Juniors and Seniors may qualify to join the National Technical Honor Society!

National Technical
Honor Society

The National Technical Honor Society is an educational non-profit that exists to honor, recognize, and empower students and teachers in Career & Technical Education. As the honor society for Career & Technical Education, NTHS serves over 100,000 active members annually in both secondary and postsecondary chapters across country.

Since its founding in 1984, nearly 1 million students have become NTHS alumni. NTHS honors the achievements of top CTE students, provides close to \$300,000 in scholarships annually, and strives to help connect education and industry to build a highly skilled workforce.

Choice Application Process

NOVEMBER 1-JANUARY 26

Who may apply?

Out of Boundary students may only apply for a CHOICE program:

- Automotive Service Technology

In-House Students may apply through district for:

- Automotive Service Technology
- Digital Media/Multimedia
- Information Technology
- Medical Sciences
- TV/Film Production

How to Apply:

- Complete Choice Program Application at:
<http://www.mypbchoiceapp.com>
- Application deadline is **January 26, 2024**. (If you have Dreyfoos School of the Arts or Boynton Beach Arts as any part of your application than your deadline is December 9, 2022).
- Results/Notification is **March 28, 2024**. You can also log-on to your application dashboard at that time.
- I will also follow up with a welcome letter in early April and required documents to be signed.

How to Apply:

Parent Dashboard:

Available for 2023-2024 School Year

Open Enrollment (April 1, 2023 - May 15, 2023)

[Choice Programs](#) (November 1, 2022 - January 27, 2023)

Important The deadline for Arts programs requiring auditions is December 9, 2022. The deadline to apply for all other programs is January 27, 2023. [Click here to view the 2023-2024 Choice Booklet](#)

[Request for Student ID](#) (November 1, 2022 - May 31, 2023)

Important In order to submit a Choice application, a Palm Beach County Student ID number is required. Select this option only if your child has never been assigned a Student ID number through a district school, Home Education or for ESE purposes.

Available for 2022-2023 School Year

Student Reassignment - 2nd Semester 2022-2023 School Year (September 30, 2022 - October 31, 2022)

Important [Click here to view schools available for second semester Reassignment.](#)

Important **Employees Only:** [Click here to view important information concerning student reassignment .](#)

Must have a Student ID.

Takes approximately 3 days once all paperwork has been uploaded.

Important Reminders on the Application:

- Make sure your address is accurate: merges with PBC database
- Make sure you choose the right transportation option
- Make sure you are aware of the eligibility requirements and meet them
- “In House” programs could block your eligibility to apply to a program (if you do not see it on the drop down menu)
- Review your application status periodically
- You do NOT need to re-apply to academies each year. Once you are in, you’re in!

Important Reminders:

- Seats in Academies are assigned through the lottery. This is a true lottery and the school has no local influence or say over who gains admittance.
- The School District of Palm Beach County has unilateral control over all lottery placements at all PBC schools; Elementary, Middle & High.
- As much as we wish we could accept certain students, this is designed to prevent nepotism, and to promote equitable access to all students within our District.

WILL I HAVE TRANSPORTATION?

Students who live outside the Choice Transportation Zone and are accepted to a Choice program MUST provide their own transportation to and from the:

1) School

or

2) Nearest school bus pick-up location within the transportation zone

To see current bus stops click on "Find my Bus" on the school district website

Can my child enroll in two career academies?

Oftentimes students are interested in two academies.

A student can only receive **ONE** academy seat from the district.

If we have space, and the students met the criteria to be in a second academy, and the student has room on their schedule, we may enroll them in two.

Please communicate with your child's School Counselor if this is something you are interested in.

Can my child be in CAAPP and an academy?

YES!

If your child meets the incoming academic requirements for CAAPP, they will be placed in that program.

