation leave approved. Those, whose requests were not approved, may re-apply for other periods of time. All employees making such requests will be notified as soon as possible if their request were approved or not approved.
- D. Thereafter, those employees who vacation leave request for at least five (5) continuous work days was granted go to the bottom of that facility's seniority list for the purpose of determining which employee's vacation leave request will be approved in the future.

ARTICLE 27 ANNUAL LEAVE (cont'd)
SECTION 2 Use of Vacation Leave (cont'd)

- E. Request of the use of vacation leave for less than five (5) continuous workdays also must be submitted in writing to his/her supervisor no later than ten (10) working days in advance of the first day of vacation leave he/she is requesting. Such requests are also subject to the approval of the administrator/designee. Approval of the use of vacation leave for fewer than five (5) continuous workdays will not move the employee to the bottom of the seniority list at that facility. However, any approved request for less than five (5) continuous workdays will require that employee not to request any additional vacation leave for a minimum of at least twenty (20) workdays after returning from any approved vacation leave. The only exception is when the employee's vacation request of at least five (5) continuous days has been previously approved.

Only in special circumstances, as approved the Regional Superintendent of his/her designee will the above process for the approval/denial of vacation leave not be followed.

To the best of their ability, employees are responsible to keep themselves informed of the number of vacation days/hours they have and are accruing so they will be requesting and taking a sufficient number of vacation days well before July 1 of each year so as not to forfeit any vacation leave days over sixty (60) days on July 1.

ARTICLE 28 HOLIDAYS

All full-time 12-month employees eligible for membership in the bargaining unit shall receive paid holidays each year as approved by the School District and as recommended by the School Calendar Committee. The School Calendar Committee shall be composed of representatives of employee groups and the administration. SEIU/FPSU shall be represented as an employee group:

- A. In order to be compensated for a District approved holiday under this section, an employee must be either on duty or on compensable leave the day before and the day after the scheduled paid holiday.
- B. Twelve-month employees required to work on a day designated as a holiday on the official school calendar shall be paid at the overtime rate of one and one-half times the employee's straight time rate of pay. Pay for designated holidays shall be in addition to the employee's regular pay.

ARTICLE 29 TRANSFERS

SECTION 1 Voluntary Transfers

An employee may apply for posted vacancies at any time during the year for which he/she is qualified as determined by the District except when the District determines the employee is currently filling a "critical needs" position. In such cases, the employee will not be eligible to apply for a Voluntary Transfer until such time his/her position is no longer considered by the District to be a critical needs position. Without the approval of the District, only one transfer outside of the work center will be approved in any one fiscal year, except unlimited transfers may be approved within the work center. When considering internal applicants for a Voluntary Transfer to a posted vacancy, the District shall follow and adhere to the provisions of sub-sections B, C, and D of Section 1 of Article 20 in this Agreement.

ARTICLE 29 TRANSFERS (cont'd)

In other words, the premium for domestic partner benefits is the same as the premium for the Employee Plus Spouse option except that the domestic partner benefits premium will be taxed on a post-tax basis and any District-paid contribution will be taxed as imputed income to the employee as set forth above. A domestic partner is not considered a qualified beneficiary under COBRA. In those cases, when an employee elects to cover a domestic partner and any child (ren), including his/her own or the partner's child (ren), the employee will pay the premium of the Employee Only/Single premium option on a pre-tax basis. (b) Premiums must be supported by an employee's regular paycheck in order for an employee to be eligible to enroll in that specific benefit.

The Parties agree that one member of each PERC certified District employee group identified above may serve as a participating and voting member on the District RFP committee any time the District seeks proposals on medical, dental and/or vision insurance for its employees. The District shall be entitled to a maximum of six representatives.

11. Any changes or modifications to the provisions under this Section shall be negotiated during regular coalition bargaining with all District PERC recognized Associations/Unions as provided herein. In addition to the limited re-opener provision contained in 6(e), all Parties agree that coalition negotiation may be reopened on all aspects of this Section in the event any of the following occurs:

- Whenever the Parties mutually agree to reopen negotiations on this Section; or
- Whenever more than three years (36 months) have lapsed since the Parties reopened negotiations and had the opportunity to negotiate on all aspects of this Section.

ARTICLE 34 HEALTH, LIFE, DENTAL AND VISION INSURANCE (cont'd)

Otherwise, benefits will end the last day of the month in which the employee's active paid employment or FMLA leave with the District ends provided all employee-required premiums are paid. Nothing herein shall be construed as denying any eligible employee from continuing his/her insurance(s) as provided under Federal COBRA rule and regulations. Notwithstanding any other provisions in the Contract, the provisions contained in this Section supersede any bargaining unit contract language relating to continuing insurance coverage for employees on an unpaid leave of absence.

