

How to Create a GMAIL Account

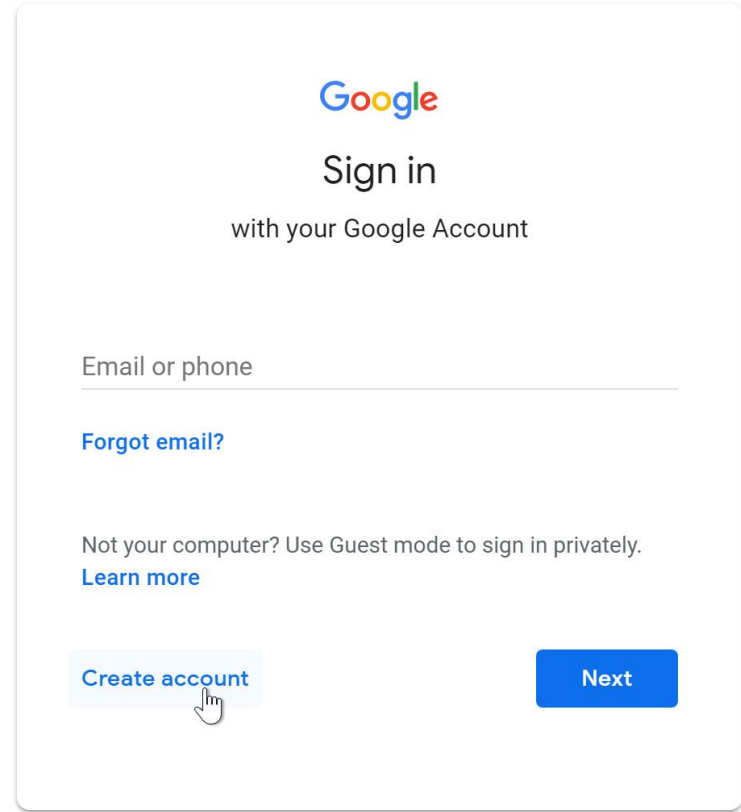

Cómo crear una cuenta GMAIL

Ki jan yo kreye yon kont GMAIL

Instructions in English

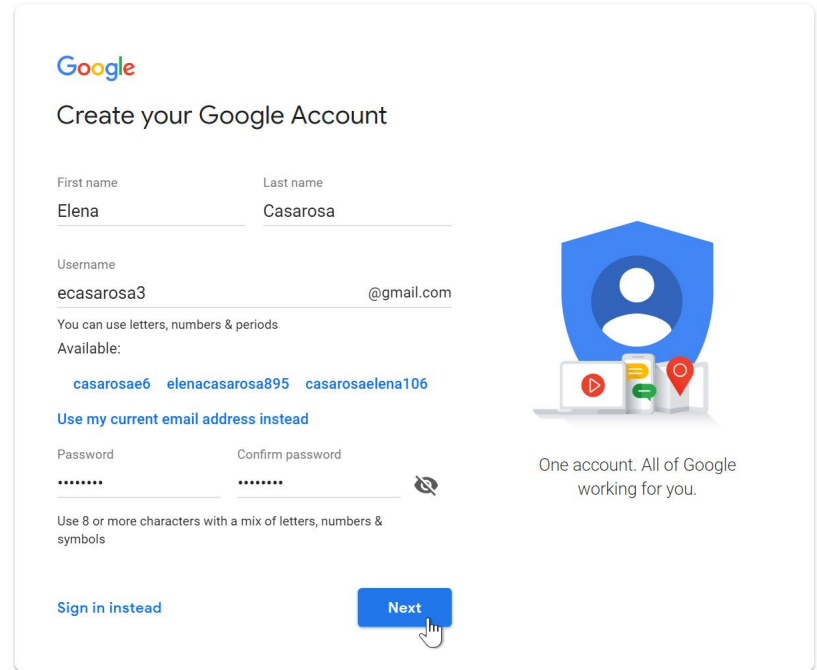

To create an account:

1. Go to www.gmail.com.
2. Click **Create account**.

The image shows a screenshot of the Google sign-in page. At the top center is the Google logo. Below it, the text reads "Sign in with your Google Account". There is a text input field labeled "Email or phone". Below the input field is a link for "Forgot email?". Further down, there is a message: "Not your computer? Use Guest mode to sign in privately." followed by a "Learn more" link. At the bottom, there are two buttons: "Create account" on the left and "Next" on the right. The "Create account" button is highlighted with a light blue background, and a mouse cursor is pointing at it.

The **sign-up** form will appear.
Follow the directions by entering
the required information.

The image shows a screenshot of the Google Account creation sign-up form. The form is titled "Create your Google Account" and is set against a white background with a light gray border. At the top left is the Google logo. The form fields are as follows: "First name" with the value "Elena", "Last name" with the value "Casarosa", "Username" with the value "ecasarosa3" and "@gmail.com" to its right, and "Password" and "Confirm password" both with masked characters ".....". Below the password fields is a small eye icon. To the right of the form is a blue shield icon with a white person silhouette, and below it are icons for YouTube, Gmail, and Maps. Below these icons is the text "One account. All of Google working for you." At the bottom left of the form is a link "Sign in instead" and at the bottom right is a blue "Next" button with a hand cursor pointing to it.

Review **Google's Terms of Service** and **Privacy Policy**, then click **I agree**.

The image shows a screenshot of a Google dialog box titled "Privacy and Terms". At the top left is the Google logo. The main text explains that data is combined across services and devices, and provides an example of how search data is used for spell-correction. Below this is a section titled "You're in control" which states that users can manage their data collection settings through their Google Account. At the bottom left, there is a "MORE OPTIONS" link with a downward arrow. At the bottom right, there are two buttons: "Cancel" and "I agree". A mouse cursor is hovering over the "I agree" button. On the right side of the dialog, there is a vertical scrollbar and an illustration of a blue shield with two white circles, representing privacy controls, with icons for a laptop, a smartphone, and an email symbol below it. Below the illustration is the text "You're in control of the data we collect & how it's used".

Google

Privacy and Terms

We also combine this data among our services and across your devices for these purposes. For example, depending on your account settings, we show you ads based on information about your interests, which we can derive from your use of Search and YouTube, and we use data from trillions of search queries to build spell-correction models that we use across all of our services.

You're in control

Depending on your account settings, some of this data may be associated with your Google Account and we treat this data as personal information. You can control how we collect and use this data now by clicking "More Options" below. You can always adjust your controls later or withdraw your consent for the future by visiting My Account (myaccount.google.com).