The Academy class will take the place of the Elective on the CAAPP course sequence.

do what
makes
you happy

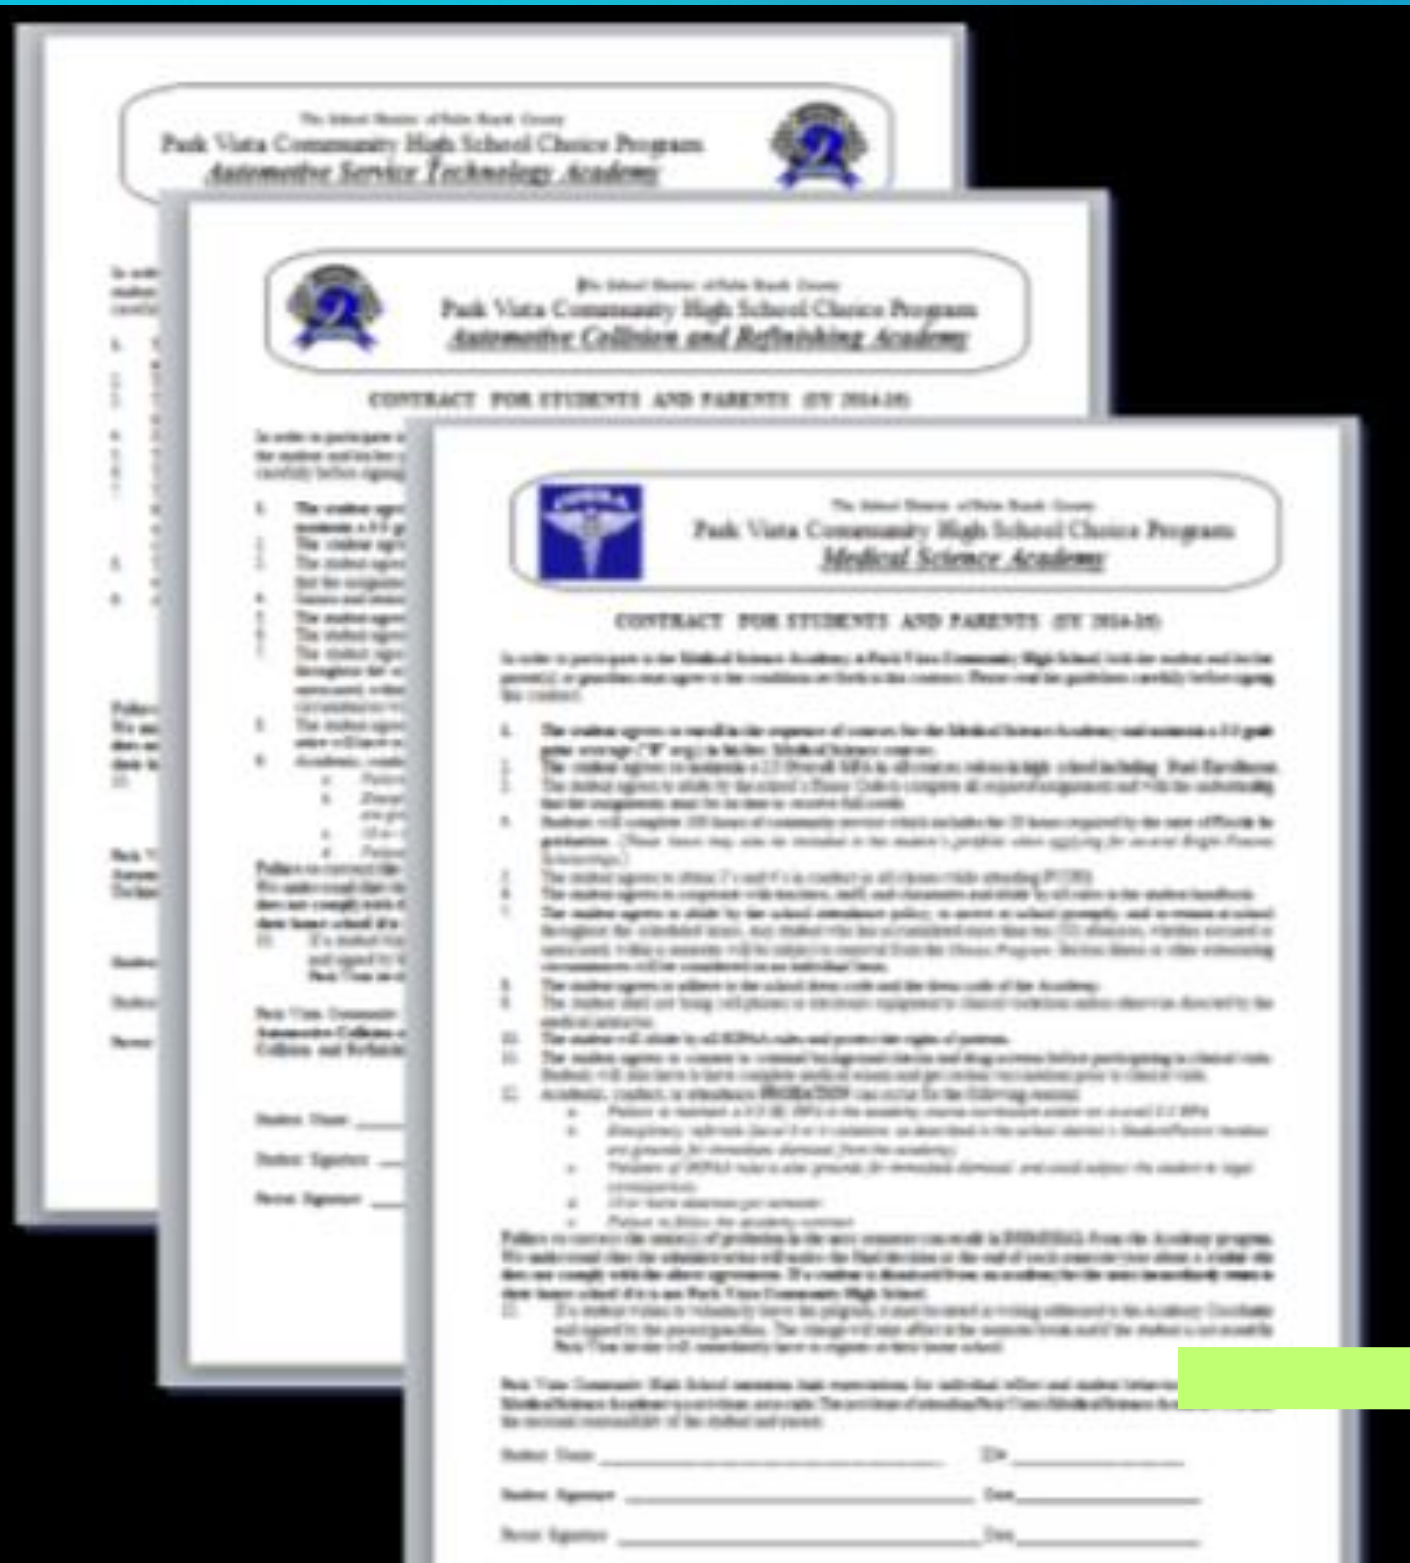

What is your passion?