14. Health Rewards with Outcomes

- (a) All parties are desirous of a program that allows partial premium discounts (within all legal parameters of IRS Section 125 plans and the Affordable Care Act). This Section spells out the program requirements, required dates for completion, and the corresponding dates for the premium discount to begin to apply.
- (b) An employee who is enrolled in a District medical plan, for which both the District and the employee are contributing toward the premium, is eligible to earn rewards. Each eligible employee and his/her covered spouse or domestic partner who actively participates in and completes the health reward required activities listed below between January 1 and August 31, will be eligible for an employee health rewards credit beginning with the first premium in the following January and continuing through the calendar year, as long as the employee remains eligible throughout this time period. The credit amounts are listed in section d below.
Those described above, who complete the health rewards required activities after August, but on or before December 31 will be eligible for the health rewards credit beginning with the first premium in the following June and continuing through the calendar year, as long as the employee remains eligible during this time period.
- (c) All health care information and results remain confidential. Federal laws protect an individual's privacy. The School District will only be notified if an employee and/or his/her spouse/domestic partner has been awarded 100% for completing the required activities listed below.
- (d) Monthly credits for health rewards program completion depends on the tier of medical coverage in which the employee enrolls. For those employees on a twenty-six (26) annual pay cycle, the credit is as follows:
 - Employee Only Coverage \$50 per month
 - Employee plus Child(ren) \$50 per month
 - Employee plus Spouse \$25 per month for the employee and/or \$25 per month for Spouse/DP
 - Employee plus Family \$25 per month for the employee and/or \$25 per month for Spouse/DP

These monthly reward credits will be prorated for those on the other pay cycles so that the annual amounts are the same.

Reasonable Alternatives

For those that do not meet 4 out of the 5 requirements above, a reasonable alternative in the form of a Telephonic Coaching Program will be available to earn their final 34%. These programs will take a minimum of 8-12 weeks to complete. Beginning in January 2020, an additional reasonable alternative choice may be provided and will be listed in the official rules published each year in the benefits section of the Risk and Benefits Management Department. The official rules for the Health Rewards Program will be published on the District's employee website under the Department of Risk and Benefits Management. Once an employee or covered dependent has taken either of these courses and received points towards the Health Rewards with Options program, they will not be eligible to receive credit for these programs in future years.

ARTICLE 34 HEALTH, LIFE, DENTAL AND VISION INSURANCE (cont'd)

The plan time frame for completion is the entire calendar year for employees and their covered spouses/domestic partners to complete the Health Rewards requirements for the discount to apply at a specific point in the following calendar year.

- ➡ If the required activities are completed by August 31, the discount will start with the first premiums effective on or after the following January 1.
- ➡ If the required activities are completed by December 31, the discount will start with the first premiums effective on or after the following June 1.

In order to earn the premium reward discount anytime in a plan year, the employee will need to fully complete the Health Rewards required activities within the required time period in the prior plan year. If the employee also elects coverage for a spouse or domestic partner, the covered adult would also need to fully complete the required activities within the established time period in order for the premium reward discount to be awarded to the employee. Effective for the plan year 2021, the covered spouse or domestic partner will earn Health Rewards credit independently and separate from the employee.

Completion of all Health Rewards required activities resulting in an award of 100% would be necessary for the employee and/or a covered spouse or domestic partner.

It is agreed opportunities will be provided to help employees avoid any future financial penalties and to provide financial incentives to employees. It is also agreed that incentive requirements will change every few years and will be bargained two years in advance where practical.

In addition, the District and the Coalition Bargaining groups agree to meet 4 times throughout the year to discuss additional wellness initiatives and medical plan issues and design changes to understand and/or achieve a balance of benefits and cost containment. This will be accomplished in partnership with the District, its Employee Unions and Associations and the insurance providers to create intense communication efforts, community resource information, and support tools well in advance. The subject matter of the Committee will include, but is not limited to, the following issues:

- Programs providing employees with information on negotiated price, and the quality, of particular healthcare services provided by particular providers, together with incentives to obtain services from higher-value providers ("transparency");
- The contractual provisions and financial performance of the District's contract for pharmacy benefit management ("PBM");
- The establishment and operation of one or more on-site or near-site clinics or health centers to serve District employees and dependents, operated under contract with the District;
- Wellness program design and administration, including requirements and incentives;

ARTICLE 34 HEALTH, LIFE, DENTAL AND VISION INSURANCE (cont'd)

- Health plan benefit design, including but not limited to infertility diagnosis and treatment;
- Health plan utilization issues, including but not limited to potential over-utilization of urgent care, emergency room and C-section deliveries;
- Total well-being of employees and dependents, including financial stress and worksite environment;
- 24-hour physician access by telephone or computer (“telemedicine”).
- Onsite Employee Health Clinic

(b) The bargaining units agree that participation in the District’s Health Rewards Program is beneficial to the employee as it brings awareness to each member’s personal health situation and awareness is a first step to understanding healthy and effective lifestyle habits. To help increase participation, each bargaining unit agrees to work towards increasing participation through promotions and discussions at meetings as well as in newsletters, emails and other correspondence to their members. Each bargaining group will strive to increase participation by 10% beginning in 2020.

