

Pathway to High School Readiness and Post-Secondary Opportunities

The Multimedia, Music, & Communications Academy will serve as a pathway for academy students to matriculate to high school business academies as well as serve as an academic springboard for students that wish to successfully transition into the multimedia, music, and communications workforce.

Crestwood Middle School Mission Statement

Crestwood Middle School is committed to providing all students a world-class education with excellence and equity to empower each student to reach his or her potential.

This will be accomplished through the continued enhancement of programs and services, strengthening of parent and community involvement and maintaining an open line of communication among all stakeholders.

“Public Education is the Genius Of Our Democracy”

Attitude, Dedication, Respect, and Character – not only do these four jewels represent “The Eagle Plan,” but underscores what the premise of education is all about; to prepare tomorrow’s future TODAY.

Our Academy students will work closely with:

- Local feeder elementary and high schools
- Local business partners
- Community leadership

Overview: Multimedia, Music, & Communications Academy

The Multimedia, Music & Communications Academy features an innovative, integrated, and rigorous cluster of academic courses that focus on one of the world's fastest growing industries.

Our Commitment to Single School Culture in Academics

At Crestwood Middle, we work together as a T.E.A.M. to ensure that ALL students have the best education to meet his/her needs.

You can expect to see a variety of instructional techniques and tools to meet the needs of all learners:

- Project-Based Learning
- Standards-based instruction
- Personalized learning
- Small group instruction

Crestwood Middle School Performing Arts students enjoy a rich variety of performance venues. Our students appreciate receiving a well-rounded education that scaffolds the rigorous academics at our school.