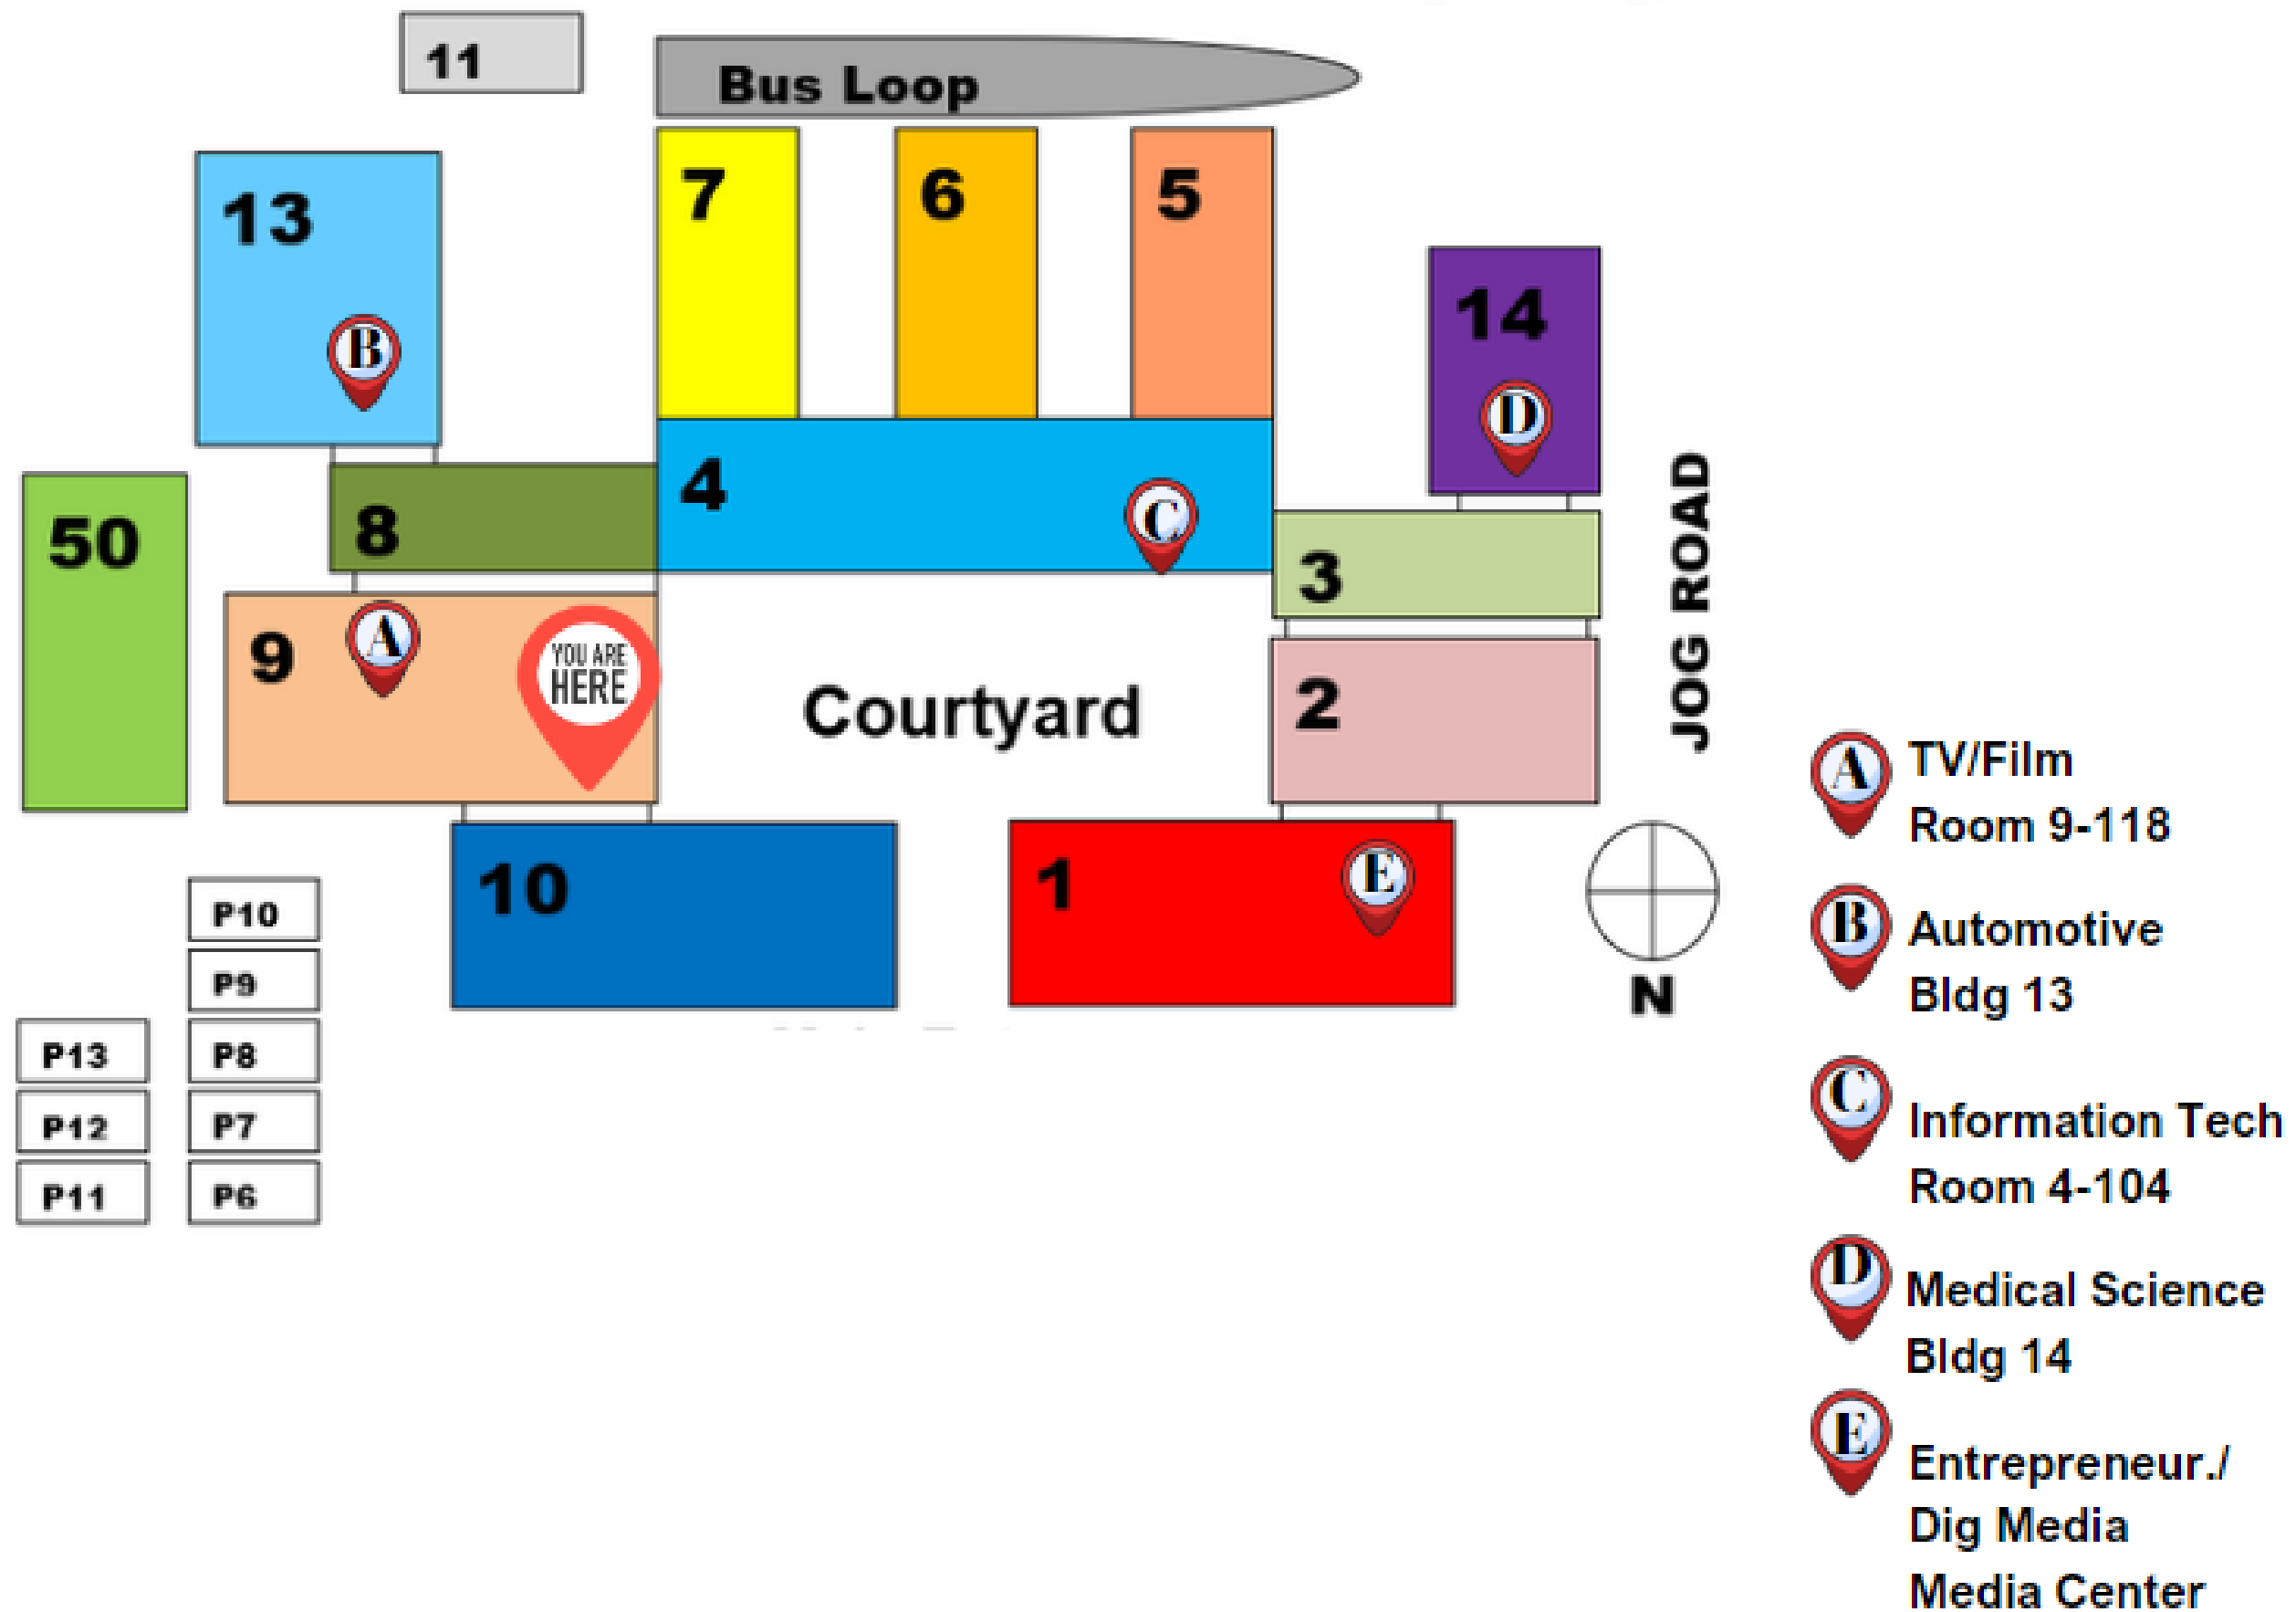

ACADEMY EXPECTATIONS

Each academy program has a GPA minimum requirement and general contract to remain in the academy.

For Choice students not zoned here, this means remaining at this school, too!

Park Vista Community High School

THANK YOU!