16. Tobacco Surcharge

Employees who use tobacco products will be required to pay an additional monthly surcharge of \$50 for their medical insurance. An employee who has used a tobacco product(s) anytime within the last 60 days will be considered to be a user of tobacco products. The tobacco surcharge (\$50 a month) will be enforced throughout the entire plan year unless the employee meets the requirements of the Affordable Care Act for a change in his/her status. Employees are required to complete an affidavit that indicates their status within 30 days of their hire date. Employees will be able to update their tobacco status between January 1, and October 15 of each year. Changes made during this period will apply for the entire next plan year. By choosing not to disclose tobacco status or by not completing the form, employees will be assessed the \$50 monthly default charge, the same as a tobacco user.

17. On-site Employee Clinic

The District has established an on-site health clinic, known as the District Occupational Clinic, or “DOC”, to be located adjacent to Fulton-Holland Educational Services Center. The DOC provides primary health services for employees and any dependents covered under the District’s medical plan at lower co-pays. Due to the COVID-19 pandemic, the trial run for the clinic will be extended through Plan Year 2023. Use and outcomes will be examined at that time. For calendar year 2022 and 2023, the co- pay will be \$10 per visit for employees and dependents enrolled in the HMO medical plans. For the same period, those employees and dependents enrolled in the CDHP medical plan will have a cost share of \$25. This amount must be an amount equal to fair market value as required by the IRS.

Pre-employment and random drug testing as well as CDL and other required employee physicals will be handled through the clinic at the discretion of the District.

ARTICLE 35 DRUG AND ALCOHOL TESTING OF TRANSPORTATION EMPLOYEES WHO ARE HOLDERS OF FLORIDA COMMERCIAL DRIVER LICENSES (CDLs)

SECTION 1 Biennial Drug Test

All reappointed bus drivers shall be required to submit to a drug test during their regular biennial physical. Drivers shall be notified approximately sixty (60) days in advance of the date of their regular biennial physical examination.

In the event of changes in State or Federal Law related to drug testing standards, the Parties agree to meet in order to negotiate modifications in the provisions of this section. In no case, shall the standards included in this section be in conflict with the Federal or State criteria, nor in conflict with accreditation standards.

No bus driver shall lose their regular pay as a result of having to report for their regular biannual physical examination. No pay will be given to drivers that are scheduled for their regular biannual physical during the weekend or the summer unless the driver is assigned a summer driving assignment.

In addition to the regular biennial drug test above, all transportation employees performing safety sensitive functions and who are, holders of Florida Commercial Driver Licenses (CDLs) are subject to the drug and alcohol testing requirements of School Board Policy 3.961 and the U.S. Department of Transportation (DOT) 49 CFR Part 40 and 382.

SECTION 2 Safety Concern Synthetic Opioids

With the addition of testing of four (4) synthetic opioids to the drug testing panel, the Medical Review Officer (MRO) will contact the employee to request a valid prescription if one of the opioids is found in the test results. The employee will have five (5) days to supply a valid prescription. Upon receipt of a valid prescription, the MRO will then determine the test to be negative, and if a safety concern remains, will provide a statement to the employer of the safety concern. If the employee fails to submit a valid prescription within 5 days, the test result will be deemed positive.

When a safety concern is issued by the MRO, the employee must no longer drive, and must be evaluated by the District's medical examiner. The employee will be asked to make contact with their prescribing physician. The prescribing physician should be willing to state to the MRO and District's medical examiner that the employee can safely perform their safety-sensitive functions while taking the medication(s), or consider changing the employee's medication to one that does not make the employee medically unqualified or does not pose a significant safety risk.

The employee's medical exam certificate (MEC) will be revoked following the safety concern until such time as the employee is medically cleared to return to driving. Failure to obtain medical clearance within a 30-day period will result in the employee being referred to the School Board for termination.

SECTION 3 Positive Drug and Alcohol Test

The affected individual whose employment is terminated based on a second verified positive test shall be ineligible for future employment in any capacity with the District.

Challenges to test results are outlined in School Board Policy 3.961, Section 13. The employee must cooperate fully with the MRO in this review and meet all deadlines. All aspects of the testing process, including any challenge to the initial testing process, will be confidential except as provided otherwise in School Board Policy 3.961.

The cutoff levels for the respective drug test are:

Transportation employees, Bus Drivers, who are returned to duty after completion of the designated evaluation and rehabilitation program, shall be subject to follow-up testing in accordance with US Department of Transportation (DOT) 49 CFR, Part 40 and 382. The cost of the annual physical examination shall be borne by the Board. Holders of CDLs and those who are first-time drug and/or alcohol offenders must successfully complete an evaluation and rehabilitation program as determined by a Substance Abuse Professional (SAP) through the District's Employee Assistance Program (EAP), which will include unannounced follow-up testing as directed by the SAP. In addition, the employee shall be subject to the procedures outlined in School Board Policy 3.961, Sections 8 and 9, as well as the U.S. Department of Transportation (DOT) 49 CFR Part 40, Subpart O.

If either Party desires, a meeting shall be held within thirty (30) days of a ruling declaring a provision invalid to consider the development of new language consistent with the applicable law.

ARTICLE 39 ENTIRE AGREEMENT

The District and SEIU/FPSU acknowledge that during the negotiations which resulted in this agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the Parties after exercise of that right and opportunity are set forth and solely embodied in this agreement.
