## **Physical Education Requirement**

## **Parental Notification and Waiver for Middle School Students**

The 2008 Legislature passed Senate Bill 610 which was signed into law by Governor Crist on June 2, 2008. It included changes in statute as it relates to physical education requirements for Florida students.

Senate Bill 610 requires the equivalent of one class period per day of physical education for one semester of each school year for students in grades 6 through 8 beginning in the 2009-2010 school year.

This statute requires each district school board to notify parents of the options available prior to scheduling a student in physical education. Unless your child meets one of the waiver criteria listed below he/she will be enrolled in physical education for one semester of each school year while in grades 6 through 8.

To waive the physical education requirement for your child mark one of the criteria below (check one only).

\_\_\_\_ My child is enrolled or required to enroll in a remedial course.

\_\_\_\_ I request that my child enroll in another course from among those offered as options by the school district.

\_\_\_\_ My child is participating in physical activities outside the school day which are equal to or in excess of the mandated requirement.

Provide the following information:

Student Name \_\_\_\_\_ Date of Birth \_\_\_\_\_\_

Parent/Guardian \_\_\_\_ Phone # \_\_\_\_\_

Sign and return this completed waiver form to the school.
