“Challenge everyone, every period, every day to strive for the spirit of excellence”

John F. Kennedy IB Mission Statement

The International Baccalaureate aims to develop inquiring, knowledgeable, and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.

To this end, the organization works with schools, governments, and international organizations to develop challenging programmes of international education and rigorous assessment.

These programmes encourage students worldwide to become active, compassionate, and lifelong learners who understand that other people can also be right with their differences.

The IB Middle Years Programme at JFK

The Middle Years Programme allows students to engage in a rigorous curriculum while understanding their connection to the community. The program encourages students to use the Learner Profile attributes to substantiate their interaction with real-world concepts all while becoming creative, critical, and reflective thinkers!
