Melaleuca Elementary 2023-2024 Parent and Family Engagement Plan (PFEP)

Melaleuca Elementary recognizes the importance of forming a strong partnership with parents and community members in order to positively impact the students in our school. To promote effective parent involvement, the staff at Melaleuca Elementary welcomes input from parents and community members in decision making and encourages them to join us in the activities outlined in this plan. We work with parents as equal partners in the educational process.

Annual Meeting

Parents are invited to attend this meeting at the beginning of each school year to learn more about the requirements of Title I and our School-wide Title I Program. At this meeting there will be opportunities to review the Title I documents and give input into the following:

- Parent and Family Engagement Plan
- Title I Family Involvement Policy/Plan
- Parents' Right to Know
- Ideas of topics for future parent involvement activities
- Title I budget

Accessibility for all families

We will accommodate all families by providing the following:

- Choices of meeting dates and times based on input from parents
- Interpreters
- Translated documents

Parent Involvement Activities

Based on parent survey input, we will provide the following activities to assist parents in understanding the state curriculum and assessments and to help parents improve their children's academic achievement:

- **Foundational Support for Reading:** To support student learning at home, parents will be able learn and implement activities with their children. They will learn how to provide their child quick but effective phonics and literacy lessons
- **Hands on Science:** To support learning at home, parents will be able to conduct different types of hand on science experiments and know the steps and questions to work with their children
- **Engaging with Math at Home:** Parents will begin to feel better about supporting math at home by learning about teaching students to understand the "why" behind the rules they learned growing up. They will be able to support their children at home with their math work and learn the steps that are taught in the classroom.

School Responsibilities

- Post regularly on the Melaleuca schoolwide class dojo which features updates regarding academic standards and school events.
- Provide ongoing opportunities for parents to meet, share experiences, and make decisions relating to the education of their children.
- Explain curriculum, assessments, share student performance results and assist parents in interpreting data.

- ☐ Conduct at least two parent conferences to share and document student academic achievements and to monitor their progress.
- ☐ Create a welcoming, safe, supportive and effective learning environment for students.

Shared Decision Making

Through the school’s School Advisory Council, parents will **review and give input in writing the school’s Parent and Family Engagement Plan and evaluate the plan annually**. Parents will also give input in writing the **School-Compact**. Parents review the Title I Family Involvement Survey data results to determine change. Use of parental involvement funds are discussed. Parents receive information in a timely fashion and are informed of student curriculum and assessment. Parents will have opportunities to discuss school wide programming and review data reports.

Parents will be provided information in a language and format which is easy to understand. We will communicate with parents by:

- Flyers/Class Dojo
- Emails/Phone (Parent Link)
- Agendas / Communication folders
- School website
- School Advisory Council– parents are invited to participate on this council.
