

Approved Calculators for the Algebra 1 and Geometry EOC Exams

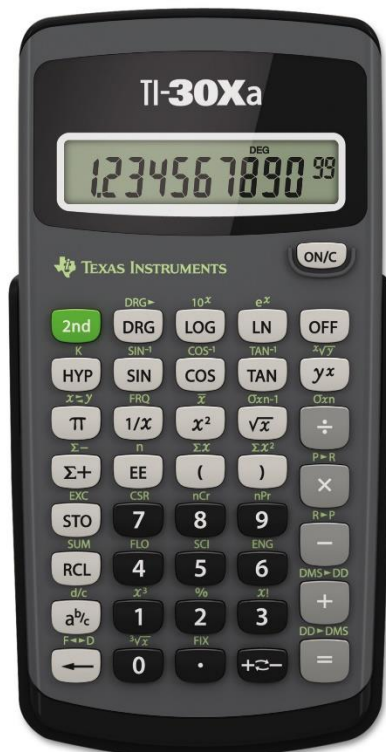

When you take your SEMESTER EXAM (December) and your EOC EXAM (April) you **MUST** bring your own calculator. We will not be able to provide them.

If you are going to bring a calculator from home, it must be approved by your Math Teacher or Mrs. Ludy.

If you are going to purchase one, please purchase either one of the two shown below.

You may not use an UNAPPROVED calculator on either exam .
