

One Pager Directions

A one pager is a way to visually share key ideas and information from what you have learned. When you create a one pager, you are trying to use both visual symbols and important words to clearly and concisely share your most important takeaways with someone else.

For this one pager, I've provided you with a template.

Here's what it MUST INCLUDE:

- A border of key quotations from the text
- The top half should focus on symbolism and themes from the text, including both words and images.
- The bottom half should focus on key characters from the text and how they develop, change, and interact. It should also include both words and images.

You may also add other symbols, drawings, and words that represent the reading as you wish.
